

# Celebrity Interview: 'Hollywood Medium' Star Tyler Henry on His New Memoir & Career: "This is Fundamentally What I'm Meant To Do"

Interview by Lori Bizzoco. Written by Kayla Garritano.  
[Tyler Henry](#) is best known as the young, Macaulay Culkin look-alike who talks to spirits of deceased celebrity relatives on his hit reality show, *Hollywood Medium*. Now on a small break from filming during season two, the E! superstar has published

his first book, *Between Two Worlds: Lessons from the Other Side*.

Released just last week, Henry's memoir walks us through his journey and talks about the stars he has worked with and the spirits who have come through. "I'm only twenty, so I don't have the longest of memoirs," the California native says with a laugh. "But it does tell my story and answers a lot of those questions that I get on the street every single day." Lucky for us, the majority of the clients he reads are everyday people, not just the celebrities we see on his show.

## **Hollywood Medium Reality Star Releases New Memoir**

In his exclusive [celebrity interview](#) with CupidsPulse.com, the newly-minted author explains how his book will help others understand what it's like to be a clairvoyant. "I think we all have an intuition, and the book covers that idea," he explains. "I always say, getting in touch with your intuition isn't really an additive process; it's a subtractive one. It's about trying to be present and be in the moment."

He adds, "I hope that everyone who reads the book is able to find a sense of relatability in that healing and finds a sense of healing through other people's stories."

While discussing his method for connecting with the other world, he mentions that *Between Two Worlds* can teach readers how to channel spirits themselves, "We all have this inner intuition and a capability to connect information and find a deeper sense of guidance in our own lives," Henry shares. Given that his waiting list for readings is 100,000 people deep, buying his book and learning to channel spirits on your

own may be a lot faster.

When asked if his mother came with him on his East Coast book tour, the reality star laughs while rolling his eyes and waving his hand. “No, I left her home,” he says. Anyone who has ever watched the show knows that Henry’s mother plays a very important role, driving her son from place to place for readings and often times getting starstruck when she hears which celebrity he just had the privilege of meeting.

An only child, Henry tells us after our celebrity interview that he has finally moved out of his parents’ home and bought a home of his own in Malibu. Then, he adds, “Now, my parents live with *me!*”

## **Tyler Henry Talks About His Career as a Medium in Celebrity Interview**

Henry has read everyone from Sarah Paulson (his first off-camera celebrity reading!) to Jaime Pressly and Boy George and is now known as a celebrity himself. In fact, having previously read the Kardashians, he was recently contacted by Kris Jenner to help the family identify the person responsible for Kim’s robbery during Paris Fashion Week. Sources have reported that he refused to help. However, Henry says that he *has* helped families connect with members who have gone missing. “I would like to do more of that,” he admits. “It’s something that is very sensitive, and I think that there’s a way to do it.”

The reality star never knows who he is reading until he shows up at their home, and even then, he sometimes doesn’t know who

they are or what they do – and he actually prefers it that way. “I don’t get starstruck. I don’t get distracted,” he shares. “Fundamentally, it just feels like two people connecting on a very deep soul-to-soul level.”

Even at such a young age, Henry knows that being a medium is his calling and is something he will do for the rest of his life. “This is fundamentally what I’m meant to do,” he passionately says.

For others still searching for their life path, he adds this piece of valuable advice: “If we can follow our calling in being compassionate, being caring, helping the world, and enjoying ourselves along the way, then anything is possible.”

Once you and your partner are ready, you are going to be starting a family of your own. Although it may be what you want, you and your partner have to talk about it to make sure you're both happy. Here are some ways to help get the ball rolling:

**1. Talk before marriage:** If you're going to spend the rest of your life together, it is best to make sure you discuss what the future holds for both of you, meaning whether or not there's potential to start a family. **2. Find a way:** If you're both willing to have a family, make sure you are both able to make it happen, and figure out how you want it to happen. ## **Celebrity News: Neil Strauss & Gabrielle Reece Break a Sweat in 'The Truth Barrel'**

By [Cortney Moore](#)

People don't usually like the feeling of being sweaty while interrogated, but on *The Truth Barrel*, that's exactly what hosts Neil Strauss and Gabrielle Reece want out of their guests. Recorded within a 220-degree barrel sauna, the *New York Times* bestseller and professional volleyball player interview interesting characters in an hour-long podcast that aims to cover topics people don't like talking about. They discuss affairs, fears, challenges, double lives and inner struggles. Nothing is too controversial to be discussed. Cupid was able to speak with Neil and Gabrielle to find out how this new podcast is making a buzz and is becoming the latest [celebrity news](#).

**In celebrity news, learn more about the podcast that's recorded in a super hot sauna.**

Neil Strauss and Gabrielle Reece's podcast isn't something

that was manufactured overnight. The pair had been speaking the truth for years, long before they started recording. “We were introduced through mutual friends, and then Neil started coming to my house and training with my husband and I,” Reece explains, with regard to how this unlikely pair first met.

