Sean Penn and Charlize Theron Break Off Celebrity Engagement

By Katelyn Di Salvo

Famous couple Charlize Theron and Sean Penn are no more!
According to UsMagazine.com, the pair were friends for years

and, like many friendships, that blossomed into celebrity love. The two secretly got engaged during a trip to Paris, and now, almost a year and a half into their relationship and love life, the couple have called off their celebrity engagement! This comes as a shock to many, being that the couple seemed to be very happy together. Theron was quoted saying, "I'm a very, very, very lucky girl," to *Esquire* magazine just this past April! Penn was also quoted with similar sentiments in an interview with *Esquire UK* this past March saying, "It's a lot more romantic and a lot more fulfilling to be in a relationship and to think you're a good person within it."

Another celebrity engagement that didn't make it down the aisle! What are some ways to know it's time to break off an engagement?

Cupid's Advice:

Not all relationships and love are meant to last forever. How do you know when it's right to call off an engagement? Cupid has some tips:

1. Avoiding each other: If you find yourself looking for any excuse to not be with each other then you may want to consider a break up. Engagements are supposed to be a happy time where you want nothing more than to come home to each other and spend time together, not the opposite.

2. You DON'T: If you are putting your wedding plans on the back burner and have already postponed, it may be time to reconsider. Thinking about saying "I Do" should bring forth a whole bunch of emotions, but dread should not be one of them.

3. You fight... A lot: Every couple fights, it's normal to get into fights with the people you love. But if most of the time you spend together is spent on fighting then that's a problem. According to [UsMagazine.com](#), he said, “We argue about whether or not we should fast [forward],” he revealed. “I don’t really want to hear the conversations, I want to know the decisions. When you genuinely love someone, it's important to remind them that you care. Whether it's done verbally or through small acts of kindness, it will all be touching to your partner:

1. Romance: It's imperative to keep the romance alive in your relationship. Being a single parent or being a kid with a single parent is never easy, and it looks like Charlize Theron's son Jackson has just lucked out! According to [UsMagazine.com](#), Theron's fiancé Sean Penn has filed to adopt her celebrity kid. Single celebrity men are often times viewed as having commitment issues, but it's certainly not the case for Penn. Celebrity kids like Charlize Theron's son Jackson no doubt want two parents, just like the rest of us. What are three ways to know your new partner is right for the job?

Cupid's Advice:

Choosing a partner who is right for you is hard enough, but when you add in choosing a partner who is right for your kids, it makes it even more difficult. Cupid has some tips:

1. Interest is shown: If your partner never asks about your kid(s) and seems to always want to get a babysitter, these may be signs that things aren't headed in the right direction. But if they show an active interest in hearing the latest happenings about your child(ren) and want to spend time with them to get to know them, forge ahead!

2. Values match: Everyone has different views on how to raise children, and it's important to discuss such things with your new partner before the relationship get too serious. If you believe in spankings and your partner doesn't, or if you want to pay for your child's college schooling and your partner doesn't, these are major issues that need to be resolved.

Celebrity Couple Predictions: Sofia Vergara, Charlize Theron and Zac Efron

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at one pair that caused speculation as merely a rebound, one that sparked initial doubt from the public but may turn out to be the real thing, and one that's still in the first stages but looks promising.

Sofia Vergara and Joe Manganiello: When Sofia Vergara was first spotted getting up close and personal with *True Blood* star Joe Manganiello, they were declared the hottest couple in Hollywood. Within minutes, Kimye got dethroned as the "It" couple and became yesterday's news.

These two actors make an interesting match. On paper, they're a ten – with their looks, money, charm, and success. However, their relationship doesn't look like it has lasting power. As a matter of fact, it looks more like a publicity move. This isn't to say that Vergara and Manganiello don't enjoy each other's company, but it benefits both of them to be seen together.

Vergara is not about to get serious with anyone. She is still getting over her relationship with her shady ex-fiancé. You know the saying: The best way to get over a man is to get under another one! Manganiello is the best kind of rebound guy – totally hot and a lot of fun.

