

Product Review: Make a Splash This Summer with Snow Fox Skincare

By Bre Gajewski

Plant-based skincare is the newest [beauty trend](#), and leading the way is Snow Fox. Snow Fox creates “a professional grade, natural and 100% plant-based formula.” It was originally designed by a Rosacea patient to cater to people with hypersensitive skin; however, it has proven to be extremely effective for all skin types.

Product Review: Snow Fox is the summer skincare line used for celebrity vacations and sultry date nights.

If you are wondering what “plant-based skincare” means and if it really makes a difference, Snow Fox products make sure to notate that their formula includes no parabens, silicones, SLS, palm oil/palm oil derivatives, DEA, MEA or PEG, phthalates, formaldehyde, petrochemicals, phenoxyethanol, mineral oil, sulphates, artificial colors/dyes, artificial fragrances, synthetic preservatives, or animal origin ingredients.

Love & Libations: The Negroni & Anthony Bourdain

By [Yolanda Shoshana](#)

When I was thinking about what I wanted to do for this column, I was walking through NYC and came upon Les Halles. Unless you have been away from the news recently, you may know that

Anthony Bourdain passed away. Les Halles was a French bistro where he got his start as an executive chef. Let's just say many romantic nights were had at the restaurant. Though both locations of the bistro are now closed, people have been leaving tributes to him pasted on the windows. Consider this my cheers to the icon.

The culinary world is still reeling over the death of Bourdain; in fact, it may never be the same. It will be hard to find anyone who can take his place, though someone will try to fill the void. He undoubtedly changed the way that people eat and drink. Someone said, "He was the Mr. Rogers of the food world." I would have never compared the two, but he did have an edgy Mr. Rogers charm about him. More importantly, both men had a way of making people stop, listen and think in a way that impacted lives. People around the world are coming forward with stories of how Bourdain helped them learn to love food. Since there's such a deep connection between love and food, maybe Bourdain should have added "love doctor" to his resume.

Keep reading for details from our relationship expert Yolanda Shoshana on the late Anthony Bourdain's favorite cocktail!

While most people think of food when they think of Bourdain, he was also a man who loved a good libation. He was often caught with a glass of wine in his hand, but there was a particular cocktail that he was a big fan of as well: The Negroni. Named after Italian Count Camillo Negroni in 1919, the classic aperitif is famous around the world. Bourdain called it the perfect drink, saying, "It's [made from] three liquors that I'm not particularly interested in, but put them together with a slice of orange... it works. That first sip is

confusing and not particularly pleasant. But man, it grows on you." I would have to agree. The first time I took a sip of a Negroni, I was intrigued. After about three sips, that intrigue turned to love. It's been one of my favorite libations ever since.

Related Link: [Love & Libations: Mint Juleps for a Derby Date Idea](#)

Bourdain shared a story with *Maxim* about how he made Negroni cocktails for his crew and ended up a bit tipsy. It's the kind of drink meant to share with those near and dear. Get your squad together for a Negroni or two. We can all use a little bit more love and light. Plus, you can also use it as an aphrodisiac cocktail if you want to just kick it with your boo on [date night](#). It's the perfect libation to sip during intimate conversations.

Related Link: [Love & Libations: Royal Reds for the Royal Celebrity Wedding](#)

The best part about the Negroni is that it's so simple to make. All you need are three ingredients and a slice of orange. If you don't have the orange slice, don't fret. After a few sips, it won't even matter. Cheers to you, Bourdain and those you love.

Negroni

1oz. Gin

1 oz. Campari

1 oz. Sweet Vermouth

Love & Libations: Royal Reds for the Royal Celebrity Wedding

By [Yolanda Shoshana](#)

All eyes have been on the royal [celebrity wedding](#) between Meghan Markle and Prince Harry. Between the cameras, approvals from the Queen, and invitations, Markle will probably be thrilled to relax with a glass of wine during her wedding reception. While there are many charming things about Markle, what I like about her the most is her love of good Italian red

wine. Imagine chilling with Meghan over a glass of red, talking about tiaras and, hopefully, she shares the secret to her roast chicken recipe.

