It's a family affair for Shakira, her sons and her celebrity love! What are some ways to know whether your partner values family?

Cupid's Advice:

A partner who is family oriented and has good family values is not just important for a famous couple like Shakira and her celebrity love. Finding a partner who has similar family values to yourself will help you have a successful and long lasting relationship. Here are three of Cupid's tips to know whether your significant other values family:

1. They call or video chat their parents and/or siblings: Even though your partner may not live with their family anymore, they still take the time out of their day to give them a quick phone call to say "hi" or ask them about their day. Whether it's once a week or a few times a month, this thoughtful action reinforces the importance your significant other puts on their family.

2. They talk about having children of their own: A good signifier that your partner values family is that they talk about having little ones of their own in the future. Also, observing how they act around other people's children will give you a feel for how they will be with your kids.

3. They attend important family events: We all know that sometimes life becomes very busy and filled with responsibilities and other commitments. However, a person who

Scott Eastwood Says Ashton Kutcher Cheated on Former Celebrity Love Demi Moore with His Girlfriend

By [Katie Gray](#)

Oh no he didn't! On a recent episode of *Watch What Happens Live*, Scott Eastwood announced that Ashton Kutcher cheated on his former celebrity love and wife, Demi Moore. How does he know that? He says it was with his girlfriend at the time. According to [UsMagazine.com](#), "Married Kutcher rang in his

sixth wedding anniversary on Sept. 24, 2011, without his wife at a raucous San Diego party at the Hard Rock Hotel which culminated in a sexual encounter with two women.” Who knows what happened, but Eastwood isn’t currently mad about the situation, as famous couple Ashton and Mila seem to be enjoying life together with their daughter, and Demi appears to be happy in life as well.

The drama in Ashton’s former celebrity love life just intensified! What are some signs that your partner isn’t being faithful?

Cupid’s Advice:

One of the worst things that can happen to you when you’re in a relationship and love is if your partner isn’t being faithful to you. The feelings of sadness and betrayal are hard to bare. Sometimes these situations do arise, so it’s good to look for the signs. Cupid has some tips:

1. Distant: When your partner starts to grow distant, that is potential sign that he or she is growing closer to someone else. Try and spend quality time together and focus on communicating. Plan a date night! Rekindle the spark and romance in your relationship.

Related Link: [Ashton Kutcher Describes What He Doesn’t Like In A Woman](#)

2. Defensive: If your partner begins to guard their cellphone and put password protection on it, then they very well may be hiding something. If they always had a passcode on their phone, then don’t worry – but if they are becoming extra

protective of their phone, then start being aware. If they are defensive when you ask questions, they may be lying to you. The important thing is to find out what is going on and addressing it!

3. Negative: Relationships and love go through good times and bad times. It's not always a honeymoon phase in a healthy relationship, so you can't expect your partner to be happy and positive 24/7. That being said, they should not be negative and rude to you constantly. If this is becoming a pattern and they are insulting you, something is definitely going on in their lives and you should figure out what it is. They may just be going through some issues. Be supportive and find out what is happening!

Cupid's Advice:

Dave Abrams and Jennie Garth have been sharing their celebrity engagement with the public and we could not be more thrilled!

Here are some ways to surprise your partner with a perfect proposal:

1. Lead them away from the trail: If you've been together for awhile your partner might be expecting a proposal any day now which really throws off any element of surprise. So drop false hints about a big "date" in the future or making the next upcoming holiday "one to remember." This way when you take your partner to a nice dinner or a trip for two they won't suspect a thing.

1. Tasteful PDA: There’s nothing wrong with public displays of affection, as long as they’re not inappropriate and making people around you uncomfortable. Dating Advice for Dealing with a Jobless Boyfriend

By Maggie Manfredi

There are multiple common sayings when it comes to the relationships and love: “love is a two way street,” “what’s mine is yours;” and “love is patient; love is kind.” But, what happens when your main man is stagnant and jobless? Are you expected to do all the heavy lifting? How do you know how to approach the topic with sensitivity, honesty and love?

Cupid believes that you have every right to confront your jobless boyfriend. In fact, we have some valuable dating advice to help you navigate through this tough situation.

1. Talk it through: First things first, talk to your partner. One of the main reasons to be in a relationship and love is to have that person you can talk to and that you trust. Be brave, but not brash when you move to bring up your boyfriend's jobless status. Ask questions that will help him to open up. For example, ask, "If you could have any job in the world, what would it be?" Or, "What and who inspires you?" Not only will you learn more about your beau, but this might open their eyes to different career paths that they had not thought of before. Help them visualize an opportunity, and then you can take the steps toward making it a reality together.

