

# Justin Bieber Denies Fathering a Baby

Baby, baby, baby noooo way! Justin Bieber recently became the father of his new puppy, Baylor, with girlfriend, singer and actress Selena Gomez, but he denies all accusations that he fathered the (human) child of Mariah Yeater. The 20-year-old Californian told STAR magazine that she and Bieber, 17, had sex backstage at a show in L.A. She gave birth to her son three months ago, and has filed a paternity lawsuit against the young pop sensation. A rep for Bieber told [UsMagazine.com](http://UsMagazine.com), "While we haven't yet seen the lawsuit, it's sad that someone would fabricate, malicious, defamatory AND demonstrably false claims. We will vigorously pursue all available legal remedies to defend and protect Justin against these allegations."

**How do you handle others' claims that your partner is cheating?**

**Cupid's Advice:**

Hearing that your partner is cheating on you is humiliating and infuriating. If you're told your partner's been sneaking around, here's some ways to react:

**1. Get the facts:** Don't believe everything you hear without finding out exactly what people are saying, and who's saying it. Rumors get twisted, but they have to start somewhere. Get your facts and your sources straightened out, and then proceed to deal with the situation.

**2. Confront the source:** If someone tells you that your partner is cheating, turn around and directly ask your significant other. It might be difficult, but usually that fear comes because we're afraid of their answer. Make sure that you don't back down too easily if they try to persuade you otherwise. They've lost your trust, and they need to win it back by proving themselves.

**3. Don't act irrationally:** Just because you hear that your partner has cheated, that doesn't mean you should try to even the score by cheating on them. All previous trust within the relationship will vanish, and repair may be impossible, especially if your partner ends up being innocent. Wait until you're positive your partner is cheating, and then handle the situation maturely, whether that's breaking up or choosing to work things out.

**Denise Richards and Richie**

# Sambora Are Dating Again

Being reunited must feel good for on-again couple Denise Richards and Richie Sambora. The two were seen together Sunday night at a Japanese restaurant in California, according to [E! Online](#). After a year long relationship in 2007, the couple have decided to try their hand at love together again. In Richard's memoir, she discussed her relationship with Sambora saying, "Richie and I shared an easiness I hadn't before had." She also revealed that since their split, the couple has met up a few times. It's clear that they both still care for each other, and hopefully this time around proves to be more successful.

**What do you do when you haven't gotten over your ex?**

## **Cupid's Advice:**

It's important to give yourself some time after a breakup to focus on yourself. However, if after a while you still have strong feelings for your ex, maybe it's time to explore why

you broke up and if there's potential for a reconciliation. Here are some things to consider:

**1. The reason you can't move on:** Many times it's hard to get over an ex if there was no closure at the end of your relationship. Meet up with your ex and discuss why your relationship ended to help your feelings subside.

**2. Learn from your mistakes:** In a lot of relationships, both parties feel like the other is at fault for a breakup. Instead of blaming your ex for everything, look at what you both could have done better to make your romance last.

**3. Second chances:** Sometimes it takes a split and individual growth to realize that your ex is the right person for you. Talk to your former partner and see if there's a potential future still there for you.

## Shai LaBeouf's Girlfriend Visits Him on Set

Even though his girlfriend, Karolyn Pho, isn't acting in the new movie *The Company You Keep* with Shia LaBeouf, she still kept her beau company recently on set. According to [People](#), Pho wore casual clothes and was friendly with crewmembers while visiting. She even shook the hand of director Robert Redford. Later, both LaBeouf and Pho managed to sneak off set and enjoy some alone time at a nearby coffee shop. Then, not quite ready to separate, they strolled arm-in-arm on the way back.

**What are some ways to support your partner's career?**

### **Cupid's Advice:**

Even if you don't fully understand your significant other's career, it's important to show your support. Cupid has some ways to do just that:

- 1. Be there:** Be aware of your mate's career moves and changes so that you can support and encourage them each step of the way. Pep talks at the right times certainly couldn't hurt.
- 2. Promote relaxation:** Help your partner take their mind off of hectic or stressful times at work by doing something fun. Theme parks, movie theatres, or even a short interlude at a coffee shop like Karolyn Pho and Shia Labeouf work great.
- 3. Show understanding:** If your partner has a chaotic job, they

may not always be home on time, or they may have to travel a lot. Be willing to travel with your partner, and if that's not possible, make the time you have with them count. Whatever you do, don't make them feel guilty.