“The Tig” was the name of Markle’s lifestyle blog that was named after Tignanello, a full-bodied red wine from Italy. Long story short, it’s a wine from Tuscany that is a part of what is called the Super Tuscan revolution, which took place in the 1970’s. The red blend is a combo of Sangiovese, Cabernet Sauvignon, and Cabernet Franc produced in the Chianti Classico region. This would suggest that Markle has a sophisticated palate. She is prepared for all of the fancy meals at the palace, not to mention the food she will share with Prince Harry as they travel the world together.

A bottle of Tignanello can run from \$80 to \$150. However, there are Tuscan wines up to par that are more affordable. The following is a list of five wines that I like to think of as “royal reds” from Tuscany and ones that I think would receive a thumbs up from Markle herself. After all, a bold Italian red is perfect to sip during fairy-tale weddings or for a [date night](#) with your prince or princess.

Check out these red wines worthy of any royal celebrity wedding!

Luce Della Vite Toscana 2014 (\$100)

This unique wine is produced by Frescabaldi Estates in Montalcino. It’s the first wine from that area made with 60% Sangiovese and 40% Merlot. Montalcino is a highly regarded wine producing commune known for fabulous red wines. The Luce is an elegant blend that has aromas of cherries, blackberries, leather, and coffee. Doesn’t that sound nice? Pair with a cheese plate or an exquisite meal. When you want to feel like a [royal celebrity couple](#), this is the perfect wine.

Related Link: [Love & Libations: Date Ideas & Summer Loving with Rosé](#)

Luce della Vite Lucente Toscana 2015 (\$27)

It's the second wine from the Luca Della Vite estate that is also produced in Montalcino. This red is a bit younger than the Luce. A full-bodied blend of 50% Merlot, 25% Sangiovese, and 25% Cabernet Sauvignon, the bottle is packed with fruity aromas. A glass of this goes great with cured meat and cheese. Think of it as a bold and sexy red. It would pair wonderfully with a romantic night.

Roxanne Rosso Toscana 2016 (\$20)

This Super Tuscan wine is produced on Sting and Trudie Styler's Chianti estate called II Palagio. Who knew they had wine, right?! Roxanne is a blend of 80% Sangiovese, 10% Merlot, 10% Syrah. It's the kind of red that goes great with a steak or pasta dish. A truffle cheese would always be a good pairing. If you can't make it to II Palagio, let romance find you and your boo in this bottle of red.

Related Link: [Love & Libations: Heat Up Your Relationship with a Date Night in the Kitchen](#)

La Mannella Brunello di Montalcino 2012 (\$80)

While this wine isn't considered a Super Tuscan wine, it's produced in Tuscany. It is made with 100% Sangiovese grapes. In fact, Brunello is the local nickname for the Sangiovese grape. This bold wine is great with beef, lamb, and hearty red sauce dishes. When you want to feel fancy, this is a where it's at.

Cecchi La Mora Maremma Toscana 2015 (\$14)

A fabulous wine for every occasion, a blend of Cabernet Sauvignon and Syrah suits all palates. Aromas that will hit your nose are cherries, spice, chocolate, and a touch of

floral. This one would be perfect for a night of snuggling in with roast chicken and garlic mashed potatoes, just like Meghan and Harry. It would also work for a girl's night in, you just may need extra bottles.

Fashion Trend: Scrunchies And How To Rock Them

By [Jessica Gomez](#)

Remember scrunchies? Well, they've made a comeback in the fashion world! There are many hairstyles within which to incorporate them. The classics are coming back. A scrunchy is not only an accessory that holds your hair, but it also adds something because of its size and the colors and prints they come in – even the material (ex: velvet) makes a statement! Also, scrunchies glide off your hair easier than most hair ties, so no hair yanking!

