Charlie Sheen no longer has two goddesses on his arm, reports [RadarOnline](#). At his “My Violent Torpedo of Truth” tour stop in Fort Lauderdale, Florida, Sheen revealed that one of his ‘goddesses,’ Bree Olson, has left the household. Sheen said that Olson sent her goodbyes via text message, and though hurt, he wished her well.

**Is too much texting in a relationship impersonal?**

## **Cupid's Advice:**

Texting has become one of the most popular forms of communication. However, is it okay to text in a relationship? Here are a few things to consider:

**1. Your texts:** Sending heartfelt messages like, “I hope you have a great day,” or “Good luck!” is perfectly acceptable.

Messages like “c u l8r” and “kk” can put a strain on your relationship. Texting is useful because it’s quick and efficient, but be sure to spend a little more time typing your sincere messages.

**2. Your reasons for texting:** Having a quick conversation with your partner via text messaging is fine. However, if texting has come to replace more serious phone calls or face-to-face bonding time with your partner, then you should be wary.

**3. Your relationship’s strength:** If you and your partner text constantly, and your relationship doesn’t suffer because of it, then all the more power to you. Find a balance that works for your relationship.

#### **Cupid's Advice:**

Weddings may seem like they aren't going to cost a lot, but once you add up all of the little things, it may shock you how expensive it will be. Cupid has some advice on how to cut costs:

- 1. Shop around:** Each component of a wedding has a cost. The best way to find the lowest prices is to comparison shop. Don't go with the first thing you stumble upon.
- 2. Do-it-yourself:** Little things such as a centerpiece or a favor can cost big bucks. To keep expenses down, consider putting these types of things together yourself.
- 3. Cut your guest list:** Most reception halls charge by the

plate. Try to keep your guest list as short as possible by only inviting your close friends and family.

### **What responsibilities come with being married?**

#### **Cupid’s Advice:**

Dating is to basic math as marriage is to differential equations; it’s a whole new level of work. Cupid has a few tips to remember when taking the leap of faith:

- 1. The beauty of monogamy:** The two of you made a promise to stay faithful through good times and bad. It takes a responsible couple to make that realization and strive to uphold it every day.
- 2. ‘A Whole New World’:** This means more than just living together. They say that once you’re married, everything changes; the best couples are the ones who adapt to the changes and make things work.
- 3. ‘We Can Work it Out’:** The truth is that you and your spouse will fight a lot in your marriage. If you’re serious about your commitment, then you’ll have to remember one word – compromise.

**How do holidays change after you get married?**

## **Cupid's Advice:**

When you're part of a couple, holidays change completely. Cupid has some insights on what to expect:

**1. Share time:** After you get married, for better or worse,

you'll get to know your in-laws well. When a big holiday rolls around, you may find yourself splitting time between your mate's family and your own.

**2. Split holidays:** Some couples divide up holidays so that you spend Christmas with one family and Easter with another, for example. Decide with your partner what works best.

**3. Get more presents:** When you have a spouse, your family doubles! Now you'll have more people to cook and shop for ... but the more the merrier, right?

**Do your parents know best when it comes to your relationships?**

### **Cupid's Advice:**

As frustrating as our parents can be sometimes, they are the people that have known us the longest. Cupid has some advice on why our parents may know what's best when it comes to our relationships:

**1. Your best interests in mind:** As much as we all love our friends, the only people who we can be positive only want what's best for us are our parents.

**2. They've been there:** It may be strange to think of your parents as young and dating, but they were in your shoes once before. So, don't be quick to rule out their advice. It

comes from a place of experience.

**3. They know you the best:** The only people who know us better than we know ourselves are the people who have known us the longest – our parents. This means that they probably also know what you need in a relationship.

## Rachel Bilson Reunites with Ex-BF Hayden Christensen In Barbados

"This time, we're

really done.” We’ve all heard these famous last words in the midst of an on-again off-again relationship. Rachel Bilson seems to know this pattern all too well, as she was once again spotted with on-and-off beau Hayden Christensen. [UsMagazine.com](http://UsMagazine.com) reports that the *Jumper* co-stars were caught in Barbados together on Friday. The two met on set in 2007, and were engaged a year later. Last June, their roughly two year engagement was called off. They took a month to decide if they should stay together, but wound up calling it quits in March. “They’re done this time,” said a source close to Bilson. “Engagement’s over, relationship’s over. She’s really had it.” Could things be better this time around?

