Whether you care about the Kentucky Derby or not, you will be hearing about the races' infamous Mint Julep until the Derby is well and done. You can't have a Derby celebration without the classic cocktail! Plenty of celebrities show up at the Derby to be seen, including Kathy Couric, Debra Messing, Tracy Morgan, and Harry Connick Jr., to name a few. Some celebrities even host events. Try hosting your own Derby party for a fun [date idea](#)!

If you can't make it to the Derby to hang out with your favorite famous people, you can still sip like a celeb. Dust off your big hats and put on your flashy clothes (even if you are just watching at home) to rock the latest [celebrity style](#) for your party or date night. Here are two recipes for the Mint Julep for your date idea – one has a Cognac base, while the other is based in whiskey:

D'USSÉ Julep (recipe courtesy of D'USSÉ)

Recently, [Beyoncé](#) stunned the world with her hot Coachella performance. Her boo, [Jay-Z](#), even joined her onstage. This celebrity couple will, no doubt, partake in the Derby. Jay-Z will probably make Bey a D'USSÉ Julep, the cognac-based version of this famous drink. Doesn't she deserve one or two? The Mint Julep was originally made with Cognac, so if you want a historically proper Mint Julep, this recipe is for you. It's perfect for entertaining, but if you and your partner are having a quiet Derby Day at home, it's still a great fit for your date.

Ingredients:

- 2 1½ parts D'USSÉ VSOP Cognac
- 1½ part simple syrup
- 2-4 sprigs of mint
- Crushed ice

Directions:

Place simple syrup in a julep glass with 5 or 6 mint leaves

and muddle. Fill the glass halfway with ice, add 1 1/2 parts of D'USSÉ VSOP Cognac, and stir. Add more ice and 1 part of D'USSÉ VSOP Cognac. Stir again until the glass is fully frosted. Top with ice.

Jimmy Russell's Mint Julep

Matthew McConaughey is in bed with Wild Turkey to have his own signature whiskey called Long Branch. The whiskey is inspired by his Kentucky and Texas roots. The following Mint Julep recipe is one that McConaughey has shared from the master distiller of Wild Turkey, though I recommend using his Long Branch instead of Wild Turkey 101. It has Matt's humor written all over it. This one is a friends-and-family drink. It's worthy of whipping up a batch because it will go fast.

Ingredients:

- 200 mL Wild Turkey 101 or Long Branch
- 2-3 fresh mint sprigs
- Shaved ice
- 1/3 portion simple syrup
- Powdered Sugar

Directions:

Pour the whiskey and set aside. To fully enjoy the experience, make sure you have a proper stainless steel julep cup. Pick the fresh mint sprigs of their leaves and muddle the mint leaves in the bottom of the cup. Don't use crushed ice! Get a block of ice and shave some ice into the cup. This step is very important. Once the cup is cold and sweating, add simple syrup, powdered sugar, and mint sprigs. Finally, take the cup, go to your backdoor, throw the whole thing out, and drink the whiskey straight!

Date Idea: Enjoy a Non-Traditional Christmas

By [Jessica Gomez](#) and Kristin Mattern

Do something different for your date this weekend and celebrate the Christmas time by breaking free from the moldy old traditions. We've got some nice dating advice! Don't get us wrong, traditions can be great. However, sometimes, we want

to do something out of the usual. Instead of mindlessly watching Christmas movies like *Rudolph the Red Nosed Reindeer* with your dearest for the eighty-billionth time, get a little creepy this Christmas and watch films like *The Nightmare Before Christmas*. Get inspired with your sweetie to decorate your place in a non-traditional way and invite your friends over for this eerie NOEL!

Here are some indoor [date ideas](#) that will allow you to embrace the Christmas spirit, but also allow you to do something different:

Time to break free from conventions this Christmas and have a ghoulish good time!

Get scary: Take a tip from Tim Burton and incorporate the undead into your uncommon Yuletide celebration. Get cooking with your cutie and make cut out cookies to decorate for Santa. To put a twist on this tradition, decorate the cookies to resemble zombies or skeleton figures. Feel free to use Christmas colors like red, green, and white! Santa will be sure to appreciate your patchwork teddy bears and possessed angels. The two of you should also make a graveyard cake and write the reindeer or elf names on the headstones. Build a ghoul-filled gingerbread house complete with ghosts, broken tiled roof and dripping gumdrops. Stir up some romance as you mix Halloween-themed goodies with Christmas ones. Now that's out of the ordinary!

