## Hugh Jackman's Wife Doesn't Like Her Man Too Buff

There's no denying that Hugh Jackman is in good shape, but this *X-Men* star's wife isn't all for her man being buff. According to [UsMagazine.com](http://UsMagazine.com), Deborah-Lee Furness thinks her hubby's job is to do the opposite and stay out of shape for her. "My wife is always upset with me if I'm in really good shape," says Jackman, who has been married to Furness for 15 years.

"Overall, Deb would say to me my job is to be out of shape so that she can look as good as possible."

**What do you do if your man becomes obsessed with working out?**

**Cupid's Advice:**

Staying healthy and in shape is almost always a good thing, but when working out becomes an obsession and begins becoming a problem in your relationship, it may be time to search out ways to deal. Cupid has some ideas:

**1. Make plans in advance:** Purposely make plans at a time when you know your partner has planned to work out. Stress that it's very important to you that you keep the plans you have, and begin weening him out of his obsessive ways one interruption at a time.

**2. Tell him how you feel:** Sometimes men can get frustrated when women tell them how they feel in detail, so keep it short and to the point. Tell him that when he works out instead of spending quality time with you, it hurts your feelings.

**3. Show him it doesn't matter:** The best way to get your beau to quit working out non-stop is to show him that you're attracted to him even when he's not super buff. Make it known that you would actually *prefer* some less substantial physique.

**Onion News Network Saves the World with Ice-T, Coco and**

# Other Reality Stars

By Royal Young

When the world is ending, who will you love? Tonight, IFC presents the Onion News Network's spin on the apocalypse.

With an asteroid supposedly speeding towards earth, I jumped on the red carpet to ask Ice-T, his wife Coco and two Mob Wives how and with whom they would spend their last days. "A pool boy and some Pina Colodas," said Renee Graziano, Mob Wives star. Ice-T, whose memoir was just released, had some more positive things to say about romance. "You have to spend time together without the cameras. You can't let producers run your life or separate you." Other guests included Karen Gravano, Tanisha Thomas and Onion News Network hosts.

Ice and Coco just renewed their vows, after eloping ten years ago. "He told me five, but I had to wait ten years," Coco laughed. On whether they will still be together when the asteroid hits, Ice explained "Ass-gravity" to the Onion News

Network's Brooke Alvarez in a private taping. According to Ice, Coco's luscious behind has its own gravitational pull and can re-direct any incoming asteroids, saving us all and keeping their marriage strong. The loving and hilarious couple will also be burning the midnight oil when we all go up in flames. When asked how they'd spend their final hours, Coco smiled sweetly, "Jungle sex." The planet goes KA-BOOM! tonight at 10pm, with exclusive coverage from ONN on IFC.

## Anna Faris and Chris Pratt Say They Want a Family

Though *What's Your Number?* actress Anna Faris and actor husband Chris Pratt are focusing on their careers right now, the two are eager to have children in the future, reports [People](#). "We want a family for sure," said Faris. "Chris wants a big family. We would love to have kids someday." However, the couple agrees that their plans for children will have to be put on hold. "It's timing," said Faris. "It's so hard in this industry."

**How do you know when the time is right to have kids?**

### **Cupid's Advice:**

Deciding when to have kids is a life-altering choice. Here are a few things to consider before starting a family:

**1. Finances:** Raising children is becoming more and more expensive. Though your child may not be too much of a financial burden at first, in a matter of years you'll be paying for things like your child's college tuition. Be sure that you and your partner have stable salaries before settling down.

**2. Your goals:** Though kids make your life happier, they can also limit you. It is difficult to travel the world while caring for a baby. Make sure that you have experienced what you want to experience before starting a family.

**3. Outside pressure:** With advancements in technology, women can have children later and later in life. Don't let your biological clock or your friends pressure you into having children. The option will most likely remain open for quite a while.

How did you know when you were ready for children? Feel free to leave a comment below!

### **Cupid's Advice:**

When you and your partner are having problems, it can seem like meddling family and friends are worse than the paparazzi.

Here are some ways to go about combating the public:

**1. Keep silent:** If all you can think to say is mean-spirited, it's probably best to keep quiet. It's your business, and no one else needs to know what's going on in your relationship.

**2. Don't pick a fight:** If your better half is going around telling their side of the story, don't address them. Instead, find the people he's been speaking to and tell them your side personally.

**3. Take the advice:** Sometimes people want to know about your problems just to give you advice. Entertain them, but make your own decisions.

**Is it important to get down on one knee when you propose?**

## **Cupid's Advice:**

Every engagement should be as unique as the people forming a union. Therefore, there's no exact formula to the perfect engagement. Here are some non-traditional ways to propose that don't involve getting down on one knee:

**1. While skydiving:** For some extreme couples, it might be more meaningful to pop the question mid-air directly after jumping out of a plane together.