2. Motivate and keep moving: The hardest thing about being unemployed is finding the motivation to get up and apply to jobs, and it can be hard to watch someone you love not able to take initiative in the situation. This is especially true if you are taking care of your man and providing for the both of you. Consider this love advice, and make sure you are supporting him in his quest for employment by not letting him sit and complain all day. Remind him to be proactive in a tactful way. A man with dreams is sexy, and a man with a job? ... Also very sexy.

Related Link: [Relationship Advice: How To Keep The Spark in Your Relationship After Valentine's Day](#)

3. Work and play hard: If your guy is totally comfortable

sitting on your couch and not contributing to your relationship and love, then maybe it's time to hit the town with your ladies. Happy hour is made for the working girl, so take full advantage. However, if your jobless boyfriend is making an effort to find work and do right by your relationship, then make sure you are both going out and enjoying life together. It is easy to let the stress of bills, careers and aging get in the way of having a good time. Make sure to continue scheduling date nights to keep the spark alive.

4. Be patient and kind: Life is a wild ride with bumps and road blocks. You and your partner need to feel love, especially if he has been laid off or is struggling to find something to be passionate about. Be patient if they are doing some soul searching, and when they face rejection, be kind and understanding. There's no doubt that the road will not be perfectly paved, and as their partner, it's important to be there as they try to navigate.

Related Link: [Relationship Advice: 5 Basic Workouts To Do With Your Partner](#)

5. No excuses: Cupid wants to make one thing perfectly clear: DO NOT MAKE EXCUSES FOR LAZINESS. A lazy partner now will be a lazy partner in the future, and this is not an ideal attribute in your soul mate. Everyone is allowed to make mistakes and to be unsure; but if your partner comes across a problem and doesn't want to solve it, then they might not be the best fit in a partner after all.

Work hard at your job, and work hard at your relationship. Your jobless boyfriend might need a little help to change his title, but with a little patience and a lot of love, you may see him make something of himself. Don't let him couch surf any longer, and if he makes excuses, it might be time to excuse yourself from the relationship.

Cupid has provided some insight on how you can tell when it's time to move on below.

2. You're the one making sacrifices: Relationships are a two way street. Being with another person means that you can't get everything you want. However, you shouldn't always be the one changing plans or delaying future hopes and dreams. Both parties need to give a little.

3. You believe they'll change: Sometimes, people hang on to their significant other because they expect that what they're going through is just a "phase." Is It EVER Appropriate To Date Your Friend's Ex?

By Maggie Manfredi

When it comes to the biffle bible, it is safe to say that the commandment, “Thou shalt not date a friend’s ex” is at the top of the list. Friendship is based on trust and honesty and so are monogamous relationships. However, it is always important to follow your heart and to do the things in life that make you happy, so is there an exception to this rule? Possibly, but handle the situation with care. There are many factors and steps to take into consideration before you proceed.

Dr. Deb Castaldo, author of *Relationship Reboot* says, “First and foremost is you must have permission from your friend.” So, take your friend out for coffee and spill the ex boyfriend beans. As a third party to their previous relationship, you should have a good idea of how it ended and if they are on good terms as individuals. Even if the break up was the opposite of Taylor Swift’s “Blank Space” music video, you still need to ask your friend if what you are about to do is okay. This shows you care about their feelings and want their respect and blessing. Depending on how the conversation goes, here are 10 things to consider:

1. Do not get intimately involved with this potential partner prior to having a conversation with your friend.
2. Make sure plenty of time has passed, as it takes awhile to heal after a breakup and your friend will need that time.
3. Do not keep secrets from your friend or her exp; in this situation, being open and honest is key.
4. Be considerate of your friend's feelings. This person was in their life first so it will be tough for them to picture you filling the same role that they did.
5. If your friend says no, it means no. Try not to burn a bridge.
6. Don't be afraid to shop around. Dr. Castaldo says, "There are plenty of fish! You may be better off searching elsewhere for a date and a potential mate. "
7. If your friend gives you their blessing, ease into the relationship. Be considerate in social settings with mutual friends, and on social media posts.
8. Though your bestie may have given you the go-ahead, they still might feel hurt or vulnerable with this new information. Make extra time for them because they have been very good to you.
9. If your friend asks you not to date this ex, try not to take it personally. Keep moving forward and be happy to know that your friend is not bullshitting you.
10. Be kind to the people that surround you. You never know when heartache will strike and you will be glad to have real and true friends by your side.
