

5 Cutest Teen Celebrity Couples

By [Whitney Johnson](#)

Lately, it seems like the heavyweights in Hollywood are getting younger and younger. After all, it was just last year that Jennifer Lawrence won her first Academy Award for Best Actress Oscar at only 22 years old. Given their full-time jobs and big paychecks, these stars often grow up a bit faster than your average youngster – which means they also experience love and heartbreak earlier in their lives. With this thought in mind, we developed a list of our five favorite teen celebrity couples:

1. Bella Thorne and Tristan Klier: The 16-year-old star of

Disney's popular show *Shake It Up* has been dating her blonde-haired boyfriend since 2012. When we caught up with the actress earlier this year, she revealed her favorite date night with her beau: "Just to sit on the couch and watch Netflix!"

2. Britney Spears and Justin Timberlake: Will there ever be a teen couple as adorable as these two pop stars? The pair, who met on the set of *The New Mickey Mouse Club*, were only 18 years old when they started dating and split after 3 years together. Recently, Spears even confirmed that Timberlake was her first kiss. Aw!

3. Gigi Hadid and Cody Simpson: The *Sports Illustrated* model and Australian singer, ages 18 and 17 respectively, were spotted at the Vanity Fair Oscars Party, looking every bit like a teenage dream. The lovebirds maintain a long-distance relationship – Hadid is at New York University, while Simpson lives in Los Angeles – but we hope to see the blonde beauty cheering her man on from the audience of *Dancing with the Stars*.

4. Kylie Jenner and Jaden Smith: While this duo hasn't confirmed their relationship status, they've been spotted around New York City, London, and Los Angeles. Plus, the so-called "best friends" have exhibited PDA on multiple occasions. Only time will tell if these teens have found true love!

5. Selena Gomez and Justin Bieber: Even though the problem-plagued pop star exited his teen years on March 1st and his on-again, off-again girlfriend is already a year into her 20s, we couldn't help but include this duo on our list. While

Bieber may be trying to prove his age with his recent antics, his fans are still primarily tweens and teens, making his love life of utmost importance to this age group.

How do you keep the romance in your relationship alive?

Cupid's Advice:

When your in a long-term relationship, keeping things fresh and exciting can prove to be a little difficult. A passionate, intense romance is difficult to maintain, but if you put in the work, you'll be able to keep that special spark alive. Cupid has some tips:

1. Do things together: Forget about staying home all the time. Go out for a date every now and then. Take your partner out for dinner, or go see a movie together. If you rather plan your activities during the day, try a picnic lunch or something both of you would enjoy doing together.

Find Out About Ashton Kutcher and Mila Kunis' Engagement

By Sanetra Richards

Mila Kunis and Ashton Kutcher are now on the list of celebrity weddings to lookout for. Kunis has been seen around sporting a few carats on her ring finger. Before the news broke out, the couple kept the engagement hidden. According to a source

through [People](#), the *That '70s Show* cast mates have “been engaged for a couple of weeks.”

What are some ways to keep your engagement under wraps?

Cupid's Advice:

Although you are overwhelmed by excitement and joy, you do not want to broadcast your engagement just yet. However, there are some challenges you must overcome in order to successfully conceal the news. Cupid is here to help you out:

1. Secrecy: You must swear by this step, which means seal your lips. Temptation will sneak up quite a few times, and you may want to tell even your closest friends – do not give in. It may seem easier said than done, but definitely can be done if you are serious about not spilling the beans.

Related: [Source Says 'An Engagement Is Coming' for Ashton Kutcher and Mila Kunis](#)

2. Don't be obvious: The talks about marriage and whatnot will only continue with your family and friends, yet it is up to you to shy away from exposing your engagement. Sometimes we feel pressured and want to blabber every single thing – as stated earlier, do not give in. If no hints are given, the engagement will come as a surprise.

3. Leave the ring at home: The urge to flaunt your ring is all a part of temptation's 'evil' plan – do not give in. If you really want to keep the engagement a secret, wearing the ring is probably not the brightest idea. People are easily drawn to sparkly jewelry and will begin to question you. Instead, you may want to choose something simple that is sentimental and symbolizes your engagement.

Kim Kardashian and Kanye West Set a Wedding Date in Paris

By Sanetra Richards

Kimye have set the date! According to [People](#), West and Kardashian are planning a ceremony for May 24th in Paris. You may remember the extravagant proposal, which aired on an episode of *Keeping Up with the Kardashians* back in February. However, a source has reported, "It won't be a huge wedding.