## Etiquette Expert Says Kim Kardashian Should Return Wedding Gifts

According to Lizzie Post, an etiquette expert and author of *Emily Post's Etiquette 18th Edition*, Kim Kardashian's plan to give her wedding gifts to charity following her divorce from Kris Humphries is the wrong decision. Post does stress, however, that she's

certainly not again charitable giving, according to [People](#). “I don’t want to come across as saying that charity wouldn’t be a great way to handle it,” she says. “It’s just that in that case, you’re making a charitable donation on someone else’s behalf under your name.” She goes on to say that Kardashian would come across as seeming undeservingly “generous” and will get a bit tax write-off because of it. The right way to handle it, she recommends, is returning the gifts to the givers.

**If your marriage dissolves quickly, what do you do with the gifts?**

### **Cupid’s Advice:**

It’s an unfortunate circumstance with which to deal, but when your marriage doesn’t last past the first few months, it’s important to know what to do with the gifts you received at the wedding. Here are some options:

**1. Charity:** If you think your guests would be offended at getting their gifts back, consider donating them to charity like Kim Kardashian. Just because Lizzie Post doesn’t think it’s the proper thing to do, doesn’t mean it’s not the right decision for you.

**2. Return to stores:** One option is returning the gifts to the stores they came from, and then giving the money back to your former guests. This eliminates the need for them to go through the trouble to return the gifts themselves.

**2. Return to guests:** If you’re lacking time and energy, send each of the gifts back to the respective givers. Make sure to include a note thanking them for their kind thoughts.

# How to Master Being in a Relationship

By Nan O'Brien

As a professional Spiritual Teacher and Intuitive Counselor, I am always asked, "When will I meet the right person?" You may think of yourself as a failure unless you are in a happy, committed relationship. You may feel you aren't attractive, funny, sexy, or smart enough. Ultimately, it all boils down to one question in your head: "What's wrong with me?"

The good news is, the answer is "nothing"! The most common reason people do not find happiness in relationships is because they have trouble learning the intuitive life lesson of *balance*. It can be tough to tell if this problem is at the root of your relationship issue. Ask yourself these questions:

Do you always feel you must take care of others? Do you feel

guilty if you put yourself first? Are you attracted to partners who have had problems in prior relationships? Do you work at making your partner feel loved, while at the same time doubting if he or she feels as strongly as you do? Do your significant others go on to be in healthy relationships with others after leaving you?

**Related Link:** [Cougar Dating Love Lessons Even Demi Moore Can Use](#)

If you answered “yes” to any or all of these questions, you gravitate toward the emotionally unavailable person, and your relationships are based on *need* instead of *want*. The reason for this confusion is that feeling needed is often disguised as feeling loved. You give your all, hoping that it will somehow come back to you. You believe you must convince the other person you won't abandon them like everyone else has. You look for reasons that prove your partner cares (the smallest gesture seems huge), and you make excuses for what they don't do. You defend your lover to your friends and family, while deluding yourself. You know something isn't right, but you're so busy saving the other person that you lose yourself.

The key to the intuitive balance lesson is to learn how to give *and* receive. Before you can be in a relationship with others, you must first be in a relationship with yourself. This is *not* the same thing as being alone – because anyone can be alone! Being in a relationship with yourself means treating yourself as wonderfully as you treat others. Think about how much time, energy, and financial resources you spend on your partner in a relationship. Have you ever spent that much on yourself? You deserve the best of you; and you cannot give your best to others, or receive from them, until you have learned how to give your best to *yourself*.

**Related Link:** [Single Celebrities Who Rock \(and Rule\)!](#)

Once you have mastered being in a relationship with yourself, your energy shifts. You'll not attract, nor be attracted to, relationships that are unhealthy and need-based; you will resonate with partners who are able to give and receive, paving the way for a healthy and fulfilling want-based relationship.

