# In celebrity break-up news, it's officially over between Julianne Hough and Brooks Laich. How do you know when your relationship is irreparable?

## Cupid's Advice:

Trying to salvage a relationship can be tricky, so it's important to know when to call it quits. If you're looking for signs that your relationship is irreparable, Cupid has some advice for you:

**1. You've already tried everything:** If you're trying to decide if your relationship is able to be fixed, it's important to assess what you've already tried. If you and your partner have tried to fix things for quite a long time, or even tried therapy, and you find yourself exhausted because things still aren't working, it may be time to call it quits.

**2. Your relationship has become harmful to one or both of you:** Another sign that may help you know that your relationship is irreparable is if you find the relationship to be doing more harm than good to one or both of you. Once your relationship makes you and your partner unhappy often or has caused damage or harm to you, that is definitely a major sign that it may not be salvageable anymore.

**3. You no longer trust each other:** Another sign of an unfixable relationship is a lack of trust. Continuing in a

relationship without trusting your partner will only cause more problems down the road, so if you have tried everything to rebuild trust, and you still can't rely on each other, your relationship may not be repairable at that point.

## **In celebrity news, Brad Pitt's girlfriend is keeping things classy when it comes to her beau's ex. How do you deal with lingering drama with your partner's ex?**

### **Cupid's Advice:**

When beginning or continuing a relationship with your current partner, the last thing anyone wants to face is drama associated with their ex. While you may want to believe that none of the rumors are true, it can be difficult to stop them from affecting your relationship. If you are looking for ways to deal with lingering drama with your partner's ex, Cupid has some advice for you.

**1. Listen to your partner:** Your partner cannot control the way their ex acts after their relationship has ended. Rather than focusing on whatever it is that their ex is saying, pay more attention to the way your partner is speaking and acting. If he or she is not paying attention to any lingering drama, then neither should you.

some advice for you:

**1. Unfollow them:** If you know you'll be itching to stalk their social media profiles and constantly check-up on what they are doing, unfollow them. During this process, it's important that you are focusing on yourself and doing what's right for you. Wasting your time on their socials will only make moving on more difficult and longer. **2. Cut the communication:** While you may be thinking reaching out and continuing to seek closure is a beneficial thing, it will only hurt you in the long run. By cutting off the communication, you will be able to completely focus on yourself and spend time working on your personal growth. Use this time to better who you are whether that's in your career or with your loved ones.

## **In celebrity news, Kendall and Ben may be giving their romance another chance. What are some factors to consider before giving your ex a second chance?**

### **Cupid’s Advice:**

When you break up with someone, it’s meant to be a final decision. That said, sometimes things change and there are good reasons to consider giving your ex a second chance. It’s important to make sure you’re doing it for the right reasons, however. Cupid has factors to consider:

**1. Why you broke up in the first place:** There’s a wild difference between breaking up because your partner cheated on you to splitting because you were both busy with your careers. If a trust issue was at the heart of your issues, it may not make sense to jump back into things. If it was simply a lack of time that led to your break-up, you two could very well be in a different place now, making it okay to give things a second chance.

**Related Link:** [Celebrity Parents: Kendall Jenner Jokes on Social Media About Starting a Family](#)

**2. What page you’re both on now:** It’s crucial to have an open and honest conversation about where you both are in your lives right now. If the issues that led to your break-up before are still very real, there’s no point in giving it a second shot,

hoping for a different outcome. If some key things have changed that will make things easier this time around, that's great!

**Related Link:** [Celebrity Workout: Group Classes That'll Have You Sweating With Obsession](#)

**3. The reasons you want to be in the relationship:** When we break up with someone, it leaves a hole in your heart that your partner used to fill. Not only are you missing the romance, but you're missing that person you told everything to and who you spent the most time with. When you're deciding whether to get back together with someone, you need to make sure you aren't just doing it because you're lonely. The only reason to date someone is because you really see yourself with them romantically and they'll add to your life in a positive way.

There's not one right answer to how to handle yourself after the divorce. Cupid has steps you can take to move on immediately after a split:

**1. Take some time to heal:** Everyone handles a break-up differently, but we all can agree that we will miss the good times that we had with our partner once it's over. **2. Ask for some space:** Having people constantly asking you about how your divorce is going will not make it any better. Find a decent way to tell them that you are okay, and that you need your privacy at this time. This also can be used for family members. You might not be ready to tell everyone how you're really feeling. If you have children, spend more time with them. The younger ones will have a harder time understanding what is happening.

Some couples live separate lives, but stay together in order to please their family members. This is not the best idea especially when you are not happy being with this person. Cupid has some relationship advice when it comes to telling your family and friends about your divorce:
