

Celebrity News: Kendall Jenner & A\$AP Rocky Attend Sunday Service After He's Released from Prison

By

Ashley Johnson

In [celebrity news](#), upon his return to the U.S. on Saturday morning, August 3, A\$AP Rocky was photographed exiting his private jet and wearing a big smile (and of course, his classic designer babushka in true [celebrity style](#)). According to *UsMagazine.com*, the rapper had spent one month behind Swedish bars before being released Friday, August 2. Just two days later, he was filmed wearing the same smile, as he chatted it up with former flame and [reality TV](#) star Kendall Jenner while attending Kanye West's weekly Sunday Service.

In celebrity news, Kendall Jenner and A\$AP Rocky wasted no time getting together after he was released from prison. What are some ways to support your partner after a traumatic event?

Cupid's Advice:

While the celebrity exes spent no time getting reacquainted with each other after Rocky's release from prison, Cupid has some advice on how to navigate a relationship and support your partner after a traumatic event:

1. Be communicative with each other: Communication is important, especially if the one you love has been gone for months. In order to rebuild the relationship and understand parts of your partner's experience you may not be all that familiar with, having open and honest conversations is helpful. Most of the time, survivors of trauma have a lot on their mind and just need someone to talk to in a safe space without judgment.

2. Comfort your partner: Sometimes when words fail, physical touch can do wonders. Whether you comfort your partner by kissing them on the forehead or tightly embracing them, you are providing a safe and supportive environment for them. Words are not always enough, but just your presence can be appreciated and let your partner know that you are there for them.

3. Understand triggers: Depending on the trauma, survivors may have a list of triggers, including loud noises, dark places, and confined spaces. Triggers can suddenly recreate trauma for your partner and make them relive an experience they would rather not relive. By knowing your partner's triggers you can help make them feel safe and avoid exposure to their certain triggers.

Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah

By

Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the one" and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown's apartment in L.A.

In celebrity news, Tyler Cameron isn't committed to Hannah and is dating around. What are some things

to be careful about when you're dating around?

Cupid's Advice:

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

1. Be transparent: Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings. Relationships only work when the people involved are on the same page and have both of their wants and needs met.

2. Have patience: As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

3. Take the time to discover yourself: Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that you absolutely love, and others that you absolutely cannot

stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.

Celebrity Baby News: Jade Roper & Tanner Tolbert Reveal Baby Boy's Name

By

[Bonnie Griffin](#)

In the latest [celebrity baby news](#), [Bachelor in Paradise's](#) Jade

Roper and Tanner Tolbert share their baby boy's name two days after his emergency home birth. On August 1, Roper revealed her baby's name on Instagram saying, "Say hello to Brooks Easton Tolbert!" According to *UsMagazine.com*, this [celebrity couple](#) welcomed their baby boy into the world on July 29th at their home.

In celebrity baby news, Jade & Tanner finally revealed their newborn son's name. What are some ways to compromise with your partner on baby names?

Cupid's Advice:

When you're expecting a child one of the hardest decisions to make can sometimes be coming up with a name you and your partner agree on. It's an important decision, and one you cannot change once it's been made. It can often mean compromises on both sides to come to an agreement. Cupid has some advice on ways to compromise with your partner on baby names:

1. Create a list: You and your partner can begin by each creating a list of baby names that you like. Compare your list and pick out any names you both put down. From there, you can work through the names each of you like to make your decision.

2. Family names: Family names can often be a sticking point when one of you has a name you are set on passing down to your child. If one of you has a family name you really want to use consider using it as a middle name as a compromise. This way

the name gets incorporated without being the name used for your child every day.

3. Find a common theme: If you are having trouble narrowing down a name, start with coming up with a theme you both agree on. Maybe you both know you want a unique name, or you can agree you want your baby to have a traditional name. It isn't the final name but it is a good starting point that can help you get there and come up with a name you can both agree on.

What are some ways you would compromise with your partner when choosing your baby's name? Let us know your thoughts in the comments below.

Celebrity News: Brooks Laich Says He's Proud of Wife Julianne Hough For Saying She's 'Not Straight'

In celebrity news, Julianne came out with her truth, and her husband is standing by her side. What are some ways to support your partner through tough times?

Cupid’s Advice:

Everyone faces hard times or inner battles that they struggle

to face. Sometimes it can be hard to share parts of yourself with the world. Having a partner who supports you when you're struggling can mean everything. Cupid has some advice on ways to support your partner through tough times:

1. Let them know they're appreciated: We can't always solve problems for our partners, even if we would love nothing more than to wash away their worries. It's important to take steps to make them feel safe home with you; they know they are loved and you are their safe haven. Tell them how you appreciate them, and that you value them and their place in your family.