Ready to use scrunchies again to keep up with this [fashion trend](#)? Here are a few hairstyles in which to rock these babies:

Experiment to see what you like. Use solid colors, prints, metallics, velvet, etc. There are so many different kinds of scrunchies. Whether it's color, design, or material – they give you different looks even when wearing the same hairstyle. So contemplate what you're going for during [date night](#) – all of the follow hairstyles are date night looks. So play around with them when rocking different hairstyles and see how they can affect your fashion sense:

1. Bubble ponytail: This hairstyle is super cute. It can be either casual or can even be rocked for a night out. You can make it high or low. Low will look more low-maintenance, while higher will give you that sexy edge. For this hairstyle, preferably use scrunchies on the smaller side of the scale.

2. Half-up, half-down: This is a classic hairstyle that gives you that “volume” on days where you don't want flat hair. It's a fun casual hairstyle when partnered with a scrunchy. Depending on how modern or vintage you want to look will depend on the size and print. Smaller scrunchies and solid colors will give you that modern look. Flashy or metallic

scrunchies and ones with print will give you that old-school look.

3. Braid ponytail: We love braids! Now, a braid ponytail can be either high, mid, or low. You can use a scrunchy at the top to hold the base of where the braid begins or at the bottom to hold the braid itself. You can do a loose braid or a tight one as well, your choice. This is definitely a casual hairstyle and great for spring and summer. Of course, it can also be rocked in the fall and winter, but they seem to be more common when it's warm out.

4. Messy bun: Who doesn't like the messy bun hairstyle? Of course, you want it to look effortlessly messy but cute – however, there is some effort in it, but not much. Using a scrunchy, you can do a high or low messy bun. A low messy bun will give you more of a low maintenance look, while a high one will be a picker upper, literally and figuratively!

Related Link: [Fashion Trend: The '70s Are Back in Style](#)

5. High or low ponytail: Ponytails are everywhere. They are a timeless hairstyle. You can go low, mid, or high. Again, a low ponytail will give you the carefree, low maintenance vibe. While wearing a high ponytail can give you that polished and poised look.

1. The Hamptons, NY: Multiple towns make up the Hamptons on Long Island. To name a few, there is Westhampton Beach, East Hampton, Southhampton, Montauk, and Sag Harbor. You may have heard of the Hamptons from multiple celebrities taking vacations there. Not only is it a great vacation spot with shopping opportunities and yummy restaurants, but the beaches are amazing as well. The best beaches to visit in the Hamptons are Cupsogue Beach at the end of Dune Road, Rogers Beach in Westhampton Beach, Tiana Beach in East Quogue, Road F Beach in Southhampton, and Wilborg Beach in East Hampton. 3. Block Island, RI: Block Island is such an amazing destination because similarly to the spots mentioned above, there is so much to do in addition to the spectacular beaches that are available. Check out Cow Cove near Settlers' rock, Baby Beach, Surf Beach, Mansion Beach, and definitely swing by the Mohegan Bluffs. Block Island presents 17 miles of beaches

so there are a lot to choose from. Block Island also has some historical aspects to it. If you don't wish to spend the entire day at the beach in the sand, half way through the day look into renting bikes and bike across the beautiful island.

4. Martha's Vineyard, MA: Martha's Vineyard offers beaches like Lucy Vincent Beach, Menemsha Hills, Lighthouse Beach, Bend in the Road Beach, and many more. The only way to get here is either by boat or air so that makes the destination even more special. There are many lighthouses, beaches, and farmlands. It is located south of Cape Cod. Be sure to indulge in some seafood while you are visiting.

The cool thing about these east coast beaches is that each of them present a different atmosphere. Venture to see which one is the best for you and try to travel to even more that are not mentioned. There is so much to explore!

You can't have a Derby celebration without the classic cocktail! Plenty of celebrities show up at the Derby to be seen, including Kathy Couric, Debra Messing, Tracy Morgan, and Harry Connick Jr., to name a few. Some celebrities even host events. Try hosting your own Derby party for a fun [date idea](#)!