**2. Spur of the moment:** Spontaneous acts can be very romantic. Try proposing to your partner while walking by a jewelry store and allow them to pick out the perfect ring right then and there.

**3. During dessert:** It has becoming very common to propose by making arrangements with the restaurant in advance to bring out a ring with your partner's dessert. It's sweet and romantic, but isn't too overly traditional.

**Would you be upset if your partner didn't get down on one knee to propose? Share your thoughts below.**

Sometimes when you really like someone, it's easy to get overly excited around them. This can often drive them away.

**1. Rationalize:** This is easy said than done, but try to temper your emotions by thinking logically. More than likely, your feelings are ones of lust at the beginning, and coming on too strong may be a false reaction.

**2. Focus on other things:** Instead of spending your time thinking about your potential partner all day everyday, keep your mind occupied with other hobbies and interests.

**3. Comfort food:** Sometimes all you need to stay calm is a good solid meal filled with protein and carbohydrates, otherwise known as comfort food.

## What are some ways to enjoy a relaxing birthday weekend?

### Cupid's Advice:

Though life can be stressful, your birthday is a time to relax and have fun. Here are a few tips for a relaxing birthday weekend:

**1. Outsource your work:** Instead of hosting a party, take friends out to dinner. By going out, you eliminate all the cooking, cleaning, and prepping that needs to be done before and after a party.

**2. Keep it small:** Though you may be happy to see all of your friends, socializing with many people may wear you out. By inviting only a few, close friends, you can converse together in a small group, without having to worry about your other guests.

**3. Enjoy yourself:** Your birthday is one of the only days that revolves around you. Enjoy the day and do whatever you want. Sleep in, get a massage, go shopping or indulge in a mani/pedi. Don't let anybody else plan your schedule for you.

## Jessica Simpson Puts Wedding to Eric Johnson on Hold

Singer gone fashion designer, Jessica Simpson, is in no hurry to walk down the aisle. According to [UsMagazine.com](http://UsMagazine.com), she has decided to

postpone her wedding to former footballer Eric Johnson. This delay is due to the fact that Simpson can't seem to decide what kind of a wedding she wants. One minute she'll have her heart set on a big ceremony in Hawaii and the next she wants a small ceremony at home. Though it is rumored that the wedding delay may be a result of cold feet, this rumor has yet to be confirmed.

**What do you do if you can't make a decision about a wedding venue?**

### **Cupid's Advice:**

Planning your wedding is a huge and very personal experience where you feel like you have to please everyone. Though you no doubt want everything to be perfect, it's not the ceremony that's truly important; it's the love between you and your partner:

- 1. Go to Vegas:** Having a spur of the moment wedding in Las Vegas takes the planning and pressure out of everything. If you're tired of it all, Vegas is always an option.
- 2. Hire a wedding planner:** If everything seems to be moving in a million directions and you just don't know what to choose anymore, it might be time to bring in the professionals.

## Why Amazing Confident Women Remain Single

By Amber Soletti

As a dating expert and resident NYC single gal who runs speed dating and singles events, I've always found it interesting that the majority of my super attractive, sexually confident and financially independent single girlfriends are those who seem to remain forever single.

I've always wondered why guys wouldn't want to be with these women, and after years of thinking about it, I think I've finally figured it out:

### **The "Good Girl" Phenomenon**

Some common complaints from my guy friends are that they've "never dated a girl with money," or that "they never have sex because their girlfriend never wants to." When I ask why they're with their girlfriends, they almost always say she's "nice" or "a good girl."

Upon meeting these lovely females, they always strike me as your average, "girl next door" type chicks that are usually not working, or have a modest career at best. Personally speaking, they're pretty darn boring. I've never understood why my friends would choose to be with these women, especially when they confide in me about what their relationships are really like.

## **The Revelation**

It took a while to figure it out, but I have finally come to the conclusion that men by nature are often insecure, whether it's sparked by penis size, athletic/sexual prowess, finances or height. Many men are full of self-doubt, which I believe can drive them to cheat in relationships.

They constantly have to re-assure themselves that they've "still got it" and are desired by other women. They make the decision to be with "good girls," because they don't have to worry about being cheated on, but at the same time the women they're with won't satisfy their needs in the bedroom. It's messed up.

Due to their insecure nature, these men could NEVER be with what I call, the "crazy, sexy, cool" girls. Why? Because she doesn't "need them" for *anything*.

## **The Dilemma**

Are we in high school or are we adults? If two adults get together and really enjoy each other's company, what does it matter if they hook-up on the first date or the fifth? It shouldn't, but for all of these insecure men out there, they rationalize, "If she slept with me on the first date, she's sleeping with everyone on the first date and I know this girl goes out with a lot of dudes."

These girls are instantly being deemed the CSC girls and NOT girlfriend material.

