How do you know when you're ready to tie the knot?

Cupid's Advice:

Transitioning from relationship to marriage is a lot harder than it sounds. Cupid has some advice about how to know when

to make the move:

1. Trust: For a relationship to be able to make the leap to marriage the couple must trust each other above all else. If you don't have a shared trust then the foundation of your union is a weak one.

2. Life Goals: One thing that often causes divorce is when the two parties simply want different things out of life. If one of you wants kids and the other doesn't then you could be in for the fight of the century.

3. Communication: This component of marriage is vital. To make a marriage work you must be able to talk freely about any issues that arise.
