**1. Greenery:** The Bohemian bride look and greenery are in! Instead of having a traditional flower bouquet, try making a greenery hoop bouquet, which can include willow branches, eucalyptus, and an assortment of any other plants/flowers of your choosing. Instead of saying your vows under a traditional wooden arch, you can also look into having a plant-based circular wedding arch for that special moment.

**In celebrity wedding news, this isn't exactly a favorable outcome. What are some yellow flags to look for before making a final decision on marriage?**

#### **Cupid's Advice:**

It's easy to get wrapped up in the idea of love and being married to your partner. It's not expensive to get married if

you decide to elope in the courthouse, either. But here are a few flags you should watch out for before making the final decision on marriage to your partner:

**1. If they lie about something small:** Chances are, they might be lying about something bigger. If you feel like your partner isn't honest, getting married should be off the table. You need to be able to trust your spouse.

**2. You WANT to be with them:** One way to know that you're ready for marriage is that you can't stand the thought of not being with your future spouse. Difficulty sleeping at night when they aren't there or getting super excited when you know they're about to come home from work is a sign you might be ready.

This [celebrity couple](#) has had us wondering when they were going to get engaged for a while now, but it seems even J.Lo wasn't aware of when it would happen. # In celebrity wedding news, Alex Rodriguez pulled off a grand surprise for Jennifer Lopez. What are some ways to pull off a romantic surprise?.

## Cupid's Advice:

Though a proposal may not be the surprise you're ready to give your partner just yet, there are many other ways to surprise your lover that are super romantic and keep that spark alive. Cupid has some tips:

**1. Breakfast in bed:** It may seem like a stereotype, but you can't go wrong with breakfast in bed. You get a chance to show off your cooking skills and make it so your partner starts their day on the right foot. It also gives you an excuse to spend a little extra time before you go about the normal business of your day.

**2. Get them off their feet:** Surprise your partner with a day that's all about them. Give them a massage, make dinner, and run any little errands they may have needed to do.

**3. Unexpected vacation:** If you know when your significant other has vacation days to be used, buy them a surprise ticket to a place they've always dreamed of going. Plan everything down to the last detail, but leave some room for any additions they may want to do once you both get there. Not ready to break the bank? Vacation in the country and stick to Airbnb, a vacation close to home is still a vacation.
