

Ciara & Russell Wilson Welcome a Celebrity Baby Girl

By [Noelle Downey](#)

According to [UsMagazine.com](#), one [famous celebrity couple](#) deserves some congratulations for celebrating a big event; the arrival of their [celebrity baby](#), a daughter named Sienna Princess Wilson. Ciara and second husband Russell Wilson announced their [celebrity pregnancy](#) just three short months after their fairytale [celebrity wedding](#). Ciara is already the [celebrity parent](#) to a two-year-old son, Future Jr., whom she co-parents with ex-husband, Future, but she and Wilson still chose to remain abstinent until their wedding night. Ciara commented on this choice, saying, "You shouldn't feel like you have to give your body away to get someone to

like you.” And it certainly seems like Wilson fits the bill when it comes to liking her! He gushed about his wife and the mother of his child, saying, “She’s everything you could ever want, honestly” and added that he had suspected for a long time that they might be a good fit. “I told somebody, ‘I’m probably going to end up with Ciara,’” Wilson confessed.

This duo is too cute, and they’ve now added a celebrity baby to the mix! What are some ways to know your relationship is ready for children?

Cupid’s Advice:

Parenting can seem like a huge, daunting responsibility. Cupid is here with the top tips on knowing when you and your partner are ready for your next big adventure; kids:

1. You’re financially secure: Before you and your partner start taking the necessary steps to expanding your family tree, make sure you’re in a good place financially to add a member to your family unit. After all, to give your child a wonderful life, you’ll need some sort of financial security, and to be in a position where you can rest easy knowing that you’ll always be able to provide for kid’s wants and needs. Make sure both you and your partner are ready to make the sacrifices and do the hard work to be in a good financial position for your child’s future.

2. Both you and your partner want children: This may seem like a no-brainer, but it’s an important conversation to have.

After all, for some having children is not even on their radar, and you don't want your partner to feel pressured into the decision to have a kid by your enthusiasm or desire for one. Sit down with your partner and make sure you're both on the same page, that you know what you want and that you have similar goals and plans for the future when it comes to your family-life.

3. You can present a united front with your partner: It's never a good idea to try and use a child to "save" an already-failing relationship. If you and your partner are on the rocks, have poor communication, or a ton of unresolved issues, deal with those issues first and foremost before even considering having a kid. While it may seem like having a child would bring you and your partner together, in reality, bringing children into an already crumbling relationship is just a recipe for disaster and a lot of hurt on every side.

Do you have children with your partner? How did you know you were both ready for that big step? Let us know in the comments!

Ciara & Russell Wilson Canceled First Celebrity Wedding Due to NC Transgender

Bathroom Law

By [Stephanie Sacco](#)

In [celebrity news](#), Ciara and Russell Wilson finally tied the knot after two canceled [celebrity weddings](#). Their wedding planner, Mindy Weiss had her hands full with these two. According to [UsMagazine.com](#), the [celebrity couple](#) called off their first wedding due to the bathroom laws in North Carolina. Many celebrities have called off tours here and the 2017 NBA All-Star Game was moved from Charlotte. Their back-up was France where Couture Fashion Week was in full swing. Their celebrity wedding ended up being at the Peckforton Castle in Cheshire, England. This setting proved that good things come in threes.

This celebrity wedding finally happened, but not on the first try. What are some important things to consider about the location of your nuptials?

Cupid's Advice:

Location is a huge decision when it comes to a wedding. There are a lot of factors to discuss and many venues to check out. Cupid is here to help:

1. Other people: Destination weddings are a hike so if you're planning one, maybe make it a small wedding. Not everybody is going to be able to or want to attend a wedding somewhere far away. Think about your guests when you decide on a location.

2. Money: You might find your dream venue, but that doesn't mean it will be the dream price. Be conscious of your budget and weigh your options. If you spend a little more on the location, spend a little less somewhere else.