Related Link: [Date Idea: Create Magic in Your Relationship](#)

Make your own Christmas stockings together: Keep the creative juices flowing as you and your honey make Christmas stockings to hang by the fire. Rather than use ordinary red stockings,

buy black or gold stockings to decorate. Using fabric glue, glitter, bows, and any other decorations you can think of. Make each other special stockings complete with ripped ribbons, sparkling spider webs, and tattered toys. This keepsake is sure to bring back fun-loving memories for years to come.

Throw a Christmas party with a spooky twist: Now that you're brccarrimming with treats and devilishly delightful décor, invite your friends over for a freaky Christmas costume party. Tell everyone to use *The Nightmare Before Christmas* as their inspiration, or help your guests a bit by having blank masks ready for everyone to decorate when they get to your place. Play a mixture of Christmas carols, Halloween music, and some intense classical music (Beethoven, perhaps?) to get everyone in the mood. Pretend you and your love are Jack and Sally as you dance the night away celebrating Christmas in a new and innovative way!

5 Things We Can Learn from Justin Bieber & Selena Gomez's Rocky Relationship

By Ashton Dixey

There are a lot of beautiful [celebrity couples](#) out there, but there is one in particular that we've all come to admire and treasure: [Justin Bieber](#) and [Selena Gomez](#). Society has perhaps learned more from observing their dating story than we could from reading a [relationship book](#)! Although they're currently on a break right now, that doesn't mean that we can't learn from this super cute couple.

Read on to learn more about the five things that celebrity couple Justin Bieber and Selena Gomez taught us about relationships:

1. First loves are the hardest to get over: Justin Bieber was only 16 and Selena Gomez was 18 when they both started dating each other. Fresh faced and in love, these two went everywhere together and were spotted packing on the PDA in full swing.

Fast forward eight years later (past all of the drama) and these two are still in touch trying to make things work. It seemed like Bieber never fully recovered once Gomez and him broke-up. Gomez even wrote a song about it called "The Heart Wants What It Wants." Be careful who you fall in love with for the first time because that first break-up is the toughest to recover from.

2. Learn to be okay alone: It seemed as if these two kind-of lost their balance when they had their [celebrity break-up](#). One ended up in rehab and the other was caught peeing in random wash buckets in California. Be sure you are okay with who you are as a person inside so you can move on without racking up 20 tattoos on your neck to try and burn away the pain. One month shortly after the break-up, Justin ended up driving drunk without a license, running from the cops, and even egging his neighbor's house. When you go through a break-up, don't lose touch with yourself. Now is the perfect time to rediscover the greatness within you. Stay in touch with friends and family that truly support you so you can talk through your emotions instead of acting impulsively.

Related Link: [Celebrity Break-Ups: Find Out Why Justin Bieber & Selena Gomez Are Taking a Break](#)

3. Keep a cool head after a break-up: Sometimes it feels really good to go on social media and unfollow your ex-boyfriend or girlfriend. Or, it might be fun to go out with a random person for the night and post pictures of yourself and them kissing. Although this may relieve the pain for a bit, it is not the best idea. Bieber put fuel on the Jelena rumor fires when he unfollowed Gomez and started posting steamy pictures of himself and other girls on Instagram. There was somewhat of an Instagram war occurring between the two. Try your best to keep a cool head after you break-up and don't do anything you'll regret. If you do end up back together at some point, you don't want to do anything that might spoil the relationship for the future. Collect yourself, you got this!

4. Rebounds don't work: If you're trying to get over an ex, it can be tempting to find someone that's available and willing to jump into a relationship with you. But when your heart is still reeling from wanting to be with your ex-lover, this can be a very bad decision. Instead of facing the pain, you're pouring it into a new relationship and settling to boot. Gomez ended up dating The Weeknd for about eight months before she ended up back in Bieber's arms after a sweet bicycle trip that turned out to be an awesome [date idea](#). As much as you try to forget that person that you're still in love with, it won't be easy, and it certainly won't be fair for the person who's serving as your rebound.