For now, this couple is just enjoying some time together and making headlines. Don't expect a wedding invitation from them anytime soon though.

Charlize Theron and Sean Penn: Could it be that bad boy Sean Penn has actually been calmed down by love? Throughout the years, the actor has made headlines for his turbulent relationships with Madonna and Robin Wright Penn. While he was married to Wright Penn for fourteen years, they separated

numerous times, which eventually ended in divorce.

The first few times that Penn was spotted with Theron, it was hard to believe since she normally dates the clean cut type. Plus, she's a single mother, so what would she be doing with him? The media then assumed it would be a short-lived fling, but now, it looks like this couple is headed down the alter.

For the first time in years, Penn actually looks happy. He is smiling in pictures all of the time, something that was rarely seen before. There are even adorable photos of him with Theron's adopted son, Jackson.

It looks like the marriage rumors could be very valid. However, if they do wed, it will be an intimate ceremony in the fall. There will not be any big announcements, just the two of them with friends and family.

Related Link: [Are Charlize Theron and Sean Penn Engaged?](#)

Zac Efron and Michelle Rodriguez: The first time the cameras caught Zac Efron and Michelle Rodriguez all over each other, they were making out on a yacht. The last known relationship that Rodriguez had was with model Cara Delevingne. At this point, there has not been a statement that Efron and Rodriguez are officially dating; however, the hot photos of them keep coming.

When I look at what is going on between this duo, their attraction to each other is mutual respect and support. While the media keeps saying that it may be a bad idea for them to be together, she may be just the thing that the actor needs. If anyone can understand his drug addiction, it's Rodriguez, who has had issues with drugs herself.

For now, this relationship will stay low-profile, as it's one that Efron is not ready to share with the world. With Rodriguez, he gets to be exactly who he is without any pressure, which is exactly what he wants right now.

Rumor: Are Charlize Theron and Sean Penn Engaged?

By Sanetra Richards

Is there going to be another celebrity bride sometime soon? From the looks of it, possibly. According to UsMagazine.com, Charlize Theron and Sean Penn may be ready for the Mr. and Mrs. title. The couple hopes to wed this summer in South Africa, Theron's native, as well as adopt a little one. "They want to get married very soon," said an inside source.

“[They] always intended to have another child.” Sparking rumors even more, the 38-year-old actress was spotted sporting a beautiful new carats on her left hand at the Los Angeles International Airport on July 23rd. Although a source revealed the ring is not symbolizing an engagement, a source from Penn stated “they absolutely want to get married.” After 18 years of friendship, the pair made their debut as couple back in May at the Metropolitan Museum of Art’s Costume Institute Gala in NYC. “It just kind of naturally happened, and before I knew it, I was in something that was making my life better—the people who really love me can see the effect it has had on me,” Theron dished on her relationship to Vogue. She also told Esquire U.K. last month that “it was nice to be single and now it’s nice to be not single.”

What are some ways to keep your engagement under wraps?

Cupid’s Advice:

The proposal took you by surprise and now you are ready to take everyone else by surprise with the announcement. Although you are overwhelmed by excitement and joy, you do not want to broadcast your engagement just yet. With the big secret comes some steps to overcome in order to successfully conceal the news. Check out a few out Cupid’s tips:

1. Swear into secrecy: Do not disclose any information. Of course, you will be tempted quite a few times to tell even your closest friends . . . do not give in. It may seem easier said than done, but definitely can be done if you are serious about not spilling the beans.

2. Don’t be Captain Obvious: The talks about marriage and whatnot will only continue with your family and friends, yet it is up to you to shy away from exposing your big and special

news until you and your partner are ready. Sometimes we feel pressured and want to blabber about every single thing. Do not let this interfere with the plan. If no hints are given, the engagement will come as a surprise.

