

Celebrity News: Are Khloe Kardashian & French Montana Getting Back Together?

By Megan McIntosh

Though they were previously a thing, French Montana and [Khloe Kardashian](#) are not a [celebrity couple](#), according to *UsMagazine.com*. After Kardashian's divorce from Lamar Odom, she moved on with French Montana, but admitted that she "was not in a good place" when they dated. Now, after her breakup with Tristan Thompson, she is currently "not thinking about her love life at the moment" and is instead focusing on her daughter, True.

In celebrity news, it seems this rumor is unfounded. What are some reasons you should think twice before getting back together with your ex?

Cupid's Advice:

It can be difficult to know when it's right to rekindle an old flame. How do you know you shouldn't take that step and try getting back together; that it's time to really let it go and move on? Cupid has some advice:

1. Nothing has changed: What was the reason you broke up with your partner? Is that still an issue between you two? If nothing has changed since you broke up, then there's no reason to get back together. The issue will only re-emerge and cause a future break up.

Related Link: [Celebrity Break-Up: Adele & Simon Koneckis Call It Quits](#)

2. The reason you're returning isn't a good one: Why are you getting back together with your ex? Is it because you genuinely have a connection, or is it because you want closure? Never return to an ex because you don't understand the break up. If you broke up, there must have been a reason. If that reason still stands, so should the break up.

3. It might be a rebound: Never rekindle an old flame for a rebound. If you broke up with someone, there's no reason to return to another ex as a rebound. If there's no emotional attachment, you can try to have fun. But, inevitably, feelings

always pop up. If you want to rekindle with an old flame, it should only be you two involved in the why.

Celebrity Parents: Bradley Cooper Says Fatherhood Has Changed Him In 'Every Way'

By [Mara Miller](#)

In [celebrity news](#), celebrity parent [Bradley Cooper](#) admitted that fatherhood has changed him to Ellen Degeneres on Thursday, April 25th, according to *UsMagazine.com*. “I think, like, every way. He also admitted that he doesn’t believe in the terrible twos and has no qualms about watching cartoons all day with his daughter.

Celebrity parent Bradley Cooper is living a new life after welcoming his daughter. What are some ways parenthood can change you?

Cupid’s Advice:

We all change to some degree after we become parents or are about to become parents. Here are some ways it can happen:

1. Saturdays: Remember when you used to love sleeping in late and then hoofed it straight to the coffee pot only to binge watch your favorite show? You might have even treated yourself to a donut instead of a full-blown breakfast. Those days are now a thing of the past with little ones, which are reserved for morning cartoons and whipping up a full morning meal.

2. You’ll make decisions differently: Before kids you might have been able to make a decision on a whim. No longer can you quit your job on a whim, plan a vacation across the United States, or decide to eat seven layer dip and tortillas for dinner—you’ll question every move you make, asking, “how will this affect my child?”

3. You've never loved someone this much: You love your partner, but you love your child so much more. You'll do anything for them to make sure they are safe and happy, even if it means getting up at seven in the morning on a Saturday to watch cartoons with them instead of sleeping in. Or you'll play with them on the playground even if you keep running out of breath.

Celebrity Baby News: Find Out How Falling in Love with Ryan Gosling Changed Eva Mendes' Mind About Motherhood

By Megan McIntosh

Not everyone thinks that motherhood is for them, and sometimes it isn't. But, a lot of times it just takes the right partner. [Celebrity couple](#) Ryan Gosling and Eva Mendes are examples of this. According to *EOnline.com*, Mendes never really considered being a mom until she fell in love with [Ryan Gosling](#) saying, "Then it made sense for me to have...not kids, but his kids. It was very specific to him." She says that a partnership and motherhood has shifted her focus from ambition in the workplace to ambition in the home. Instead of working hard on a movie set, Mendes says working at home with her children is "challenging her in so many ways." It's definitely enough to keep her occupied.

In celebrity baby news, Eva Mendes changed her mind about motherhood because of her partner, Ryan

Gosling. What are some signs your partner will be a good parent?

Cupid's Advice:

It can be difficult to know if you or your partner are ready to have a child together. But there are always signs to look out for that indicate whether your partner will be a good parent:

1. Patience: If your partner is patient when it comes to relationship squabbles, it's a good indicator that they'll be a patient parent. Watch how they interact when it comes to tiny annoyances. Kids know how to push all your buttons.

2. Flexibility: Is your partner willing to accept other people's suggestions? If your partner is willing to be wrong or to compromise, this is a good sign they're flexible enough to be a parent with you. You won't always agree on parenting methods, so flexibility is key.

3. Emotions: Your partner doesn't have to be super emotional to be a good parent, but it is a good idea to look for signs of affection. If your partner readily shows affection, this is a good sign they're ready to be a parent in the future. At the same time, they shouldn't be quick to anger.

Celebrity Baby News: Jenna Bush Hagar Is Expecting Third Child

By [Mara Miller](#)

In the latest [celebrity baby](#) news, [celebrity couple](#) Jenna Bush Hagar and Henry Hager are expecting baby number three, according to *UsMagazine.com*. “I’m pregnant!” Bush said, as she revealed her happy news to her *Today* co-anchors on Monday, April 22. “I’m only telling because Mila and Poppy found out yesterday in their Easter baskets. They told the man behind me on the airplane, they told the people at church.” What happy

news!

In celebrity baby news, Jenna Bush Hagar and her husband will soon be outnumbered. What are some ways to handle three kids versus two or one?