## **The Answer**

Should you tone it down, dress more conservatively, play the nice girl role and avoid making out with a guy on the first date? Should you wait a few dates before you have sex?

Yes, ladies, that's exactly what you should do...if you're cool with being in a relationship with one of these "insecure" guys who will most likely end up cheating on you.

I don't have all of the answers, but at least I've realized the problem. And for the record, I do know of CSC girls that have eventually found love.

To wrap it up, here's my dating advice: with all of the 'smoke and mirrors' that men put out, it's hard to say if we're ever seeing things clearly, but at the end of the day I truly believe that knowing is half the battle. The quicker you can see things for what they are, the less likely you are to be disappointed, hurt or wasting valuable time. Be aware of your male surroundings at all times, always try to know where you stand and NEVER settle. The good news is that timing really is everything, and all it takes is one good guy!

## **LeAnn Rimes Says She's a Mom (Not a Stepmom) When it Comes to Eddie Cibrian's Children**

LeAnn Rimes says she's no evil stepmother. In fact, you can drop the "evil" and the "step." Rimes took to her blog to discuss her dislike toward the term "stepmother." She said she treats her husband's two sons like they are her own, according to [UsMagazine.com](http://UsMagazine.com). After reassuring the public that she doesn't want to take the place of the kids' mother, Rimes wrote that she hopes Glanville will remarry so that they can all be one big happy blended family.

### **What are some ways to bond with your partner's children?**

#### **Cupid's Advice:**

Marrying someone who has children from a previous relationship can be intimidating. After you've established your role in your new family, try to get to know the children and vice versa. It may take some time, but it'll be worth it.

**1. Establish your role:** Let the children know your role in their family. It's easy to cross the line from parent to friend, but make sure you pick a definitive side.

**2. Make them feel comfortable:** Less is more. Try not to engage in every activity they are involved in. Start by showing interest in what they like and slowly progress into asking to join them in an activity.

**3. Give them something new:** Don't try to take over their biological parent's spot in their lives. Make them love you for something different. Be yourself, and everything will fall in place.

## Is Ashton Kutcher Cheating on Demi Moore?

The rumors are flying that *Two and a Half Men*'s latest newcomer Ashton Kutcher has been cheating on his wife of six years, actress Demi Moore. Although the tabloid news has yet to be confirmed, some recent Twitter behavior from each half of the duo is causing some speculation, according to [People](#). The day before their wedding anniversary, Moore chose to share a quote

from Greek philosopher Epictetus, which reads, “When we are offended at any man’s fault, turn to yourself & study your own failings. Then you will forget your anger.” While the actress chose someone else’s words to voice her emotions, Kutcher took the opposite approach and decided not to post anything at all on his wedding anniversary. This may actually speak volumes, because the actor is known to be very active in showing his love for his wife via social media.

## **How do you gracefully deal with infidelity rumors in a relationship?**

### **Cupid’s Advice:**

**1. Regroup:** Before acting at all, take a deep breath. You can potentially make things worse than they already are if you react badly to something that ends up not even being true.

Let the news sink in before you even speak to your significant other about it.

**2. Get the facts:** Don’t go public with your emotions until you’re sure you’ve gathered all sides to the story. Avoid taking the rumors you hear as fact and simply confront your partner about it, and then hear him or her out before acting.

**3. Find support:** Social media is probably something you want to stay away from after you’ve begun dealing with cheating allegations. Instead, find someone you trust to confide in, like a family member or a friend. They may be able to point you in the right direction.

Breaking gender roles and making the first move can be tough, but it's not impossible. Here are a few tips to help you make it work:

**1. Show your interest:** Your date may be just as nervous as you are about making the first move, so make sure he knows that you're interested. After flirting, try saying something like, "I wanted to see that movie!" Your date may suggest that you see it together.

**2. Go on a group date:** If asking your love interest on an actual date is too forward for you, try asking him on a group date. Having mutual friends with you will make you both more at ease.

**3. Be confident:** If making the first move has you overly anxious, your discomfort will be apparent. Boosting your confidence will make asking much easier, and it will also make him interested.

## Prince William Discusses Queen Elizabeth's Wedding Advice

It seems as if people are still talking about the unforgettable royal wedding that took place on April 29, 2011, between Prince William and Kate Middleton. The royal couple did not plan their big event alone, however. Middleton took inspiration from Princess Diana's wedding and William took advice from his grandma, Queen Elizabeth. According to [UsMagazine.com](http://UsMagazine.com), the Prince was happy to have the Queen's help. Although he revised her original recommended guest list, he did take to heart her suggestion on what he should wear on the big day.

**How do you include your family in your wedding planning process?**

### **Cupid's Advice:**

Weddings aren't just for the bride and groom anymore. Families everywhere want to be a part of the big day. Instead of turning into bridezilla, thank them for their help by including them in the small stuff:

**1. Suggestions aren't final:** Allowing your family members to make recommendations lets them feel helpful, but it doesn't mean that you have to say "yes" to every one.

