Mike Fisher share a son named Isaiah.

In celebrity baby news, Carrie Underwood is expecting a little boy. What are some ways to reveal the sex of your unborn child??

Cupid's Advice:

Next to announcing that you're pregnant, revealing if it's a girl or boy is very big news, so why not find a creative way to share it. Cupid has some ways to reveal the sex of your unborn child:

1. Gender reveal balloons: To do a gender reveal with a balloon, many people fill the inside with blue or pink confetti, powder. When it is time to reveal the gender, the only thing the future parents will have to do is pop it with a pin and the confetti, glitter or powder will explode in a big way. Celebrity couples such as [Kate Hudson](#) and Danny Fujikawa have done it.

2. Color your cake: All gender reveal parties call for cake or cupcakes...it's a rule. So why not hide the news of your babies' gender inside the cake or cupcake? All it takes is some food coloring to make the batter pink or blue, then use frosting to hide the evidence and write an enticing message on top. The only way guest will find out what the gender is by cutting the cake or biting the cupcake.

Celebrity Wedding: 'Teen Mom 2' Star Jo Rivera Marries Vee Torres with Ex Kailyn Lowry in Attendance

By Courtney Shapiro

The knot was recently tied for [celebrity couple](#) Jo Rivera and Vee Torres. The *Teen Mom 2* [celebrity wedding](#) was filled with love and family as Torres' son Isaac and daughter with Rivera, Vivi, participated as the ring bearers. According to *UsMagazine.com*, Torres' ex Kailyn Lowry was also at the wedding. Lowry attended with her best friend and sent a tweet thanking her for "wiping my tears as I bawled." Rivera and Torres declared their engagement in April and were both looking forward to their big day.

In this celebrity wedding, Rivera's ex attended. What are some ways to decide whether to include your ex on the guest list for your nuptials?

Cupid's Advice:

Is it okay to have you ex at your wedding? Cupid has some thoughts on when this is okay:

1. The relationship with the ex isn't fresh: If you have been in your current relationship longer than you were broken up and were able to be in a friendship with your ex, then having them at your wedding shouldn't be an issue. The past is in the past and both of you are currently happy with the life you live, so it should be easy to include them on the guest list.

2. The ex is a part of the couple's life: The ex shouldn't be invited to the wedding if they are just a random person brought up from the past. If the couple spends time with this person and thinks of them as a friend rather than an ex, then they can choose if they want that person there or not.

3. The ex is the other parent to your child: This is more of a courtesy to the child rather than to either of the parents. It shows that even though the parents are not together, there is no hostility between them, which gives the child an easier time of understanding the new relationship.

Cupid's Advice:

Suspecting your partner of cheating is one of the worst feelings. Cupid has tips on how to approach your partner if you suspect infidelity:

5 Things We Can Learn from Justin Bieber & Selena Gomez's Rocky Relationship

By Ashton Dixey

There are a lot of beautiful [celebrity couples](#) out there, but there is one in particular that we've all come to admire and treasure: [Justin Bieber](#) and [Selena Gomez](#). Society has perhaps learned more from observing their dating story than we could from reading a [relationship book](#)! Although they're currently on a break right now, that doesn't mean that we can't learn from this super cute couple.

Read on to learn more about the five things that celebrity couple Justin Bieber and Selena Gomez taught us about relationships:

1. First loves are the hardest to get over: Justin Bieber was only 16 and Selena Gomez was 18 when they both started dating each other. Fresh faced and in love, these two went everywhere together and were spotted packing on the PDA in full swing. Fast forward eight years later (past all of the drama) and these two are still in touch trying to make things work. It seemed like Bieber never fully recovered once Gomez and him broke-up. Gomez even wrote a song about it called "The Heart Wants What It Wants." Be careful who you fall in love with for the first time because that first break-up is the toughest to recover from.

2. Learn to be okay alone: It seemed as if these two kind-of lost their balance when they had their [celebrity break-up](#). One ended up in rehab and the other was caught peeing in random wash buckets in California. Be sure you are okay with who you are as a person inside so you can move on without racking up 20 tattoos on your neck to try and burn away the pain. One month shortly after the break-up, Justin ended up driving drunk without a license, running from the cops, and even egging his neighbor's house. When you go through a break-up, don't lose touch with yourself. Now is the perfect time to rediscover the greatness within you. Stay in touch with friends and family that truly support you so you can talk through your emotions instead of acting impulsively.

