

Zoe Saldana Says Studios Panicked When She Announced Celebrity Pregnancy

By [Katie Gray](#)

Zoe Saldana recently opened up about how the studios panicked after she announced her celebrity pregnancy last year. According to [UsMagazine.com](https://www.usmagazine.com), she encountered some struggles during her pregnancy with her twin celebrity babies. "Let me tell you something, it will never be the right time for anybody in your life that you get pregnant," she said, revealing that some of her employers were not pleased. "The productions I was slated to work on sort of had a panic. I heard through the grapevine there was even a conversation of

me being written off of one of the projects. I was like, 'Oh, my God, are you kidding me? It's this bad? Right when I just feel super-duper happy, is that inconvenient for you? That me, as a woman in my thirties, I finally am in love and I am finally starting my life? And it's [screwing] your schedule up? Really?'" It's like the saying goes, "Life isn't all diamonds and rosé, but it should be."

Celebrity pregnancies aren't always embraced with open arms. What are some ways to announce your pregnancy in the workplace?

Cupid's Advice:

Announcing your pregnancy in the workplace can be made into a fun event instead of a secretive announcement. Cupid has some advice:

1. Food: A great way to announce a pregnancy at work is leaving a note with food. Food is always a good idea! You can bring in cupcakes that are frosted pink and blue, the traditional baby colors. It's always fun to bake and everyone will be happy to fulfill their sweet tooth.

Celebrity pregnancies have the same

physical toll the rest of us experience. What are some ways to support your partner through pregnancy?

Cupid's Advice:

Supporting your partner through pregnancy is important, because both of those involved should go through the trials and tribulations the process throws out. Cupid has some tips:

1. Listen: The best piece of relationship advice in this case is to listen to your partner, especially during pregnancy. It's key to listen to all of her thoughts, feelings and emotions during this exciting and nerve wrecking experience. It will bring you both closer, too! You're in this together!

2. Do the heavy lifting: It's really nice to do the heavy lifting, physically and mentally, when your partner is pregnant. They say that it's not good for pregnant women to lift heavy things, so don't have them do tasks that involve that. Offer to do the driving, ask her if she needs anything, cater to her cravings, encourage her to rest and relax, give her surprises and make her feel uplifted when she is nervous.

Kim Kardashian and Kanye West Announce Celebrity Pregnancy for Baby No. 2

By [Courtney Omernick](#)

One of the most highly talked about celebrity couples, [Kim Kardashian](#) and [Kanye West](#), announced that they are expecting another [celebrity baby](#). [E! Online.com](#) reported that Kim announced the celebrity pregnancy at the end of the season finale of *Keeping Up With The Kardashians*.

This celebrity pregnancy will no doubt be highly documented! What are some ways to document your pre-parenthood experience?

Cupid's Advice:

While this celebrity baby will have a very high profile life, others are not as fortunate to be able to look online and see baby photos of themselves everywhere, or even pre-baby photos of their parents. Below are a few ways that you can document your pre-parenthood experience, even if you and your significant other aren't a celebrity couple:

1. Scrapbook: It may be "old fashioned," but having something tangible for your child to look at as they grow up can be very special. Document your time with your significant other through photos to put in a scrapbook. Take pictures of trips that you took together while pregnant, take photos of the first crib, etc.

2. Collectibles: You don't have to make a scrapbook of pictures before the baby comes. Why not create a box full of tangible memories? Maybe your mom found out that you were pregnant and gave you a teddy bear from your youth that you didn't know she kept. Create a box full of memories, or even ideas of memories you would like to create in the future.

Celebrity Couple Predictions: Leighton Meester, Sofia Vergara and Taylor Swift

By [Shoshi](#)

The latest celebrity news has been filled with juicy relationship gossip, including a [celebrity pregnancy](#) announcement, a famous couple prepping for their celebrity wedding, and a singer finally settling down. Check out my predictions for the three celebrity couples below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Leighton Meester and Adam Brody: It was recently announced that Leighton Meester and Adam Brody are expecting their first celebrity baby together, sending *Gossip Girl* and *The O.C.* fans into a tizzy. I predict that their little bundle of joy will be a very cute baby, though one doesn't have to be a psychic to see that.