3. Space: Big wedding parties need enough space to fit everybody. Make sure the location is big enough. If you decide on a beach wedding, you can maximize your guest list where as if you have a small church wedding, it might be a bit smaller. The party afterwards needs to provide room for a dance floor and tables so plan wisely.

Russell Wilson Reveals 'Best Part' of His Celebrity Wedding Day

By [Nicole Caico](#)

Ciara and Seattle Seahawks QB Russell Wilson said “I do” at their [celebrity wedding](#) in England last week. According to [EOnline.com](#), Ciara wore a custom Roberto Cavalli Couture by Peter Dundas and there were over 100 guests in attendance. In front of many friends and family members, this [celebrity couple](#) took their [celebrity relationship](#) to the next level, and Wilson said the best part was “just to see her face and

the long train she had. And then Earth, Wind and Fire took the night away.”

This celebrity wedding story has us swooning. What are three reasons to have a large wedding celebration?

Cupid's Advice:

Take a page out of the Wilson's book and plan a large wedding celebration. All of their friends and family were in attendance, and yours should be, too. There's no reason to skimp on your big day, so here are three reasons to have a large wedding celebration:

1. Lower stress: Having a large wedding celebration may sound *more* stressful, but it just might be less stressful. There is nothing worse than sitting down to make a guest list, deciding it's too long, and having to cross people off. Chances are if you put the person on the list, you don't want to cross them off. Planning a large wedding will save you the terrible feeling of crossing a friend off your list, and will also save you and your betrothed many arguments over the number of guests.

2. All the pieces of the puzzle: Whether a large wedding celebration refers to the actual number of people in attendance or just the general grandeur of the event, go big. Plan a budget that is within your means, but also allows you to have everything you want on your big day. Planning a large wedding celebration will ensure that every aspect will be the way you pictured it. You shouldn't skimp on your guest list, dress, food, or decor if you don't have to.

3. Party time: If there is no other reason, plan a large wedding celebration because at the end of the day, it's a party! Let loose and celebrate this new chapter in your life with all the people who are important to you. You can't have an awesome party with only 50 people, so just go for it!

But He’s anointed both of us and He’s calling for us to do something special.” In [celebrity news](#), their wedding guest list included stars like Serena Williams, Lala Anthony, and Kelly Rowland.

This celebrity wedding took place in England! What are some benefits to a wedding abroad?

Cupid’s Advice:

Planning a wedding can be a challenge, but it can also be a lot of fun. You don't have to throw a celebrity wedding to travel abroad. Cupid is here to help:

1. Smaller guest list: If it takes a plane to get to your wedding, there will definitely be people that can't make the trip. You can create a more intimate celebration by inviting a small circle of friends. Your guest list doesn't have to be extensive to make for a grand wedding.

Way Out of His League

By [Stephanie Sacco](#)

Russell Wilson and Ciara are one of the [celebrity couples](#) you should follow. In [celebrity news](#), the quarterback for the Seattle Seahawks proposed to the R&B singer last March. According to [UsMagazine.com](#), Wilson delivered the commencement speech at the University of Wisconsin and mentioned his bride-to-be. His [relationship advice](#) for the graduates was as follows: "If you're dating a woman that's way out of your league, ask her to marry you." This celebrity news has us “awww”ing! What are some ways to make your partner feel special in a public way?

Cupid’s Advice:

PDA isn’t for everybody, but every once in a while it’s really romantic. Making your partner feel special is huge for the relationship to progress. It’s the little things that change everything. Cupid is here to help:

1. Surprise visits: I’m not saying you have to hold a boombox outside their window or play guitar on their front lawn, but knock on the door and catch them off guard. Bring something or offer to take them out. They’ll appreciate the effort you put in and you’ll earn some points with the family.

