Cupid's Advice:

Putting yourself in the dating world can be a struggle and very scary. But recently dating apps have made it easier for people to find love. Cupid has some pluses that come with using dating apps:

1. Large dating pool: Online dating gives you the means to connect with several potential mates that you may never encounter in your everyday life. Dating websites often have a compatibility prescreening test to make it easier to find someone with similar interest, values and goals as you.

2. Anonymity: Dating websites allow you to be more expressive when you interact with a potential mate. If things don't work out no harm no foul, you don't have to avoid your favorite book store to avoid them as you would in real life. An undesirable suitor can be easily deleted or blocked.
