

Mario and Courtney Lopez Welcome a Baby Boy

 By April Littleton

[People](#) reports that Mario Lopez and his wife Courtney welcomed their second child, Dominic, Monday, September 9. “It’s a boy!!!!!!!!!!!!!!!!!!!! Please welcome Dominic Lopez to the world,” Lopez wrote on Twitter. “Couldn’t be happier ... Courtney and baby are doing just fine.”

What are the perks of waiting to find out the gender of your child?

Cupid’s Advice:

You’re pregnant, but you’re unsure if you’d like to know the sex of the baby before it’s time for you to give birth or if you’d rather wait until the big day. Keeping it a mystery until the day you deliver can be a lot of fun for you and your partner. Cupid has some advice:

1. Excitement: If you decide that you don’t want to know the gender of your baby, labor will be very exciting for you and your whole family. The news that you’ve had a boy or a girl will be even more special since you’ve waited so long to find out. You’ll have even more memories to look back on and you’ll have quite a story to tell your child when he or she grows up.

2. No expectations: Even if you do find out if you’re having a boy or girl, that prediction isn’t necessarily 100 percent correct. Mistakes do happen. You could be expecting to have a boy and end up delivering a girl. If you expect one thing, you won’t be prepared for any other circumstances. Avoid any potential sadness, anxiety or grief by letting the gender be a

complete surprise. You and your honey can have a little fun with it and plan for the birth of your newborn to go either way.

3. Shopping: Instead of sticking to traditional blues for a boy or pinks for a girl, spice things up and go for unisex colors. Shopping for a “mystery” baby will be more fun and exciting and you’ll have more options to choose from. You can stay safe and go for more neutral colors. Or, go a little crazy and pick something bright and vibrant for your baby’s nursery.

It is a great bonding project to do together and you have a wonderful keepsake for the family as a result.”

“Also bring out some of your family albums to show your child,” Nancy continues. “It will remind them that they are part of a group, that they are members of a strong family, that they belong and it will give them the strength to fall back on if they were to go through anything difficult at school, for example, bullying which is all too prevalent these days.”

“Child psychologists will tell you that seeing family photos, with it being reinforced visually, helps children to know they have this family unit behind them to lean on,” Nancy adds. “I share more of my album ideas at NancyOdell.com including an Album of Hope which would be another great back to school project with your child.”

Mario Lopez and Wife Courtney Are Expecting Baby #2

 By Andrea Surujnauth

Mario and Courtney Lopez are expecting their second baby in late summer. The two announced the pregnancy on February 19th on the set of *Extra*. According to [People](#), Mario Lopez brought

his wife and daughter onscreen to make the announcement. His daughter, 2, was the one to break the news by wearing a shirt that read "Big Sister Gia". Lopez has always wanted a big family. During his wedding he joked "We're working on that. Right after the wedding. We'll wait for the guests to leave and then we're getting right on that!"

How do you prepare for a second child versus your first?

Cupid's Advice:

Learning to care for your first child was not easy. Now you are expecting baby #2. How do you prepare for taking care of two children instead of only one? Cupid is here with some advice for you:

1. Prepare your first child: Get your first child excited about becoming a big brother or a big sister. Talk about playing and changing the new baby together. Make sure your first child feels involved and not left out. Show that you need your first-born to help you make them feel like an important part of the new baby's life. Make sure you show them love and appreciation for being the first born and now the older sibling.

2. Take classes: It is best to brush up on the labor and delivery procedures for the new bundle of joy. You may think that you remember everything but re-taking classes can be extremely beneficial the second time around.

3. Organize: Organization is key to making everything run smoothly. Having two kids can become hectic if you are not prepared. Make sure you and your partner schedule time for each child and time to rest.

Mario Lopez Marries Courtney Mazza

✖

✖ By Nic Baird

X-Factor and *Extra* host Mario Lopez married actress Courtney Mazza on Saturday, [People](#) reports. The couple exchanged nuptials in an outdoor ceremony in Punta Mita, Mexico. The newlyweds' daughter, Gia, was a flower girl with her three cousins. The ceremony will also feature a wedding cake by *Cake Boss* Buddy Valastro, and a mariachi band. The couple met in 2008 when Lopez starred in *A Chorus Line* on Broadway.

