Will Jennifer Aniston Change Her Name Post-Celebrity Marriage to Justin Theroux?

By Abbi Comphe'l

Recently married celebrity couple [Jennifer Aniston](#) and Justin Theroux have been receiving questions about whether or not the actress plans to change her last name. According to [UsMagazine.com](#), following their celebrity marriage in August, Theroux joked around in an interview with *Extra*, "I made her change both names, so she's now Justin Theroux." He also added, "I think 'Aniston' is going to stick with her if she

likes it or not.” So it’s safe to say that the former *Friends* star’s well-known moniker will still be around in spite of her recent celebrity marriage! In other news, the famous couple have been enjoying being newlyweds, especially with their celebrity honeymoon in Bora Bora.

It doesn’t look like this celebrity marriage is sparking a name change. What are some factors to consider when it comes to changing your name post-marriage?

Cupid’s Advice:

Choosing whether or not to change your last name can be difficult. Here are some reasons why you may want to stick with your maiden name:

1. Your last name just fits: If you’re older in age and have had the same name for quite some time, it may sound better to you – and there is nothing wrong with that. Or, like Aniston, you may have a solid career where people have known you by the same name for many years.

2. It’s a lot of work: Let’s be honest: Changing your name is a hassle! You have to change your driver’s license, credit cards, reward programs, and more. Are you ready and willing to spend the time to do so?

3. You value your independence: Just because you don’t change

your last name doesn't mean you love your significant other any less. It's a personal decision and may be a way of keeping a piece of who you are.

Celebrity Couple Predictions: George Clooney, Kylie Jenner and Sandra Bullock

By [Shoshi](#)

Want the latest celebrity news and romance gossip? Then you've come to the right place! Recently, these famous couples have made headlines for their relationships and love, whether it be George Clooney's [celebrity marriage](#), Kylie Jenner's budding romance, or Sandra Bullock's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

The Latest Celebrity News and Celebrity Couple Predictions

George Clooney and Amal Clooney: What can one say about George and Amal? They seem to be on top of the world. As they travel the world walking hand and hand, the media cannot get enough of this celebrity couple. Since there doesn't seem to be any real drama in their relationship and love, the media is trying to stir something up. Most of the criticism is focused on Amal. Some say she dresses tacky, while others accused her law firm of giving her the high profile accounts, because she is married to George Clooney. Nevermind that she's highly qualified to take on any case thrown her way. I love Amal and think that she's great for George. I still say that from the beginning their celebrity marriage was for calculated reasons versus simply love. Those reasons may never be known to the rest of us, because it looks like they know how to keep their mouths shut. This couple is working out fine even though Clooney is starting to look much older when he stands next to his lovely wife. Let's just say Clooney met a woman who know hows to ride or die.

Kylie Jenner and Tyga: This relationship has disaster written all over it. Are they in love? It looks more like lust than love to me. At this point it's hard to know who's using who. Tyga is getting a boost in his career from being with a Jenner, while who knows exactly what Jenner is getting from being with him. It all seems like a carefully orchestrated relationship put together by the puppetmaster, Kris Jenner. Don't believe the engagement rumors. This relationship is going to run its course and end as dramatically as it began. Right now, what remains to be seen is who will get tired of who first. Right now, my money is on Jenner because she has the upper-hand.

Sandra Bullock and Bryan Randall: There are rumors flying everywhere that Sandra Bullock is dating model and photographer, Bryan Randall. Before you get all excited about this news, hold on a minute, When did a dinner date start to mean that someone is in a relationship? I would love to see Bullock find love, but it's time to stop assuming she's in a relationship with every single man she talks to. That being said, Randall has a bit of a criminal past and we all know how Bullock loves bad boys. I don't see a romance with Randall having any staying power. Right now, she is just dipping her toe back into the dating scene. The main concern on her mind is having a good influence around for her son, Louis. Randall is a "meh" choice for Bullock. He's fine for testing out her flirting moves, but she should definitely keep her options open. Bullock needs to take dating tips from some of the other women in Hollywood.

**Alison Sweeney Talks
Relationships And Love in
Exclusive Celebrity**

Interview: “Love Is a Two-Way Street, and Even Though It Can Be Messy, It’s Worth It!”

