By [Rachel Sparks](#)

To make yourself stand out in incredible [celebrity style](#), don't forget about accessories! Bring the V-Day glam to your outfit with small pops of red and edgy bags!

## These five accessories will make

# you a standout for Valentine's Day!

**1. Leather wrap bracelet:** Wrap bracelets are trending, but they are an especially edgy way to dress up a classic red dress or something with softer edges. Wear it in bright red, soft pinks, or black for a classic Valentine's Day look with a rocker's attitude.

**Related Link:** [Must-Do's for a Memorable Valentine's Day](#)

**2. Chains for everyone:** Chains are everywhere. They have replaced the strap to your purse, have become bulkier necklaces, are added to your winter boots for some extra spunk. When choosing something sporting traditional Valentine's Day colors, add chains for a more modern look. Want some inspiration? We love [Beyonce's](#) use of chains everywhere!

**3. Traditional sweetheart bags:** Remember those chalky, heart-shaped candies in elementary school? Get inspiration from a sweet craving for your next clutch. Heart shaped, pastel colored clutches with cute sayings are the ultimate Valentine's Day-inspired accessory!

**Related Link:** [Valentine's Day Advice: Five Unconventional Date Night Ideas](#)

**4. Kissable lips:** Lips used to be the hottest thing back in the early 2000's. Nearly twenty years later, bringing the trend back is a vintage highlight of the Valentine's Day style! Whether it's a lip-patterned outfit or the bold lip purse that [Katy Perry](#) rocks, this trend will have your date thinking about your lips the whole night.

**5. Don't forgot the heels:** No outfit is complete without the right set of heels. You can never go wrong with a classic black, but for this V-Day, don't hesitate to show some skin. Go for straps or open-toed for a cute peek-a-boo to tease your

date. If the shoes have bows or heart accents, even better! Small details are ultimately what make your outfit unforgettable.

## Your 2017 Celebrity Style Holiday Guide

By [Rachel Sparks](#)

With the holidays comes a lot of pressure. You worry about

what gifts to buy, decorating the house, preparing the best meal anyone has ever had, and to top it off, you want to look great. Rocking the latest [celebrity styles](#) during the holidays isn't as hard as you may think. Though the holidays are typically adorned with flared waists or coy slip dresses, your closet may not have these feminine staples. Cupid's done your research; here are the [fashion trends](#) that make you look like an expert in celebrity fashion this holiday season.

## How to rock the holidays in celebrity style without a dress.

**1. Forget the dress, rock the skirt:** Tulle draping down past your knees is as elegant as any empire waisted dress. Pair it with a simple tee for a casual gathering, top with a crocheted sweater for that winter flair, or wear it with a tailored blazer for a formal but flattering look. If tulle isn't your thing, metallic knee-length skirts bring back the holiday glam. Look to [Jessica Alba](#) for inspiration on this celebrity style.

**2. Velvet isn't just for the '70's:** Velvet is making a come back and there's nothing more sultry than a smooth velvet staple in your holiday wardrobe. Whether a pantsuit, a blouse or blazer, or a skirt, velvet is a classic holiday style that's just as gorgeous on adults as it was when we were kids. For inspiration, look to daring fashion expert [Rihanna](#).

**3. Holidays without red? No thanks:** You can't have a holiday outfit without a little red, but this year's style trend uses a lot more than a little. Be brave and embrace the holiday color with a long red skirt, a glamorous top, or show-stopping red heels. Need some ideas? [Emma Stone](#) stuns with her red dresses.

**4. Sequins aren't just for ornaments:** If you've paid any attention to 2017 fashion trends, sequins have been everywhere. From a holographic, modernist edge to a more sleek maxi dress, sequins are staying, so it's time to welcome the new year with this lasting look. From Duchess [Kate Middleton](#) to sweet-heart [Taylor Swift](#), everyone has their own spin on sequins.

**5. Heels that kill:** End the bore of the classic little black dress by pairing it with statement shoes. Go for red, green, purple, or bejeweled. Get daring and dress up any normal outfit from your closet with an artsy, fashionista shoe to take you through the holidays into the new year with style. Our favorite celeb foot flare: [Beyonce](#) and [Jennifer Lawrence](#).

