Cupid's Advice:

When you have a busy schedule it might be hard for you to keep up with your relationship. However, it is important that you take time out to enjoy each other. You don't have to do anything overboard like take a vacation or plan an extensive date. Cupid has some advice on some date ideas that you can use with your partner:

1. Go to the movies: Yes, this might be a well-known date plan, but some movie theaters stay open late at night. If you both are struggling with time conflicts and schedules, this could be a perfect idea for you. Check out a movie that you both would like. Also, make it seem like it's in the daytime. Still order the popcorn, soda, candy and chocolate with your love.

2. Surprise them on their lunch break: This will show that you're willing to make the relationship work. If your partner likes Olive Garden, then get their order to go and bring it to them so that they could have it for lunch. Go to sit at a local café and eat with them. Even though this is this will be a half an hour to an hour break, they will surely appreciate the sentiment.

3. Get creative at home: You might not have time to do either of the two things mentioned. Therefore, you're going to have to improvise. Light a few candles, pour some wine, and put on their favorite music. You can prepare a meal for them or just relax together. This will help them unwind and feel appreciated. Try to add a desert. This will give you more to reconnect.