If you can't make it to the Derby to hang out with your favorite famous people, you can still sip like a celeb. Dust off your big hats and put on your flashy clothes (even if you are just watching at home) to rock the latest [celebrity style](#) for your party or date night. Here are two recipes for the Mint Julep for your date idea – one has a Cognac base, while the other is based in whiskey:

D'USSE Julep (recipe courtesy of D'USSE)

Recently, [Beyoncé](#) stunned the world with her hot Coachella performance. Her boo, [Jay-Z](#), even joined her onstage. This celebrity couple will, no doubt, partake in the Derby. Jay-Z will probably make Bey a D'USSE Julep, the cognac-based version of this famous drink. Doesn't she deserve one or two? The Mint Julep was originally made with Cognac, so if you want a historically proper Mint Julep, this recipe is for you. It's perfect for entertaining, but if you and your partner are having a quiet Derby Day at home, it's still a great fit for your date.

Ingredients:

- 2 1½ parts D'USSE VSOP Cognac
- 1½ part simple syrup
- 2-4 sprigs of mint
- Crushed ice

Directions:

Place simple syrup in a julep glass with 5 or 6 mint leaves

and muddle. Fill the glass halfway with ice, add 1 1/2 parts of D'USSE VSOP Cognac, and stir. Add more ice and 1 part of D'USSE VSOP Cognac. Stir again until the glass is fully frosted. Top with ice.

Jimmy Russell's Mint Julep

Matthew McConaughey is in bed with Wild Turkey to have his own signature whiskey called Long Branch. The whiskey is inspired by his Kentucky and Texas roots. The following Mint Julep recipe is one that McConaughey has shared from the master distiller of Wild Turkey, though I recommend using his Long Branch instead of Wild Turkey 101. It has Matt's humor written all over it. This one is a friends-and-family drink. It's worthy of whipping up a batch because it will go fast.

Ingredients:

- 200 mL Wild Turkey 101 or Long Branch
- 2-3 fresh mint sprigs
- Shaved ice
- 1/3 portion simple syrup
- Powdered Sugar

Directions:

Pour the whiskey and set aside. To fully enjoy the experience, make sure you have a proper stainless steel julep cup. Pick the fresh mint sprigs of their leaves and muddle the mint leaves in the bottom of the cup. Don't use crushed ice! Get a block of ice and shave some ice into the cup. This step is very important. Once the cup is cold and sweating, add simple syrup, powdered sugar, and mint sprigs. Finally, take the cup, go to your backdoor, throw the whole thing out, and drink the whiskey straight!

Parenting Advice: Tech-Free Boredom Busters

By [Carly Horowitz](#)

It's time for your children to visit the pediatrician for a check-up! You gather your three anxious, jumping jelly beans into the minivan and start your journey to the doctor's office. "I don't want to get a shot!" "Mommy, are we almost there yet?" "Susie won't stop poking me, Mom!" You finally arrive and they say it is going to be about a 20 minute wait. Oh, great. The easiest thing to do right now would be to stick an Ipad in front of your children's faces and you know they

will be occupied playing games until the doctor is ready to see them. But do you really want to resort to that? It is great that we have made such vast advances in technology and we have these amazing devices that have the ability to entertain for hours, but for children, this should be a regulated reward. It is not a bad idea to teach your children to spend their time doing other things to pass the time rather than relying on electronics.

Take this [parenting advice](#) and occupy your children with tech-free boredom busters!

1. Make slime: If your child is really into science or they just like slime (most kids do) then this is a great idea. All you have to do is mix school glue, water, borax, and food coloring together! The mixing process may get a little messy, but once you are done, your children can take these globs of colorful slime wherever! As long as they get the okay from mom.

2. Get out the craft box: If you're at home, and your children are in an antsy mood, shift them into an artsy mood! Gather all your art supplies like paint, crayons, markers, oil pastels, and get to work! This can occupy your children for hours. If you are on the go, there are many portable art kits that you can purchase for your little Picasso.