Cupid's Advice:

Having three children is a lot of fun, as long as you don't forget that your partner is your partner. You'll both still need to take time for yourselves. Someone will always need you and your partner. And when they're older, they'll learn to rely on each other. Cupid has some tips:

1. Get that minivan: Having three kids means you need to be able to fit them all in the vehicle. This also means being able to fit everyone in the back with car seats. Having a larger vehicle will mean less stress when wrangling your little ones for a trip to the doctor or a family outing.

Related Link: [Celebrity Baby News: 'Bachelor' Alums Arie Luyendyk Jr. & Lauren Burnham Soak Up Sun on Bermuda Babymoon](#)

2. Keep a tighter budget: Three kids cost more than two, so you might want to start keeping a tighter budget. Even if your kids are younger now, they will all eventually be at an age where you'll need to buy three times as many school supplies, shampoo bottles (you will *fly* through shampoo, as silly as that sounds), and toys. And, do not underestimate the cost-savings of hand-me-downs.

Related Link: [Celebrity Baby News: Shawn Johnson is Expecting a Year and a Half After Miscarriage](#)

3. Try not to put *too much* responsibility on the oldest: Your older children may want to help with their youngest sibling, but beware of putting *too much* responsibility on the oldest. Teaching them to change diapers or cook lunch in the microwave—if they're seven or older—will teach them responsibility earlier. Even if your oldest is five years old and the other two are still younger, it can be easy to fall into the, “watch your brothers” trap while you run to the bathroom. Don't forget to let your oldest be a kid, too!

Celebrity Couple News: Bradley Cooper & Irina Shayk Spotted Holding Hands After Lady Gaga Rumors

By [Mara Miller](#)

In [celebrity news](#), [celebrity couple](#) Bradley Cooper and Irina Shayk are still going strong amidst rumors of Cooper having a relationship with former *A Star is Born* costar, [Lady Gaga](#). According to *UsMagazine.com*, Cooper and Shayk stepped out together hand in hand in public nearly two months after the rumors started spreading.

In celebrity couple news, it seems Bradley and Irina are still a solid couple after Lady Gaga rumors surfaced. What are some ways to strengthen the foundation of your relationship?

Cupid's Advice:

Sometimes rumors will spread about your relationship, but there are ways to keep it strong so the gossip doesn't destroy you. Cupid has some tips:

1. Practice love every day: Don't just use holidays like Valentines Day to show your love and appreciation for your partner. Little gifts before work in the morning, a drive through the countryside or spending the night together watching movies is a good way to practice loving each other because you're spending time together.

Celebrity News: Demi Moore to

Reflect on Ashton Kutcher & Bruce Willis Marriages In Memoir

By [Mara Miller](#)

In [celebrity news](#), [Demi Moore](#) is set to release a “deeply candid and insightful” memoir titled *Inside Out* that reflects on her [celebrity marriages](#) to [celebrity exes](#) [Ashton Kutcher](#) and Bruce Willis, according to Harper Collins. *UsMagazine.com* reports Moore was married to Willis from 1997 to 2000 and have three daughters, Rumer, Scout, and Tallulah. Kutcher and Moore were together from 2005-2011, with their celebrity divorce being finalized in 2013.

In celebrity news, Demi Moore will open up about her failed marriages in her memoir. What are some ways writing can help you cope with a break-up?

Cupid's Advice:

Demi Moore wrote an entire memoir after two of her marriages ended in divorce. While writing might not be your coping mechanism for a break-up (and it's a *really* good way to cope), here are some other ways to get through your relationship ending:

1. Talk about it: Get some coffee with a friend or go to a restaurant for lobster and steak to dish all about the break-up. It's not good to hold in emotions after a break-up and your friend is sure to be willing to listen to you vent! Use it as a chance to catch up with them too if you haven't seen each other in a while.

2. Practice self-care: It's time to put yourself first for a while. It is not selfish. You are putting your own well-being first for once. Get a mani-pedi, binge-watch your favorite show on Netflix, or eat an entire pizza by yourself. Or all do all three! You need to learn to care for yourself again.

3. Practice positivity: Try not to let yourself dwell on everything negative that happened in your relationship. If you don't want to think about it at all, that's okay. Start a

gratitude journal and write about all of the good things happening in your life. Or, if you need to write about your relationship, write about the positives and the things you have learned that you can take with you when you are ready to start dating again.

Celebrity Divorce: Wendy Williams Confronted Husband About Allegedly Having a Baby with Mistress

By Megan McIntosh

Wendy Williams is a part of a [celebrity couple](#) no more. According to *People.com*, Wendy William is divorcing her long-time manager husband after over two decades of marriage. This is not an amicable split. Williams confronted her husband and “the split is definitely due to Kevin’s ongoing infidelity and that his mistress recently welcomed their child.” Despite the strain that this has put on Williams, she remains in high spirits, continues to battle her substance addiction, and “she’s ready to leave the sober living house and build a new life for her and her son.”

In celebrity divorce news, the drama is still raging between Wendy Williams and her ex. What are some ways to get through a split when

you're on bad terms with your ex?

Cupid's Advice:

It can be hard to deal with a break up, it can be even harder to deal with a bad break up. Cupid has some ways to deal with an awful split:

1. Move ahead without closure: Sometimes closure just means moving on and continuing to live like Wendy Williams. Confrontation and arguments won't always bring you that peace you're looking for after a split. You sometimes have to make your own closure as the relationship is over, and it's time to move on.

2. Don't rush it: You don't need to move on with someone else quickly to fill the void or to get rid of the bad taste that your bad split has left you with. Focus on yourself and your family first. Of course, there's nothing wrong with moving on from a split quickly like [Chris Pratt](#) when he divorced Anna Faris.

3. Keep it civil: You don't have to be friends after a bad split or after any kind of breakup. But it is important to remain civil especially if you have children or mutual friends. Treat them like acquaintances, be polite but you don't have to be friendly.