The intuitive balance lesson is the key to successful and sustainable relationships. The timing is determined by you and how quickly you embrace being in a relationship with yourself. You'll find the perfect partner if you start by nurturing the one you already have – YOU!

## **Hugh Grant Has Baby Girl with Mystery Woman**

British actor, Hugh Grant, welcomed a new addition to his bachelor life. In early October, his baby girl was born to a woman who has yet to be revealed. “He and the mother had a fleeting affair and while this was not planned, Hugh could not be happier or more supportive.” Grant’s rep told [UsMagazine.com](http://UsMagazine.com). The *About a Boy* star has never been married, but he admitted to *Vogue* in 2007 that he was ready for fatherhood, stating that he was “...quite keen to find someone else to care about more.” The 51-year-old seems to have gotten his wish and, according to close sources, is extremely thrilled to accept the new challenge of raising of child.

**How do you make sure your child feels loved as a single parent?**

**Cupid’s Advice:**

Although you are not raising your child in an ideal situation, make it clear to them that just because Mommy and Daddy are not together does not mean that they are loved any less:

**1. Be there:** As the old saying goes, “Actions speak louder than words.” Prove to your child that you aren’t going to leave his or her side. Be at sporting events, musicals, recitals and art shows. Be as present as possible in your child’s life.

**2. Get help when needed:** There's no doubt that being a single parent is tough. If your child's mother or father isn't in the mix, make sure to reach out for help from family and friends when you need it. It's much better than making your child feel neglected because you don't have enough time to dedicate to them.

**3. Tell them:** Let your child know that they are loved every single day, not only by you, but by your former partner and extended family.

## Why Kim Kardashian and Kris Humphries Are Calling It Quits

It was just a few weeks ago when over four million viewers tuned into E! to watch *Kim's Fairytale Wedding*, but it only took until the end of the month for the couple to split. They may have been newlyweds, but they were already bickering like an old married couple on the set of *Kourtney and Kim Take New York*. The fighting may have been too much for Kardashian, 31, who filed for divorce from Humphries, 26. After rushing their relationship with a quick engagement and wedding ceremony, along with the added pressures of filming the show, dealing with the media, and attempting to manage their busy conflicting schedules, their 72-day marriage has come to an end. "She rushed into it too fast," a source close to Kardashian told [People](#). "She's holding it together. It's insanely troubling and heartbreaking, but it's a decision she knew had to be made."

**How do you know when to call it quits in a marriage?**

### **Cupid's Advice:**

Has staying true to your vows become a struggle? Here are some signs that it may be over:

**1. You're beyond annoyed:** If everything about your spouse irritates you and just the sight or sound of him makes you want to leave a room, it's not a good sign. If you find that

all attraction has been lost emotionally and physically, you have to consider that you're no longer in a healthy relationship.

**2. You verbally assault each other:** As husband and wife, it is your job to support each other, but it can be difficult when every conversation turns into a fight. If you're frequently being critical and attacking each other's self-esteem with the goal to make your spouse feel dejected, then you've clearly lost respect for one another.

**3. You're miserable:** If you're unhappy with your spouse, and you feel like your life has hit rock bottom, it's time to move on. Get rid of the negative energy that's dragging you down, and don't let yourself become a prisoner to your own marriage. Regaining your independence may be the key to finding happiness again.

## **Pink and Carey Hart Enjoy Tacos with Daughter Willow**

Pink and husband

Carey Hart found a way to have a date night and spend quality time with their daughter Willow at the same time: family date night! According to [People](#) Pink and Hart went to Dos Camino's in New York, where the singer is filming a movie, to enjoy tacos and beer while at the same time doting on their tiny daughter.

**What are some ways to include your children in date night?**

### **Cupid's Advice:**

If you have children, it can be difficult to balance time with your spouse and time with your children. Here are some ways to spend time with both:

**1. Go somewhere kid-friendly:** Children aren't always going to flourish in certain environments, especially if they're younger. If you have a young child, a romantic movie and an expensive dinner aren't exactly fun for them. An ice cream date at the par, or a nice taco dinner like Pink and Carey Hart would be perfect.