Related Link: [Celebrity News: Has Justin Bieber Moved On from Selena Gomez With Baskin Champion?](#)

5. If at first you don't succeed, try try again: Throughout Bieber and Gomez's rocky relationship, it seems that Bieber had tried to win Gomez back many times. From serenading her at a hotel in Beverly Hills, to posting photos complimenting Gomez on his Instagram, he tried and tried again to win her back. After several years of trying, it worked! They got officially back together and even made it Instagram official this month. If there's anything to learn here it's that true love never dies and that if there's someone you know you're supposed to be with, it makes sense to fight for their love. Bieber did it for Gomez and even though they are on a break right now, true love is always worth fighting for.

Love & Libations: Date Ideas & Summer Loving With Rosé

By [Yolanda Shoshana](#)

With the start of spring earlier this week and summer creeping closer, it's time to bust out the rosé. While it's fun to "rosé all day" anytime of the year, there's something even more magical about sipping the pink wine during the spring and summer months. If you're looking for a fun [date idea](#), here are four rosés that you can enjoy to make you feel like the rich and famous.

Spring & Summer Date Ideas with Rosé

Château Miraval Rosé

Love didn't keep [Brad Pitt](#) and [Angelina Jolie](#) together, but their wine, Miraval, is still flowing strong. When the former celebrity couple came out with the rosé, it was such a hit that it was named "the best rosé in the world." When they split, the first question was, "What will happen with the wine?" Luckily, the wine lives on!

Pitt once said that he tastes every barrel himself – but now, I'm not sure who tastes for him now since he is rocking a sober life. Made from four grape varietals in Provence, it's an elegant wine that works for all types of occasions. This wine is perfect for what Wendy Williams calls the "kitchen table top," when you are with family and friends sharing secrets, celebrity gossip, and the joys or oys of life.

Diving Into Hampton Water Rosé

Can you imagine Jon Bon Jovi sipping rosé by the pool? It's not a bad image at all. He just launched a new rosé inspired by the Hamptons called Diving Into Hampton Water. Rosé wine is known as "Hampton's Gatorade" because it's a big deal during the summer. Bon Jovi's son, Jesse Bongiovi, came up with the concept and name of the wine. While the name of the wine features the Hamptons, it's actually produced in the South of France by the very charming winemaker, Gérard Bertrand.

It's the kind of wine to sip by a pool when hanging out with your boo. The wine is selling out because it's shiny and new. If you can get your hands on a bottle, it will be a special treat for you and the one you love.

Sofia Rosé

This rosé by Francis Ford Coppola is named after his only daughter Sofia, who most people know as a talented director and screenwriter. With her busy schedule, I can't help but wonder how often she has her wine. This California wine is a blend of Syrah and Pinot Noir. It's an elegant wine in a sexy bottle that showcases the lively pink color of the rosé. The aromas in the wine are floral and berries, which make it wonderful to pair with fish, seafood, and cheese.

Skip the Sofia Rosé bubbles in the can and go for the still wine in a bottle. It's perfect to pair with a quiet date night at home or when you're cooking dinner together.

Vanderpump Rosé

While Lisa Vanderpump is famous for being one of the stars of *Real Housewives of Beverly Hills*, she is quickly becoming known for her wine. Since she and her husband, Ken Todd, are in the hospitality business with 28 bars and restaurants, having a wine is a natural progression. The Vanderpump Rosé is produced in Provence, so it's perfect to drink when you want to feel like you are in France without hopping on a plane. As Vanderpump says, "Life isn't all diamonds and rosé – but it should be."

It's a feminine wine with a lot of personality on the palate. This wine is perfect for your summer soirees at a rooftop bar or in the backyard with your squad.

Date Idea: Friendsgiving

By [Carly Horowitz](#) and Kristin Mattern

Have a Friendsgiving! This weekend, instead of having a one-on-one date with your sweetie, make it a group night and set-up a belated Thanksgiving dinner. Invite your partner's and your closest buddies over for a fun and social date night. This date idea comes with all the trimmings for a good time.

Plan a Friendsgiving and have this

date idea include your closest friends!

Make it a potluck and ask your friends to each bring a different dish. Not only does this cut down on the amount of cost and time for you spend, it allows you all to try a variety of dishes! Suggest that your friends bring their favorite Thanksgiving entrées and desserts. Sample your best friend's mom's famous pumpkin pie, washed down with your sweetheart's secret recipe for Irish cream cordial. You can impress everybody with your signature candied yams, a recipe passed down from your grandmother.