The concept behind *The Truth Barrel* is definitely a unique one. The cedar wood barrel sauna in question can fit anywhere from eight to ten people at a time, and although many deep conversations tend to take place in this environment naturally, people do often try to stay away from touchy topics like politics and parenting. Taking notice of this fact, Reece thought broaching these topics in the sauna would make for a great show because of its relaxing setting. “The barrel gets people to reveal things about themselves that they wouldn’t normally,” Reece says. Strauss, on the other hand, adds that unlike other conversations that take place between friends in saunas across the country, in *The Truth Barrel*, their interview subjects don’t know them like they do their spa buddies, making for very interesting exchanges.

**Related Link:** [‘The Truth’ Author Neil Strauss Gives Relationship Advice – Even When It’s Uncomfortable](#)

*The Truth Barrel* is still young, but the team has already welcomed a few intriguing personalities in their celebrity interviews, so it’s easy to understand why the podcast has already garnered so many highly rated reviews online. Both hosts work hard to get honest answers from their subjects and hope that their listeners can take away something from each episode. For example, Strauss points out that in the two streams that have been uploaded so far, they’ve interviewed people who have had near-death experiences and have come back from it. In his own words, Strauss says, “I thought it would be interesting to learn from people who have been on the other side and see how we could appreciate life and be more grateful.” In fact, this is the thoughtfulness that sets *The Truth Barrel* apart from other podcasts. Reece believes that

the podcast's success relies on integrity and that listeners enjoy hearing when others are going through similar issues as themselves because they feel less alone in their struggles. "I want to put stuff out there that even if it may be uncomfortable or imperfect, there's a level of honesty to it. There's nothing like when you're going through something and someone goes, 'Wait, I'm going through that; I feel that way.'"

Strauss battled sex addiction after publishing his book *The Game*, which focused on pick up artists, while Reece has prevailed over body image issues and is currently speaking out against opioid use after her knee replacement surgery. Despite these hardships, they've both been able to lead successful careers and have families. Strauss has his wife Ingrid De La O and their son, and Reece has her husband, big wave surfer Laird Hamilton and their three daughters. What's their secret when it comes to balancing family, marriage, and careers? Well, the bestselling author credits careful scheduling as his main source of success for finding a healthy balance, while the mother of three says it's important to know, "You can't have it all, all at the same time."

By Kayla Garritano

This [celebrity news](#) has us going Wilde! [Celebrity couple](#) Olivia Wilde and husband Jason Sudeikis welcomed a second child into their family. Their new [celebrity baby](#) girl, Daisy, was born on Tuesday, October 11. According to [UsMagazine.com](#), Mama Wilde shared a post on Instagram on October 15 of her new daughter with the caption, "There goes the neighborhood. Daisy Josephine Sudeikis. Born, like a boss, on #internationaldayofthegirl."

**This couple welcomed their second celebrity baby. What are some ways to prepare differently for your second child versus your first?**

#### **Cupid's Advice:**

Having children is a beautiful miracle. However, preparing for the first child may be a little different than preparing for

your second. Cupid is here to help you get ready for child number two:

**1. Prepare the older sibling:** Now that you're extending your family even more, you need to think about your first child. Since they are becoming an big brother or sister, it will be exciting, but there may be a little jealousy. Just make sure that you pay attention to your first child, even though having a newborn is a lot of work. Neither of your children should feel neglected.

**Related Link:** [Olivia Wilde & Jason Sudeikis Are Expected a Baby!](#)

**2. Hand-me-downs:** The good thing about having gone through pregnancy and birth already is that you still have all your old equipment. First of all, you still have your maternity clothes, so you don't need to go shopping again. But there's also the benefit of having a crib, baby clothes that your first child grew out of, a stroller, etc. You get to save some cash when having a second child, which will be important in the long run.

**3. Less parenting books, and more hands-on experience:** When preparing for your first child, you spent most of your time reading pregnancy, birth and parenting books to ensure your child was healthy. However, now that you already have your first child, you've experienced what it's like to be hands on with your child. You know how to hold your baby, how to put them to sleep, and how to feed them. Hopefully, this will make you a little more at ease when you're expecting your second child.

# Celebrity Interview: Chloe Lukasiak Talks 'Dance Moms': "I'm Kind of Doing My Own Thing Now"

Interview by Lori Bizzoco. Written by Kayla Garritano.

From the age of two, Chloe Lukasiak knew she wanted to step foot on the dance floor, only to dance her way into fame. She starred in the first four seasons of *Dance Moms*, but this blonde performer has recently left to further her dance career with her self-titled channel, *Chloe on Pointe*, on *Ownzones.com*. Now working on season two, the 15-year-old dancer has much to share in this exclusive [celebrity interview](#) with CupidsPulse.com on what's ahead in the upcoming season, as well as life after leaving *Dance Moms*.