**2. Relive your childhood:** Just because a place may seem more typical for a child to enjoy doesn't mean it's only for them. Places like amusement parks or miniature golf courses can be fun for both children and adults.

**3. Keep it simple:** There's no rule saying that date night has to be complicated or away from home. Plan a dinner date at home by having the kids eat earlier and then arranging for take-out. You can also let the kids suggest a date, as they'll get a kick out of it, and you'll be sure to have no complaints from them later.

## Celebrity Couples Who Could Use An Extra Hour of Sleep

By Melissa Tierney

Whether we like to believe it or not, celebrities are just like us. They have hectic work schedules, grueling chores, and, of course, families to take care of. These five

celebrity couples have been keeping busy with their growing families, their newest endeavors, and their constant presence in the spotlight. Yes, maybe they have nannies, assistants and personal trainers, but these celebs could definitely use an extra hour of sleep like the rest of us!

**1. Mariah Carey and Nick Cannon:** Between building their corporate empires by launching a clothing and accessories line, going on comedy tours, and recording hit songs with major celebs like Nicki Minah, the pop diva and radio talk show host have been keeping busy. It's now even tougher for the two to have a romantic night to themselves: they have newborn twins, son Moroccan Scott Cannon and daughter Monroe Cannon, which they welcomed into the world on their anniversary!

**2. Kim Kardashian and Kris Humphries:** This couple have been grabbing media attention everywhere. With their recently announced divorce filing we wonder if it was all for the cameras? After all, Kim and her NBA beau Kris Humphries had almost as much buzz about their wedding as did the royal wedding between newlyweds Kate Middleton and Prince William. Although Kim filed for divorce only 72 days after the marriage, Kris says he hopes to reconcile.

**Related Link:** [Kim Kardashian and Kris Humphries Won't Be Looking For a New Home](#)

**3. Britney Spears and Jason Trawick:** The pop princess and her former manager may have ended things career-wise, but their love life is still feeling the spark. Spears is busy with her *Femme Fatale* tour with rap singer Nicki Minaj, but she still has time to show her love for her beau. He was lucky enough to be in the center of the action on August 2nd when he was pulled on stage in Uniondale, NY by his talented honey. In addition to resurrecting her career, she is also caring for sons Jayden James and Sean Preston. This mommy definitely

needs some downtime.

**4. Sarah Jessica Parker and Matthew Broderick:** Over the years, these love birds have remained rock solid and are keeping busy raising their twins, Marion Loretta Elwell and Tabitha Hodge, and son James Wilkie. The fashion icon and actress has been maintaining a hectic work schedule, gracing covers of magazines and promoting her new movie *I Don't Know How She Does It*, in which she plays busy mom, Kate Reddy, who is trying to stay afloat with her finance career and busy family life. Looks like the movies are imitating real life when it comes to Sarah Jessica Parker!

**Related Link:** [Sarah Jessica Parker and Matthew Broderick's an Introduction for a Lifetime](#)

**5. Brad Pitt and Angelina Jolie:** Between their six kids, acting gigs and philanthropic engagements, this duo does it all. Pitt recently starred in the blockbuster baseball movie, *Moneyball*, with Jonah Hill, and Jolie has been busy with her film directorial debut, *In the Land of Blood and Honey*. She is also the United Nations High Commissioner for Refugees (UNHCR) Goodwill Ambassador when she's not directing/acting/mothering. This power couple definitely needs to catch up on some z's.

**Jessica Simpson Holds Belly  
While on Walk with Eric**

# Johnson

Jessica Simpson's protruding belly have proved the rumors to be true. Although Simpson has continuously denied pregnancy rumors until recently, she was spotted holding her stomach while walking with fiance, Eric Johnson. The couple were seen by [RadarOnline](#) in Beverly Hills happily holding hands. Johnson walked with his arm around Simpson and helped her into the car. Between planning a wedding and a new addition to the family, the two have a lot to look forward to in the future.

