### **Cupid's Advice:**

New relationships are fun and exciting, but how do you know when you're ready to put a label on it? Cupid has some tips:

**1. You start ignoring the dating apps:** You might still be exploring your options before you decide you want a relationship with your new person, and that's perfectly okay. If you start going to the apps or sites less because it seems exhausting, then you might have found your person.

**2. You consider them in your decision making:** You may be ready for the next step if you're going on a mini vacay and want to invite your new beau. And, it doesn't have to be for the big stuff. Picking up a coffee for them before you stop by for a quick visit can be another sign you're ready to be exclusive.

Puth further elaborates, "You gather up a bunch of emotion with the life shovel, throw it in the life bucket, mix it up. ## **Even celebrity break-ups leave a lasting effect on their victims. What are some ways to cope with a recent break-up?**

### **Cupid's Advice:**

Time can't measure the amount of feelings you may have for someone in a relationship. Also, you may carry the effects from a break-up for years to come. Luckily, Cupid has some advice on how to cope with a recent break-up so that you can respectfully accept what happened and become better from it:

**1. Change up your workout regimen:** When you exert energy from working out, endorphins are released in your brain. This helps to fight stress and heighten your happiness level. Take this post break-up time to better yourself and your body. Go to the gym with your friends and do some fun workout routines together! Remember to not overwork yourself though. Do just enough so that you feel happy and healthy.

**2. Write it out or talk it out:** When emotions are bottled up inside of you continuing to boil and you don't let them spill out, it can be very detrimental to your overall well-being. It is healthy to get out how you are feeling. Identify your feelings in order to get past them. If you don't feel comfortable talking to anyone in your life about your personal post break-up feelings, start a journal. Write down your thoughts and feelings. Let it all out- so then you have more room in your heart to let love in.

**3. Go outside:** Fresh air has the power to boost your mood and self-esteem. This is a simple way to clear your head post break-up. It is easy to stay in your bed all day and sulk about what is going on your life. Make an effort to try to get outside at least once a day for a few hours. Smile and realize that this world is so beautiful!

## **Celebrity Couple Predictions: Megan Fox, Trai Byers and Selena Gomez**

By [Shoshi](#)

In the latest celebrity news, these famous couples have made headlines, whether it be Megan Fox's rumored divorce, the *Empire* stars secret wedding, and Selena Gomez's not-so budding relationship. Whose stepping out in Hollywood this time around hand in hand? Check out my predictions for these three [celebrity couples](#) and find out what's next in their love lives.

## Celebrity Couples Predictions: Celebrity Relationships That May or May Not Last

**Megan Fox and Brian Austin Green:** When Megan Fox started showing a baby bump, the press went crazy speculating over who the "baby daddy" could be. Since Fox filed for divorce from Brian Austin Green last August, technically, the baby could be anybody's. But I never doubted that the baby was Green's. This famous couple has been on a roller coaster ride since they got

together. Fox and Green used to break up and get back together all the time before they got married. The new addition to their family was not planned, but they say all is good, they're happy now and plan to see where it all goes. Neither one of them were dating anyone else and they still lived in the same house. My prediction is that Fox and Green will not file for celebrity divorce. It may be bumpy between them every now and then, but their spiritual connection remains. My relationship advice to Fox is take a month or two vacation from Green every so often. That seems to do the trick when it comes to rekindling their love.

**Trai Byers and Grace Gealey:** Two stars from *Empire*, Trai Byers and Grace Gealey, got married in a quiet ceremony in the Cayman Islands. You could say that it was a whirlwind romance since they had a short and quick courtship. Will they last? Right now it looks good. The Hollywood couple have the same ideals when it comes to marriage and family. Around their fifth year of marriage will be a time of make it or break it. Oddly, none of their co-stars from *Empire* were invited to the celebrity wedding, because they wanted to keep the wedding small. That lets me know that the rumors are true. Byers is not happy to be on the show and there have been rumors circulating that he wants to quit. By the end of the year, let's say around November, there will be celebrity news that the pair is expecting their first child. They will have two kids together, a boy and a girl. After *Empire*, Gealey will focus on being mother and wife while Byers brings home the bacon.

**Selena Gomez and Charlie Puth:** Anytime Selena Gomez talks to anyone of the opposite sex, it causes a stir. This time around

she is being paired with Charlie Puth. Puth does not have nearly enough swagger for Gomez. She likes bad boys and men with an edge. Puth is as wonder bread as they get. He's talented but a bore. Gomez needs a guy that matches her fire and passion. If anything is going on with Puth, it's simply a friends with benefits situation. This rumored relationship has no steam. I actually see Gomez involved with an actor a little bit older. This new celebrity couple should blossom during the summer. Puth will keep having make out sessions with starlets.