## Celebrity Chef Recipes to Help You Eat Healthy This Year

By [Rachel Sparks](#)

Winter blues are on their way out, but some of that extra insulation you may have packed on over the holidays is still sticking around. We fully believe in your ability to accomplish your New Year's resolutions, so we're going to help you with those health goals. These [celebrity chef](#) recipes are the perfect inspiration to help you feeling clean and energized. Plus, they're the needed accompaniment to your fitness plan.

## These celebrity chef recipes make eating healthy seem **glamorous!**

You may not be the next [Gwyneth Paltrow](#) in the kitchen, but these celebrity chef recipes are great references to get you started on a sustainable food journey. Healthy food doesn't mean a bland experience. These recipes will make you feel like you'll be ready to deck out in [celebrity style](#):

1. [Tom Colicchio's Roasted Chicken](#): The majority of us enjoy

chicken as a regular staple for our families. Chicken is a great choice of protein while you're trying to be healthy; be conscious of how you choose to cook the meat. Frying, of course, is not the cleanest option. Roasting in the oven is not only healthier for you, but it's easy and delicious. Brown the skin on the stove top for extra flavor, or keep the oven on low for a juicy bite with a crisp skin. You won't want to use any other method for cooking chicken again.

**Related Link:** [Celebrity Diet: Get a Red-Carpet Ready Body and a Healthy Mind By Eating These Super Foods](#)

2. [Jason Franey's Mustard-Glazed Black Cod](#): Fish is a clean and delightful alternative to traditional animal proteins. Don't be afraid to add variety to your meals. Fish contains healthy and happy minerals, such as Omega-3, which fights heart disease, high blood pressure, depression, and anxiety. Fish cooks for less time, so it's a healthy and quick option when you forgot to set meat out to thaw. Try sautéing, grilling, roasting, or steaming for healthy and easy ways to cook fish.

3. [Leah Chase's Gumbo z'Herbes](#): We're throwing it back to the Meatless Monday trend, and there's a reason. Cutting meat out for a meal helps cleanse the body and gives you more energy for endurance-heavy workouts. The plus side: this Louisiana classic is a real treat. The heat from the cayenne and paprika create a pleasant warm feeling and the slow-cooked greens are the savory staple of the South. With all this flavor you won't even know it doesn't have meat. The secret to good ole' Southern cooking: low and slow. This is definitely a recipe to add to your crockpot repertoire.

4. [Herby Barley Salad with Butter Basted Mushrooms](#): Don't be fooled by the words salad and mushrooms. This is a delicious

and protein-packed lunch. We love starches, but they don't love us. Try switching out standard carbs like rice with protein-heavy alternatives, such as quinoa, barley, or oats.

5. [Jonathon Brooks Ramen](#): Forget the old cup of noodles. Authentic ramen is packed with nutrients. The combination of the capsaicin from chiles, the zing of brightness from limes, cilantro, and stock feel like the cure for any illness. It's the perfect way to start a day when you feel down or the best way to end a day of too much fun. It really is one of the best ways to fill yourself with the most nutrients.

## Celebrity Tassels Are the Latest Fashion Trend

By Noelle Downey

While there's plenty of glamorous ways that celebrities shake up their style, a new trend on the move is turning celebrity fashion into fun with a terrific new twist: tassels. That's right, the newest trend is tassels, and all your favorite stars are jumping on the bandwagon. Whether adding a bit of a funky twist to an otherwise conservative dress or going full fringe to make sure they stand out on any red carpet, these ladies all seem to know a little extra flair never hurt anyone.

**Check out these stellar looks below and see if this celebrity fashion trend could be the newest staple of your wardrobe too!**

**Blake Lively**

Blake Lively flashes a winning smile and sparkles in her little black tasseled dress as she and her sister, Robyn Lively, enjoy a fun girl's night out on the red carpet. With her strappy heels and big statement earrings, this look comes off as a great combination of classic and *au courant*.

### **Demi Lovato**

Demi Lovato belts one of her hit songs in Dubai during her recent concert tour while wearing her own interpretation of this celebrity look, a black and beige fringed leotard. The crisscrossed pattern and sparkly black tassels make this a one piece that's definitely worth a second look.