By [Rebecca White](#)

Alison Sweeney has done it all when it comes to the small screen, working as an actress, director, and even producer. From soap operas and TV movies to hosting a reality TV competition show, she gracefully balances motherhood while also managing her booming career. While her time on *The Biggest Loser* is now over, the celebrity mom is using her open schedule to pursue other passions. In our [exclusive celebrity interview](#), we chatted with Sweeney about her relationship and love life, her best love advice when it comes to balancing a family and career, and her upcoming Hallmark movie *Love on the*

Air.

Alison Sweeney Talks Relationships and Love

For Sweeney and husband David Sanov, balance is key. When you have two kids and are constantly working on new projects, it's important for each spouse to manage their time effectively. "Dave is my partner," the actress says. "We have been married for 15 years, and each day, we take time to ensure we are there for one another and our children."

She also notes the importance of taking time to relax as a couple. For her and her husband, that means "cooking dinner together and, after putting the kids to sleep, having a glass of wine or some popcorn while watching a movie or catching up on our favorite TV shows." Yes, that is easier said than done, but finding time to spend together is essential. "At the end of the day, your relationship and love is the anchor of your busy lifestyle, and if you make that a priority, you'll be able to tackle all else together," she shares. "We find ways to schedule meetings and playdates, so make the point to schedule quality time with your partner too."

Sweeney encourages her kids to take risks by setting a positive example. "I always push myself with new challenges, and producing, directing, and starring in different projects enables me to do just that," she reveals. She encourages busy moms to explore other passions as well. "Like Nike says, just do it! You don't want to always wonder what might have been," she says.

Of course, handling a full schedule can be hard. Her advice is to "focus on the moment and do your best." Try to manage your

time hourly rather than weekly, so it's not as daunting. "At the end of the week, take a moment to evaluate your accomplishments and what you hope to improve in the next week: focus at work, attention to kids, quality time with partner, time for yourself...it all matters," she shares.

New Hallmark Movie Teaches Love Advice

One of the projects keeping the celebrity mom busy is the upcoming Hallmark movie *Love on the Air*, which marks Sweeney's debut on the channel as both a star and executive producer. Her character Sonia seems to have it all. "She has a great radio show for female empowerment and a successful fiancé, but when she is forced to work with a rival DJ, she's pushed to look at her world and herself in a new way," the actress explains. "The lesson about love that Sonia learns is such a good one to share. Love is a two-way street, and even though it can be messy, it's worth it!"

Sweeney recently realized how much she loves storytelling and making romantic comedies. Thanks to her new partnership with Hallmark, she can do both! As far as her future projects, Sweeney says to "follow me on social media to find out what's next and then let me know what you think!"

You can keep up with Alison Sweeney on Twitter @Ali_Sweeney. Tune in for Love on the Air on Hallmark on September 26th at 9/8c!

Famous Couple Isla Fisher and Sacha Cohen Have Fun in the Sun

By Kyanah Murphy

Though September may be on our heels, there is still just enough summer left to go on a summer getaway! That's exactly what famous couple Isla Fisher and Sacha Cohen did. People.com reports that the celebrity couple were having a celebrity vacation at the French Riviera recently. In fact, Bono seemed to have agreed that there was still enough summer to go on vacation, as well as he was seen meeting up with Fisher and

Cohen, albeit in an all-black suit.

The celebrity couple decided to take some time off and reconnect with one another on a romantic getaway. What are some ways to reconnect with your partner when you've grown distant?

Cupid's Advice:

Everybody can use a break from life after a while, including couples. However a vacation isn't the only way a couple can reconnect with one another. Cupid has some love advice:

1. Make a date with one another. Schedule in some time together to do an activity together. This will allow you to spend time with one another as well as get the communication process flowing again.

2. Make your partner still feel valued. With distance, you may be more critical of your partner. Try giving your partner praises instead and do special things that show you still value your partner.

3. Know when it's time for help. If the distance doesn't start disappearing, make sure to tell your partner your concerns. You may need some assistance as well, such as with counselling (which is totally OK). Even if you have to go alone, seek out

help to improve your relationship.

