1. Less work: The fact is, keeping everything on the down low can be exhausting after a while. You're always worried someone is going to find something out or disturb your privacy. You must go above and beyond to keep PDA to a minimum and refrain from talking to your close friends about your relationship.

2. Your friends and family don't have to guess: When you stay in hiding and keep relationship details to yourself, your friends and family might let their imaginations run wild and fill in the gaps with their imagination. 1. Hold your tongue: Even if you're no longer fond of your ex, it won't be helpful to speak badly about them in front of your children. You don't want to confuse your children, so it's best to hold your tongue if you can't say anything nice.

Despite trying to make their celebrity relationship work, Azalea couldn’t get over Young’s [celebrity cheating](#). Finally, the truth comes out in this celebrity news! What are some actions you can take if you suspect your partner of cheating?

Cupid’s Advice:

A healthy relationship has trust, but sometimes your trust can be tested. If you have an inkling that your partner may be cheating, don’t sit idly. Cupid is here to tell you some actions you can take if you suspect your partner has been unfaithful:

1. Confront them: Being direct is usually best. Talking to your partner about your concerns can provide clarity. If your partner has cheated, they might come clean about it.

Celebrity Divorce: Dennis Quaid's Wife Files for Divorce for Second Time

By [Stephanie Sacco](#)

It seems like every day an adorable couple is getting divorced. However, this [celebrity divorce](#) is unique because it's the second for Dennis Quaid and his wife Kimberly. In [celebrity news](#), the [celebrity couple](#) filed for divorce in 2012, but found their way back to each other. However, on June 28th, 2016, Kimberly filed for divorce yet again. According to [UsMagazine.com](#), the duo spoke with *TMZ* to break the news. The statement read, "After careful consideration, we have decided to end our 12-year marriage. The decision was made amicably and with mutual respect toward one another." Luckily, this [celebrity relationship](#) may still stay strong as a friendship.

Celebrity divorce seems to be a trend with this couple. What are some ways to know you've exhausted all possibilities and are ready to

end your marriage?

Cupid's Advice:

Getting divorced is a huge decision, one you might regret. There's no shame in getting back together after a break-up, but sometimes it just isn't working out. Cupid is here to help:

1. You're fighting: When your partner is causing you to throw stuff at him or hit him where it hurts, there's no going back. It's not worth trying to fix it if it's just going to result in another fight. If it's getting loud and out of control, the best thing for both of you is to steer clear.

2. You hate each other: The love you share as a couple is so important, but if that flame has died down it's more or less not going to heat up again. When the only heat is coming from your ears after a big fight, don't prolong it. Say hello to goodbye.

Related Link: [Celebrity News: Amber Heard Files for Celebrity Divorce from Johnny Depp](#)

3. You can't fix it: If the cut is too deep or it's the last straw, decide together that it's not working out and end the marriage. Sometimes you can find your way back to each other, but even still it's not guaranteed that it'll be a happy ending. Don't risk valuable time on someone that's not 'the one'.

Celebrity Couple Predictions: Taylor Swift, Chris Evans and Ariel Winter

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. Two of which are celebrity relationships that are just getting started, such as with Tom Hiddleston and Taylor Swift, and Chris Evans and Jenny Slate, while Ariel Winter, on the other hand, has decided to kiss her boyfriend goodbye. Who's stepping out in Hollywood this time

around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Tom Hiddleston and Taylor Swift: Looks like Taylor Swift has bounced back quickly from her breakup with DJ Calvin Harris. The new man on her arm is Hollywood hottie, Tom Hiddleston. This coupling took many of us off guard and they are going hard into this relationship. Parents have been met on both sides and there are tons of public displays of affection. I would love to applaud this new celebrity couple, however I'm suspicious of the quick romance. There have been grumblings that it's a publicity stunt. Would Swift go so far as to have a fake romance? It's a known fact that Hiddleston gets around when it comes to the ladies. I wouldn't go so far as to call him a ladies man, but he trades in his lady friends very often. Swift is known for having a new boyfriend often as well, though that isn't necessarily her fault. She tends to get dumped by her boyfriends, so what's a girl to do? She gets back out there. While Hiddleston and Swift are all smiles, I'm not convinced that this relationship is the real thing. Time will tell if all of these photo ops equal a real celebrity relationship. At least they look like they are having fun which is what that matters the most.

