

Kris Jenner Gives Her Best Dating Advice

B

by [Jessica DeRubbo](#)

[Kris Jenner](#) was all about giving some important [dating advice](#) on *Elle.com* recently, according to [UsMagazine.com](#). Among other things, she discussed how the best way to live within singledom is to be yourself. She said, "Don't try too hard. Because if you're not your true self and putting on a lot of airs, then I think what's going to happen is when you finally come up for air, it's going to be really uncomfortable trying to keep up with that." For the past two years, the reality TV star has been in a relationship with Corey Gamble, [Justin Bieber](#)'s former tour manager. She's been through heartbreak with Bruce Jenner, and she's certainly qualified to give

important [relationship advice](#) to the masses.

This celebrity news shows those who have been through a lot are often times the best at giving dating advice. How do you know if a source is reliable for relationship advice?

Cupid's Advice:

Sometimes you're floundering in your relationship and you need reliable advice. The fact of the matter is, not all dating advice is created equal. Cupid has some tips that the advice you're getting is legit:

1. It's substantiated: Whether it's through academic research or tons of experience, the advice someone is giving you needs to be substantiated in some way. Don't just take someone's word for it. Always ask, "Why?"

2. The book is published through a big name publisher: If you're getting your advice by reading a book, it's often a good sign if the book was published by one of the well-known publishers. Often times independent publishers release 100 copies of a book, and those aren't the ones you want to take as a say all end all.

3. You're close to the person giving the advice: Obviously family and friends only want you to be happy, so they aren't

going to purposely steer you in the wrong direction. What they say probably holds more truth than someone who's a stranger and is spouting off ideas.

Celebrity Couple Kim Kardashian & Kanye West Double Date with Kris Jenner and Corey Gamble

y Kyanah Murphy

The upcoming due date of celebrity couple [Kim Kardashian](#) and [Kanye West](#)'s [celebrity baby](#) isn't stopping the duo from going out and having a great time. [People.com](#) reports that the famous couple were recently on a double date with [Kris Jenner](#) and Corey Gamble. The celebrity couples wined, dined, and enjoyed some live jazz at a Los Angeles southwestern restaurant, Bandera.

These celebrity couples are all about the double dating! What are some benefits to going on a double date?

Cupid's Advice:

These celebrity couples have the right idea; double dating can be fun! How, you may ask? Cupid is here to share three benefits to going on a double date:

1. It gives you a reason to dress up again: If you've been together for awhile, you may have toned it down a bit with your partner. Going out with an extra set of people will probably be a motivational tool for many to dress better than they normally do for a date.

2. It gives you something different to your routine: Most dates are one-on-one dates with you and your partner. By going on a double date, you're spicing it up a little bit and breaking away from the same old routine with one another.

3. You'll see yourselves and each other in a new light: You'll probably see your partner in a new light. The other couple you're on a date with may even inspire you in your relationship to revive old ways (did you stop leaving notes for each other?) or try something new.

Celebrity Couple Predictions: Kris Jenner, Neil Patrick Harris and Rachel Bilson

B

y [Shoshi](#)

For today's celebrity couple predictions, we're looking at three very different but seemingly happy couples. One pair of new lovers is all wrapped up in each other despite

receiving their fair share of speculation from the public; another duo is thriving in their marriage and family; and the last couple is celebrating the recent birth of their first child.

Kris Jenner and Corey Gamble: Raise your hand if you believe that this is a real relationship. From the moment I saw these two together, the word “staged” came into my psychic radar. In fact, the best way to summarize this relationship is “staging with benefits.” Don’t get me wrong: Jenner is an attractive woman and still has it going on. Of course, she could cougar it up better than anyone – I even expect that from her at this point! There just seems to be calculation around this so-called relationship. All we really know about Gamble so far is that he works with Justin Bieber’s manager, Scooter Braun.

Do not be surprised if you find out that Gamble is about to drop an album or he wants to start his own management firm. Better yet, he could partner with Jenner’s empire. Either way, he wins because he is not only getting the attention he wants but has a sugar mama to play with until this hot mess is done.

Neil Patrick Harris and David Burtka: I might be biased because I love the former *How I Met Your Mother* star and adore his relationship with Burtka. They seem to really love and respect each other, though I always wondered how Burtka felt about giving up his career – or shall I say *changing* his career – to accommodate Harris, who was more successful.

In case you didn’t know, the couple got married in September and then moved to New York City with their two adorable twins. They are being open about the fact that Burtka was rather miserable in Los Angeles. Now in NYC, he’s feeling like his happy self again.

These two are stronger than ever. Both will be able to have an identity, something Burtka struggled with in LA. Burtka will do a lot of theater, while Harris, of course, will host the Oscars. I also see that Harris will be on a television show that's based in NYC. Money is not an issue for them anymore, so they will be able to work or not work when they choose. Their family will remain a priority. The twins will flourish in NYC as well. All is moving in the right direction for the Harris-Burtka family!

Rachel Bilson and Hayden Christensen: These two actors just welcomed their daughter Briar Rose into the world. This little bundle of joy should turn out to be quite a cutie considering that both of her parents are lookers! But what is really going on with this couple? They're not married but have been together longer than many celebrity couples. They started dating in 2007, got engaged in 2008, broke up in 2010, and got back together only three months later. Now, they have a baby, which is a game changer.

I predict that Bilson and Christensen will get married and that we will be the last to know about it. They'll invite some family and close friends to brunch or a party, and then a minister will drop in to officiate their wedding. I can see Bilson casually mentioning on a talk show that she's married. Parenthood will change this couple for the better, making them stronger. The *Hart of Dixie* actress is always going to be the breadwinner between the two of them, thanks to her successful TV career and being a spokesperson for numerous products.

Cupid’s Advice:

Not everyone is as lucky as Jenner when it comes to her daughter’s approval of her celebrity relationship! You may like your new partner, but what if your kids think

otherwise? Cupid has some relationship advice to make this easier on all of you:

1. Be open: Talk to your kids, and explain your feelings to them. If you like someone who they don't, share why you like this person so much. Likewise, listen to why they *don't* like the person. Seeing the situation from the opposing point of view may help matters.

This single mom was spotted with Corey Gamble in Sherman Oaks, Calif. earlier this month at Kim Kardashian's birthday party, according to UsMagazine.com. This was not the first time they were seen in public together though; other sources have also reported seeing the duo recently.

Celebrity couples have to face the whole world when it comes to announcing a relationship. What should you keep in mind when introducing your new partner to your loved ones?

Cupid's Advice:

Sure, you don't have a new celebrity love like Jenner, but that doesn't mean your relationship and love isn't a big deal! Knowing when and how to break this news to family and friends can be tricky though, so Cupid has some relationship advice to consider:

1. It should be serious: Make sure that you're new relationship isn't just a fling. When you realize you're ready to make a commitment to that person, you know it's time to inform those close to you.