Related Link: [Celebrity Break-Ups: Find Out Why Justin Bieber & Selena Gomez Are Taking a Break](#)

3. Keep a cool head after a break-up: Sometimes it feels really good to go on social media and unfollow your ex-boyfriend or girlfriend. Or, it might be fun to go out with a random person for the night and post pictures of yourself and them kissing. Although this may relieve the pain for a bit, it is not the best idea. Bieber put fuel on the Jelena rumor fires when he unfollowed Gomez and started posting steamy pictures of himself and other girls on Instagram. There was somewhat of an Instagram war occurring between the two. Try

your best to keep a cool head after you break-up and don't do anything you'll regret. If you do end up back together at some point, you don't want to do anything that might spoil the relationship for the future. Collect yourself, you got this!

4. Rebounds don't work: If you're trying to get over an ex, it can be tempting to find someone that's available and willing to jump into a relationship with you. But when your heart is still reeling from wanting to be with your ex-lover, this can be a very bad decision. Instead of facing the pain, you're pouring it into a new relationship and settling to boot. Gomez ended up dating The Weeknd for about eight months before she ended up back in Bieber's arms after a sweet bicycle trip that turned out to be an awesome [date idea](#). As much as you try to forget that person that you're still in love with, it won't be easy, and it certainly won't be fair for the person who's serving as your rebound.

Related Link: [Celebrity News: Has Justin Bieber Moved On from Selena Gomez With Baskin Champion?](#)

5. If at first you don't succeed, try try again: Throughout Bieber and Gomez's rocky relationship, it seems that Bieber had tried to win Gomez back many times. From serenading her at a hotel in Beverly Hills, to posting photos complimenting Gomez on his Instagram, he tried and tried again to win her back. After several years of trying, it worked! They got officially back together and even made it Instagram official this month. If there's anything to learn here it's that true love never dies and that if there's someone you know you're supposed to be with, it makes sense to fight for their love. Bieber did it for Gomez and even though they are on a break right now, true love is always worth fighting for.

Checklist for Dating from Different Decades: Get Love Advice from 'The Bachelor' Star Arie Luyendyk, Jr.

By [Megan Weks](#)

There is a bit of a buzz going on about the age gap between some of the contestants and the leading man on season 22 of *The Bachelor*. Is it really a big deal? After all, significant age differences are often common in [celebrity relationships](#). A notable one is Mary-Kate Olsen and French businessman Olivier Sarkozy, who is seventeen years older than the fashion designer. Celebrity couple Hugh Jackman and Deborra-lee Furness also seem to be handling the test of time: She is thirteen years his senior, and they have been married for nearly two decades.

Love Advice from *Bachelor* Star Arie Luyendyk Jr.

What should we look out for if we are dating someone from a different decade? Since Arie Luyendyk Jr. seems well-prepared to qualify the candidates on *The Bachelor*, we might be able to get some great [love advice](#) from his experiences. He has self-proclaimed “baby fever” and is therefore seeking a match who

is ready to tie the knot and start a family.

Related Link: [Celebrity News: 'Bachelor' Star Arie Luyendyk Jr. Justifies First Impression Rose Pick](#)

A good relationship starts with good intentions – which means, if both people know what they want out of life and have similar values, there is a much better chance for success, regardless of a difference in age. Luyendyk knows what he wants, which will make it easier for him to see if the intentions of the women he meets match his own. When people do not have clarity on what they want out of life, they can easily veer away from one another on the path to self-discovery.

Regarding his decision-making process with regard to age, according to *The Hollywood Reporter*, Luyendyk said, “I only really addressed that if I felt it was an issue – if there was some immaturity or if I questioned whether they were really ready for marriage. It’s more about readiness and about being able to take that next step.”

Realize that, if you choose a mate from a different decade, there will be things you don’t have in common. My husband, who is ten years older than me, has different musical interests and grew up knowing different movies and shows. However, since I had an older sibling and am a person who likes all the arts, we find similarities among our tastes. This difference could become frustrating, however, for those who cannot connect through the arts because inevitably, you’ll be spending time listening to music and watching movies and shows together. Therefore, it’s ideal to be able to find some common ground in media that you can enjoy together.

