Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back

By

[Mallory McDonald](#)

In recent [celebrity news](#), Sharon Osbourne decided to fix her [celebrity marriage](#) to Ozzy Osbourne. Some people may question her decision to get back together with Ozzy after his cheating scandal. However, according to [EOnline.com](#), she “adores” Ozzy after their brief split and says, “I’m in a really good place.” She has been with Ozzy for decades, and despite the

downfalls in their relationship, she has decided to not let things faze her as much. Sharon shared, "I am trying to learn—I try to not let things faze me. Before I was like [she makes a loud roar], 'How dare they this and how dare they that.'"

In celebrity news, a cheating scandal almost broke up Sharon and Ozzy. What are some ways to determine whether you should get back together with a cheating ex?

Cupid's Advice:

Cheating can be a devastating blow to a relationship and, for many, the relationship ends because of it. Cupid is here to help determine whether you should stay or go:

1. Family: One of the biggest things to motivate working out a cheating incident in your relationship is when you have a family with that person. There are other people involved, and sometimes trying to work on the issues that led them to cheat can fix the relationship. However, if you think it cannot be resolved and will hinder the family more if you stay, then it may be time to walk away.

2. History: History with a person can be a common reason to stay despite infidelity. But that isn't necessarily the right reason to stay. Determining whether or not to stay can only be determined when the relationship's issues are addressed and worked on.

3. Repeat offense: If it is a one-time incident and the trust has not been completely broken, then it may be worth it to stay and save the relationship. However, if it has become a reoccurring event, it is time to realize that unless you walk away, it is going to keep happening.

By

[Mallory McDonald](#)

[Brad Pitt's celebrity divorce](#) from [Angelina Jolie](#) continues to be all anyone can talk about! In the most recent [celebrity news](#), Pitt has agreed to take a drug test amid his child abuse investigation. A legal source shared with [UsMagazine.com](#), "The DCFS [Department of Community & Family Services] wouldn't compel someone to provide the urine sample for the drug test; it would be voluntary." The FBI is investigating Pitt on federal charges as he was caught on tape "looking drunk" and yelling at his wife and kids on a private plane. One thing is for sure, the drama is far from over with this divorce.

This celebrity divorce and abuse investigation is anything, but drama-free! What are some ways to determine if there are dangerous warning signs pertaining to your partner's habits?

Cupid's Advice:

No one wants to look for the worst in their partner, but sometimes you are the only one who is able to see it. Use this [relationship advice](#) to help detect the warning signs:

1. Mood swings: If you begin to notice your partner having fluctuations in their mood, this can be a clear sign that something is going on in your partner's life. Try talking to them about it and if they respond in a hostile way, it may be time to seek outside help.

Celebrity Interview: Casting Director and Actress Becky Wu Compares Dating and Acting: "You Should Trust Your Own Story"

By

Kayla Garritano

It's no secret that there's a lot of work – both behind-the-scenes and on-screen – that needs to be done in order to make a successful show, music video, or movie. You can even say that casting directors act as “matchmakers” for their clients, finding the perfect harmony between actor and project. That's what Myx TV's new reality show *Cast Me!* is all about. Becky Wu is one of the casting directors that appears on the series, but fans may recognize her from her acting roles on shows like *Desperate Housewives*, *All My Children*, and *Grey's Anatomy*. In an exclusive [celebrity interview](#) with CupidsPulse.com, Wu talks about her latest project as well as how she balances her hectic schedule and her love life.

Becky Wu Talks About *Cast Me!* in Our Celebrity Interview

Cast Me! reveals what goes on in the casting world as aspiring actors and actresses compete in hopes for their big break. It puts contestants through unusual and eccentric auditions as they pursue roles in upcoming television commercials, movies, or music videos. “Viewers will get an inside look at what we do day in and day out as casting directors,” explains Wu.

“There are so many crazy and hilarious moments on the show. We have a lot of fun doing our jobs, and that’s totally reflected in the series. It’s honestly hard for me to pick a favorite episode because each one has its valuable lessons. None of the episodes should be missed!”

With this new show, Wu hopes that viewers who are entertainers will learn what casting directors are looking for during auditions. “People need to understand that you have to build thick skin and that everyone will have an opinion,” she shares in our celebrity interview. Aside from educating new actors, she wants her appearance on the show to inspire people to follow their dreams and to realize that just because one casting director doesn’t like you doesn’t mean you can’t improve and get better.

Related Link: [Balance Work and Love Like a Celebrity Couple](#)

Given her experience both behind and in front of the camera, Wu can offer a lot of great advice to hopeful actors: “Always be prepared. Constantly work on your craft, so when an opportunity arises, you are ready and can take it head on because you’ve been practicing for so long. It’s so common for people to land an audition and feel lucky; then, they don’t get the role because they weren’t prepared. Success comes when preparation meets opportunity.”

In addition to her new show and rewarding career as a casting director, Wu will be making an appearance on an FX scripted series, which will premiere soon. She couldn’t tell us much more about it, but she’s “so excited for the opportunity.”

Celebrity Casting Director On Balancing Her Relationship With

Work

Despite her busy lifestyle and long hours on the job, Wu still makes time for romance. “At one point, I had to put my foot down because it was affecting my relationship with my boyfriend,” she says. “I was giving it all at the office and not able to spend as much time with him. Now, I’ve hired a lot more people to help me out, and there’s a much better balance.”