3. Leave the ring at home:It is beautiful, shiny, and sparkly . . . you want everyone in town to see it. Yes, you will get the urge to flaunt your new accessory, however, keep in mind the master plan. Keep the ring in the jewelry box until the time comes. People are easily captured by an exquisite diamond and will begin to speculate. Instead, you may want to choose something simple that is sentimental and symbolizes your engagement to wear out in public until the news is announced.

someone to rely on or simply just have someone there for you, which is why it is important to be able to show you care. Cupid has some advice on how to show you care about your partner in public way:

1. Hold hands in public: There is nothing wrong with showing some PDA from time to time. Charlize Theron Discusses Her 'Scary' Blind Date For Charity

Charlize Theron is *not* a fan of blind dates. While visiting *Conan*, Theron spoke about a time when she was coaxed into auctioning herself off for a blind date for charity. Despite the good cause, Theron felt foolish for going through with it, noting that she was worried rather than eager for romance. “The closer I got, I thought: ‘This could actually turn out really bad,’” she told Conan O’Brien. To keep herself safe, Theron had two friends go to the restaurant and sit nearby,

but she noted that in the future, she'd rather donate to charity directly than go through such a traumatizing ordeal.

How do you get out a blind date that's headed south?

Cupid's Advice:

Not all dates go smoothly, and blind dates can be even harder. If things don't go the way you want, it helps to have an escape plan. Here are some ways to tactfully jump ship without seeming rude.

1. Meet your date at the restaurant: When you meet your date in public, you always have the option to leave. This can be harder to do if you meet them at one of your homes and drive somewhere together. Plus, this is the safest way to approach a blind date. By meeting them out, you prevent a stranger from knowing where you live.

2. Don't commit to a long evening: Choose an activity with a short time frame. This way if you're unhappy, you can leave after a short period of time. That's better than having to endure a five course dinner with a boring potential partner.

3. Have a friend help: Set a designated time for a friend to give you a call. If you're enjoying yourself, ignore them, but if things are going poorly, feign an emergency and get out of there.

Ryan Reynolds Is Dating Charlize Theron

New hot couple alert! Ryan Reynolds, who split from ex-wife Scarlett Johansen last December, has been dating Charlize Theron for months, according to UsMagazine.com. An insider said, "They're both career-focused, but not in a crazy way." Could Reynolds have found his perfect match?

What do you do if your partner's career focus is becoming too obsessive?

Cupid's Advice:

Ryan Reynolds and Charlize Theron may be equally career-driven, but sometimes in relationships, one partner may find

the other partner a little too focused on work. How can you handle your partner when their motivation to work hard turns into an addiction and their entire life is centered around work? Cupid has some advice:

1. Accept your partner: It's important to remember that you can't change your partner. If work is central to his or her life, don't try to make him or her negotiate that. Respect your honey's priorities and give him or her space.

2. Communicate: So you want to give some needed space, but you also want to let him or her know that his or her career obsession is a problem, because it makes you feel neglected. As long as you put the focus on your feelings and emphasize your desire to spend time with your significant other, he or she shouldn't get offended.

3. Help him or her relax: When your partner comes home after a hard day at the office, give him or her a soothing massage and allow them to take their mind off serious matters. Let them indulge in a leisurely activity with you.

Top 10 Qualities George Clooney Looks for In a Woman

By Greg Buckskin

Single ladies around the world can now rejoice! George Clooney has officially separated from his latest girlfriend, Elisabetta Canalis.

The couple has called off their relationship, leaving the dating pool wide open for Clooney, one of Hollywood's most attractive men. If you've got your eye on this "sexiest man alive," you're not alone. But do you have what it takes to attract this notorious bachelor? Here are the top 10 qualities he looks for in a woman. See if you measure up!

1. Foreign beauty: If you're from a country outside of the U.S., your odds of landing Clooney have significantly gone up. Celine Balitran (France), Mariella Frostup (Norway) and Canalis (Italy) are just a few of his "foreign affairs."

2. Big name actress: One of the most successful men in Hollywood would surely be attracted to an equally successful actress. And rightfully so, since both understand the demands and stresses that come with the job. Clooney's past women have resumes almost as impressive as his; just take a look at

Julia Roberts, Charlize Theron, Kelly Preston and Renee Zellweger. But don't plan on starring in a movie alongside George to win his affection. It appears he doesn't date his co-stars – at least, not during filming.