2. Don't be critical: If your partner is having a hard time they likely feel like they are being criticized by the world around them. Be the opposite for them. Listen and be supportive but be sure not to take over the conversation. Ask them open-ended questions and really listen to what they have to say without being critical or judging them. They need to be able to lean on you just as you would if the roles were reversed.

3. Remind them to have fun: Life can be stressful and we all face challenges from time to time. When life has your partner feeling down remind them that it can also be fun. Take them out for a night on the town, enjoy a night together under the stars, whatever the two of you enjoy doing together.

Celebrity News: Tyler Cameron Addresses Future with 'Bachelorette' Hannah Brown

By [Mara](#)

[Miller](#)

Tyler Cameron addressed his future with *Bachelorette* Hannah Brown after she asked him out during the show's two-part season finale, according to *UsMagazine.com* in [celebrity news](#). Does this mean there's a possible celebrity couple on the horizon? On Tuesday, July 30, Brown opted to make a "bold gesture" when she suggested the pair "go for a drink" on Nick Viall's "Viall Files" podcast. Cameron responded that he would love to and he wants to take things slow.

In celebrity news, Tyler is looking to take things with Hannah “one day at a time.” What are some ways to take things slowly in your relationship?

Cupid's Advice:

Amidst speculation that Tyler Cameron may be the next lead man for *The Bachelor*, things may change if he keeps things going with Hannah Brown. We hope the best for these two! Cupid has some advice on how to take things slowly like Hannah and Tyler:

1. Have self-discipline: Taking things slow means you're allowed to step back and think about your dating situation before you commit to anything. Don't rush into bed, living together, or constantly text each other because you're worried your potential partner will lose interest. Be sure to keep your head on straight before listening to your heart.

2. Be honest with each other: Honesty truly is the best policy, so be honest with your partner about why you want to take things slow. Maybe you want to get to know them better or you've been burned by an ex in the past, so you want to be ready you can go all-in before you take your relationship further.

3. Longer lasting relationship: Taking things slowly with each

other will mean your relationship has the potential to last much longer than those moving their relationship much faster. You'll have time to build a solid foundation and partnership so you can work together as a team in your relationship and that means it could last for the rest of your lives together.

[Bonnie Griffin](#)

In the latest [celebrity news](#), [Bachelorette](#) Hannah Brown gushed over Tyler Cameron on *Jimmy Kimmel Live*. After a devastating break up with Jed Wyatt, it looks like Brown might be ready to give her ex, Cameron, another shot at a relationship.

Cupid's Advice:

For these [reality tv](#) stars, it is starting to look like they are going to be giving their romance a second chance. Sometimes time and space gives us a new perspective and makes us realize what we lost. Cupid has some advice to help you

know when to give your ex a second chance:

1. You can see yourself with them as a part of your future:

When you think about your ex do you picture the two of you together? Can you imagine what your life would be like as a couple in the future? These are signs you might want to give your ex a second chance. If you can honestly see them as your partner for life it is worth giving the relationship another shot.

2. You're happier with them: When you spend time with your ex are you happier than you are with anyone else? And being with them makes you happier than being single. Then give them a second chance. Celebrity News: 'Bachelorette' Hannah Brown Speaks Out About Jed After Finale

By

[Bonnie Griffin](#)

In the latest [celebrity news](#), [Bachelorette](#) Hannah Brown ended her engagement to Jed Wyatt. Five weeks after their engagement, Brown was heartbroken to find out that her relationship with Wyatt began with lies when she discovered he had a girlfriend when he first entered the show. According to *People.com*, Brown said finding out Wyatt hadn't been honest was "heartbreaking" and that by being dishonest "he hurt [her] worse than anybody else did."

In celebrity news, Hannah wasn't willing to settle once she found out Jed had been dishonest with her. What are some ways to know your partner is lying to you?

Cupid's Advice:

For these [reality tv](#) stars, happy ever after is no longer in their future. Wyatt's dishonesty broke Brown's heart and left her unable to forgive him for the hurt he caused her. It is never good when you find out that someone you love has lied to you. Cupid has some advice to help you know when your partner is lying to you:

1. They say they never lie: Anyone who tells you that they never lie is lying to you. It is common for everyone to tell little white lies from time to time. Sometimes these kind of lies are okay because they are meant to protect someone's feelings or something of that nature. Getting caught in a small lie like that wouldn't have any real consequences. We all tell these kinds of lies, so an honest partner would have no reason to insist they never lie at all.