Another thing to look out for: Either you or your partner will be aging at what seems like a faster rate. Your partner may be

reaching the next stage of life – middle age or elderly – before you. This difference might start to be more noticeable for you if you're the younger half. You'll want to be sure you have enough of a soul connection that this situation won't matter to you.

Overall, if your goals, values, and soul connection are intact, then age truly is just a number.

Relationship Advice: What If Your Family Doesn't Approve Of Your Partner?

By Dr. Jane Greer

Choosing a partner for life is a big deal under any circumstances. There's enough pressure on yourself to ensure that you're making the right decision and meeting all your needs. So what happens when you come up against a thumbs down from a parent, sibling, or friend who has been weighing in on your choices all your life? Why is it that the people you love take a contrary position and see your partner completely unsuitable for you? Why can't they just welcome the people you care about with open arms? If this sounds like a familiar situation, you are not alone. This is a very common experience for many people, and it happens for a lot of reasons. It speaks to declaring your independence, freedom of choice, autonomy, and, most importantly, trusting your own judgement to know what is best for you, rather than what others think is best.

Here are some key pieces of

relationship advice as you work to stay true to yourself and your commitment, without allowing conflict to tear apart your family:

It has been reported that [Selena Gomez](#)'s mother is not happy about her rekindled [celebrity relationship](#) with pop star [Justin Bieber](#). Considering how distraught Selena was in the aftermath of their much-publicized breakup, it makes sense that her loved ones would worry about her this time around. Whatever the reasons may be, Selena's mom has assured the public that she just wants her daughter to be safe, healthy, and happy. While the approval of your parents is always a plus in any relationship, is it crucial to the success of your union? What can you do, then, if you find yourself in a similar situation?

It is important to begin with an open conversation with the person criticizing your partner. Ask them to spell out their concerns and explain why they feel the person is not right for you. This isn't always easy to do. You might start from a defensive position, (especially if this is a continuous pattern) but it is worth hearing what's on their mind because their thinking is valid and you might be missing something. Keep an open mind while you are talking and consider what they have to say. If, for example, your romantic partner exhibited bad behavior in the past and your parents call that out, think about what has changed and what is different now. You have likely allowed yourself to fully trust that person and move forward with them. Explain the changes and describe why the previous behaviors are no longer something to worry about.

Related Link: [Relationship Advice: Is a Bad Boy Good for You?](#)

If, on the other hand, your family members or friends raise

issues about a difference in race or religion, this may be a fork in the road where you choose to go your own way. It becomes a step toward independence, and a move away from the ideals of the family you grew up in. It is a time when you can take responsibility and voice your own values, even though they may differ from your parents, siblings, or friends. It can serve as an emotional emancipation and where you start to embrace what is important to you. When this happens, you acknowledge that they have criticisms, while asserting that they are not your personal beliefs.

Related Link: [Relationship Advice: When Is the Old New Again?](#)

Whatever the case, if you continue to meet disapproval tell your loved ones that you would like them to “agree to disagree” and accept that you have clear differences of opinion in order to stay together as a family. This is also a time to put boundaries in place. Note that you are aware they don’t like your choice, but you do not want to hear anything more from them unless you specifically ask for an opinion. You can even warn that if they broach the subject, you will simply end the conversation. This will help you keep some control and prevent being blindsided.

The ultimate goal is to avoid getting into a power struggle that could make you feel controlled and judged by a parent or other loved one. It’ll also avoid lots of arguments, too! Try not to become defensive or feel you have to justify your choice. The only thing that matters is that you are happy, excited, and comfortable as you move forward with your partner with your eyes on the future. Hopefully Selena and Justin will be able to do this and find peace even with the family discord. And, in time, Selena’s mother will also come around and embrace her daughter’s rekindled romance.

Love & Libations: Valentine's Day Cocktails for February Date Nights

By [Yolanda Shoshana](#)

As soon as January 1st hit, the Valentine's Day decorations, chocolates, and teddy bears are out. Now that February is only a few weeks away, it's time to prep. February is known as the month of love. Besides Valentine's Day on the 14th, there are 27 other days to show love to your partner, friends, and, of course, yourself.

