## Relationship Advice: 5 Questions To Ask Yourself Before Saying "I Do"

By Amy Osmond Cook for [Divorce Support Center](#)

In light of John Legend and Chrissy Teigen's exciting pregnancy announcement, I couldn't help but take a look at when John knew he was ready to propose. In an interview with Oprah, the gushing celebrity couple gave the inside scoop on their relationship and love and John recounted exactly how he knew it was the right time to propose. Check out the [relationship advice](#) below for what questions you should ask yourself to see if you're ready for your man to put a ring on it and start a life of bliss together.

## **Dating Expert Shares Relationship Advice On What To Ask Yourself Before Saying "I Do"**

**1. Do you love him?** First and foremost, it's important to be honest with yourself and your significant other about your

feelings in the relationship. Remember that being in love doesn't mean you think he is perfect or you never fight. It does mean you're able to talk openly with him, care about his dreams and ambitions in addition to your own, and feel a deep connection with him emotionally, mentally, physically, and intellectually.

**2. Do you see yourself living with him?** After the big 'I do' comes getting a new roommate! Do you know if you're compatible with your man's living habits? While a dirty sock on the floor is nothing to freak out about, it's important to notice how he treats his space. It's best to know this *before* you move in together so you can talk about living preferences and make any necessary compromises. Also remember that moving in together means you'll be seeing a lot more of each other. Are you ready to see each other everyday when you wake up and every night when you go to sleep, or does it feel too early in the relationship to take that step?

**3. Do you want to spend forever with him?** He may feel like the love of your life right now, but do you see him in the picture years down the road? As a dating expert, I know that growth and change are inevitable aspects of life. If you see yourself growing and changing with him, then you're headed in the right direction! It's important to talk about where you see yourselves in the future and make sure you want the same things.

**4. Do you want to have kids with him?** Asking this question is a great way to decide whether or not you have a future together. Do you want this man to raise your sons and daughters? If you envision him by your side as you play with and teach your children, then you've got a good thing going.

**5. Does it feel like the right time or do you feel pressured?** In the interview with Oprah, John Legend said, “She didn’t pressure me, she didn’t say, you know, it’s time to put a ring on it...I felt like ‘it’s time for us to put a ring on it.’” It’s important that the two of you are thinking about marriage because you both *want* to get married. If one of you feels unhealthy pressure, whether it’s from you, him, or your parents, then you need to think long and hard about whether it’s something you really want.

Choosing whom you marry is a big decision. It’s important to feel confident about your choice before you say yes. My relationship advice is to ask yourself these questions inspired by John Legend will help you decide whether to say yes to the love of your life or wait until you’re more sure of your feelings.

## John Legend and Chrissy Teigen's Body Language: More Intimate Than PDA

by [Jared Sais](#)

It's hard not to be enamored with Chrissy Teigen and John

Legend and the love they share for each other. With that thought in mind, I took a look at their nonverbal cues to determine what their body language reveals about their relationship.

**Related Link:** [John Legend is Engaged to Model Girlfriend Chrissy Teigen](#)

In both photos above, the couple shows their best red carpet photo stance. Even with the yellow dress covering her legs, I can tell that she is actually doing the same camera-op pose. You can see a bit of a bump at her knee, giving a small outline of the direction of her legs and feet. Her legs are pointed the same way, and her feet are in the same position (one foot in front of the other). What that proves is that Teigen is posing more for the cameras than truly showing her love for her husband.

Still, there are body language signs that show just how much they love each other at this point in their relationship. Two things really stick out to me in these photos: The first is their distance from each other. In almost all of their photos, you will see them standing close to each other as they share the “we” mentality, which is when a couple starts identifying as a single unit. You may hear a long-time pair say something like, “We have to run a few errands tomorrow,” when only one of them truly needs to.

In the second photo, we really see that idea: Look at how they bring each other close when taking a photo. They are proving that they’re in a happy, loving relationship with trust and lust. When a couple is happy, they will get close together and pose as one unit; when a couple is not happy or feeling distant, they will lean away from one another and not be joined at the hip.

**Related Link:** [Celebrity Couple Predictions: Chrissy Teigen, Jessica Alba, and Eve](#)

The second nonverbal cue that jumped out at me was the position of Legend's hand in both pictures. The angle of his arm indicates his hand is on her lower back or upper butt. This zone of a person is considered off-limits to all who are not considered loved ones. We have different zones on our body that indicate different levels of connection and comfort. For example, a pat on the head usually means one person is more dominant (the pater) than the other, either by age or position. This action is usually a sign of acceptance or support. In this case, Legend is reaching for a more loving, relationship zone of the body. In turn, his casual photo pose is really a nonverbal shout-out that they are in love and in a very intimate relationship.