Related Link: [Celebrity News: Leighton Meester Says She's Never Been Dumped](#)

I have to admit that I see something in their celebrity marriage that says that this famous couple won't be together for the long haul – that's something that I've noticed since they first got married. What I see could also be a rough patch down the road that leads to a little time apart; they may find their way back to each other. Only time will reveal the outcome of this relationship and love!

This celebrity couple has let it be known that they want a bunch of kids, and I see four children circling Meester. Once this baby comes, it's possible that the actress will focus on being a mother for a while – a bummer to her fans but a bonus to her baby.

Sofia Vergara and Joe Manganiello: I can't help but still give this famous couple the side eye. For some reason, I keep seeing Vergara and Manganiello thrown together for publicity purposes. My psychic juices say "staged." While they make one dynamite-looking couple, there is something that is a bit off about them. Their body language doesn't read like a couple crazy in love. Maybe the need for companionship is what brought them together.

Now, Vergara is saying that she would like to have celebrity babies with Manganiello, even though she previously said that having more kids was not a priority. I don't see any more kids in her future, at least not any that she'll give birth to. Until Vergara and Manganiello walk down the aisle together, I can't see them as a serious pair. If they do go through with it, their celebrity marriage will be short-lived. May they prove me wrong! I do wish them the best.

Taylor Swift and Calvin Harris: I love to see [Taylor Swift](#) stepping out with her new man, DJ and music producer Calvin Harris. They make a nice-looking couple. Harris is known for

being a bit of a playboy, but it looks like things are progressing well with the songstress. Cheating rumors have surfaced over the past few days – and they won't be the last ones. We can expect more gossip and women throwing themselves at Harris because they want to cause trouble between him and Swift.

When I first saw them together, I didn't see this relationship lasting for more than a few minutes, but it looks like the tide has turned. In fact, it seems like it could go longer than most of Swift's romances. As you probably know, the singer's past relationships have lasted for about ten minutes, and people have often wondered why she can't seem to keep a man around. I see Swift and Harris in a relationship for about a year and a half to two years. I don't see wedding bells, but you can expect for Swift to write nice songs about her new guy.

Reality TV Stars Kirk and Laura Knight Share Tragic News

By Kirk and Laura Knight

Kirk & Laura: This past episode was a very personal and sad time for us both. When documenting the entire first year of marriage, a couple is bound to have a series of up and down moments in their relationship and love. We were so overjoyed when becoming pregnant that the thought of anything going wrong didn't even cross our minds. Nothing prepared us for what we experienced with a miscarriage. What we learned was stunning – one out of five pregnancies ends in miscarriage. This is much more common than we had ever thought.

Reality TV Stars Face Tragic News

L: Every woman who becomes pregnant will be told and will read that you aren't supposed to share your baby news with anyone until you have made it through the first trimester. This advice leaves many couples going through a miscarriage feeling alone and left to suffer in silence. I don't know what I would have done without the much needed support of my closest family and friends.

If you are experiencing a miscarriage, know that you are not alone. Allowing yourself to grieve will help you in the long run – just know that you cannot time stamp the length it takes to heal from such tragedy. Grieving is a roller coaster of emotions, and it takes time to feel like yourself again. Taking steps forward and backwards is part of the process.

There were moments where I felt I was doing okay, only to have a breakdown. A few days after the D&C procedure, I wanted to get out of the house and do something “normal.” I learned that going to Target mid-morning was a terrible idea – there were new mamas and their babies everywhere! Another time, I was feeling like I was in a pretty good place emotionally and went to pick out Mother's Day cards, only to end up sobbing in the middle of the store. These instances were only setbacks though. Accepting what is can be a daunting task; try looking toward the future in a positive light and never give up hope. I promise you will survive!

There’s no doubt in Bischoff’s mind that parenthood is in the future

for this celebrity couple. What are some ways to pick out a name for your baby?

Cupid's Advice:

There are so many big decisions that come up after you get pregnant, but picking out a name for your little bundle of joy is perhaps the one with the longest impact. Your name says so much about you, and parents should put careful thought into it before settling on one. Cupid has some tips on how to make the best baby name choice:

1. Ignore the trends: Everything goes out of style eventually. Right now, it's a fad among celebrity couples to use really unique names for their kids – think Apple Martin or North West. Instead of thinking way outside the box, consider looking into the past. Check out the social security website of popular baby names that goes back over 100 years. There are many names in the list that, although they aren't common right now, are beautiful and timeless.