Related Link: [Celebrity News: 'Bachelorette' Hannah Brown Releases Intimate Details in Front of Peter's Mom!](#)

2. Lack of eye contact: One of the tell-tale signs of lying that is upheld as true by science is when someone refuses to make eye contact. If your partner is normally someone who makes eye contact with you when you're talking, and now they are avoiding that eye contact it is a good indicator they aren't being honest about something.

3. They accuse you of lying: One of the oldest tricks in the books is to try to get the focus off them by pointing their finger at you. Your partner might accuse you of lying or cheating out of the blue. This blame game is often a way to try to justify their own dishonest actions.

What are some things you look for if you think your partner is being dishonest? Let us know your thoughts in the comments below.

Celebrity News: 'Bachelorette' Hannah Brown Releases Intimate Details in Front of Peter's Mom!

By

[Katie Sotack](#)

The infamous *Bachelorette* windmill sex scene between Hannah and Peter was one of the most talked about moments this season. But according to *UsMagazine.com*, Hannah fudged the details. When facing off with Luke Parker, [The Bachelorette](#) confessed to having sex with Peter twice at the mill, yet apparently it was four times! Hannah announced this proudly in front of the studio audience, which included Peter's family. Still, despite (or maybe because of) the scandalous details, Peter's family could not have looked prouder as the audience gave the pair a standing ovation.

In [celebrity news](#), Hannah Brown didn't hold any details back while talking to Peter on a recent episode of *The Bachelorette*. What are some benefits to being open

about intimacy?

Cupid's Advice:

In our Puritan-grown culture, it's not wildly accepted to talk about intimacy in public. However, American youth culture is shifting to see the perks in being open and honest about intimacy. Here's how talking about intimacy can benefit yourself and others:

1. Normalization: Talking about intimacy normalizes said acts of intimacy. America's sensationalized media presents idealistic versions of sex and love, which do not match up with reality. With this idealized standard we rarely see an accurate representation of our own intimacy. The girl and guy are perfect, never having bad sex or weird sex. Not to mention a lack non-heteronormative relationships depicting physical love. Talking about sex and the intimate acts surrounding it can ease the tension our culture feels around sexual 'imperfections' which fall short of idealistic standards.

Related Link: [Celebrity News: Ben Higgins Says 'Bachelorette' Hannah Brown's Sex Confessions Are 'Confusing'](#)

2. Ease the guilt: There's a famous *Sex In The City* episode where Miranda takes a lover who's so petrified of sex being a sin, that after every time they've been physical he *must* run to shower. Yeah, this was filmed in the '90s, but times haven't changed too much. *Bachelorette* Hannah Brown was thoroughly slut shamed by contestant Luke P. for enjoying sex with men she'd fallen in love with. By speaking out about about her experience at the windmill while in a supportive environment she was championed for something that had once penalized her.

Related Link: [Celebrity News: 'Bachelorette' Hannah Brown Confronts Luke P. at 'Men Tell All'](#)

3. Better sex: As sexologist Lindsey Doe likes to point out sex and sexuality are never one size fits all. But that's the way our culture likes to think about it, so partner's have been conditioned to fall short of our unique needs. Being open about your likes, dislikes, and experiences will not only work like a handbook for better sex but help to foster emotional intimacy between you and your partner(s).

New Celebrity Couple Shawn Mendes & Camila Cabello Kiss in Miami

By

[Katie Sotack](#)

It looks like love is on the horizon for major PDA participants and new [celebrity couple](#), Camila Cabello and Shawn Mendes. According to *UsMagazine.com*, the two were spotted locking lips on the beach in Cabello's hometown, Miami. The "Senorita" singers have been rumored to be dating since early July, though Mendes feverishly denied the rumor. The pair have been good friends since their 2015 duet, "I Know What You Did Last Summer," and are still publicly stating such friendship after their respective breakups with model, Hailey Bieber and relationship expert, Matthew Hussey. However, since the denial, the two have been seen at numerous dinners and concerts, cuddled up to each other. Could a relationship announcement be next?

In [celebrity couple news](#), Shawn and Camila got hot and heavy in a pool in Miami. What are some ways to

show your affection for your partner in public?

Cupid's Advice:

Whether you take it nice and slow or get hot and heavy, on occasion we all get swept up in PDA. There's a style for all of us, be it hand holding to a hardcore make-out session. These are the ways to declare your partner yours in public:

1. Cuddle up: In order to bring in new customer, movie theaters have brought the experiences of home to movie goers. This comes with nifty new reclining seats whose arm rests lift up. This gives you free rein to enjoy snuggling up to your partner while watching the newest flick. Plus the dark area of a movie theater will have your PDA flying total under the radar. Of course, if your more brazen you can take a tip out of Camila and Shawn's playbook and cuddled up while sharing food at a restaurant.

