In celebrity news, Miley Cyrus is seemingly not amused with comparisons being done on her relationships. What are some ways to keep your past relationship from affecting your current relationship?

Cupid’s Advice:

Even though it is not traditional to jump from relationship to relationship, Miley is showing us that there is nothing wrong with doing so. Being a #HotGirl is a trending hashtag that is boosting everyone’s confidence. This was made in the hopes that women would feel more comfortable in themselves and moving on from broken relationships. Cupid has some advice on how to use that hot girl energy when dating someone new:

1. Don’t compare: Ladies, we all do this! However, if you are trying to move on with your new boo, don’t compare the two! Try to look for similar qualities like chivalry and taste in music. Don’t make your new bae your ex bae 2.0.

2. Do new things: Try not to relive the past through this person. Take them to new places, so you can make new memories.

Show them your playful side! Jump out of a plane together, or get tickets for a concert of a band you've never seen live. Keep things new and fresh.

3. Be open to change: While you look for similarities between you and your new partner, also look for differences. They might not be your "usual" type of partner, but don't give up on them too easily. Try to compromise. If they are more introverted, plan your dates at a more personal level. Taking a walk while holding hands or baking a cake together are two low-key ideas. If they are more extroverted, then you won't have any problems finding out what they want to do. If they tell you what they want to do that's outside of your comfort zone, consider doing it anyway!

5 Cutest Teen Celebrity Couples

By [Whitney Johnson](#)

Lately, it seems like the heavyweights in Hollywood are getting younger and younger. After all, it was just last year that Jennifer Lawrence won her first Academy Award for Best Actress Oscar at only 22 years old. Given their full-time jobs and big paychecks, these stars often grow up a bit faster than your average youngster – which means they also experience love and heartbreak earlier in their lives. With this thought in mind, we developed a list of our five favorite teen celebrity couples:

1. Bella Thorne and Tristan Klier: The 16-year-old star of Disney’s popular show Shake It Up has been dating her blonde-haired boyfriend since 2012. When we caught up with the actress earlier this year, she revealed her favorite date night with her beau: “Just to sit on the couch and watch Netflix!”

2. Britney Spears and Justin Timberlake: Will there ever be a teen couple as adorable as these two pop stars? The pair, who met on the set of *The New Mickey Mouse Club*, were only 18 years old when they started dating and split after 3 years together. Recently, Spears even confirmed that Timberlake was her first kiss. Aw!

3. Gigi Hadid and Cody Simpson: The *Sports Illustrated* model and Australian singer, ages 18 and 17 respectively, were spotted at the Vanity Fair Oscars Party, looking every bit like a teenage dream. The lovebirds maintain a long-distance relationship – Hadid is at New York University, while Simpson lives in Los Angeles – but we hope to see the blonde beauty cheering her man on from the audience of *Dancing with the Stars*.

4. Kylie Jenner and Jaden Smith: While this duo hasn't confirmed their relationship status, they've been spotted around New York City, London, and Los Angeles. Plus, the so-called "best friends" have exhibited PDA on multiple occasions. Only time will tell if these teens have found true love!

5. Selena Gomez and Justin Bieber: Even though the problem-plagued pop star exited his teen years on March 1st and his on-again, off-again girlfriend is already a year into her 20s, we couldn't help but include this duo on our list. While Bieber may be trying to prove his age with his recent antics, his fans are still primarily tweens and teens, making his love life of utmost importance to this age group.
