How do you prepare for your second child differently than your first?

Cupid's Advice:

Having your first child is always full of surprises. When you

have your second, you think you know what to expect since you been through it already. Think again! You are in for just as many surprises. Here are a few pointers:

1. Go through old stuff: Go through your first child's old stuff and figure out what can be re-used and what new things you need to get. Remember, just because your second child is a different sex than your first, doesn't mean that clothes can not be re-used. Colors like white, green, and yellow can be used for both baby boys and baby girls.

2. Budget: Make changes in your budgeting to be sure you will be able to afford all the necessary items for your second child as well as your first. Do not forget that your first child is also still a priority and will also need new clothes as they grow too.

3. Prepare your first: Here is one thing you never had to do in the past, prepare your first child for the arrival of your second child. Do not make your first child feel left out or less special otherwise they will grow to resent their sibling. Make your first child feel excited about the new baby by having them join in with the preparations and decisions. You can even give them a special project like helping you decorate the nursery.