**As a father-to-be, how do you protect the mother of your child during pregnancy?**

## **Cupid's Advice**

The best way for men to protect the mother of their child during pregnancy is to make sure that she's happy. An unhappy pregnant woman makes for an unhappy nine months for everyone surrounding her:

**1. Compliments:** With all the changes women experience during

pregnancy, all they want to hear is that they are still loved and considered attractive. Make sure that you tell her she is beautiful on a regular basis. Even if she denies it, this still makes her feel good about herself.

**2. Food:** There's nothing a pregnant woman loves more than food. Keep her favorite foods stocked in the kitchen and life will seem easy for the time being. Be on call for random spur of the moment cravings, though!

**3. Be there:** Whether it's a doctor's appointment or simple quality time, as a father-to-be, it's important to let your partner know that you're there for them during this next step in life.

## **Take a Walk on the Wild Side of the Caribbean**

By Max Milano

It's that time of year again when the winter blues start to kick in and people begin to daydream of a tropical holiday vacation. Many of us push aside the idea of a Caribbean getaway because we feel that it's either too expensive or not a place for folks who are single. Well, if you think the Caribbean is for couples only or people with money, it's time to think again.

Following are some undiscovered destinations where singles and groups of friends can take a walk on the wild side full of rum, salsa, reggae and the real *Pirates of the Caribbean*. The best news is that these locations are all a fraction of the price.

### **Old San Juan, Puerto Rico**

Puerto Ricans take partying seriously, and Old San Juan is stunningly beautiful. Surrounded by a fortified wall, it is one of the best preserved Spanish Colonial towns in the Caribbean. Narrow cobblestoned streets open into airy plazas where colonial mansions have been transformed into Nuevo Latino restaurants and trendy lounges. Stay at **Da House (\$80 to \$150 per night)**. It's a boutique hotel in the middle of all the action. Make sure that you sign up for the daytime salsa lessons at the Nuyorican Cafe downstairs, because once

the sun sets, Old San Juan is the place to meet and mingle with beautiful people.

**Related Link:** [Madonna and BF Brahim Zaibat Vacation In ... Guéthary?](#)

### **Cartagena, Colombia**

Cartagena is the best kept secret of the Caribbean. This brightly colored Spanish colonial city knows how to party, while offering the best in regional Colombian food. Try the Aguardiente, Colombia's firewater moonshine, mixed in with fresh tropical fruits. The best clubs don't get going until 4 am and don't close until the sun comes out. Recover with a hearty fish soup and a cold beer under a palm tree. **The Hotel Casa la Fe (\$150-\$200 per night)** is a beautifully refurbished colonial mansion with shady interior courtyards and a refreshing pool.

### **Isla Mujeres, Mexico**

If Cancun is Spring Break central, Isla Mujeres is the thinking person's tropical party island. Reachable by water Taxi from Cancun, Isla Mujeres is a tiny island that is all about beach shack restaurants, turquoise water, powdery sand and wild nightlife. Go for an early swim, have some lobster or the catch of the day for lunch, and then a snorkel in the afternoon before the evening festivities. The lively beach bars on Isla Mujeres run the gamut, from reggae beach bum joints to trendy Mexican cantinas. **Casa Sirena (from \$100 per night)** is a remodeled colonial home with ocean views. It's the perfect place to enjoy it all.

**Related Link:** [Real Housewives Stars Gretchen Rossi and Slade Smiley Go to Mexico](#)

### **Havana, Cuba**

With the gradual easing of travel restrictions, Havana is back

on the American travel map (Canadians never stopped visiting).

Start your stay with a walk from the historical **Hotel Inglaterra (from \$65 per night)** to one of Ernest Hemingway's favorite Havana bars, La Floridita, for a cool daiquiri. Havana's restored colonial core is home to numerous bars and restaurants, including the world famous "La Bodeguita del Medio," perfect for that afternoon Mojito. Cuban music is best live, so reserve your spot at the Tropicana Cabaret for that Mambo Kings experience. Americans should check the state department website to learn how to book trips to Cuba.