What are some things to consider about the music at your wedding?

Cupid's Advice:

Don't stay up at night making your wedding playlist. This is usually a task assigned to a trusted music adviser, either a friend or sibling. Here are a few things to keep in mind for your music choices:

1. Venue: The ceremony itself would obviously benefit from live musicians for more powerful instrumentals. There's no point in playing party music at your wedding venues where nobody can dance. Music can always add to the atmosphere, but high tempo pop is much more obnoxious than slow instrumental songs. Manage the volume when music is not important, or instruct musicians accordingly.

2. Dancing: If people are going to be hitting the dance floor, pick exciting music! Luckily there are many classic songs for wedding receptions. Adding a few of these is a good way to break the ice. Don't worry about theme appropriate songs, just as long as it sounds fun. Live bands who know a good collection of tunes are even better, but make sure they have enough good material for your whole event.

3. Know your audience: Weddings can bring many demographics together so make sure the music will appeal to everyone. It's too tempting to pick music with emotional significance to you or specific people in attendance, but don't go overboard. This

is your special day, but making diplomatic music choices will keep your guests happy. Letting a friend with reputable music taste to design the line-up is a safe choice.

Mario Lopez's Fiancé Courtney Mazza Surprises Him at Vegas Bachelor Party

 By Erin Minty

Host of *Extra* and *America's Best Dance Crew* Mario Lopez held his bachelor party this past weekend at TAO Beach in Las Vegas. Among 15 of his closest buds, Lopez lounged in the sun, snacking on fresh fruit, sushi, crispy rice and quesadillas, reports [People](#). No matter how much fun he had with the guys, however, it was his fiancé's surprise addition to the all-boys weekend that was the showstopper. Courtney Mazza, who has been engaged to Mario Lopez since January, appeared during the bachelor party to perform with the Pussycat Dolls.

What are some ways you can contribute to your partner's bachelor/bachelorette party?

Cupid's Advice:

A bachelor/bachelorette party can be one of the most memorable times that a bride/groom gets to spend with their friends

before the big day. Without stepping on anyone's feet, you may be tempted to make the party even more special. Cupid has some advice on how to contribute to your partner's bachelor/bachelorette party:

1. Have a specially designed cake delivered: Have a tasty treat delivered to the party that has a special message design. Show you're thinking of your partner and your approaching big day.

2. Make sure champagne is waiting in their hotel room: Have chilled champagne delivered to your soon-to-be spouse's hotel room so that she/he and their friends can toast to your nuptials.

3. Make a surprise appearance: Take a hint from Courtney Mazza and make a quick unexpected appearance at the bachelor or bachelorette party. Make sure that this appearance would be appreciated before deciding to do it, however.

Mario Lopez and Fiancé Load Up on Spring Scents

 Spring is in the air, and actor Mario Lopez and his fiancée Courtney Mazza started the season with some fresh scents. The couple loaded up on the latest spring collection at Bath and Body Works, and Mazza joked about how she loves to hoard their products. According to [People](#), Mario mentioned that he loves it when his fiancée wears a coconut scent as they were testing

out the new products.

What are some fun ways to celebrate spring with your partner?

Cupid's Advice:

Spring has finally come after a long winter, so get out and enjoy it with the one you love. Cupid has some tips to help you shake off your winter blues and get spring rolling:

1. Be active: Snow is melted and the sun is shining, so take advantage of what Mother Nature has to offer by planning an outdoor date. Rollerblading or going to play putt-putt where you can breathe in some of the fresh new air are great options.

2. Kick back: It's always nice to relax with the sun warming up your face and giving you a healthy glow, so plan a picnic with your partner somewhere where you can enjoy each others' company and take in the newly budding nature around you.

3. Re-accessorize: It's time to ditch those winter clothes and hall out your summer wardrobe. Hit the shopping mall with your partner, and load up on some new spring trend essentials.