Poppy Delevingne stuns in this iridescent dress that takes tassels to a whole new level. With its gorgeous silver sheen, layers of fringe, and sparkling jewel accents, this is definitely a dress to turn heads, and if her confident strut in this picture is any indication, she seems she knows it, too!

## **Jasmine Tookes**

## Katy Perry

While Katy Perry keeps it cool and casual on the right side of this photo, on the left she moves from comfortable to killing it in an instant. While her simple white dress and fur wrap make her look like an innocent starlet from days gone by, the long tassels on the bottom of her skirt hint that a party girl just might be hiding behind that shy expression on her face.

# Celebrity Style: Which Celeb Body Do You Most Resemble?

By Rayne Parvis

Do you wish you had the secret to looking your best in your clothes like your neighbor, friend or iconic movie star? Knowing what styles work for your body shape is essential to getting the best overall appearance. When you look at your favorite character from television or a movie, notice how they wear the same few silhouettes. This is because their glam celebrity style squad knows what to buy so they'll always look their best.

# Find the celebrity your body most resembles and get stylin'!

Drew Barrymore, [Jessica Simpson](#) and Jennifer Hudson: You're wider on top than the bottom and are considered to have an apple body type. You most likely have a full bust and slender legs. Create a balance by wearing more subdued darker patterns and colors on top—and brighter hues and textures on the bottom. This balances out your shape. V-necks are your friend too!

[Jennifer Lopez](#), Beyonce and Kelly Clarkson: You have wider hips, narrow shoulders, smaller bust and are bigger on the bottom. Your body type can be described as pear shape. Create a balance in your shape by wearing your brighter patterns and colors up top. Minimize your bottom half with darker colors and simple bottoms.

**Related Link:** [Celebrity News: Jennifer Lopez Opens Up About Dating Younger Men](#)

Gwyneth Paltrow, Nicole Kidman and Keira Knightly: You have an overall thin frame with an undefined waist, little curves like a rectangle. You can indulge in most necklines and can create the appearance of a curvier figure with full circle, trumpet and flared skirts and feminine tops that cinch at your waistline creating a hourglass shape.

Marilyn Monroe, [Kim Kardashian](#) and Christina Hendricks: You have a defined waist and your hips and bust are noticeably wider imitating an hourglass shape. Emphasizing your waist is key! Make a friend with a tailor. Most of your wardrobe will need to be taken in at the waist. Wrap dress and styles that have a built in waist will pair well with your body type.

**Related Link:** [Kim Kardashian Takes Fashion Advice from Husband Kanye West](#)

Oprah and Melissa McCarthy ladies are considered extra curvy in addition to one of the shapes above. Always create a waist and go for v-neck necklines. You can create an illusion of a smaller waist with belts– or buying styles that already have a seam that makes one for you–like A wrap or body seamed sheath dresses.

The common goal for all body types is to create and enhance your waist like the sex symbols of the 1950's. You can implement these simple tips to feel fab at any size.

**Colorful tresses took over NY Fashion Week, see if you can take inspiration from some of these bright celebrity hairstyles!**

**Pretty in Pink:** American model Hailey Baldwin mixes femininity and edge with this rosy pink hair color. **Pastel Rainbow:** Some might say Kylie Jenner is the queen of changing hair colors. She stunned fans at Coachella last year with multicolored locks. The pastel touch adds a modern twist to rainbow hair. However, it's important to note that this look is very high maintenance.

## 5 Fashion Trends to Make Winter More Bearable

By [Cortney Moore](#)

Everybody wants to look their best, but being fashionable during the winter can be difficult. Some may find themselves sacrificing style for warmth. However, this doesn't have to be the case! Fashion has evolved to the point where you can be cute and toasty. If you're in disbelief that both can be achieved at the same time, then take a look at recent

[celebrity fashion trends](#). Take a note from celebrity style with the following winter [fashion trends](#).

## Check out these fashion trends that will help keep you warm this winter!

1. [Statement coats](#): A stylish coat is a must for your winter wardrobe. Express yourself by choosing a coat that suits your personality and looks great on you! Don't be afraid of bright colors or dramatic patterns, your statement coat is meant to "wow" onlookers.