Around 150 people.”

What are some factors to consider when choosing a wedding date and location?

Cupid's Advice:

Your wedding day is one of the most memorable times of your life. Therefore, picking the perfect date and location is crucial. Cupid has some advice to make the planning as less stressful as possible:

1. Ideal scene: Check out various venues so you will have options. You want to aim for the most romantic ambiance. Love should literally be in the air. Also, choose a site that fits your number of guests. For example, if you are expecting a larger crowd, the location should accommodate.

In addition, be sure to pick a time frame that will also work for your guests, such as family and close friends.

Did Robin Thicke and Paula Patton's Body Language Indicate A Split Was Coming?

By [Jared Sais](#)

By now, we've all heard the news that power couple Robin Thicke and Paula Patton split after nearly a decade of marriage. The high school sweethearts appeared happy and in love on red carpets and at award shows in the past few months, so their separation announcement came as a surprise for many. So I can't help but wonder: Did we all miss the signs that their breakup was imminent? With this thought in mind, I took

a look at three recent photos of the couple and analyzed their body language:

Photo 1 (from left to right above): In this picture, we see the couple at the 56th Annual Grammy Awards on January 26, 2014. Thicke is still wearing his wedding ring, but their non-verbal cues say more than a piece of jewelry ever could. Both the stars are walking this red carpet as if they're single already. If you cover up one of the them, you'll see they're posing separately. When two people are in love, they become a unit when taking a photo, and that's not the case here.

Additionally, if we take a look at Thicke, we can see that he's a bit stiff: His shoulders are squared off, and he's facing the opposite way of Patton, showing that the couple are not in sync.

Looking forward a bit, you'll notice that Patton has the same stance in all three photos. She's got one hand on her hip (which conveys dominance) and is facing the camera. Girls often do this pose, with either one or both hands, to make themselves stand out more in the photos. Think of it like the Superman – or Superwoman – pose of power. Some girls also do this stance because they don't know what else to do with their hands. Either way, it's so culturally expected that it's now done subconsciously.

Photo 2: Here, the couple is at the Clive Davis and Recording Academy's Pre-Grammys Party on January 25, 2014. Both Thicke and Patton look very comfortable together, and she's genuinely smiling this time. As you may recall from my previous posts, the following signs indicate a real smile: The corner of her lips are raised; her teeth are showing; there's wrinkling at the corner of her eyes (called crow's feet); and she has puffed cheeks.

But one thing is still missing. Although the couple *look* like they're mirroring each other's body language (a sign of flirting and interest) with their faces, their bodies don't follow suit. For instance, there should be some sort of touching with their outside hands. Instead, we see Patton's typical hand on her hip and Thicke's hand in his pocket. This lack of touch tells me that, while she may be laughing and he might be leaning in, things are still not the same between them.

On the other hand, it also tells me that there's still attraction between them. Thicke is indicating that he wants to get close to Patton both emotionally and physically, which makes sense seeing as he's publicly tried to win Patton's heart back in the past week or so.

Related Link: [Celebrity Couple Predictions: Paula Patton, Miley Cyrus and Catherine Zeta-Jones](#)

Photo 3: Both the singer and actress were rocking their typical poses at the *Baggage Claim* premiere on September 25, 2013. This photo is more generic than the previous two though; they're just posing for the cameras. The only thing worth noting is that Patton's head is tilted towards Thicke, which is a sign of affection.

I think it's a bit ironic that they're posing in front of a sign for the film, as both of them have some baggage that they need to claim. Based on these three photos, I can tell you that Thicke is still very much in love with Patton (a feeling that he's confirmed) and that Patton is still in love with Thicke. I believe that they'll get back together, but I am sure that Patton will create some guidelines (like no more twerking with Miley Cyrus).

If I could wrap up their relationship in two sentences, I'd say: Thicke was famous first; he found fame and then let the fame go to his head. Reality quickly set in though, and now he

understands that being famous can't give you the same thing as love.

Stephen and DeAnna Pappas Stagliano Reveal Baby Daughter's Name

By Louisa Gonzales

It's official! The baby name of Stephen and DeAnna Pappas Stagliano has been announced. The beautiful couple has named their baby girl Addison Marie Stagliano according to [People](#). The Bachelorette star and her husband named their daughters middle name after DeAnna's mother, who died of cancer when she was 12. The duo welcomed their baby to the world on Thursday, February 6 and the Bachelorette alum's husband was quick to tweet the good news. The lovebirds pregnancy was first announced in August, and the starlet even joked about how the baby would be her gift to her husband. The lovers couldn't be happier and are grateful for all the warm wishes they have received.