Celebrity Couple Predictions: Khloe Kardashian, Olivia Munn and Ciara

By [Shoshi](#)

Want the latest [celebrity news](#) and romance gossip? Recently, these famous couples have made headlines for their relationships and love, whether it be Khloe Kardashian's

rekindled celebrity marriage, Olivia Munn's soon-to-be troubled romance, or Ciara's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Gossip Around These Celebrity Couples

Khloe Kardashian and Lamar Odom: I was not surprised that Kardashian and Odom put their divorce on hold. I called it before Odom woke up. According to the ladies at the Love Ranch, Odom didn't sleep with either one of them. Maybe he was too busy popping pills? There's so much criticism online because Kardashian has decided to take him back, especially since he happened to be in a brothel. But remember, it's not like he slipped out of the house to go to the Love Ranch. They were in the process of a divorce so he was doing his thing and she was doing hers. Will this celebrity couple last is the biggest question circling around them. At this moment, when I look at their relationship the answer is yes. There's a different energy around Khloe and Lamar than when they were married the first time around. Right now, it's about two people who love and need each other, money and celebrity status aside. I hope that they make it. There is no reason why they can't have a healthy relationship. For it to work, these two will have to keep things private. That includes keeping Kris Jenner out of their business. This time around I see that Kardashian is strong enough to tell her mother to stay out of her business. She knows what her life is like without Lamar and she would prefer to have him in it.

Olivia Munn and Aaron Rodgers: This is an interesting relationship, one that looks a bit unbalanced. Rodgers credits

Munn for supporting him and putting some of her goals on hold for him. Meanwhile Munn credits Rodgers for helping her to be in better shape. It's good that they're aware of their dynamic. Right now things are okay between these two, but as time goes on, there will be friction. Rodgers is getting more out of this relationship than Munn, which will eventually become a sore point. At the beginning of a relationship is when you set the stage for the give and take. This will not be an equal relationship when it comes to career. There is also something shady about Rodgers that will come to light in the long run. It looks like he has marriage on his mind as does Munn. Sometimes a woman gives things up to get a ring, which is her choice. Hopefully that decision doesn't eventually cost her a booming career and a relationship.

Ciara and Russell Wilson: When Ciara and Wilson were seen together there were whispers of it not being a real relationship. It was suggested that the two were only together for the cameras. Now that it has been more than a few months, the fans are not happy about Ciara being in the picture. The Seattle Seahawks haven't been having the best football season, which has the fans saying that Ciara is nothing but bad luck. Sports teams have always been superstitious, which is why most of them have a psychic on call. While Ciara is probably not the reason the Seahawks can't get it together on the field, she should fall back a bit at the games. She should stay in the box seats away from the stands and the fans. It might even be good if she just watches the game at home. Since players are superstitious when it comes to games, it would be a shame if Wilson starts believing what people are saying. These two have similar values and want the same thing in a relationship. This relationship has a good chance of ending up in marriage if they continue in the direction they're going in.

Ciara Is 'Devastated' After Discovering Future's Ongoing Affair

By Ann Luther

Only three months after the birth of their child, Ciara broke off her engagement to her newborn son's father, rapper, Future. The singer discovered that her now ex was cheating with his wardrobe consultant, Tyrina Lee. An insider told UsMagazine.com , "There was clear evidence when she approached Future about the cheating. This was clearly not just a one-night thing." The source continued to say that Ciara is "devastated" about the faithlessness.

What do you do if you suspect your partner is cheating?

Cupid's Advice:

Whenever the word "cheating" is thrown around, hearts break and heads heat. Even if it's unjust gossip, the insinuation is hard to accept. There are so many ways to approach the situation and, more than likely, you're not in the proper emotional state to pick the best option. Check out some options below:

1. Approach your partner calmly: Nothing ever gets accomplished when someone loses emotional control. Before you confront your suspect, make sure that you are in the proper headspace to speak rationally. This also gives you the upper hand. You cannot be accused of blowing something out of proportion or being overly dramatic if you're cool and collected.

2. Choose your words: When confronting a person about a sensitive issue, be careful of any buzzwords that could set the person you're talking to off. Be assertive with your word choices without being aggressive. You don't need the word "cheat" in the conversation to know what's going on.