2. [Leather jackets](#): Another classic piece of outerwear is the leather jacket. Some say leather jackets should be reserved for warmer months, but that's not the case this winter! Many fashionistas have been beating the cold in these edgy and chic ensembles.

**Related Link:** [Fashion Trend: Break Out the Floral Print This Fall and Winter](#)

**3. [Over-the-knee boots & socks](#):** There's just something feminine and sexy about over-the-knee boots. Couple that with equally long socks, and you'll double your warmth. Not to mention how versatile this look can be. You can pair these with dresses, jeans, rompers and more. The possibilities are endless!

4. **Knit ponchos**: Add some sophistication to your winter outings with a knit poncho. It's the perfect way to layer items without looking frumpy. A poncho's design is made to protect its wearer from the elements, which makes it a great option for winter time.

## Product Review: Celebrity Style Goes to The Beach

By [Nicole Caico](#)

There is no denying that [Kate Hudson](#) is en route to becoming one of the most fit celebrities in Hollywood. On a recent trip to Skiathos Island, Greece, Hudson was spotted rocking her fit bod ... and also rocking an Oyala Beach bikini.

**Celebrity style doesn't stop at clothing items. In fact, edgy designer bathing suits take celebrity style from the streets to the beach.**

Hudson made a bathing suit fashion statement in the *Mars* bikini from [Oyala Beach Swimwear](#) (\$189). This string bikini, with color blocking, and gold metal accents brings the eye to all the right places. Take a cue from Hudson and choose a classic swimsuit with a small twist. Whether it be metal accents, braided details, or a beautiful pattern on a classic cut suit.

It's time to ramp up your summer style game and take a cue from celebs like Kate!

## Rock the “Dress-Over-Pants” Fashion Trend This Fall With Celebrity Stylist Alexa Taylor

By Alexa Taylor

We've all been there. You've spent your entire wardrobe budget on pretty dresses and skirts, and now that summer is over you're wondering how these beauties are going to transition to fall. As a fashion blogger and [celebrity stylist](#), I believe that this fall everyone can raise the sartorial bar with the dress-over-pants fashion trend (or D.O.P for short). The new modern way to pull off a D.O.P is more streamlined and sophisticated, and it isn't tough to master at all! Emma Watson may have brought the D.O.P idea back for the masses this past awards season, but these five fashionable ladies I selected were rocking the look long before the fashion-forward actress.

# Celebrity Stylist Shares Fall Fashion Tips

1. [Casually Cool](#): A sweater dress over jeans is proof that a statement piece (or two) can amp up any old look. One tip to keep in mind when rocking skinnies underneath a heavy dress and coat combo is to keep them as skin-tight as possible.

2. [Sophisticated Layering](#): Nothing is worse than making a 45-minute commute in a pencil skirt and heels, and it's even worse when it's blistering cold. This office-appropriate layering trick is a simple, straight-cut dress over slim pants.

**Related Link:** [Celebrity Stylist Derek Warburton on Holiday Fashion: “If You’re Meeting the Family, Wear the Softest Cashmere Possible”](#)

3. **Edgy Princess**: While this D.O.P. has nothing to do with utility, you’ll no doubt get attention from street style shutterbugs in a wispy look (even if you are shivering). The man-repelling Leandra adds a punch of drama to an otherwise boring outfit with layered tulle and two-tone tap shoes.

4. **Pretty in Pink**: Not only do leather pants add a dose of badass to a super girly getup, but they allow you to wear that too-short-to-be-worn-alone babydoll dress. I love how this

editor mixes her prints.

**Related Link:** [Celebrity Stylist June Ambrose Tells Us How Women Can “Find Their Fabulous”](#)

5. **[The Mix Master](#)**: Who says duck boots have to be frumpy? Take a cue from Taylor Tomasi Hill, the crimson-haired editor-turned-florist, in this winter-ready outfit. She’s a pro when it comes to mixing flashy accessories like this glam gold plated belt (\$20) with everyday staples like this over-sized plaid shirt.

Be bold this next fall and try one of these D.O.P looks your next [date night](#)! You’re sure to turn some heads with this

feminine and slightly edgy ensemble, not to mention you'll also be warm and toasty as you go about your day.