How do you compromise with your partner on baby names?

Cupid's Advice:

Welcoming a baby into the world is an exciting event. Babies can bring couples together or pull them apart. Discussing and picking out your baby's name can be difficult, especially when

you both have specific names in mind. How can the two of you find a way to civilly pick out a name? Cupid has some advice on how to compromise with your partner on baby names:

1. Remember you want to pick a baby name not pick a fight:

There is a way to peacefully pick out baby names, you just have to know how to pick your battles. If the baby name is truly important to you, your partner will most likely understand and agree to a compromise, but before you go there ask yourself how important is the name to you really? More important than your marriage? These are questions you need to ask yourself, when you're set on a name, but your beau is against it.

Related: [Former 'Bachelorette' DeAnna Pappas Stagliano Is Pregnant](#)

2. Be together on this: Couples who are a team and work together have stronger relationships than those who don't. Sit down, maybe go through a baby names book or make a list of possible baby names together. If your lovebird is against certain names you really like ask if they are willing to agree on an alternative. It could be fun to find a baby name together, just make sure it's a name you will both love and be happy with.

3. Be reasonable: When choosing baby names be fair. Don't suggest random or odd names that have no real significance to you or your significant other. You don't want to look back later in life and not be happy with your choice of baby name nor do you want to look back and say, "yea maybe we should have gone with your suggestion". If you are both honest and willing to be smart about the potential names it will make deciding on one much easier.

How do you prepare for a third child versus your first and second?

Cupid's Advice:

Having children is a beautiful thing and for many couples a great new adventure in their relationship. Having children is great, but it can be hard, especially when you already have a couple of kids under your belt. You've already done your research on pregnancy and have experience with kids, but that doesn't mean there aren't still new things for you to learn or prepare for. Cupid has some advice on how to prepare for a third child:

1. Prepare for change: With the birth of your third child, change will come for your whole families dynamic. You can still learn about all the ways it can change and prepare for it by doing research, read up on how it will affect your other two children and your relationship. Each child needs attention and you'll need to figure out how your going to divide the time up between them. Also don't forget about each other, couples need time to spend together to keep their bond and love strong.

2. Let your kids know: Help your kids understand there's going to be a new addition to the family soon. The third child arrives in to an already established family with pre-formed

relationships. There will be power struggles between your kids, but you can help ease the change of gaining a new family member, by casually mentioning it from time to time. Both you and your partner can try mentioning it at dinner or at the park when you see other families, you could say, “soon our family” will grow.

3. Discuss and make plans together: Before the third child arrives you need to set up a game plan of how things are going to run. You may already have baby things from your previous kids, but you will most likely need some new things, especially if you don't want to let the third child feel less important than the others by only getting handy downs. Money issues and work schedules will also need to be discussed, and you'll need to work together to compromise and establish all the things you need to do to for your growing family.

How do you prepare for your first child?

Cupid’s Advice:

Many couples don’t know where to start when they find out they’re pregnant for the first time. How do you know what size clothes to buy? Do you buy baby formula now or later? Take a deep breath and remain calm. Cupid has some tips:

1. Get educated: One of the best things you can do for yourself and your future newborn is learn everything there is to learn about babies and parenthood. Buy pregnancy books, take parenting classes with your partner and ask for tips and advice from loved ones who’ve already been through the situations you are about to experience.

Celebrities Who Have Gotten Back Together After a Cheating Scandal

By April Littleton

Celebrities are known for being in the spotlight – especially if they are involved in a relationship with someone. Sometimes, this can get them into a bit of trouble if they aren't being true to the one they love. Whether the rumors are true or not, many celebrity couples have had their fair share of cheating scandals:

1. Kristen Stewart and Robert Pattinson: In July 2012, *Us Weekly* published pictures of Stewart having an affair with “Snow White and the Huntsman” director Rupert Sanders. The day after the scandal went public, the “Breaking Dawn” co-star issued out a public apology to Pattinson through *People*. “I’m deeply sorry for the hurt and embarrassment. I’ve caused to those close to me and everyone this has affected. This momentary indiscretion has jeopardized the most important thing in my life, the person I love and respect the most, Rob. I love him, I love him, I’m so sorry,” she said. After a brief breakup, the two ended up back together. However, the reconciliation didn’t last. The couple broke up for the final time sometime last year.