Related Link: [Product Review: 3 Must-Have Items for Running Errands With Your Kids](#)

3. Mad Libs: Mad Libs is a word game where you are given a template of a story, and you have to fill in random missing words. One player prompts others for a list of words to substitute for the blanks in the story. Then, they read the

story out loud and it usually comes out in a funny way that barely makes sense. If your child is at an age where they are honing in on their language skills, this is perfect! Your kids will be having fun and learning about verbs, nouns, and adjectives at the same time. You can even indulge in other games similar to Mad Libs like Scrabble, My Word!, Mad Gab, or Boggle.

4. Make bracelets: There are so many cool ways to make bracelets for both boys and girls. You can get your kids a book that details how to make bracelet patterns with string and then get them a portable box with a bunch of different string colors in it. They can also make bracelets with beads, noodles, or shells! This activity will be able to get your kids focused. If they get really good at making bracelets, they can even try to have their own little business at the end of your street or at the beach. They can sell their bracelets for \$1 each and start being young entrepreneurs.

Related Link: [Parenting Tips to Stay Sane for the Rest of the Summer](#)

5. Go outside!: Prompt your children to put down the iPad and video games and do some fun activities outside while there is nice weather. They can have some running races with other kids on the block or play hide-and-seek. Plan an exciting treasure hunt for them if it is really a struggle for you to get them up and out. A family bike ride is never a bad idea. Hula hoop, draw with chalk, play in the sprinklers, have a water balloon fight, organize a lemonade stand. The possibilities are endless. There are so many different activities that kids can indulge in that don't have to revolve around technology, you just have to open your mind to all of the options. If you can get your children occupied for long enough, you may even be able to squeeze in a [date night](#) with your hubby!

Pick out presents the two of you will really appreciate, and share some laughs as you choose gifts for your friends and family.

Here are a few dating tips for what to do on your [date night](#):

Get a little sentimental: Don't be afraid to do so as you reminisce together over classic toys in kid stores. Nostalgic feelings can be awesome! Also, don't leave out the feelings of tenderness...and seduction even. Feel the romantic tension build as you wander into the lingerie department together. This unique date is sure to please your inner shopaholic!

Be sure to set a plan of attack with your partner: The two of you can spend some time conspiring together about the best

route to take when hitting up the crowded shopping malls and outlets. Decide which stores you'd like to go to, and create a list of items you want. Come up with a silly call that you can yell out when you get separated (you could just call him on the cell phone, but what fun is that?). Play a little. You can also both wear matching Santa or Elf hats with your sweetie to make it easy to spot one another! Adorbs.

Overcome shopping stress by making a game of it: Create a naughty and nice column on a piece of paper. Getting frustrated from shoppers snatching the last Tickle Me Elmo just as you reach for it? Remember: for every shopping tantrum one of you throws, you get a check in the naughty column! Enough checks, and you'll only be getting coal in your stocking this Christmas. Creative and soothing, right?

Chill out in the middle of your shopping extravaganza for a delicious lunch date: Splurge! Go to a really nice restaurant in the area or that high-end spot in the mall you normally avoid. If you can, make reservations ahead of time so the two of you can easily transition from your high energy shopping spree to a relaxing, romantic meal. Enjoy this calm moment by sharing tastes of one another's food and chatting about what each of you are most excited about for the upcoming holiday.

Wrap gifts together: When your cutie and you have bought all of the gifts on your list, head home to continue the date by wrapping presents together. Put on your favorite classic Christmas music and pour some warm deliciousness into your mugs to sip while the two of you keep the holiday magic going. See who can wrap the fastest or the most elaborately as you make all the items you bought Christmas-ready. This is the perfect way to wrap up your last minute shopping date!

Love & Libations: Heat Up Your Relationship with a Date Night in the Kitchen

by [Yolanda Shoshana](#)

Preparing a nice home-cooked meal on a [date night](#) with your partner is one of the sexiest things that you can do together. It's also important to pair your food with the right spirit or wine. There are some [celebrity chefs](#) who have the perfect libations to add a sensual touch to your dinner table.