Related Link: [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

2. Hand holding: Vastly underrated and criticized for the potential of sweating palms, holding hand is the perfect amount of PDA. The tiny physical intimacy says to the world that you're in love, but you're still your own person. It does so by connecting the partners, but not cutting them off from their surroundings like kissing would. Out of all forms of PDA, it's also the most likely to be tolerated by those around who are not very much in love with public affection.

Related Link: [Celebrity News: Leonardo DiCaprio Gets Serious With Camila Morrone](#)

3. Forehead kissing: This simple intimacy is easy to get away with in public. Soft lips on the forehead is very much an act

of care which won't produce an eye roll. It's also a gentle reminder to your partner that you're there for them whenever they need you. Pair with cuddling or holding hand as aforementioned will add a new layer to PDA which is still publicly acceptable.

Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden

By

[Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends' exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

Related Link: [Celebrity Wedding: 'Vanderpump Rules' Stars Tom](#)

[Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

Related Link: [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

Congrats, you're engaged! Among the excitement as you rush to the alter, planning every last detail can feel like a juggling act. Here are some must haves before you say 'I do'.

1. The License: Learn your lesson from Tom and Katie and *get a license*. This is perhaps the most essential piece to a successful wedding, considering it confirms the actual marriage. Cupid's Advice:

We don't always expect a relationship to become serious when it first begins. Sometimes your relationship grows into something more mature and long-lasting than you expected in

the beginning. Cupid has some advice ways to know your relationship is getting serious:

1. You spend a lot of time together: When you begin spending a majority of your free time with your partner it's a good sign things are getting serious. You think about them often, and when you're not together you may find yourself missing them or wanting to see them. You make each other happy and truly enjoy each other's company.

Celebrity Engagement: Bindi Irwin Is Engaged to Long-Time Boyfriend Chandler Powell

By

[Bonnie Griffin](#)

In the latest [celebrity news](#), Bindi Irwin and her long-time boyfriend, Chandler Powell, of six years are engaged. The [celebrity couple](#) got engaged on Irwin's birthday, July 24th, according to an Instagram post by Irwin. The couple did not rush into this engagement, dating for six years beforehand. According to *UsMagazine.com*, Irwin previously said that she and Powell were "enjoying their lives together." Now that the time has come where the couple has taken that next step, it

seems that Irwin is excited to marry the love of her life.

This celebrity engagement has been a long time coming! How do you know when you're ready for marriage?

Cupid's Advice:

This celebrity couple took their time falling in love and enjoying their lives together before deciding to get engaged. There are no rules that say that you have to get engaged or married at a certain point in a relationship. Maybe you just want to enjoy your lives together without the pressure of what society thinks you should do like Irwin and Powell, or maybe you just want to take your time before making a lifetime commitment. Cupid has some advice to help you know when you're ready for marriage:

1. You know yourself: Before you tie yourself to another person for life it's important to be confident in the person you are. According to *MyDomaine.com*, therapist Kimberly Hershenson, LMSW, says, "A successful marriage is more likely if both partners feel secure independently and are able to work as a team moving forward." One way to help you learn yourself is to experience independence. That may mean being single a while, living on your own, or being financially independent.

2. You include your partner in future plans: When you think about your future do you automatically envision your partner there with you? If so then you might be ready for marriage. It doesn't mean that you want or need your partner/spouse present at every social event in your life. It does, however, mean you

consider them when you're thinking about or planning the important, meaningful events in your future.

Cupid's Advice:

Have you ever been dating someone and wondered, "When's the

right time to hookup?" What's too soon, and what will they think of me if we wait a long time? Here is relationship advice on getting intimate:

1. Are you turned on?: The number one requirement to figuring out the right time to be intimate is being aroused. If you're feeling your partner, the environment, and the contraceptive measures are at your minimum requirements at least, you might be ready to get physical. There is still some question on whether this is the right time for you emotionally, but desire is the number one box to be checked off.

2. Don't be pressured: Just because your friend slept with their partner on the first date and your other friend waits until the 10th to get it on, doesn't mean these timelines are right for you. Only you and your sexual partner can decide on the who, what, when, where, and why of your sex life.

3. Ignore all advice: Physical intimacy is different for everyone. Sexuality is like a snowflake – everybody's special and there's no one size fits all. Jenner is supporting Disick and Richie's relationship like a mature and respectful ally. Here are relationship tips to root for your ex's new love:

1. Keep your distance: You see your ex repeating similar patterns, you don't think their new lover is treating them right, etc. It's so tempting to pinch the lovebirds on the shoulder and straighten them out. *Don't do it.* When you get the temptation to meddle, take a deep breath and walk away. By commenting on their current situation, you are adding your baggage with ex-bae to their new love. It's better to keep your distance here.