2. Honor someone: It can be a great idea to name your baby after someone you love. Not only is it a wonderful gift to give that person, but it provides a legacy your child will appreciate when they grow up. It's always special to pick a name of a family member or friend. If you can't find one that you like, then consider the name of your favorite book character or a historical figure you admire.

3. Try it out: Before you and your partner decide on a name,

think about how your child will grow up with it. Ask yourselves these questions: Does it sound good with their last name? What will their nickname be? Is this a name that will be relatively easy for your kid to learn to spell? These questions should help you narrow down your list.

‘Newlyweds’ Reality TV Stars Laura and Kirk Knight Dish Out Their Big Pregnancy News

By Kirk and Laura Knight

Kirk: Since Laura and I made the big decision to have a baby, we have been working hard at being healthy, including clean eating and workouts at the gym. Laura's workout regimen is frequent and very advanced. It's going to take everything I've got to keep up with her pace! Her motivation and drive encourages me to stay focused and incorporate some sort of physical activity every day.

Laura: I understand that healthy living can lead to a healthy pregnancy – I'm trying my best to keep Kirk motivated at the gym in hopes that this will help us on our path while trying to conceive. Plus, when your body feels good, sex is more fun!

K: In preparation to get pregnant, Laura stopped taking birth control pills. Within a few weeks, my super sperm did not disappoint, and Laura surprised me with a positive pregnancy test. Although my confidence was extremely high, I did not expect her to get pregnant this quickly – my boys can swim!!!

We were so excited for this to have happened and couldn't wait to share this big news about our [relationship and love](#) with our family and friends. Everyone was thrilled for us.

L: One day, I was feeling unusually queasy, so I took a pregnancy test, and to my surprise, I was indeed pregnant! I wanted to tell Kirk the happy news in a sweet and clever way but couldn't come up with anything. He was in the living room, and there was no way that I could wait a day to put something together. I grabbed our video camera and called him into the bathroom, so I could capture his reaction – it was priceless! I was feeling two strong emotions at this point: First, it was complete and utter joy. And second, I only have nine months to learn everything I can about pregnancy and motherhood. So we went to the bookstore, and I bought the five best books I could find and began my research.

K & L: We were on cloud nine – feeling very happy and in a great place. We had decided to have a child, and we were blessed with a pregnancy. For the moment, everything seemed to be perfect. The morning of the sonogram, we were excited to see the heart beat and first images of our little bundle of joy. As the sonogram began, our excitement immediately turned into fear as the tech could only see the pregnancy sack and not the embryo. We were emotionally panicked and felt like our happiness and joy was instantly deflated – only left with fear and anxiety, wondering what this meant. What we discover puts us on an emotional roller coaster. Watch our reality TV show tonight and find out what happens and how we deal with it...

Simpson rocked a leopard-print bikini, with her baby bump on full display. Her hubby was spotted giving the mommy-to-be a sweet belly rub. Bronx is ready and willing to take on the roll of big brother.

Ashlee Simpson appears to be having an amazing celebrity pregnancy. What are some nice ways a partner can help you feel more comfortable during pregnancy?

Cupid's Advice:

Though only one person carries the majority of the load during the pregnancy, the partner's role is just as important. Here are some tips on how a partner can support their love during pregnancy:

1. Comfort is key: Like Evan Ross, make an effort to make your partner feel good. Whether that be a nice massage or giving them the opportunity to rest through out the day. They are lucky to have you there for them during the 9 months of discomfort, make your presence known with little acts of kindness.

Celebrity Pregnancy: Tamara Mowry-Housley Is Expecting Second Child

By Maggie Manfredi

Baby, baby! According to [Yahoo.com](https://www.yahoo.com), former *Sister, Sister* star Tamara Mowry-Housley is expecting again! In case anyone doubts the celebrity pregnancy news, *The Real* talk show host posted an Instagram pic of her holding the pregnancy test and wrote, "We are thrilled to announce we are #ClearblueConfirmed! Can't wait to meet baby #2! Love Clearblue's pregnancy test with Smart Countdown. It helped me get through the wait to get my result by counting down with me. #spon" Mowry-Housely and husband Adam are already parents

to Aden, 2.

This celebrity pregnancy made recent headlines! What are some ways you can prepare for a second child?