It really looks like these two were made to love to each other. These pictures might be a bit light on public displays of affection, but thanks to their body language and nonverbal leaks, everybody knows that they only have eyes for each other.

## **Celebrity Couple Predictions: Chrissy Teigen, Jessica Alba and Eve**

By Shoshi

For today's post, let's look at three celebrity couples with happy and strong relationships – one twosome settling into married life, one duo with two adorable daughters, and one pair of newlyweds:

**Chrissy Teigen and John Legend:** This beautiful supermodel and her husband are just simply one of the cutest couples in entertainment. They were together for seven years before the sexy singer put a ring on it, and now, the couple appears to be blissfully married.

What makes these two work is that they allow each other to be who they are. In case you haven't noticed, Teigen is a bit of a wild woman, while Legend is more reserved. It's a great balance in their relationship, and there is a wonderful foundation of love and respect that keeps them going strong.

Baby energy is swirling around Teigen, so expect an announcement that they will be welcoming a bundle of joy by late September or early October. I keep seeing two babies arriving at the same time, which could be a sign of twins. Once Teigen starts to have kids, she will have a clothing line for little ones, which will be a huge success around the world. It will be such a hit that she will pretty much drop modeling to focus on being an entrepreneur.

**Related Link:** [John Legend is Engaged to Model Chrissy Teigen](#)

**Jessica Alba and Cash Warren:** There are rumblings that this pair are having marital troubles due to The Honest Company founder being the breadwinner. They met on the set of *Fantastic Four* – she was the lead actress in the movie, while he was a production assistant. At the time, Alba was the more famous of the two, but who knew she would go from being a B-list actress to a savvy entrepreneur and spokesperson?

Fans, rest easy: Alba and Warren are not separating or getting a divorce. They are best friends and trust each other with everything. However, there is a some tension in their marriage. Warren is trying to figure out how to leave his mark on the entertainment business by being known as more than “Jessica Alba’s husband.”

Luckily, Warren is beginning to gain some ground as a producer. He will end up producing a movie that gets him some notoriety and even nominated for an award – and Alba will be there right by his side, cheering him on. This couple will continue to go strong.

**Eve and Maximillion Cooper:** Eve is officially off the market! This past weekend, she married her longtime boyfriend, Gumball 3000 entrepreneur Maximillion Cooper, in an intimate ceremony in Ibiza, Spain. The two met at the Gumball 2010 rally when

Eve was a participant in the race, and they have been together ever since.

While some may think that they're an odd couple, they are a great match. Eve became really clear about the type of relationship that she wanted, and she made big changes in her life for love, including moving to London. Long story short, girlfriend did what she had to do to get her dream guy. It can also be said that the singer is exactly what Cooper was looking for. After his first marriage ended, he wasn't sure he would get married again, but now, he cannot imagine his life without Eve; she is his backbone.

Recently, the rapper formed her own label and released an album, but all of that is going to take a backseat now. She's going to focus on her new television show about interracial couples and getting pregnant. Cooper has four children with ex-wife Julie Brangstrup, but Eve is so ready to have a little one of her own with him. She also recently said that her stepchildren want her to make them a brown baby sister. A baby is indeed on the way but not until 2015.

**How do you keep your relationship going when you have a demanding job?**

#### **Cupid’s Advice:**

Work doesn’t need to get in the way of your relationship. If you prioritize what’s important and engage in little acts that make your partner feel special, the relationship will continue to grow. Cupid has some tips for doing just that:

**1. Travel:** Make time to reconnect with your partner. Take a vacation like John Legend’s Maldives trip with his fiancée.

If you don’t have the budget for travel to the archipelago islands, pretend you do and recreate the experience at home.

The internet is a powerful tool for research and recipes.

**2. Keep the romance alive:** Remember the little things about your partner, and make sure you let them know that you're thinking of them when they're not around. Even a simple phone call or post-it note left on their laptop can work wonders.

**3. Communicate:** Constantly communicating with your sweetheart keeps the relationship going in the right direction. If you are open with one another it will help you handle any problems that may arise before they become too serious.