## **Kingston, Jamaica**

Kingston Jamaica is not your typical Jamaican beach resort, but that is what makes it interesting. Visit Port Royal for the refurbished ruins of the original fort and docks of the real *Pirates of the Caribbean*. Hit Kingston's many bars, restaurants, jerk shacks and dance halls for Red Stripes, jerk chicken and wild times. Save some energy for a visit to the Bob Marley Museum or rent a car to drive up the Blue Mountains for the views and the coffee. James Bond fans may want to drive north to Ocho Rios to visit Ian Fleming's Goldeneye estate and stop by James Bond beach. **The Courtleigh Hotel and Suites in Kingston (from \$200 per night)** is the perfect base, with all the amenities you would expect from a business hotel.

## **Airfare Booking**

Are you sold on these affordable tropical destinations, but not on the cost of airfare? The secret of scoring the lowest airfares during the holiday is to book early (no last minute deals here). While flying out on Dec 22-23 and returning on January 2nd or 3rd will probably be expensive (these dates sell out first), you may consider flying out on Dec 24 or 25th and back on Jan 1st to save some money. The best recommendation is to leave the week before December 20th. Fares usually remain low until Dec 18th – 20th and then go back down after January 7th.

The Caribbean is affordable and anyone can have a good time. It's not just for romance. The place is swimming with activities and parties for anyone who wants to soak up some sun and have an overall good time.

## Eva Longoria Is Not Dating Matt Barnes, Despite Rumors

On Sunday, the *New York Post* claimed that actress Eva Longoria was getting romantic with L.A. Lakers forward, Matt Barnes. They cited a source who said that she seemed “very flirty” and had “a

spark” with Barnes during a Thursday dinner in New York City. Once again, press gets it wrong, matt barnes and I are not dating! We are doing a charity event together for Padres and Athletes vs Cancer.”

**Do you need to defend yourself if rumors spread about your personal relationship?**

### **Cupid’s Advice:**

You might’ve been told that when you ignore a rumor, it proves that it isn’t true. However, if you react to it, it’s a sign that you’re guilty. But when rumors spread about your personal relationship, it’s difficult to ignore. Here are some things to consider:

**1. Your feelings:** If the rumor will hurt your relationship, you may need to rise up and defend yourself. Doing nothing might do more damage to your emotional state.

**2. Others in the rumor:** When the rumor is hurting the other person who was mentioned in it, make sure everyone knows the truth. There’s no reason to let suffering continue when the rumor is a lie.

**3. Others’ reputations:** Defend yourself if this gossip will harm reputations. People work hard to establish themselves as a certain kind of person, and ruining that based on a lie isn’t right.

# Movie Review: 'Jack and Jill' is Full of Family Fun

Adam Sandler is at it again! The comedic genius and actor has come out with a Thanksgiving family fun movie, *Jack and Jill*. **How do you handle your partner's family feuds?**

**Cupid's Advice:**

Dating someone means dating their family-especially during the holidays. It can be hard to know your place when your partner and his family feud over the dinner party. Here's how to be supportive of your partner without disrespecting his family:

**1. Don't jump in:** Your partner will tell you if they need to tag you in on a family fight. Keep your thoughts to yourself, unless you're asked to share them.

**2. If asked, keep it neutral:** When put in the middle of a feud, state facts that will make both sides happy. Never pick a side.

**3. Don't play dumb:** If you get in the middle, don't walk away without attempting to help diffuse the situation. It may seem like minding your own business is a good idea, but your partner may lose faith in you, and his family may abandon their respect for you.

## **How do you know when your relationship lacks a spark?**

### **Cupid’s Advice:**

It’s very common for your head to make decisions about relationships instead of your heart. Here are a few ways to know that your relationship lacks a spark:

- 1. You’re not excited:** After a few weeks of dating, some couples experience a slump in their relationship. However, for couples lacking a spark, this may never wear off.
- 2. You prefer groups:** If you have more fun on group outings, like double dates or parties, than you do on one-on-one dates with your partner, then you should reevaluate your relationship.

**3. You rationalize:** If you find yourself supplying reasons why you should date your partner, then it's clear that your head – not your heart – is making decisions for you. Just because a partner seems like an ideal candidate on paper does not mean they're ideal in real life.