3. Decide to love or leave: Sometimes, there are extenuating circumstances that drive the people we love to cheat. There will be more to the story than just infidelity. If your partner is truly remorseful, you believe he'll never stray again, and you do still love him dearly; it's okay to stay. Otherwise, you must make a firm to decision to leave and stay gone no matter how difficult it may be. A true cheater never changes.

Ciara Calls Off Engagement to Future Due to Cheating

By Laura Seaman

Ciara and Future have split up only three months after their baby, Future Zahir Willburn, was born. Ciara called off the engagement because, as a source told UsMagazine.com, “He cheated on her. Game over.” The two were dating for over a year when Future popped the question on Ciara’s birthday in October, 2013. Their baby was born months later in May. “She’s devastated,” a source says, “Ciara’s focus now is the baby.”

What do you do if you discover your partner is cheating?

Cupid’s Advice:

Cheating is probably one of the worst things that can happen in a relationship. It’s hurtful and disrespectful, leaving one partner to feel blindsided and unwanted. The easiest and usually the smartest way to go about the situation is to end the relationship immediately. After all, if you can’t trust your partner to be faithful, you’re just setting yourself up for a lot of stress and possibly future heartbreak. But before you do that, here are some steps to consider:

1. Talk to your partner about it. Find out the circumstances, how many times it has happened, and why they cheated in the first place. It's never okay to cheat, but there is a big difference between a partner who drunkenly hooks up with someone one and a partner who has cheated with the same person multiple times behind your back. Knowing all the facts will better prepare you for the next step.

Related: [Engaged Ciara Says She Might Be 'Part-Bridezilla'](#)

2. Consider your options. The obvious choice is to end the relationship then and there. However, if ending the relationship would cause you more pain than it's worth, maybe you should talk about other possibilities. Maybe you should go to counseling, or spend more time with each other to fix your issues. Choose your actions carefully, because a problem this complicated needs a solution that's been thought through.

3. Take action. If cheating is an unacceptable, no-exception action for you that leads straight to a break up, do it quickly and don't draw out the pain. Tell them "it's over" and explain why. However, if you're not breaking up with your partner, you still need to make it clear that things need to change and you need to talk about it ASAP. Don't let this get pushed to the side, because cheating is a big deal and you need to treat it as such.

Engaged Ciara Says She May be 'Part-Bridezilla'

By April Littleton

Ciara is already preparing the details on her upcoming wedding to rapper Future. "It's going to be two parts," she told [People](#) at the People's Choice Awards nominations announcement last week. "We're both from Atlanta and we have so many family and friends ... it's going to be hard to get everybody in one place, so we're going to do a celebration part and a wedding."

What are some ways to keep stress out of wedding planning?

Cupid's Advice:

Wedding planning can be a fun and exciting task for a couple

as well as hectic. Everyone dreams of having the “perfect” ceremony and reception and sometimes this train of thought can get in the way of realizing what’s really important – marrying the love of your life. Cupid has some tips:

Related: [Celebrity Couples Who Look Hot at a Pool Party](#)

1. Family and friends: You don’t have to plan your whole wedding by yourself. If you need some additional help, ask some of your trusted loved ones to lend you a pair of extra hands. You can assign different tasks out for certain individuals to do. Does one of your friends have the perfect handwriting to do your wedding save-the-dates? Maybe your mom would be the perfect person to help with the cake. On a side note, don’t stress out if they give you some advice you may not like – they’re just trying to help you have a perfect day.

2. Wedding planner: A professional wedding coordinator can be a big help if you’re unsure of how things are supposed to go. However, hiring someone to help with your wedding can end up being very expensive.

Related: [Kanye West Says He Wants Fighter Jets at Wedding to Kim Kardashian](#)

3. Just have fun with it: Planning out the details of your wedding shouldn’t be stressful in the first place. This should be a fun and exciting time for you and your fiancé/fiancée. Don’t agonize over the little things that won’t matter once you’re married. Remember, the most important part of your commitment is the marriage itself – not the reception and ceremony.