That being said, here are three libations to help you show love next month:

Cocktails for February Date Nights

Related Link: [Love & Libations: Sparkling Wine for Holiday Date Nights](#)

Gin & Dubonnet

Celebrate yourself and drink like a queen. Queen Elizabeth II has a Gin & Dubonnet every day at lunch. In fact, it's part of her four-cocktails-a-day routine. It's perfect to enjoy while

having some “me time.” There’s a good chance that the Queen will sip on one of these at Prince Harry and Meghan Markle’s [celebrity wedding](#) reception!

Ingredients:

- 1 1/2 oz. gin
- 3/4 oz. Dubonnet Rouge
- Lemon or orange twist for garnish

Directions:

Add all the ingredients to a glass and fill with ice. Stir. Garnish with a lemon or orange twist. Sip as you are wearing your favorite tiara.

Chocolate Martini

A chocolate martini is an aphrodisiac in a glass. Believe it or not, two Hollywood legends created this cocktail: none other than Rock Hudson and Elizabeth Taylor. They invented it one evening when they lived across the street from each other while they filmed the movie, *Giant*.

The following recipe uses Sean “Diddy” Combs’ Ciroc Vodka. Maybe he will make one for his long-time love Cassie – or she will make one for him. After all, it’s the perfect cocktail for lovers on a February [date night](#).

Ingredients:

- 1/2 oz. Ciroc Vodka
- Dash of Madagascar vanilla extract
- 1 1/2 oz. Godiva Chocolate Liqueur
- 2 1/2 oz. half-and-half
- 1 oz. Kahlua
- Ice
- Shaved chocolate and/or fresh strawberries for garnish if desired

Directions:

Add all of the ingredients to a cocktail shaker and shake. Pour into a chilled cocktail glass that is rimmed with chocolate syrup. Garnish with dark chocolate and/or strawberries.

Flirtini

February would not be complete without a Flirtini. Most people remember the Cosmo being a big part of *Sex and The City*, but the Flirtini was also in the mix. All it takes is three ingredients. Enjoy with your girl squad while binging on the show.

Ingredients:

- 1 oz. vodka
- 2 oz. champagne
- 2 oz. pineapple juice

Directions:

Combine vodka, champagne, and pineapple juice in a highball or collins glass filled with ice. If you are making it for a viewing soiree, multiply the recipe by six, and mix it up in a pitcher.

1. Divide and conquer: You and your partner inherently have strengths and weaknesses. open about your relationship triumphs and woes?

2. It's therapeutic: Sometimes, you need a listening ear to help process your feelings and emotions. It is also super beneficial to your mental health and wellbeing, and you'll have a newfound clarity in due time.

Uh oh, it looks like Nina Dobrev and her boyfriend Glen Powell

could soon face an upsetting [celebrity break-up](#). According to [EOnline.com](#), the [celebrity couple](#) are taking a break from their relationship. Though they've not officially called it quits, a source close to the duo says that Dobrev has been quite busy with various projects, which has caused a rift in the relationship. While there hasn't been any explosive fights between or bad blood, sources are saying they are not as close as they had been earlier this year. We hope things work out for this celebrity couple!

Cupid's Advice:

Sometimes, life gets in the way and it's challenging to balance your professional life with your personal life. Check out some ways to manage your busy schedule, without feeling as though you're neglecting your relationship or your job:

1. Set boundaries: Make it a point to keep your work at work. When you constantly blur the lines between your relationship and your career, it's inevitable that one will take up more of your time. Being present with your partner without checking your phone for work updates when you're off the clock really means a lot! Set boundaries and make sure you keep yourself accountable.

3. Include them in your plans: If it's possible, you can try merging your two worlds. This doesn't mean you have to find your partner a job at your workplace, but perhaps you two can form your own business together (given that you two mesh well on a professional level, that is!) Alternatively, invite your partner into your "work world," and bring them to social events outside of work. That way, they can meet the people you spend your working hours with, and they can get a first-hand look into another area of your life that is kind of unknown.