Quirky J. Crew

President/Creative Director, Jenna Lyons, who made headlines last spring after appearing in a J.Crew ad painting her son's toenails pink, is now fighting over custody and finances during a divorce from her husband of nine years, Vincent Mazeau. With her \$5 million yearly salary and coveted townhouse in Brooklyn, it's no wonder finances are such an issue in this split. According to [People](#), Lyons is currently seeing Courtney Crangi, who runs the business side of her brother, Philip Crangi's, jewelry line.

**What are some ways to compromise on finances and custody during a divorce?**

### **Cupid's Advice:**

Hurt feelings are one thing, but finances can really make a divorce nasty. Here are some ways to deal with the money issue:

- 1. Work with the kids:** No matter what you do, work out your finances in a way that is best for the kids.
- 2. Getting the house:** It might be a good idea to sell the

house and split the money evenly if you can't compromise about who gets it in the divorce agreement.

**3. Personal wealth:** Don't make a divorce any messier than it has to be by going after the bank account and assets that are only in your partner's name. Only split up the wealth you share jointly.

**How do you keep from overshadowing your partner?**

**Cupid's Advice:**

When you achieve great amounts of success, it's hard to keep your relationship healthy. Here are a few ways to avoid overshadowing your partner:

**1. Don't boast:** It's wonderful that you're successful, but your partner will not want to constantly hear about your successes. Keep boasting to a minimum, and remain modest.

**2. Make your partner feel special:** If you're frequently the center of attention, it may be time to make sure that your partner feels admired as well. Next time you are complimented, try to give your partner some of the credit.

**3. Don't be competitive:** You may be achieving more at the moment, but chances are that your partner will one day overshadow you. It is important to realize that everybody eventually gets their chance at success.

**Kaley Cuoco Is Engaged to**

# Josh Resnik

Get set for a *Big Bang* wedding! Kaley Cuoco, who stars on the award winning sitcom *The Big Bang Theory*, is getting married. The actress, 25, is engaged to addiction specialist, Josh 'Lazie' Resnik, her rep told [People](#). "The surprise proposal took place during a quiet date night at home," the rep said. "The couple are very excited to begin planning their wedding." Cuoco and Resnik have yet to set a date for their wedding.

**What are some ways to make an at-home proposal special?**

## **Cupid's Advice:**

Just because you're not in front of a crowd doesn't mean an at-home proposal can't be just as memorable. Cupid has some tips:

**1. Surprise your partner:** Slide the ring on her finger while she's still sleeping, and wake her up with breakfast in bed (a rose in a vase along with the eggs couldn't hurt). She'll wonder why you're being so cute, and then you can point out

the ring on her finger.

**2. Be romantic:** Every girl dreams of their own fairy tale moments, and now is your chance to make one of them come true. Make a trail of candles and rose petals throughout your home. First, lead her to a candle lit dinner for two that you spent hours preparing. For dessert, continue the path to your room and have notes along the way telling her how much you adore her. Once she's made it to your room, which should be the most romantic scene of all, be waiting for her in the doorway down on one knee.

**3. Involve the family:** Keep the gesture personal by proposing in front of her family. This is more intimate than popping the question in front of a crowd of strangers, and this way she still gets to steal the spotlight. She will love showing off her new bling, and it's a great way to surprise the family as well.

It's important to get your partner the necessary help if they do ever attack you. A situation such as this should not be ignored, because it can always happen again. Here are some things to keep in mind:

**1. Counseling:** Speaking with a professional therapist should be an option for both you and your partner. Therapy can help determine the source of the anger that led to the violent situation.

**2. Communication:** Instead of using your hands or objects to express your feelings, make it a priority to walk away if you feel the urge to get physical.

**3. Other anger outlets:** If anger is a problem for you or your partner, find other outlets to release stress such as going to the gym, running or something healthy that will calm you down.

## **Cougar Dating Love Lessons Even Demi Moore Can Use**

By Lucia

It looks like there's trouble in Cougar Paradise for Demi Moore these days. Her husband of six years, Ashton Kutcher, has recently been accused of infidelity. Though many people assume a split is inevitable, Demi was recently spotted on the red carpet still wearing her wedding ring.