Be sure to pick a theme! Ever had a true Southern Thanksgiving? You and your babe can research some southern comfort foods and traditional Thanksgiving dishes to serve. Cook up some deliciously decadent dishes like sweet potato casserole with marshmallows on top, cornbread stuffing, creamy collard greens and fried okras. Channel your inner [famous chef](#) inside you and make everyone's tummy smile. Bring all the warmth of the south to your Friendsgiving, or pick a different theme like Thanksgiving in New York City or Los Angeles.

Related Link: [Date Idea: Star in Your Own Romantic Comedy](#)

Discover you and your honey's inner connoisseur and have a wine or beer tasting with your friendsgiving dinner. Have each of your friends bring a wine or beer from a different region of the United States. See which region's drink really compliments certain dishes, or have a vote to see what beverage beats out the rest as everyone's favorite. At the end of the night, have a swap and let everyone take home his or her top choice from the tasting.

Related Link: [Date Idea: Early Morning Ideas](#)

To add more spice to your event, create placement cards that are also thankful cards. Relive childhood memories as you and your significant other trace each other's hand on white construction paper to make hand-turkeys. Color the front to resemble a traditional turkey or to go along with your dinner's theme. Write each guest's name on the colored front for the place card and on the other side write a simple question: What are you thankful for? Use the cards to set the table and place a crayon or pen nearby. Have your friends fill in the cards when they first arrive, and then before dinner, go around the table and share what everyone is thankful for this Thanksgiving.

Date Idea: Go To a Turkey Shoot

By [Carly Horowitz](#) and Kristin Mattern

If you can't wait for Thanksgiving and dreams of pumpkin pie and mashed potatoes are already filling your head, it's time to get into the holiday spirit! This weekend, take your significant other to a turkey shoot. Don't worry, no turkeys are harmed during this event! Take aim at love as you and your partner shoot at targets 30 feet away in this long-standing traditional competition. Whoever hits the center of the targets, or just gets the closest, wins a frozen turkey as a prize! It'll be the perfect addition to your Thanksgiving table.

Take part in this traditional [date idea](#) during this season of thanks!

Get in the mood for this date by wearing flannel shirts and horseback riding boots. If you're a skilled shooter, impress your babe with your marksmanship. And if you're a little gun shy (pun intended), a good tip to remember is to move with the

recoil as the gun hits your shoulder to avoid bruising or discomfort. Always wear safety goggles and practice safe shooting. Don't point your rifle anywhere but the target and follow all the instructions provided by the event coordinators to ensure a fun and safe time.

Related Link: [Date Idea: Feed Your Heart with a Sushi Sampling](#)

When your turkey shoot is over, it's time to head back for a romantic home-cooked meal. Cooking is a fun activity that you can enjoy together. Grow closer with your sweetheart while swapping recipes or researching some new ones. For something simple, make a dish like pasta with red sauce and turkey meatballs. During your [date night](#) time in the kitchen, discover each other's favorite foods and types of cuisine. If you don't feel like cooking, order in! Opt for cheesy pizza or spicy Thai food, whatever the two of you are craving after your big day. Look into some [famous restaurants](#) near you and see if they offer take-out as well.

Related Link: [Date Idea: Take In Some Cartoons](#)

After dinner, make Thanksgiving-themed drinks like hot apple cider or cranberry and vodka and watch a Thanksgiving movie. You and your honey will laugh until it hurts watching a classic like *Trains, Planes and Automobiles*. Then, get a little sentimental and relive your childhood with *A Charlie Brown Thanksgiving*. Build a fire in the fireplace and really get cozy with the one you love as you prep for the upcoming holiday.

This date idea could be you and your sweetheart's new November tradition!

Love & Libations: Heat Up Your Relationship with a Date Night in the Kitchen

by [Yolanda Shoshana](#)

Preparing a nice home-cooked meal on a [date night](#) with your

partner is one of the sexiest things that you can do together. It's also important to pair your food with the right spirit or wine. There are some [celebrity chefs](#) who have the perfect libations to add a sensual touch to your dinner table.

Ideas for Date Nights at Home

If you are a foodie, you have probably already gone to an Alain Ducasse restaurant. The celebrity chef has around 19 Michelin stars under his belt. Ducasse partnered with Grey Goose to create the first gastronomy vodka called Grey Goose Interpreted by Ducasse. Basically, the vodka was made to pair with food. Since it has notes of coffee, chocolate, and vanilla, it would be great to pair with something from the slow cooker on a night that you and your partner plan to stay in. It would be particularly wonderful with a mole sauce.