Fortunately, her boyfriend is a stuntman in Los Angeles, so they both understand how the industry works and encourage each other in their respective jobs. “We both know what this profession entails, so that makes it easier on our relationship,” she adds.

Related Link: [New Celebrity Couple: Sienna Miller Is Dating ‘Foxcatcher’ Director Bennet Miller](#)

So how does acting compare to dating? Wu finds similarities in the need to trust yourself and your instincts. “You have to trust the decision that you make as an actor in a story. In a relationship or on a first date, you should also trust your own story and who you *really* are rather than making things up because you’re feeling insecure,” she shares. “Just like in an audition, anything can happen on a first date, so it helps to get the jitters out and do what you need to feel confident and loosen up.” We couldn’t agree with this relationship advice more!

Cast Me! airs Tuesday nights on Myx TV at 8/7c. Each episode is available online at www.myx.tv every Wednesday.

Cupid’s Advice:

Gossip happens everywhere; with your gal pals, your significant other, or from anyone who loves to hear the “latest news.” However, it’s not fun for your private life. No worries, Cupid is here with some [relationship advice](#):

1. Don’t listen to it: Everyone likes gossip. There’s something about it that can’t keep our ears away. But when it’s your personal life, you should stay away from it. Only hearing gossip about you may affect your emotions, and hurt your relationship. Turn your head the other way; you don’t need gossip to influence you and your partner.

Celebrity Interview: Professional Aerialist & Celebrity Trainer Jill Franklin Talks About Aerial Physique, Fitness And Love Advice

By

[Cortney Moore](#)

When you hear the word “aerialist,” colorful imagery of gravity defying circus performances might come to mind. Not many can say they make a living soaring through the sky, but world-renowned aerialist and celebrity trainer Jill Franklin has found a way to make aerial her business. In our exclusive [celebrity interview](#), Franklin opens up about her experience as an aerialist and founder of Aerial Physique, what it’s like training her clients, and fitness related [relationship advice](#).

A World Famous Aerialist Offers Us Great Fitness & Relationship Advice In This Celebrity Interview

Franklin became enchanted with aerial at age 14 when she attended her first Cirque du Soleil show. As someone who was trained in dance, Franklin admired the graceful acrobatics these performers exhibited, but like most people she doubted she could be capable of such feats. Seven years later, Franklin found herself in New York City looking for work; until one day she saw an advertisement for a circus school and decided it would be a great opportunity to knock aerial off her bucket list. “I was convinced I wasn’t strong enough, I was totally afraid of the whole thing. I was afraid of heights,” Franklin admits, “my first class- I was totally awful. I couldn’t do anything they asked me to do!” However, Franklin did not allow herself to get discouraged and continued with her classes the same way she had when she studied dance.

Fast forward to 2016, and now Franklin has become the teacher rather than the student with her Los Angeles based aerial

studios, Aerial Physique. "I just really love watching people's progress as far as someone comes in and says they're nervous about it, they're not really sure if this is for them. And then in a few months just watching their bodies literally change," she says in regards to what made her open up her own studio. Teaching everyday people how to do aerial is a rewarding experience for Franklin, especially since she was once apprehensive about doing the sport and doubted she'd get as good as she is today. For those who are interested in aerial, Franklin believes you should pursue your curiosity, "Everyone is totally afraid and thinks they're too old to try it now, and all these things, these excuses go through your heard. Which is normal, but you just got to do it and it gets much better." Not only has Franklin's reputation as a talented aerialist made celebrity news on more than one occasion, but it has also attracted very famous clientele. Some celebrities that Franklin has had the opportunity to train include *Revenge* star Christa B. Allen, one of Chris Rock's daughters and many more.

In terms of fitness and relationship advice, Franklin was able to provide an abundance of insight from her relationship with her husband. "My husband and I, on the very first date we went on, he took me on a picnic and I asked him what I can bring. And I was like thinking, 'Okay should I bring something to eat? Should I bring like cookies? Like what do I bring?' He said bring three things, 'authenticity, fearlessness and a smile.' That's kind of been our ongoing things that we live by." Four months after their first date, Franklin and her husband were married! As a couple, fitness is an important factor of their lives- this is especially apparent since they met each other at the gym. "It's a great place to find a date. It's definitely better than a bar, that's for sure," Franklin

says in regards to where women can find a quality date, “you know that person is taking care of themselves, and caring for their health and bodies. So I think it’s a great place to find a date for sure.” When asked if aerial classes were a good option for couples to try together, Franklin says it’s worth giving a shot, even if you’re starting a new relationship. “It’s a fun way to break the ice for sure because you’re stretching, you’re doing things that are new, so both people feel a little uncomfortable but also get to learn about each other.” And she would know since she invited her husband to an aerial class back when she first met him. “We ended up spending that whole night chatting. I think he thought it was really cool and was intrigued by it because it was unique from what other people do.” Franklin went on to joke that if you want to get a husband quick, do aerial.

Not bad for a someone who was once afraid of heights! You can schedule a class with Franklin if you’re in the Los Angeles area, or watch her performances and instructional videos on her Youtube channel, Aerial Physique. And keep an eye out for her beginner and intermediate aerial guides and coloring books that are available on Amazon!