Celebrity News: Selena Gomez's Family Is 'Still Getting Comfortable' With Her Justin Bieber Romance

By [Karley Kemble](#)

Though [Selena Gomez](#) and [Justin Bieber](#) have recently reunited, it appears those close to Gomez are hesitant to accept Bieber back into the family. According to [EOnline.com](#), Gomez's family "is still getting comfortable with the idea of them back together." The [celebrity couple](#) spent Thanksgiving apart and both agreed to be with their families, because Gomez felt it was too soon to bring him home for the holidays. A source close to the couple says Bieber is hoping to be included in Gomez's Christmas plans, but knows that her family is hesitant. Hopefully they'll come around soon!

In the latest [celebrity news](#), Selena's family is taking a while to come around to her rekindled romance with Justin Bieber. What are some ways to foster a positive relationship between your partner and your family?

Cupid's Advice:

It can be troubling when your family doesn't approve of your partner. Check out Cupid's advice on how to deal with these tough situations:

1. Start small: If your family is hesitant to accept your partner, it's probably a good idea to start small. Having them come home for the holidays is traditionally a big deal, and it can get super awkward. Instead, try gradually making your partner a part of your family's life. Some people just take longer to warm up to than others, so it doesn't mean all hope is lost!

2. Don't force it: No matter how hard you try, you can't force people to get along. In fact, forcing a positive relationship upon people often works in reverse. If the relationship between your partner and your family is not what you hoped it'd be, give it some time and don't meddle! Things will pan out, in due time.

Celebrity News: A-Rod's Intelligence is Questioned by Ex-Girlfriend Anne Wojcicki's Mom

By [Rachel Sparks](#)

The [latest celebrity news](#) is full of low insults and, interestingly, a sincere compliment. Alex Rodriguez has been under fire by celebrity ex Anne Wojcicki's mom who, in short, called him the dullest lightbulb in the box. According to [UsMagazine.com](#), Wojcicki's mom stated that the only thing A-Rod knew how to talk about was baseball. That's not the impression you want to leave with your future in-laws. Wojcicki's mom did say that it was clearly evident A-Rod loved her daughter. [Jennifer Lopez](#), now part of one of the hottest [celebrity couples](#) with A-Rod, complimented her beau by saying he can conquer anything. So, while you may not watch *Big Bang Theory* and debate particle theories, at the core, A-Rod is a great guy.

This celebrity news seems a little shallow to us. What are some ways

to make a good impression on your partner's parents?

Cupid's Advice:

If you're trying to build a lasting relationship with your partner, impressing their family will need to be a priority eventually. It's intimidating. You're trying to tell the people who love your significant other more than anyone else that you're deserving. If your partner has close relationship to their parents, impressing them, or lack thereof, could be detrimental to future movement of your relationship. Read Cupid's [relationship advice](#) to help you put your best face on for that monumental meeting:

1. Act like it's an interview: because it is. Dress to impress, as they say. Turn off your cell phone, shake hands, stand with confidence and power, and follow common protocols for respect. Be on your best behavior and act like you're getting a job, because you are. Your partner's parents expect you to take care of their baby (no matter how old they are) so you're interviewing for the role of supportive partner.

2. Southern respect: "Sir" and "Ma'am" go a long way. Sure, major cities like New York and Seattle think these terms are out-dated, but they ultimately stand as a sign of respect. Even though we're all adults, showing respect through the language you use sets the tone for how you're likely to treat their kid. Plus, you're impressing your S.O. when you treat their family with respect. Don't worry, you'll get rewarded afterwards.

3. Showcase your skills as a partner: We said you're interviewing, right? Well how better can you interview than by showing off your skills as a partner? Shower your love with affection and admiration. Believe us, this will go very, very far for both your partner and their family.

Celebrity News: Selena Gomez's Friends Want Her 'To Be Cautious' with Justin Bieber

By [Karley Kemble](#)

Recently reunited [celebrity couple Selena Gomez](#) and [Justin Bieber](#) are as happy as ever, and want to do things right this time around. Though the couple spent most of their past relationship as an on-again-of-again couple, they have both grown individually in the years they've been apart. In the latest [celebrity news](#), friends are a bit wary that the celebrity couple is back together, reports [UsMagazine.com](#). Sources close to Gomez, including her bestie Taylor Swift, report that they want her "to be cautious" dating Bieber again. Though her friends admit the singer has certainly changed for the better, they also know how much hurt he has caused Gomez in the past. Here's to hoping they continue to go strong!

