Sabra Ricci Couples Astrology with Food in 'Sexy Star Sign Cooking'

By Whitney Baker

Learning your sweetheart's favorite foods is something that takes a lot of trial and error – and it may even involve throwing your hard work in the trash. However, celebrity chef and acclaimed astrologist Sabra Ricci knows a secret: if you pay attention to your partner's astrology sign, you'll have a better chance of pleasing his or her picky palate. Her newest book, *Sexy Star Sign Cooking*, which was released on January 8, 2013, is the perfect guide if you're hoping to impress your girlfriend or boyfriend and make your next date night unforgettable. As Jenny McCarthy said of the book, "Sabra Ricci's passion for cooking for Hollywood stars and her lifelong fascination with astrology come together."

Ricci took some time out of her busy schedule to share why astrology and cooking go hand in hand as well as her tips for cooking a romantic meal.

Your first book, *Lobster for Leos, Cookies for Capricorns*, told readers how to use star signs to prepare delicious and healthy meals. Why is your new book, *Sexy Star Sign Cooking*, a logical follow-up?

While health is important, everyone is interested in improving his or her love life. So I wanted to provide a fun and entertaining guide to help people find their perfect match.

Can you define “foodstrology” for our readers?

“Foodstrology” is a word I coined for combining food and astrology. Each sign rules different parts of the body, so I created recipes based upon foods that support each part.

How do you determine the “romantic foods” for each sign?

The romantic foods are aphrodisiacs. I chose aphrodisiacs that support each part of the body – brain, heart, immune system, etc. – to put any sign in the mood for love.

Are there any astrological signs that are most compatible when cooking together?

Generically speaking, like attracts like, so all three fire, water, earth, and air signs are compatible with each other. Opposites also attract, but if you really want the magic formula for compatibility, have your chart done by a professional.

Let’s say a couple is on their second date – what’s the safest bet if the man decides to cook for the woman? Is it important that he know her sign before determining the night’s menu?

We’ve been playing it by ear for most of our lives, sticking with the following formulas: candlelit dinners of steak and champagne, lasagna and wine or some other delicious meal. If he knows her sign beforehand, he will be more assured of cooking what she will love, but it is not crucial.

What about a woman who is hoping her long-term boyfriend proposes? What should she cook for dinner?

They always say the way to a man's heart is through his stomach. So by choosing the right aphrodisiacs for his sign, he will be putty in her hands, and she will soon have a big rock on her ring finger!

What's your all-time favorite meal to cook for your husband?

Ossobuco, a Milanese specialty of cross-cut veal shanks braised with vegetables, white wine and broth.

Have you ever been a chef for celebrity couples (like Julia Roberts and Danny Moder or Jenny McCarthy and Jim Carrey before they split)? Any fun stories to share?

I've actually worked for both couples several times. They are amazing, and it's always a memorable experience. One occasion that comes to mind was Julia and Danny's third anniversary party with twins in tow and 10 of their best friends for a tropical extravaganza.

And finally, do you have any plans for future books?

Yes, there will be additional books as part of the series. In conjunction with the cookbooks, there will be an exciting announcement too, so stay tuned!

Women Who Are the Breadwinners of Their Celebrity Relationship

The ladies of Generation X were some of the first to trade the domesticity of the housewife for the slacks of Corporate America. Powerful and confident women are sexy, but society hasn't completely caught up with us yet, and it's still uncommon for a female salary to outweigh that of her spouse's. That's where Hollywood comes in with a good message for once, as stunning starlets are throwing off the national average by earning more than their celebrity loves. Below is a list of sexy female celebs empowering themselves through healthy relationships *and* hefty paychecks:

Women's Upper Hand in Celebrity Relationships

1. Gisele Bundchen: Other than her svelte silhouette and pristine profile, Bundchen impresses with a net worth of \$200 million. Her hunky husband Tom Brady is known for his jockey skills on the football field but is only worth \$100 million. While both salaries are envy worthy, Bundchen makes far more than the man she shares her bed with. Regardless, this celebrity relationship is picture perfect, and Brady doesn't look at all emasculated by his wife's high salary.

2. Jessica Simpson: We've watched Simpson transform from a young singer and clueless newlywed into a confident entrepreneur. With a net income of \$100 million and a shoe line that wracks in over \$500 million annually, she would be hard pressed to find a man wealthier than she. Fortunately, she's has found happiness with ex-NFL player Eric Johnson. Though his salary hasn't been reported, he is currently unemployed. Regardless of their paychecks, the two are expecting their first child this year, proving that money is not an issue with this celebrity relationship.

3. Oprah Winfrey: Whether you're an Oprah devotee or totally impartial, there's no denying this woman grabbed life by the reigns when she began her journalism career in the mid 1970's. Forty years and one huge following later, Winfrey is worth a staggering \$2.7 billion. Longtime partner Stedman Graham may not make as much, but he isn't loafing off of Winfrey's riches either. As CEO of S. Graham and Associates, Stedman has wracked in an impressive \$10 million of his own.

4. Julia Roberts: Roberts, America's *Pretty Woman*, has a hefty income of \$140 million. Her husband, however, Danny Moder, is a camera man. Though his salary has not been reported, it has long been known that Roberts is the money maker in the Moder home. Regardless, after ten years of being a married celebrity couple and having three children, the two have shown that true love trumps any jealousy over income.

Actress Earns More Than Celebrity Love

5. [Angelina Jolie](#): From dominatrix to domestic diva, Jolie is another star we've had the pleasure of watching grow up in front of our eyes. While her days of drinking blood have passed, she continues to make celebrity news by adopting children, working as a humanitarian and starting foundations to help combat poverty. Somehow, this busy mother and activist also has time to star in movies and grosses nearly \$150 million. Her equally famous and good-hearted soon-to-be husband Brad Pitt makes only a little less than her at an annual salary of \$130 million. These two aren't sitting home comparing paychecks though. Instead, they combine their incomes to help better the world around them.

6. Nicole "Snooki" Polizzi: Outside of partying, tanning and going to the gym, Snooki found her fame by starring on MTV's *Jersey Shore*. Though her wild antics have made her somewhat infamous, she wasn't downing tequila shots for nothing. At an annual salary of \$2 million, the tiny beach bum can at least impress with her bank statements. Fiancé Jionni Lavelle chose a more modest lifestyle and is currently studying to become a teacher. While his salary may never match Polizzi's, the two were able to work past the drama of the shore and are currently expecting a baby.