Related Link: [Celebrity News: Taylor Swift Caught Kissing Tom Hiddleston Two Weeks After Split](#)

Chris Evans and Jenny Slate: Chris Evans has been rumored to be dating any woman in Hollywood that he says "hello" to, but it's safe to say that he has a new boo and her name is Jenny

Slate. Evans must be into funny women because Slate is a comedic actress. The two of them just stepped out together on the red carpet for *The Secret Life of Pets*. In Hollywood terms, this means that the pair is officially dating. Slate is gushing over being with Evans. It's nice to see Evans finally in a stable celebrity relationship after speculation of who he's snuggling up with. He seems like a nice guy and would be a keeper for the right woman. Evans and Slate will probably last about 6-8 months, with Evans being the one to break-up. Slate will want to nest and settle down with Evans. What girl wouldn't? However, he doesn't look ready to settle down and do the wife and kid thing just yet. Slate is getting him ready for the next lady.

Ariel Winter and Laurent Claude Gaudette: Ariel Winter, the actress from *Modern Family* has broken up with boyfriend Laurent Claude Gaudette, yet again. These two have been on again and off for the past two years. Most recently, the pair has unfollowed each other on Instagram. When millennials do that, they mean business! On a serious note, Winter is finally done with this celebrity relationship. This whole romance has been exhausting. Gaudette will call Winter, but she won't answer. I see that she will be moving forward. Winter will be single for a few more months then she will find a new love with a man who is a little bit older than her. She needs someone who is more her equal than Gaudette. Had anyone heard of him before he was with Winter? She'll bounce back just fine from this break-up.

Celebrity News: Calvin Harris Responds to Fans About Taylor Swift Split

By [Stephanie Sacco](#)

The [celebrity news](#) following the break-up of [Calvin Harris](#) and [Taylor Swift](#) is that Swift has moved on, but Harris has not. Since the pictures of Swift and Tom Hiddleston have surfaced, [celebrity gossip](#) has skyrocketed. Harris reportedly unfollowed Swift on social media accounts and has now responded to a few fan comments. According to [UsMagazine.com](#), he's been quite vocal saying things like, "I cared too much and then I didn't

care at all. I am a real person remember,” in response to unfollowing her and then refollowing her. The DJ also said Swift “controlled the media and this situation. I had no idea what was going on. So that kind of makes it a lot worse from my perspective.” Unfortunately for the [celebrity couple](#), it looks like there will be some bad blood.

This celebrity news has us questioning what we thought we knew! What are some ways to respond to criticism or questions from family and friends post-split?

Cupid's Advice:

Break-ups can be messy and awkward, or both. The backlash can be even worse so it's important to have somebody in your corner. Cupid is here to help you cope:

1. The truth: When asked a specific question about the break-up, answer honestly and hope that your family and friends will understand. If they're supportive, they'll show you compassion and give you the space you need to move on. Being vulnerable isn't easy, but with the right people on your side you'll be just fine.

2. Keep to yourself: Ignoring or dodging questions and comments that surround your break-up is an option too. Don't feel forced to answer and respond to every little thing that comes up. Take the space you need to distance yourself from the situation if you're uncomfortable.

3. Pick one person: Choose someone whether it's your mom or a gal pal to confide in. Instead of having to deal with a press release worth of people, try sticking to one. You'll feel better with less attention on you in your time of need.

Celebrity Couple News: Get Details on Taylor Swift & Tom Hiddleston's Intimate Dinner Date

Let's hope this celebrity duo lasts; she deserves a keeper.

This new celebrity couple is definitely making the rounds! What are some ways to get to know each other quickly at the beginning of a

relationship?

Cupid's Advice:

New relationships can be exciting, but also a little scary. Jumping into a partnership takes a little bit of courage. Cupid is here to help with some [dating advice](#):

1. Ask questions: Since you know little to nothing about the person at the start of a relationship (unless they're your friend first), ask lots of questions on the first date. It's important to know things about your partner, but also to see that you are compatible. If he's going on and on about topics that don't interest you, it's best to be aware from the start.

Related Link: [Celebrity News: Taylor Swift Caught Kissing Tom Hiddleston Two Weeks After Split](#)

2. Go on dates: Try out different hot spots and restaurants at the start of your relationship. See which activities excite your partner and which you wouldn't try again. It's a great way to see if he's spontaneous or if he's more routine oriented.

