Cupid's Advice:

Moving on after a break-up can be one of the hardest things to do. There are a few ways to tell if you're ready to start thinking about moving on, so if you're thinking of trying to start dating again, Cupid has some advice for you:

1. Make sure you're over your ex first: The last thing you want to do is start up a new relationship when you're still not healed from your old one yet. This will make it harder to fully invest in someone new and might cause problems if you're still hung up on your ex. Before rushing into a rebound, focus on taking care of yourself and making sure you've had time to heal before starting something new.