Related Link: [Romantic Cocktails for Winter Date Nights](#)

If anyone should be in the libation business, it's Martha Stewart: She shows us how to cook and entertain better than anyone. She finally got into the wine game by creating a wine club with some of her favorite picks. Joining the club could be a great way for you and your boo to plan your meal based on wines from around the world. Stewart has plenty of aphrodisiac recipes available to whip up that can go with your wine choice. Don't forget to try new dishes! It adds to the excitement.

If you are into Italian wines, then chef Lidia Bastianich has the right wine for you. Besides hosting a television show, Bastianich is a restaurateur mainly on the East Coast, but she has a spot in Kansas City too. She founded the Bastianich Winery in 1997 in the Friuli-Venezia Giulia area of Italy. Since she has various cookbooks, you and your partner could select one of her recipes and pair it with one of her wines. If white wine is your choice, the Bastianich Vespa Bianco

would be great with fish. On the flipside, the Bastianich Vespa Rosso is the perfect selection for a red sauce dish – and just because red wine is sexy.

Wolfgang Puck is known for his extravagant dinners and his work with celebrities. Did you know that Puck also has his own wine? Luckily, they're very affordable: There are both red and white selections in the 12 to 15 dollar range. The wine was created to celebrate family, friendships, and hope. If you wonder what to pair his wines with, go with pizza. Everyone knows that Puck loves pizza, and he has a pizza dough recipe that makes people salivate. Plus, pizza and wine are the perfect pairing for a night of romance.

Date Idea: Fall in Love with Falling Leaves

By [Jessica Gomez](#) Kristin Mattern

We bet you remember the sheer thrill of leaping into a pile of earthy leaves as a child, the joy of tossing the motley colors up into the sky over your head and watching them fall around you. Relive that magic this weekend with your sweetheart and rake your way to the perfect fall date.

Here are some [date ideas](#) that involve colorful, crispy leaves:

Offer to help your honey rake his or her yard...and then jump in: See who can make the biggest pile or who can rake the fastest – making things into a competition get some couples going. Rate each other's leaf jumps: Who made the biggest mess? Who fell in the funniest or more gracious way? Use your phone to record the jumps so you can compare. Maybe even post some awesome action shots to Instagram or Facebook.

Make a scrapbook with the leaves: Leaves are for more than just jumping in. Document the different leaves you and your significant other find along the way. Compare colors, shapes, and sizes. Take a moment to marvel at the wonders of nature. Create a scrapbook together where you add all the really beautiful leaves you find or add photographs of the beautiful views. If the leaves are supple enough, you can even make leaf rubbings together. Take a piece of paper, place it over the leaf, rub a naked crayon the long way against the paper over the leaf, and voila! You have a commemorative etching of your fall romp.

Cuddle up and enjoy the gorgeous fall foliage: After all the leaves are raked, the pile jumping has ended and your apple pie has been consumed, you and your honey can cuddle up under a blanket or recline against a tree in the yard and take it all in. Check out your state's peak foliage [here](#).

Now it's time to get out there and make some magic fall moments with your honey! If you want to spread some extra love, help your parents or elderly neighbors clean up their yards too. Build up some good Karma together – and hey, you never know, the person you helped out might just give you an apple pie or some hot cider when you're finished.

Date Idea: A Day with Your Pumpkin

By [Jessica Gomez](#) and Shannon Seibert

Sure, picking and carving pumpkins is a fun date idea, but sometimes we want to change it up. Outdo yourselves and head to a pumpkin festival or to a fall fair. Really breathe in the autumn air and experience the season's spirit together. Participating in this unique [weekend date idea](#) can do wonders for your relationship because of the bonding.

We have a date idea for you and

your “pumpkin” this season. Check it out:

Go to a fall fair as a date! Fairs are a great date spot because there is something new to discover around every corner. Whether you view the festivities from the heights of the Ferris Wheel or chow down on goodies, it's always eventful. Hop on a hayride together and listen to ghost stories with your bae. Chase each other through a corn maze and challenge each other to some carnival games. Fall head over heels for your boo thing as you're both whipped around on the fair rides. Classics such as “The Twister” and bumper cars will bring out your sense of adventure and have the both of you laughing and screaming with joy.