3. Piercing eyes: Clooney prefers a few physical features on women, one of them being incredibly piercing eyes. Preston, Roberts, Theron, Lucy Liu and Canalis all share the striking eyes trait.

4. Pouty lips: Going along with physical features, Clooney's also attracted to a pouty lips. Exes Karen Duffy, Roberts, Theron, Zellweger and Canalis have incredibly full lips that they use to their full advantage.

5. Exotic: This actor gravitates toward exotic looking woman. We need to look no further than Huma Abedin, Liu and, of course, Canalis to determine that this is certainly a look that draws George.

6. Astrological sign? Scorpio: Yes, it must be in the "stars" for a relationship with Clooney to work. Three of his ex-girlfriends – Celine Balitran, Roberts and Mariella Frostrup – are Scorpions. He certainly likes a determined, passionate and exciting woman in his life – all famous Scorpio characteristics.

7. Age: No cougars need apply! Clooney tends to date women much younger than himself. Sarah Larson was 18 years his junior, while he had a good 17 years on his latest ex.

8. Not the marrying kind: If you're the kind of person who wants a commitment that ends with a diamond on your finger, go ahead and look elsewhere. This bachelor is notoriously famous for steering clear of husband-territory. In fact, out of all of his exes, Clooney has only married one – Talia Balsam. After their relationship ended, he declared that he would never marry again. So far, no other woman has been able to

convince him otherwise.

9. Attention seeking: When you're with Clooney, all attention is on him. If it's your time to shine, move on to the next man. He's dated some pretty famous names, but when it's time for the red carpet or movie premieres, all eyes, all attention and cameras immediately focus on him.

10. Model-esque looks: And lastly, if you don't have long lean legs, stunning facial features and gorgeous hair, don't waste your time. This man is definitely attracted to model-type women, including Vendella Kiresbom Thomessen, Traylor Howard and Lisa Snowdon.

Do you measure up? If you can count yourself among at least a few of the top 10 qualities Clooney covets, then what are you waiting for? It's time to see if you can catch the most recent eligible man in Hollywood!

Hunting for Love Later in Life

By KB in NYC

We all know that dating is a minefield, right? But here's the thing; getting older doesn't help. A lot of 40-year-old men only want to date 25-year-olds. And here's why: a woman in her 30's or 40's knows what she wants. She's been around the block a few times, and she's less willing to compromise. She's less easily impressed and she is, in a word, more discerning.

Now that's not necessarily a bad thing, but it does make dating harder. Also, when man hunting at an older age, you tend to want different things. At 24, a cocktail and a great make out session will suffice; at 40, not so much.

Hollywood is filled with fabulous women, all of whom have achieved enormous success and are finding themselves single in their mid-30's and 40's – think Jennifer Aniston, Charlize Theron, Sandra Bullock and Sheryl Crow.

The thing is, these celebrities are pretty much set: they have millions of dollars in the bank, they look fantastic and if

motherhood tickles their fancy, there's always adoption. And yet, they can't get the man thing right. Famous or not, who doesn't want to get the man thing right?

Whether you're single by choice or on a serious manhunt, the parameters are kind of the same. Be honest with yourself and the men you're dating about what you want. If it's marriage and kids, then own that.

You may not be in your 20's anymore, but that's no reason to act desperate. Like Jen taking back John Mayer after he had publicly humiliated her? That had a whiff of desperation to it. Know what you have to offer, and never accept anything less than you deserve, no matter how desperate you may be to "put a ring on it."

Take a page out of Jen, Cheryl or Sandra's books and surround yourself with great people. Friends make the world go 'round, and being happily single is about having your emotional needs met.

It's such a cliché, but oh-so true: be comfortable in your skin, even if it requires Artefill to keep it looking as good as it once did.

We are a society obsessed with aging, and yet many celebrities are just getting better the older they get. From Halle Berry to Kate Winslet, Jenny McCarthy and Susan Sarandon, age certainly hasn't gotten in the way of dating fabulous men. Which leads one to contend that if age is just a number, attitude must be everything.