2. Fergie and Josh Duhamel: In 2009, an exotic dancer named Nicole Forrester claimed she had an affair with then 39-year-old Josh Duhamel. In an interview with Oprah, Fergie addressed the claims. "It was difficult. When you go through difficult times it really makes you stronger as a unit. As a partnership. It does for us anyways. Our love is a deeper love now," she said. The couple went on to renew their wedding vows shortly after the allegations. The duo are also parents to son, Axl Jack Duhamel, born Aug. 29, 2013.

3. Robin Thicke and Paula Patton: Last year, British socialite Lana Scolaro accused the *Blurred Lines* singer of cheating on his wife with her at a VMAs after-party. Scolaro told *Life & Style Magazine* that Thicke said, "I want to get you into bed!" upon meeting her. Patton's reps denied all of her claims and stated that Scolaro was "just a girl looking for attention." Thicke and Patton were high school sweethearts and married in 2005. They have a son, Julian Fuego Thicke.

4. Keith Urban and Nicole Kidman: Part-time model, Amanda Wyatt revealed to *Daily Mail* that Urban cheated on Kidman throughout their relationship. "I feel sorry for Nicole. Keith cheated on her repeatedly with me, right up to just before they got married," she said. However, the accusations didn't seem to tear the couple's marriage apart. Urban and Kidman had their first child together in 2008, and had a second daughter in 2010.

Celebrity Couple Predictions: Jordin Sparks, Nina Dobrev and Gwyneth Paltrow

By [Shoshi](#)

For today's column, let's take a look at three celebrity

couples that keep the gossip mills churning – whether it's because of a potential engagement, a possible new love affair, or never-ending separation rumors.

Jordin Sparks and Jason DeRulo: Lately, all eyes have been on this couple, wondering when they're going to get engaged. DeRulo made the smoothest move ever on Valentine's Day by gifting his girlfriend with 10,000 orange roses. How in the heck is he going to top that? What also has people buzzing is that the sultry singer proposed to Sparks in his latest video for "Marry Me."

Calm down, and stop waiting for your wedding invitations. They're only 24 years old – why is everyone trying so hard to marry them off? They're still figuring it out. That's not to say that they haven't started talking about marriage; right now, it's out on the table and being discussed. The two of them are best friends, so it's looking really good.

DeRulo is still trying to decide how and when to propose. I see it coming on a holiday or a birthday; New Year's Eve keeps popping up.

Related Link: [Jason Derulo Surprises Jordin Sparks with 10,000 Roses for Valentine's Day](#)

Nina Dobrev and Liam Hemsworth: Are these two Atlanta-based actors a new couple? They have recently been spotted on a date and sharing a few kisses.

If they do decide to pursue a relationship, don't look for this one to last a long time. No offense to Dobrev, but she's in a rebound situation after her split from longtime boyfriend (and *The Vampire Diaries* co-star) Ian Somerhalder.

Similarly, Hemsworth's energy is all over the place when it comes to his heart. Can you blame him? By the end of his relationship with Miley Cyrus, it had become a train wreck. He

has a bit of healing to do. He isn't sure what he wants in a relationship, so he's just having a good time and looking to see who's out there. The *Hunger Games* actor has a few wild oats to sow before settling down again.

Related Link: [Find Out About Liam Hemsworth Post-Miley Hookup with Eliza Gonzalez](#)

Gwyneth Paltrow and Chris Martin: Oh, how the gossip is flying on the marriage of this longtime pair! Her reps have denied that she's having an affair with lawyer Jeff Soffer; there have been other names thrown around as well. The question remains is any of it true – and who knows? Only those people directly involved with the couple know the real deal.

When I look at the marriage of the actress and musician, it's in deep trouble – and not just because of affair rumors or because Martin may not be a happy camper living in Los Angeles. Long story short, the Coldplay frontman is bored to tears with their relationship, and he looks disconnected. If things don't turn around soon, look for a divorce announcement. Martin is going to want to split, but Paltrow will make sure that it looks like she's the one who wants to end their marriage, as her image is very important to her. Martin will be fine with that as long as he gets to move on.

How do you remain civil with an ex?

Cupid's Advice:

Maintaining a positive relationship with an ex can be hard. Sometimes, you have to remain friends for the sake of

children, or any other loved ones who may be involved. Cupid is here to help:

1. Communicate when necessary: You and your ex don't need to communicate with each other everyday. You shouldn't know what's going on in their love life unless they disclose that information to you themselves. If you have children together, let meeting together be strictly about your family.