Ideas for Date Nights at Home

If you are a foodie, you have probably already gone to an Alain Ducasse restaurant. The celebrity chef has around 19 Michelin stars under his belt. Ducasse partnered with Grey Goose to create the first gastronomy vodka called Grey Goose Interpreted by Ducasse. Basically, the vodka was made to pair with food. Since it has notes of coffee, chocolate, and vanilla, it would be great to pair with something from the slow cooker on a night that you and your partner plan to stay in. It would be particularly wonderful with a mole sauce.

Related Link: [Romantic Cocktails for Winter Date Nights](#)

If anyone should be in the libation business, it's Martha Stewart: She shows us how to cook and entertain better than anyone. She finally got into the wine game by creating a wine club with some of her favorite picks. Joining the club could be a great way for you and your boo to plan your meal based on wines from around the world. Stewart has plenty of aphrodisiac recipes available to whip up that can go with your wine choice. Don't forget to try new dishes! It adds to the excitement.

If you are into Italian wines, then chef Lidia Bastianich has the right wine for you. Besides hosting a television show, Bastianich is a restaurateur mainly on the East Coast, but she has a spot in Kansas City too. She founded the Bastianich Winery in 1997 in the Friuli-Venezia Giulia area of Italy. Since she has various cookbooks, you and your partner could select one of her recipes and pair it with one of her wines. If white wine is your choice, the Bastianich Vespa Bianco would be great with fish. On the flipside, the Bastianich Vespa Rosso is the perfect selection for a red sauce dish – and just because red wine is sexy.

Wolfgang Puck is known for his extravagant dinners and his work with celebrities. Did you know that Puck also has his own wine? Luckily, they're very affordable: There are both red and white selections in the 12 to 15 dollar range. The wine was created to celebrate family, friendships, and hope. If you wonder what to pair his wines with, go with pizza. Everyone knows that Puck loves pizza, and he has a pizza dough recipe that makes people salivate. Plus, pizza and wine are the perfect pairing for a night of romance.

Date Idea: Fall in Love with Falling Leaves

By [Jessica Gomez](#) Kristin Mattern

We bet you remember the sheer thrill of leaping into a pile of earthy leaves as a child, the joy of tossing the motley colors up into the sky over your head and watching them fall around you. Relive that magic this weekend with your sweetheart and rake your way to the perfect fall date.

Here are some [date ideas](#) that involve colorful, crispy leaves:

Offer to help your honey rake his or her yard...and then jump in: See who can make the biggest pile or who can rake the fastest – making things into a competition get some couples going. Rate each other's leaf jumps: Who made the biggest mess? Who fell in the funniest or more gracious way? Use your phone to record the jumps so you can compare. Maybe even post some awesome action shots to Instagram or Facebook.

Related Link: [Date Idea: Keep It Exciting During New Venue Night](#)

Make a scrapbook with the leaves: Leaves are for more than just jumping in. Document the different leaves you and your significant other find along the way. Compare colors, shapes, and sizes. Take a moment to marvel at the wonders of nature. Create a scrapbook together where you add all the really beautiful leaves you find or add photographs of the beautiful views. If the leaves are supple enough, you can even make leaf rubbings together. Take a piece of paper, place it over the leaf, rub a naked crayon the long way against the paper over the leaf, and voila! You have a commemorative etching of your fall romp.

Related Link: [Date Idea: Best Shows to Binge-Watch With Your Partner](#)

Cuddle up and enjoy the gorgeous fall foliage: After all the leaves are raked, the pile jumping has ended and your apple pie has been consumed, you and your honey can cuddle up under a blanket or recline against a tree in the yard and take it all in. Check out your state's peak foliage [here](#).

Now it's time to get out there and make some magic fall moments with your honey! If you want to spread some extra

love, help your parents or elderly neighbors clean up their yards too. Build up some good Karma together – and hey, you never know, the person you helped out might just give you an apple pie or some hot cider when you're finished.