Cupid's Advice:

Just because people like Mowry-Housley already have one child doesn't mean baby number two will be an identical experience. Cupid has some tips on how to prepare for your second go-around:

1. Hand-me-downs: In the case of celebrity babies, this may not be something to consider, but a second baby should mean less spending. Take advantage of your first baby's outgrown clothes, toys, and crib! If you are having the opposite gender, this may not be completely possible, but there are always some unisex items that can be transitioned to the second child.

2. Reflect back: Are there certain foods that kicked your morning sickness into high gear? If you kept a journal last time, it may come in handy as you work through your food tolerances and recall your previous pregnancy experience. Still, remember that not all pregnancies are alike.

By [Whitney Johnson](#)

New year, new celebrity baby! It looks like there's going to be another celebrity kid toddling around soon, because [Hollywood couple](#) Alec and Hilaria Baldwin rang in 2015 by sharing their celebrity pregnancy news. According to [UsMagazine.com](#), in the sweet announcement, the actor holds their 16-month-old daughter Carmen as she touches her mom's growing stomach. (tadasana) #yogapostureoftheday."

The Baldwins' celebrity pregnancy news shows they're ecstatic for their newest celebrity baby. How do you think you should prepare differently for a second child?

Cupid's Advice:

With every addition to your family comes moments of excitement...and exhaustion. Still, after you welcome your first child, you should feel a bit more ready for future babies. So how do you prepare differently for a second child during pregnancy? Cupid has some ideas:

1. You have more hand-me-downs: Before your first baby was born, you were probably scouring the Internet for "must-haves" and stocking your home with all of the essentials: a crib, a changing table, a car seat, a stroller, clothes...the list goes on. Now, though, you should have plenty of hand-me-downs for your second child to use.

2. You don't feel so stressed: No matter how many books you read or how many friends you grill, it's hard to truly prepare for becoming a parent. Since you already have one child to call your own, you won't feel quite so much worry as you get ready for your family to grow.

3. You have another child to focus on: Of course, you can't forget about your oldest kid just because you have a baby on the way! This time around, you'll have a new set of worries: Will he like his baby sister? Will she feel neglected when her brother arrives? Try to make those last few months as a family of three extra special for your little one.

Blake Lively Shares Her Christmas Traditions

By [Courtney Omernick](#)

This week, [UsMagazine.com](#) reported on the interesting Christmas traditions that actress and mom-to-be Blake Lively partakes in each year. Lively said that her family spends the whole day in the house with one another. And, at the end of the day, they all pile into the same bed. Talk about a close Christmas!

What are some ways to make new traditions with a new partner?

Cupid's Advice:

It's almost time to ring in the new year, and if you have a new partner, it can be a great time to create special and fun Christmas traditions. Below is a suggested list of ways to come up with these new traditions:

1. Blend ideas: Seeing as how you both came from different families, you might have a few different traditions. You and your new partner can take ideas from the old traditions that you both have and "reformat" them into a new tradition that you celebrate together.

By Maggie Manfredi

Mother knows best! According to [UsMagazine.com](https://www.usmagazine.com), Blake Lively shared endearing celebrity news that she is turning to her mother and sisters as she makes it through this celebrity pregnancy...let's just say it, flawlessly. The [celebrity couple](#) continues to be each other's rock for strength and support. [Ryan Reynolds's](#) wife recently said, "If I could pass along anything that my mother or my sisters taught me, I feel like my kids would be very well off. But also I'm fortunate enough to be amongst women like this..." Lively continues to work on her website *Preserve* and share the latest celebrity news via blog posts and Instagram.

In almost every celebrity news update about Lively's celebrity pregnancy, she has expressed how thankful she is to have

such wonderful support. How do you thank your loved ones for their help?

Cupid's Advice:

Life can get pretty complicated with a new baby around, so if you're lucky enough to have family or loved ones who support you, then be happy! Cupid has some thoughts on how to thank those that have helped you out:

1. Write a letter: Taking the time to write out a personal note is very thoughtful and a lovely keepsake. Handwritten notes are always a good route to choose. The extra time and effort that goes into handwritten letters brings an extra sentimental feeling to the words on the page.

2. Pamper them: A day at the spa, a manicure and pedicure, or simply a night out of the house (be the babysitter for the night or take your loved one out yourself!) will go a long way. This simple treat will show your appreciation in more ways than one. Not only are you saying "Thank you for helping me," you are also saying, "Let me help you."