Celebrity Couple Predictions: Jennifer Aniston, Caitlyn Jenner and Elizabeth Olsen

By [Shoshi](#)

The latest celebrity news has been brimming with romance gossip. Recently, these famous couples have made

headlines for their relationships and love, whether it be Jennifer Aniston's secret [celebrity wedding](#), Caitlyn Jenner's budding romance, or Elizabeth Olsen's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Couple Predictions and the Latest Celebrity News

Jennifer Aniston and Justin Theroux: Fans of [Jennifer Aniston](#) let out sighs of relief when it was announced that she *finally* married Justin Theroux. We were all wondering if this marriage was ever going to happen! Now that the two have walked down the aisle, the media can finally stop making the actress look pathetic when it comes to love. I never believed that she was as miserable as people wanted her to be. She dated quite a few cuties along the way – why should she have to settle down?

As a relationship expert, I see good energy for this celebrity couple. Everything should work out if they are committed to making their marriage work when they hit bumpy times. Soon, there will be celebrity break-up rumors, but pay no attention to them.

Theroux has seen a dramatic upgrade in his living situation since he started dating Aniston. That is not to say his bank account is anything to side eye. When it comes to money, the *Friends* alum is clearly the one with more. I see a big prenuptial agreement in place if this marriage ever takes a turn for the worse. It looks like there is a cheating clause, which is ironic since it is speculated that Aniston may have swooped in on Theroux when he was in a relationship. All the best to these two! May that prenup gather dust and never be used.

Caitlyn Jenner and Candis Cayne: [Caitlyn Jenner](#) has faced her share of relationships rumors. Now, everyone wants to know who she will date: men or women, maybe even both. All eyes are currently on the relationship that she has with Candis Cayne. Are they dating or not? As I take a look at these two, what I see is really close friendship. At least for now. You know how things in the Kardashian world can change! Jenner can learn from Cayne as well as talk to her about things that her family cannot understand. That being said, like most people who are brought into the Kardashian mix, Cayne is benefiting from being Jenner's best girlfriend. It is a win-win situation for both of them. Just don't look for them to step out as a famous couple. It's unfortunate – they would be so hot together!

Elizabeth Olsen and Tom Hiddleston: It looks like Mary Kate and Ashley Olsen's little sister Elizabeth is dating British actor Tom Hiddleston. The two haven't confirmed that they're dating, but photos are showing that they seem pretty darn close. The alleged famous couple met while playing husband and wife on the set of *I Saw The Light*, a movie about Hank and Audrey Williams. While they make a good-looking pair, it looks like it will only be a casual romance. Olsen broke up with her fiancé at the beginning of this year, and a serious relationship is not on her mind right now. She wants to have a bit fun instead. As for Hiddleston? He is becoming hot in the business, so he will add a few gorgeous starlets to his little black book to fit right in with the other eligible bachelors in Hollywood.

Celebrity Exes Ben Affleck and Jennifer Garner Bring Kids to Orlando for His Birthday

By Maria N. Capalbo

According to UsMagazine.com, celebrity exes Ben Affleck and Jennifer Garner are keeping things civil between themselves, as they celebrated Ben's birthday this past weekend in Orlando

with their children. Despite all the rumors flying around about Ben's new celebrity romance with their former nanny, Christine Ouzounian, Ben and Jen still remain discreet and respectful in the public eye, especially for the sake of their children.

These celebrity exes are remaining civil for their kids. What are some ways to compromise with your ex with regard to your children

Cupid's Advice:

Having children with an ex may be a sticky situation. Cupid has some suggestions on how to compromise with your ex with regard to your children below:

1. Children always come first: No matter what dispute or issue is going on between you or your ex, the child always comes first. In some instances, you may need to fake a smile, but you both being there for the child is much more important than not, just because you're in an argument with your ex.

2. Be respectful: Know that your children look up to you as adults, so arguing, and being disrespectful in front of them should not be something you and your ex do! Handle your issues elsewhere, and teach the children to respect each other always.

3. Don't put the children in the middle: Never put the

children in the middle or make them pick sides regardless of anything that is going on with you and your ex. That is immature and the children love both of you equally, so to make them pick sides is unfair.