Related Link: [Date Idea: Keep It Exciting During New Venue Night](#)

After you play, check out some of the fair's shows. Usually, there are monster truck rallies, tightrope walkers, and even magic shows that will captivate you and your love. Be sure to get good seats because you're about to be amazed!

At the end of your fair-a-pollooza, have your partner pick out a winning pumpkin to take home. Together, carve out the insides and remove the seeds. Then, bring your pumpkin to life with creative designs.

Related Link: [Date Idea: Indulge In a Night of Laughter](#)

For a delicious snack, gather the seeds and wash off the pulp. Preheat your oven to 350 degrees and place the seeds on some baking sheets. For a more classic snack, coat them in a light glaze of extra virgin olive oil and sprinkle them with salt. If your pumpkin is looking for a more tropical taste, glaze the seeds with coconut oil and a hint of pineapple juice. Heat the seeds for fifteen to twenty minutes or until golden. Yum!

End this date idea by grabbing a quilted blanket and a cup of hot cocoa and heading to your couch. Munch on your pumpkin seed goods and pop in a Halloween movie. If your honey is a horror fan, you can never go wrong with old classics, such as *Friday the 13th* or *Halloween*. These films will give you an excuse (not that you need one) to hold on tight to your other half because the films will scare you senseless.

A romantic and scary movie date: If at home, curl up together on the couch and watch some horror classics or go for the recent and new. The choice is yours. If you want to do a real Halloweeny-flick, you should watch all three Halloween films by director John Carpenter. For more suspense and intrigue and less scare, put on The Twilight Zone. Discuss your favorite kinds of Halloween movies, and don't forget to bake some Halloween-themed snacks to enjoy. Feeling lazy? Buy the snacks. For more thrills and chills, make your way to your local theater. If you don't want to stay home, catch the latest horror flick or thriller at the movies, then sit back and prepare for the scare-a-thon as the cinematic magic takes you and your date on a roller coaster of gut-wrenching emotions.

Date Ideas: Love is Magic

By [Jessica Gomez](#) and Shannon Seibert

Magic isn't just for kids, and it can be more than silly card tricks or a rabbit hopping out of a top hat. In fact, love is an indefinite form of unexplained magic. The feeling of love is a magical mystery that can give us reasons to believe in something greater than ourselves.

This weekend, you and your sweetheart should leave your predispositions at the door and become enchanted by the power of magic all over again. Here are some magical [date ideas](#):

Have a magic movie marathon: There are so many movies that will have you two love birds wanting to learn a few tricks of your own. Then, get ready to snuggle close together and watch recently released magic movies and the classics! [Netflix.com](https://www.netflix.com) has a whole category of enjoyable magic-based movies, so that you and your honey can have the pick of the litter.

Cupid's Advice:

A new relationship is exciting, and although many of us want privacy, we don't want secrecy. In a world where social media is what seems to connect us the most, it is one of the main platforms where people share big news. Cupid has some tips on cute, creative ways to announce your new relationship via social media:

1. PDA post of an awesome date: Showing some PDA during a creative date with your girl or beau is super cute! And it's a creative way to briefly show the type of couple you are, so pick the right "stage" for your photo. Some fun adorable dates to choose from are: going for a romantic swim or boat ride, camping, a picnic, taking a class together (any kind), a getaway or road trip, and DIY project you are both working on. The list is endless! If the pressure of a photo of you both on a date is a little too much for you, you can also try taking an adorable, endearing photo or a stunning one of you both side by side looking your best – talk about couple goals! [Ariana Grande](#) and Mac Miller took the endearing approach, posting a cuddled up photo, while Elon Musk and Amber Heard went for the looking beautiful together.

affect, have your followers like “What?!” Imagine, a random photo of someone else popping up on your news feed, to then realize who it was posted by – Cute. Celebrity couple Zachary Quinto and Miles McMillan took a similar approach when Quinto posted a photo of McMillan staring right at the camera along with a caption on missing him. Adorbs!

Jlo shared a photo on Instagram of the couples’ sneakers while rumors of them dating were floating around – discreet huh? Other ways to do it are to snap photos of your hands or a photo taken of your back sides, let people guess who you’re with, if you’re into it.
