

# Celebrity News: Khloe Kardashian Responds to Criticism About James Harden's NBA Season

By [Jessica DeRubbo](#)

In latest [celebrity news](#), [Khloe Kardashian](#) is pissed, and she's speaking out about it. The *Keeping Up With the Kardashians* star gave her feedback during a live chat on her website Thursday, according to [UsMagazine.com](#). Apparently there are haters out there saying that Kardashian is the reason her boyfriend James Harden isn't having a good NBA season. "Someone's giving me too much power," she said, among other more vulgar things during a pretty aggressive rant. This

[celebrity couple](#) is still going strong and sticking together!

## **This celebrity news isn't surprising, given that Kardashians seem to be prone to drama. What are some ways to show support for your partner amid criticism?**

### **Cupid's Advice:**

It's important to stand up for your partner when he or she has been wronged, but there are ways to do it that won't rub people the wrong way. Cupid has some [relationship advice](#):

**1. Speak with actions instead of words:** This is by no means an original idea, but it's worth mentioning. It can be easy to lose your cool and lash out with your words when you're mad about something that's happening to your significant other. Consider showing your support instead of causing that kind of drama. If your partner is under fire at work, attend work functions with him or her and praise his or her accomplishments to those you meet.

**2. Counter with positivity:** Instead of stooping to the level of your partner's attackers, stay positive. Turn things around on them and point out positive things about your partner. Point to concrete things that make the attackers think twice.

**3. Ask your partner what he or she needs:** Instead of just picking a way to stand up for your partner, let him or her

know that you want to help, and ask their preferred way to do so. That way, you're not running the risk of upsetting them and you can still show your support and willingness to help.

"Some things fall through the cracks, but you know, I have a wonderful husband, and he's always on board... Somehow, we make it work."

On Friday date nights, the celebrity couple, who has been married for 18 years, likes to keep things simple, often eating at restaurants close to home. “It’s so funny: You can be married and live in the same house with somebody, but life can be so busy that you feel like you don’t get to have a conversation with that person,” the actress shares. “It’s important to take the time to stop, sit down, have a meal together, and have a conversation – keep communicating.”

## Lori Loughlin Shares Her Best Tips for Holiday Gift Giving in Celebrity Interview

This holiday season, the actress is teaming up with Walgreens to help you check everyone off of your gift-giving list. “It’s one of my favorite places to shop. # Celebrity Couple Predictions: Gwen Stefani, Serena Williams and Nicole Scherzinger

By [Shoshi](#)

If you're looking for the latest celebrity news and romance rumors, you've come to the right place! Below, I consider the future of three [celebrity couples](#), two new pairs and one on-again, off-again duo.

# Get the Latest Celebrity News on Blake Shelton and Gwen Stefani

**Blake Shelton and Gwen Stefani:** When it was announced that Gwen Stefani and Gavin Rossdale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

**Related Link:** [Gwen Stefani Drops New Music Video About Celebrity Divorce](#)

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

**Serena Williams and Alexis Ohanian:** It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the

top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

## Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton

**Nicole Scherzinger and Lewis Hamilton:** These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

**Related Link:** [Nicole Scherzinger and Lewis Hamilton Become Celebrity Exes Again](#)

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.

## Celebrity News: Blake Shelton

# Says There Are 'So Many Great Things Happening in My Life'

By Mackenzie Scibetta

You don't often hear of country music mixing with pop successfully, but *The Voice* co-stars Blake Shelton and Gwen Stefani are apparently making it work just fine. According to [UsMagazine.com](http://UsMagazine.com), just a few hours before the 2015 Country Music Association Awards began, [celebrity news](#) broke that Shelton and Stefani are officially a new Hollywood couple. Following the awards ceremony Shelton took to Twitter to confirm his happiness saying that "Awesome night tonight. So many great things happening in my life..." On the other hand, single celebrity, and ex-wife to Shelton, Miranda Lambert is taking the divorce much harder saying that she "needed a bright spot

this year”.

## **We're pretty sure this celebrity news may have something to do with new love Gwen Stefani. How do you know if your new relationship has staying power?**

### **Cupid's Advice:**

The unconditional bliss of a new relationship can make it hard to tell whether you're happy because your significant other is the one, or just because it is something new and fresh. While the future of a relationship can be unpredictable, if you look hard enough there are signs that can help reveal the success of your budding romance. Cupid is here to help you decide if your new partner will be a lasting one:

**1. You always laugh together:** Laughter stimulates the release of feel-good hormones, thus pushing us towards a happier mood. Being in a significantly good mood around your new love will surely reap many benefits. Also, if you and your partner have the same sense of humor then that's a good sign your relationship will never get boring.

**Related Link:** [Gwen Stefani and Gavin Rossdale Settle Celebrity Divorce and Will Share Custody](#)

**2. You openly communicate:** The first few fights of a relationship can be awkward, but if you both are willing to fully express yourself and feel comfortable arguing with each other respectfully then that will make your love last. You're guaranteed to argue so if you can figure out a way to politely oppose each other you are on a good track. If you find your partner intentionally saying things to hurt you then that's a

recipe for disaster.

**3. You're comfortable in silence:** A healthy relationship means two people who can function separately without hindering the success of the other person.