This celebrity news is definitely the talk of Hollywood at the

moment. What are some things to be careful about if you're getting back together with an ex?

Cupid's Advice:

No matter what people say, getting back with an ex isn't always a bad idea. Like Gomez says – the heart wants what it wants, right? However, it is important to be cautious when you jump back into a relationship with someone. Cupid has the scoop:

1. Think about their motives: While this might be unsettling, you need to consider your ex's feelings. Are they genuinely wanting to give it another go, or are they just using you to fill a void? You don't want to get burned again, so be careful and really think this through before you jump back in.

2. Think about your feelings: Similarly, it's important to be careful that you're really interested in giving it another shot. If you just want to get back with them because you don't want to go to your bestie's wedding by yourself or are lonely in general, you should reconsider your priorities. Don't invest your time into your ex if you aren't going back into the relationship with the right intentions.

3. Beware of old habits: As they say, old habits die hard. While you might be thinking that your ex has completely changed for the better, it's important to be realistic. There's still potential for the habits that previously affected your relationship to creep back into the picture, so

don't put your ex on a pedestal quite yet.

Celebrity News: It's Official! Selena Gomez & Justin Bieber Are Back Together

By [Karley Kemble](#)

After a roller coaster of a week for [Selena Gomez](#), it appears she and [Justin Bieber](#) are officially a couple again! [UsMagazine.com](#) reports Gomez “has always had feelings” for Bieber, so this [celebrity news](#) is not too surprising for their inner circle. Since 2011, the [celebrity couple](#) has had a longstanding on-again, off-again history, and they went their separate ways for good three years ago. After Gomez’s kidney transplant over the summer, Bieber reached out to check in with her. While they kept things platonic at first, it wasn’t long before old feelings resurfaced. According to their pals, their time apart has allowed each of them mature and “move past” the drama they used to have, and the rekindled celebrity couple is happier than ever!

This celebrity news has us reeling! What are some ways to decide whether or not to get back together with your ex?

Cupid’s Advice:

Sure, you broke up for a reason. But sometimes, it’s impossible to get that one person out of your head. If you’re thinking of getting back with an ex, Cupid has some ways to help you decide if it’s the right move:

1. Enough time has passed: If it’s been awhile since you’ve gone your separate ways and you’ve had the chance to grow individually, then you might be ready to give it another shot. Time apart allows for clarity, after all. Maybe they were the right person for you, just at the wrong time in your life.

2. You’re miserable without them: It goes without saying, but

if you want to get back with your ex simply because you are lonely, that isn't a good idea. However, if your break-up has truly made you realize your ex is your better half, then you should definitely consider getting back together. Second chances aren't always a no-go!

3. You can easily fix what was broken: Perhaps the reason you two broke up wasn't anything personal; they just worked too much, or the distance was too challenging. If the big issues aren't big anymore, why not give it another shot? It could turn out to be something wonderful.

Fitness Tips: 5 Couple Exercises That Are Worth the Sweat

By [Rachel Sparks](#)

Now that the holidays are over, we're no doubt regretting some of those holiday treats we consumed. The cold keeps us in, the sweets come out, and we're juggling between moments of extreme stress and joy with friends and family so our eating habits are erratic at best. Right after that came the new year with the promises we made to lose the weight we gained over the past couple of months. Let's break that cycle *now* by taking a cue from [celebrity couples](#) like [Jennifer Lopez](#) and Alex Rodriguez and start working out with our S.O's.

The hottest fitness tips start with you and your partner breaking a sweat together.

Working out makes us feel great about ourselves, but make it even better by doing it with your partner. Celebrity couples who work out together boast of strong bonds with their partner. There's nothing but good reasons to exercise with

your partner, so grab them up off the couch and get going!

1. Hiking: We're starting easy and free (usually). If you or your partner are new to the exercising world, hiking is a great way to cheat the mind into thinking you're not working out. You can control your path, mileage, and speed so it's a great way to get into shape with a motivating view.