A "cub" that strays can be devastating for Cougars (or for any woman for that matter). While dating a younger man can lead to an extremely fulfilling relationship, there are sticky areas that partners of the same age may not face. This relationship comes with its own set of guidelines, and the good news is that the challenges are usually due to the older women's own self-sabotage and not the younger man's motives. Yes, that's a positive thing since most of this can be avoided with a little insight and guidance.

Below are a few love lessons that any Cougar (including Demi) can learn from in order to have a healthy relationship, no matter what the age difference:

**Don't Be a "Know-it-all":** Just because you're older, that doesn't mean you know everything. If you're controlling and don't give your partner room to express himself or allow him to feel like a man, you'll immediately become less attractive in his eyes. He's with you because you're smart, confident

and he feels amazing being around you. If you make him feel emasculated, you will become his mother instead of his lover.

**“Sugar Mama” Trap:** You may make more money than your lover, but that doesn’t mean you always have to pay. He’s still a man, and men instinctually want to provide. It makes them feel good. Don’t make the finances your sole responsibility. If you do, you’re setting yourself up to be used.

**Underestimating Your Cub:** Being younger doesn’t mean that your partner isn’t knowledgeable about things that happened years ago or that he can’t appreciate your past experiences. Nowadays, people of all ages are savvy – sexually and otherwise. So stay away from any reminders that make your partner feel like he has a lot to learn or isn’t up to your level of sophistication, such as “When I was your age” or “You’re too young to remember.” He knows there’s an age difference; there’s no need to keep reminding him.

**Younger Women are NOT Your Competition:** He’s with you *because* of your age, not *despite* it. You have many things to offer that women his age don’t, such as knowledge, wisdom, life experience and most all, no drama. Acting like you’re in your twenties to attract or keep a younger man is a turn off. He expects you to be more mature and sophisticated. If he wanted to be with someone who was born in the same year he was, he would be.

**Ignore the Scornful Stares:** Even though others may have issues with you dating someone much younger, it doesn’t mean you aren’t in love. It means your man finds you attractive and interesting – and that’s certainly nothing of which to be ashamed. After all, a big majority of men date younger women. It’s time we got rid of the double standard!

**Why are men smitten for women who take care of them when they're sick?**

### **Cupid's Advice:**

Men can become big babies when they feel under the weather. From a small cold to a major health issue, they often cling to the women in their lives to care for them. The next time you feel overwhelmed or annoyed while looking after your sick partner, remember why he adores you as his private nurse:

**1. He trusts you:** Your man trusts you enough to put down his guard and act like a sick baby. Although it can be too much at times, remember how comfortable he is with you.

**2. His mother:** The truth is, your guy loves you to take care of him because his mother used to do it. Obviously he cares for you in a different way, as well, but men tend to be attracted to women who remind them of their mothers.

**3. You stick by him:** Even though being sick gets him a free pass to be immature and demanding, your partner is really able to see that you're in the relationship for the long run, through sickness and health.

# Justin Bieber and Selena Gomez Adopt a Puppy

Justin Bieber and his Disney-actress-turned-pop-star girlfriend may not be ready for human children, but they're ready for the pet variety. The couple recently adopted a puppy from D'Arcy's Animal Rescue Centre in Winnipeg, Canada, while on tour for Gomez. They chose to name the blue-eyed husky mix, Baylor. "It was nice that they thought of the animals and came to visit our shelter while they were on tour," D'Arcy, the owner of the shelter told [E! News](#).

**What are the advantages of raising a pet together?**

## **Cupid's Advice:**

Taking care of a pet is no easy feat, but it does come with some valuable lessons and perks. Here are a few:

**1. Prep for kids:** If you're considering having kids at some point, but are a little bit hesitant, consider bringing a pet

into your family. It'll definitely teach you about the responsibility that goes into having another living thing to care for in your family.

**2. Reliability and trust:** Caring for a dog can teach you to rely on each other in a relationship. You'll also find out if your partner is capable and compassionate.

**3. Sharing responsibility:** If you're raising a pet with your significant other, you can both do the duties that go along with it. You can take turns walking a dog or cleaning a litter box. It's less work for you both.