Related: [Lea Michele Says Cory Monteith is 'Watching Everything I'm Doing'](#)

2. Be mature: If you're both two mature adults, there shouldn't be any reason for the two of you not to get along. Forget all of the petty behavior and act your age. Don't throw insults back and forth at each other – doing so will get you nowhere.

3. Move on: In order to remain a civil, platonic relationship with your ex, you'll need to let go of all of your old feelings from them. All of the anger, hurt, pain, etc you felt toward your former flame needs to be put in the past. You'll never be able to move on and find someone new if you're still hung up on your ex.

How do you break the news of a separation to a child?

Cupid's Advice:

If you and your partner have come to an agreement in regards to divorce, the next course of action would be to tell the child/children the two of you have together. This step in the process of your breakup might be the toughest to go through, especially if your child may be too young to understand. Cupid has some tips:

1. Private setting: When you decide to break the tough news to your child/children, make sure to discuss it in a place where he/she will feel the most comfortable. The worst decision you could make is to tell your child about you and your partner's split in a public environment.

Related: [Marc Anthony Says He's 'Good Friends' with Casper Smart](#)

2. Allow them to ask questions: Once you get the "hard" part out of the way, allow your loved one to ask as many questions as necessary. Your child/children will need some time to process the thought of not having both parents under the same roof. Don't get frustrated. Instead, practice your patience and try your best to explain the situation.

3. Don't smother: Allow your child his/her own space. Everyone in this situation will need some time alone. When things seem to settle down a bit, ask your kid how they're feeling about the situation – including your former flame in the conversation might be a good idea as well.

What are some ways to keep things civil with your ex?

Cupid's Advice:

Sometimes when you think of an ex, you don't always think of the possibility of being cordial with each other. One of the first things that come to mind is bashing one another every chance there is. Despite the history, whether good or bad, many past lovers are actually a bit amiable. Cupid has some advice:

1. End on good terms: Communicate thoroughly with your ex-partner to gain a full understanding on why the relationship has ended. This primary step will avoid a ton of confusion and maybe even make for a better 'friendship' between the both of you.

Related: [Brandi Glanville Says Drama Will End When LeAnn Rimes Has Her Own Kids](#)

2. Control your emotions: Avoid harboring those ill feelings because they can possibly lead to major problems between you and your ex down the road. If you are carrying a load of baggage from the relationship, do not expect to successfully be civil. Unfortunately, it's not as easy as it sounds and will take some time to adjust. What's most important is that you give it a try.

3. Don't be selfish: Take in mind this life lesson you were taught at a young age. Also, steer clear of damaging or returning your ex's possessions. How do you use gifts to show your appreciation for your partner?

Cupid's Advice:

It's nice to receive gifts from people you love and care about. When someone gets you a present it shows that they think about you and appreciate you. Giving your partner gifts is important for your relationship, especially with helping your lovebird feel loved. Cupid has some advice on to use gifts to show your gratitude toward your special someone:

1. Give your lover a gift on a non holiday: Want to really show your appreciation and gratitude to your special someone? What better way to that than to give them a gift for no other specific reason other than because you love them and just wanted to. Maybe give them a gift when you see they are having a bad week or going through a hard time, nothing like gifting them with something special to bring a smile to their face.

Related: [New Couple: Jordin Sparks Is Dating Jason Derulo](#)

2. Plan to give the best gift yet for their next birthday: Nothing will show how much you love and care about your lover then by making their birthday one to remember. Birthdays usually become less exciting as we get older and the presents are less unique and special, break that idea and notion by doing or getting something you know your honey will love, enjoy and truly appreciate. Think about what gift will truly surprise them, you can also ask family and friends for help.

3. Create, make or write a personalized gift: This is a chance to show your creative side as well as show you are willing to make the time and effort to put something together that is one of kind and just for them. A gift doesn't necessarily mean giving your loved one a present. You can also write your sweetheart a personalized love letter or thank you card that expresses how grateful and thankful you are to have them in your life or show you appreciation by making them breakfast in

bed.

Play game where you leaves clues for your partner to find until it leads all the way up to your ultimate popping the marriage question. For example, throw a party with friends and family and have them all wear t-shirts each with a different letter of "will you marry me" and ask for a picture and afterwards when your soulmate asks to see, it will read out the question. There are other alternative games you could create and play to make your engagement one to remember and unexpected for your other half.

