What are some ways to keep your relationship under wraps at first?

Cupid's Advice:

Sometimes, you may want to keep a new relationship away from the public eye. Cupid has some advice on how to keep your relationship under wraps at first:

1. Be discrete: Having a relationship in secret can be hard work, but there are ways to keep it out of the public eye. Meet in private locations, don't act too lovey in front of others and don't talk about your mysterious partner to anyone until you want them to know.

2. Don't ignore your friends: If you are repeatedly busy whenever your friends want to hang out, it will be a huge warning sign. Make sure you leave equal time for your relationship and your family and friends.

3. Be on the same page: in order for any secret to stay a secret, you need to make sure you and your partner both agree. If someone tells one person, who tells another, and so on, the secret is out and it will be too late. Make sure you are both on the same page regarding who to tell and not tell.

2. Plan your dates: Think about where you two decide to hang out and make sure it's not a place your family or friends go often. At the beginning stages of your relationship, let your love grow in private if you want to stay out of the spotlight.