**In our celebrity interview, Chloe Lukasiak opens up about her career and gives some advice for young girls following their dreams.**

Lukasiak's proven that she can handle being on her own. Her channel, which focuses on dance tutorials, also provides fans insider exclusives on her life through vlogs, and even offers

beauty DIYs. So it's no surprise as to why *Chloe on Pointe* was renewed for a second season with the great content she's uploaded thus far. When asked why she wanted to create her own show, Lukasiak responded with, "I thought this would be a great way to teach, and give fans a look into the dance life. They can learn with me." This move to *Ownzone* has also helped Lukasiak gain new skills, which she appreciates because she's been exposed to things she's never tried before. Such as helping choreograph and teach her own dance solo! Being able to create, perform and teach has turned Lukasiak into a triple threat to be reckoned with. You'll be able to see the solo on her channel within the next couple of weeks. "I'm hoping that people really like it," she says.

**Related Link:** [Date Idea: Dance the Night Away](#)

Despite all her success, Lukasiak took a moment to reflect on how her career started. She left *Dance Moms* after season four, when instructor Abby Lee Miller made negative comments on her appearance and said her routine was a "hot mess." But instead of crying about it, Lukasiak says she's doing her own thing now and acknowledged that she hasn't kept in contact with her former dance teacher. She went on to mention that she still talks to a few of the girls here and there, but everyone has their own lives and busy schedules. "It's just hard to keep in touch with everyone, since our schedules have taken us different places." However, she admits to being close with Paige and Brooke Hyland, who were also on the show and left at the beginning of season four. As far as other experiences she had on the show, Lukasiak opens up about how it's had a lasting effect on her. "I was nine, and I left when I was about thirteen, so I grew up really fast in that environment." She goes on to say that the show helped her come out of her shell and overcome her shyness. However, it is clear that Lukasiak is staying away from her past as best as possible. In recent weeks, there has been talk about canceling *Dance Moms* season 7. Responding to the news, she

says, “I guess this might be the end of *Dance Moms*.” She was also unaware of the rumor regarding Kendall Jenner joining the show, which she thinks would be a strange and interesting change.

**Date Idea:** [Date Idea: Beat of the Music](#)

Now that Lukasiak is occupied with her channel, dance and other exciting events, it’s hard for her to make time for friends and school. When asked how she balances her responsibilities and fun, she responded with, “You have to figure out what’s important and what’s not important. It’s about what you do with your time and how you handle it efficiently.” She mentions that she focuses a lot of time on school, but stresses that it’s important to be social and hang out with your friends. Lukasiak also shares some advice for young girls who are looking to dance competitively: “Do what makes you happy, because at the end of the day, you are your own person. If you’re not happy, then something’s wrong. Remember at the end of the day you’re just getting a trophy,” she jokes.

What can we look forward to seeing from Lukasiak? Aside from a potential Christmas special on her channel, she will appear in two upcoming movies. She’s also been thinking about college and what she will do with her life. “If I had to guess, I’d still dance, but I don’t know if I could study dance.”

# Celebrity Couple Ben Higgins & Lauren Bushnell Celebrate Bachelor and Bachelorette Parties Together

By Kayla Garritano

From *The Bachelor* to the bachelor party! [Celebrity couple Ben Higgins](#) and Lauren Bushnell celebrated their upcoming marriage with bachelor and bachelorette parties this long weekend. According to [UsMagazine.com](#), the *Bachelor* alumnae threw a joint party with all of their friends in Las Vegas! A picture

shows them poolside with all of their friends on Thursday, October 6, just hanging out and celebrating before the big day.

## **This celebrity couple did not want to celebrate separately! What are some ways to bring all your friends together before the big day?**

### **Cupid's Advice:**

You don't need to have a traditional "all girls" bachelorette party or an "all guys" bachelor party. Sometimes, the best way to celebrate your last days of not being married is to celebrate together. Here are some ways to conjoin your celebration:

**1. Wedding party field day:** Have your wedding party get to know each other a little better by battling it out. Team Bride vs. Team Groom. This will let your party bond over fun activities all while having some friendly competition. Plus, it's kind of fun seeing your future spouse duel against you.

**Related Link:** [Celebrity News: 'Bachelor' Alum Lauren Bushnell Reveals Romantic Thing She Does for Ben Higgins](#)

**2. Vacation:** Instead of a "party," why not take a trip somewhere together? It's just like a party, except you get to take a couple extra days off and relax for a little bit more. You still get to drink (responsibly, of course), and you get to enjoy each others' company, while celebrating the same thing.

**Related Link:** ['Bachelor' Celebrity Wedding Planner Mindy Weiss Makes Predictions for Ben Higgins & Lauren Bushnell's Nuptials](#)

**3. Separate rehearsal dinner:** You definitely need a rehearsal dinner the night before the wedding. The one with your parents and other family members, as well as the wedding party. But what about a dinner for just your friends? Get together with them all and enjoy a dinner. Make some last-minute wedding plans, and organize the aisle situation; who's walking with who? Just take it easy with your friends before the official events begin.

**How have you brought your friends together before you tied the knot? Comment below!**