Cupid’s Advice:

Congratulations on your pregnancy! Now, you have nine months to prepare yourself and your significant other for what’s to come next. Cupid is here to help:

1. Friends and family: Ask some of the people who you’re close to for helpful advice. What would they recommend to buy for a newborn? What kind of parenting classes should you and your partner look into? You want to experience being a first-time parent all on your own, but there’s nothing wrong with getting

a little help along the way – especially if the people you ask have been through what you're preparing for now.

After months of speculation, the petite actress confirmed their engagement on *Live With Kelly and Michael* in October 2013.

4. Khloe Kardashian: It looks like Kim – who dated not one but *three* athletes before starting a family with rapper Kanye West – isn't the only Kardashian sister who likes muscular men. 1. Double trouble: Twins require twice as much love and affection. You'll also need to stock up on double the necessary equipment. Two cribs, two strollers, twice as many diapers, etc. Brace yourself for the amount of money you'll have to spend in order to take care of your new family. Being responsible for two new lives instead of one won't be an easy task, but it'll all be worth it once you see their faces.

Celebrity Couple Predictions: Amber Heard, Kaley Cuoco and Hilary Duff

By: [Shoshi](#)

For today's column, let's take a look at three celebrity couples who have made headlines lately for shocking relationship moves – whether it's a surprise engagement, a quickie marriage after a whirlwind romance, or a separation

announcement from a seemingly happy couple.

Amber Heard and Johnny Depp: Depp recently announced his recent engagement to actress Heard. Two words that came to mind when I heard this news were “hot mess.” Not because I think it’s too soon for the actor to be in a serious relationship, but because this relationship has signs of doom written all over it.

The 27-year-old actress met her 50-year-old fiancé while working on *The Rum Diaries*. There have been so many allegations about their romance that it’s hard to know what to believe. The main rumor that stands out is that Depp and Heard broke up not that long ago so that she could date a woman. He somehow won her back and put a ring on it.

The only thing that is clear in this relationship is that Depp is trying his best to keep Heard around. What better way than to get married! Their relationship energy is two lost souls floundering around. The biggest question is how long can the actor can keep his partner entertained before she wants to leave again. I hope he’s smart enough to get a good prenup, as there’s no way this relationship is going to last.

On another note, the media keeps trying to make it seem like Depp’s ex, Vanessa Paradis, is jealous over his engagement. This rumor couldn’t be further from the truth. Paradis left Depp; *she* was the one who didn’t want to get married. Depp has repeatedly confirmed this truth in interviews since their split, and his ex has moved on.

Related Link: [Johnny Depp and Amber Heard Are Engaged: Find Out Why](#)

Kaley Cuoco and Ryan Sweeting: The *Big Bang Theory* actress ended a relationship with Henry Cavill and pulled the ultimate bounce back: She fell in love with tennis player, Ryan Sweeting, and got married. If you blinked, you may have missed

the whole thing. The couple dated for only five months before sprinting down the aisle.

There is something rather awesome about this marriage. It's a classic case of "you know when you know." Sure, they got married quickly, but when I look at their relationship, it looks like they both knew it was meant to be. Cuoco was looking for something different when she met Sweeting. They've been together before in a past life, which is why it felt so comfortable when they met this time around.

The bets have started on when they'll divorce, but save your money. These two are going to be together for awhile. Don't be surprised if a baby announcement comes within a matter of months. Baby energy is swirling around the blonde beauty. Since they're having so much fun together, Cuoco would like to wait a little bit before having kids, but babies have a way of sneaking in when they're ready.

Related Link: [Kaley Cuoco Celebrates Bridal Shower with Famous Friends](#)

Hilary Duff and Mike Comrie: Looks like one Disney princess is about to get a divorce from her Prince Charming. This move comes as a surprise to many people who thought that Duff and Comrie were a happily married couple. As I look at the singer's energy, she's in a totally different place than she was when she got married. A part of her looked up to Comrie as her older and wiser lover. Well, getting married and having a baby will make a woman grow up really quickly. Long story short, she snapped out of it.

Duff will always have love in her heart for Comrie, but it's not the kind of love that keeps a marriage going strong. The passion between the two of them left a long time ago. It also looks like Duff considers Comrie a big turnoff, and once a woman is turned off by a man, it's hard to go back.

It's great that they tried everything in their power to stay

together, but it's time for them to both move on. Duff is going to come back with a resurgence in her career. She's going to gain some new fans with her hot MILF status, but dating will not be her priority; she will be focused on being a single mother during this new chapter in her life.