Related Link: [Celebrity News: Calvin Harris Unfollows Taylor Swift on Social Media](#)

3. Tell it like it is: Be outright when it comes to what you like, too. Don't just nod and agree with everything he says, but put in your two cents. If he won't let you share your opinions, it's not going to be a fun run.

Perhaps things are friendlier than we all thought with this celebrity break-up.

These celebrity exes are making celebrity news again! What are some ways to move on after a fresh break-up?

Cupid's Advice:

Contrary to popular belief, not every break-up deserves a grieving period. Just because a relationship ends, doesn't mean your happiness has to. Cupid is here to help you move on from your most recent break-up:

1. Date again: Take a page out of Taylor's book and start dating again. Sometimes the best way to get over a relationship is by getting into a new one. You won't find your special someone by staying home and fixating on an ex. Put yourself out there!

**This celebrity couple is no more.
What are some ways to re-establish
trust when it's lost?**

Cupid's Advice:

Trusting a person is hard enough, but when they break that trust, it's a long road to trusting them again. Cheating especially causes a rift in a relationship. Cupid is here to help:

1. Honesty: If you aren't being loyal, the least you can do is admit your faults and come clean. Even if you do something wrong or hurt your partner, there has to be open and honest communication. When you lose that kind of connection, there's no going back.

'Bachelorette' Villain Chad Johnson Defends Bad Behavior

By [Stephanie Sacco](#)

One of the biggest villains in the history of [The Bachelorette](#) came from JoJo Fletcher's season. Chad Johnson, the luxury realtor and nobody's favorite housemate, had something mean to say about just about everyone in the house. He also threatened one or two of them. However, according to [UsMagazine.com](#) he told Jimmy Kimmel post-elimination, "At the end of the day, it is a show so things are amplified. We try to be ourselves and we try to be who we are, but at the same time, whoever you are is amplified up about a million times." In [celebrity news](#) and gossip, Johnson has been seen with an ex of one of his fellow competitors, Robby Hayes.

He'll be sure to start some trouble this August when he appears on [Bachelor in Paradise](#). We'll have to wait and see.

This celebrity news has us skeptical about Chad's sincerity. What are some benefits to avoiding the bad boy?

Cupid's Advice:

The idea of a bad boy is always better than the reality. You see them in movies and books and believe that deep down they have a soft spot. Cupid is here to set the record straight:

1. Nice guys finish first: Bad boys might look nice (think James Dean), but deep down they may not always be the right guy. If you're looking for fun and no commitment, maybe you'll find that in a bad boy. However, most of the time it's just trouble. A nice guy will always treat you well.

Related Link: [Celebrity News: 'Bachelorette' Guys Share Embarrassing Sex Stories with JoJo Fletcher](#)

2. Less heartbreak: A bad boy doesn't always stick around, and you need somebody who isn't going to break your heart (at least not on purpose). Find a guy who is all about you and who won't let you down. Don't settle for anything less than the best.

3. They're immature: Wearing a leather jacket or riding a motorbike isn't cool forever. After a while, it just gets old. There's nothing cool about being treated badly, and if your bad boy isn't respecting you, kick him to the curb.

Cupid's Advice:

Whether it's a break up or divorce, things can get pretty messy in the midst of a split. When the end of a relationship is upon you it's easy to dwell on the sad or frustrating aspects of the situation, but it will serve you much better to make an attempt to reminisce on good times:

1. Walk down memory lane: Take time to indulge in the memories from your relationship. Look at old pictures and ticket stubs and realize that even though the relationship is ending it was fun while it lasted. Taking time to remember the good things may give you a better chance of having a peaceful split and a better chance of moving on more quickly after.

2. Say it out loud: If your split is friendly enough, reminisce with your soon to be ex. There is nothing better for

the both of you than to sit down and talk about the good parts of your relationship. Leave each other happy and walk away knowing you both felt good about the relationship and the split.

2. Keep busy: Depending on how long you were in a relationship, you can find yourself feeling a bit lonely after your breakup. Don't dwell on the negatives! Engage in your old hobbies, or try to get into new ones. This is the perfect time for you to enjoy solo activities. If going solo isn't for you, make time for family and friends.
