Cupid's Advice:

Break-ups are never easy, especially when your partner moves on before you. Cupid has some tips on some reasons why you

should stay away from your ex's new significant other:

1. Unwanted feelings: Seeing an ex's new partner may ignite some unwanted feelings such as jealousy, anger, resentment or, worse, wishful thinking. Plus, it might ignite some awkward exchanges between the two of you. The best course of action if you run into your ex's new partner is to act cordial and keep on moving ahead.

2. Avoid confrontation: Unwanted feelings may lead to confrontation on your part or this new partner's part. Stay clear from them. Confrontation is never the answer.

3. Remind yourself: You are in the next chapter of your life. You have moved on and so have they. Remind yourself, you two are exes for a reason. This new person in your ex's life means nothing to you because you mean nothing to them.