**2. Designate jobs:** Having help when you need it is valuable. Give jobs to each family member, whether it's making

decorations or helping you fill out thank you cards. Be grateful for their willingness to pitch in.

**3. Let them participate:** Bring your friends and family along for support to less intimate parts of the wedding planning process. Things like food tasting, choosing save the dates, and visiting venues are great options.

## Celebrity Couples Who Reconciled For the Summer

By Tanni Deb

Celebrity couples are breaking up, getting back together, moving on, finding new love and embracing the single life on

any given day. In fact, many of them are experts at being indecisive and unstable when it comes to relationships. It's not exactly a lifestyle to strive toward, but that doesn't mean it doesn't make us smile when a sweet pair of our favorite stars decides to get back together after previously calling it quits. Here are some notable duos that elected to give it another shot this summer:

**1. Lady Gaga and Luc Carl:** Gaga told *Rolling Stone* last year that she had never loved anyone like [Luc Carl] before. She was even quoted as saying, "That relationship really shaped me." Despite these words, it was reported in May that the *Bad Romance* singer ended their "few year relationship." It was short-lived because by June the couple appeared to be together again. A source told [UsMagazine.com](http://UsMagazine.com), "They had a little fight. I think the break-up lasted a week or two. They are totally back together now." Sounds like this one may have been the shortest breakup in celebrity history.

**2. Rachel Bilson and Hayden Christensen:** The on-again off-again duo met on the set of *Jumper* in 2007 and was engaged a year later. They struggled through many ups and down and finally called things off, splitting for good, in March 2011. Following the breakup, a source close to Bilson said, "They're done this time. [The] engagement is over, relationship's over. She's really had it." I guess the source was wrong given that the *Hart of Dixie* star reunited with her ex about a month later. Most recently, the couple has been seen traveling and spending time together. Hopefully by the time we print this they'll still be together.

**3. Sammi (Sweetheart) Giancola and Ronnie Ortiz-Magro:** Remember back in January when the *Jersey Shore* couple split after dating at irregular intervals for three seasons? The ex-couple must have had time to reunite (again) this summer during their shooting in Florence, Italy. With Sammi and Ronnie, one can never tell if their on or off. Right now it

seems like they are lovey-dovey, kissing, hugging and holding hands, but sometimes their fighting looks like that way, too.

**4. Jamie Lynn Spears and Casey Aldridge:** Spears was engaged to her boyfriend, Aldridge, when she announced at the age of sixteen that she was pregnant with his child. The couple ended things before deciding to tie the knot; a baby wasn't enough to keep this relationship together. Then, in August of last year, [People](#) reported that the former Nickelodeon star and her beau were working things out and most recently, Spears tweeted that she and her daughter's father are back together.

**5. Miley Cyrus and Liam Hemsworth:** Looks like the *Hannah Montana* star and her ex-boyfriend didn't sing their last song. In June, Cyrus's brother Trace told *UsMagazine.com* that his sister and Hemsworth had rekindled their romance. The couple fell for each other in 2009 while filming *The Last Song*, but split the following August. When Miley's father, Billy Ray Cyrus was asked during an interview what he thought of the Australian hunk getting back together with his daughter, he said that he approved of their relationship. "He's a great guy. He's solid. He's got great character." Well, if it doesn't work out this time, Hemsworth can always hang out with Miley's dad.

# **Marriage Counseling Sessions with Taylor and Russell**

# Armstrong Will Air on 'The Real Housewives of Beverly Hills'

Taylor and Russell

Armstrong's marriage counseling sessions, which were taped months before Russell's suicide, will air on *The Real Housewives of Beverly Hills*, [RadarOnline](#) reports. "Bravo has done major editing of the show, to be sensitive to the fact that Russell killed himself. However, the decision was made to air the footage of the therapy sessions," a Bravo insider says. "Viewers will see the two of them with their marriage counselor, Dr. Charles Sophy, as well as individual sessions with Taylor. Russell's one-on-one sessions will not air.

Taylor is completely supportive of the decision, and thinks it will help battered women to make the decision to leave an abusive relationship, just like she did."

**What are some ways to work on your marriage before calling it quits?**

## **Cupid's Advice:**

If you can't imagine life without your spouse, although your marriage is falling part, take the following steps before you give up:

**1. Counseling:** Visit a marriage counselor, and talk out your problems with someone who won't take sides and can view the situation objectively.

**2. Take a break:** Take a month to sort out your feelings and figure out what major issues need to be solved in your current relationship.

**3. Discuss it:** Committing to open communication where anything in fair game is the best way to get every issue or problem you're having out in order to fully comprehend what you will have to tackle to re-build your relationship.