Related Link: [Let Your Partner Be Your Inspiration to Getting and Staying Fit](#)

2. Kayaking: Another way to trick those who hate traditional exercise into getting active involves another outdoor sport—kayaking. Most rental kayaks offer an option to share a two-butt kayak. It's a great workout for the arms and it challenges your communication and teamwork.

3. Rock Climbing: Let's keep it safe and stick with indoor rock climbing gyms until that confidence and strength has built up. The latest celebrity trend involves rock climbing gyms, but beware that there's a fair amount of trust involved. Your partner usually holds onto the rope that keeps you secure as you climb. When your arms start shaking, there's no better feeling than your S.O. cheering you on.

4. Kick Boxing: Don't do this when you're mad at your S.O. Or at least, don't miss the bag as you throw your anger-fueled upper cut and knock your partner in the teeth. It's a great way to relieve stress and learn self-defense in addition. Take turns on the offense and defense and offer each other constructive criticism. Hot celebrity couple Chris Hemsworth and Elsa Pataky are known to practice kick boxing together.

5. Yoga: Yogi's make intense positions look effortless, but be warned: there is a fair amount of knowledge and practice that

goes into this sport. Couples who practice together help strength fine-tune muscles and flexibility. Bonus: you can do some really cool arial tricks together. [Adam Levine](#) and his wife Behati Prinsloo have been pictured holding plank together. And yes, holding your favorite position is an integral part of yoga.

When you have been with someone for a long time, date nights can seem tedious: You cook the same meals, go to the same restaurants, and watch the same movies. If you want to spice it up, check out these fun date ideas:

1. Get out of your comfort zone: When things start to feel too comfortable in your relationship, do something daring! If you and your partner love to dance, go to a new club. If you end up loving it, you have a new go-to spot, and if it's not quite your thing, you have a fun new memory to share with each other. This way, you will be able to relax from the stresses of your life and also feel closer to one another.

By [Delaney Gilbride](#)

The mother of all matchmakers is back and ready to tackle every and any matchmaking challenge that comes her way! Ray integrates her 20-plus years of experience as a celebrity

In our exclusive [celebrity interview](#), the matchmaker spills her expert [dating advice](#) as well as her views on the hottest [celebrity couples](#).

Carmelia Ray Talks Season Two of Mom vs. Matchmaker

The saying “mother knows best” truly came into play during filming of the second season of *Mom vs. Matchmaker* – so much so that the expert needed a little help herself as she went head-to-head with the mothers. “I thought the moms were fiery last season,” Ray shares, “but that was a fondue compared to the blazing competitors this season! I had to bring in a smoking hot love assistant, Patrick, to keep up with all that fire.”

Moms were ready to give their all following the success of the show’s first season, and they sure didn’t disappoint. The process of being a matchmaker isn’t an easy one, *especially* if you’re butting heads with the mother of a client. Ray recalls working with a mother who called herself the “Mafia Mom” and, boy, did she mean it. The mothers participating in this season showed up “ready to rumble,” making it deliciously exciting for both Ray and her viewers.

Matchmaker Gives Love Advice on the

End of “Cuffing Season”

With warm weather just around the corner, Ray’s [love advice](#) for the end of “cuffing season” – or winter flings – is short and sweet. “It’s time for spring cleaning!” she exclaims. This advice is both literal and metaphoric when it comes to your life. “Clear out your clutter – in your mind, on your social media, and with your love life. Dump anything or anyone that doesn’t serve you or what you stand for.” Although we all know too well how rough it is to end a winter relationship following long nights of cuddling and cocoa, Ray advises us to leave all of that in the past. The matchmaker thrives off of her ability to connect singles with their life mates and says, “Helping people find love is the best reward I could ever imagine.” So how could her advice possibly steer us wrong?

You cannot go into dating without a plan for how, where, and when you plan to be dating.”

An Inside Look at Celebrity Relationships

Since Ray has been coined “the celebrity matchmaker,” it’s only fitting that we asked her a few questions regarding the most popular couples in Hollywood. As for [Selena Gomez](#) and the Weeknd, the dating expert totally understands why the public

adores their relationship. "They get each other's lifestyle and understand the hardships of dealing with their lives constantly being under scrutiny," she says.