**What changes can you make to avoid an on-and-off relationship?**

### **Cupid’s Advice:**

This is one cycle that once you’re in, getting out can be tricky. Not to worry, though. Cupid’s tips will ensure that you avoid this soon-to-be emotional train wreck:

- 1. Cut ties completely:** If it’s over, let it be. Ex-boyfriends may come back eventually, but fight the urge to text him or stalk his Facebook page. It’s probably equally as hard for him, so let him be the one to take the initiative.
- 2. Don’t be afraid of letting go:** When you’re with someone for a long time, it may be hard to imagine life without him or her. Develop a strong mind and focusing on yourself in order to move on and make the healing process easier.
- 3. Keep yourself busy:** The more free time you have, the more you think about the issue and how you can fix it. Focus more on your studies or job, spend free time with people close to you and take up a new hobby. That way you won’t be so consumed on your broken heart.

**Is it important to be established in your career before entering a relationship?**

### **Cupid's Advice:**

Having satisfaction in your love life and your career are very important parts to leading a happy life. However, it '[s impossible to predict which will strike first:

**1. Work hard, play hard:** To have a great career, you must work hard. However, when it comes to finding love, trying too hard is not the way to go when you want to find love. Love strikes when you least expect it.

**2. Career confidence:** Being established in your career can make you exude confidence that can be very appealing to a potential lover.

**3. Find balance:** Never overwhelm yourself with worry about either your career or your love life. If you're unhappy with either of these aspects of your life, be proactive.

## Lauren Bush Laughs About Her Potential Married Name to David Lauren

Socialite and model

Lauren Bush is currently discovering a new answer to the age-old question, "What's in a name?" The relative of former presidents George H.W. Bush and George W. Bush and founder of FEED Projects is engaged to be married to Ralph Lauren's son, David Lauren. Therefore, she will soon be Lauren Lauren if she decides to take his last name. Bush, who began modeling in high school, met David Lauren in New York in April 2004. According to [People](#), Bush tentatively plans to solve this ironic dilemma by hyphenating her name. "I think it will be Lauren Bush-Lauren. That's not final, but I think it's nice to have the same name as your husband. I am sort of old-fashioned in that way," she said.

**What are some ways to avoid having an unflattering last name after marriage?**

### **Cupid's Pulse:**

Though Lauren Lauren is more ironic than embarrassing, last names can be a very sensitive subject in a marriage, especially if they make you chuckle. Cupid has some advice on how to avoid ending up with an unflattering last name:

**1. Create a new last name:** It may not be traditional, but many modern couples have decided to create a new last name by

mixing both of their names together. This ensures that your child has a part of both your last names without sounding like a law firm.

**2. Keep your old name:** Your name is part of your identity, and choosing not to change it doesn't make your marriage any less meaningful.

**3. Hyphenation:** If you don't mind ending up with two last names, this might be the way to go.

**Do you believe that a woman should change her last name when she gets married? Let us know below.**

Sure, he just broke

up with Renée Zellweger last month, but [UsMagazine.com](http://UsMagazine.com) reports that Bradley Cooper is out mingling already with former *Friends* star Jennifer Aniston. Since the rumors started flying, multiple sources have stressed that this is not a love connection between the two, but instead just a rekindling of a friendship. “Bradley knows that by dating Jen, he’d be known as Mr. Jennifer Aniston,” a friend of the star of *The Hangover* and *Limitless* said. One insider added that Cooper and Aniston are trying to find more projects to work on together. ### **How do you remain independent in a relationship?**

#### **Cupid’s Advice:**

It’s tough to be your own person in a relationship. Cupid has some pointers when seeking independence:

- 1. Find a strong partner:** Staying independent is a heck of a lot easier if the person you’re dating wants the same thing as you do.
- 2. Don’t have a ‘failure to communicate’:** Don’t be afraid to tell your partner that you would like your own space at times. If he truly wants to be with you, he’ll understand.
- 3. Do your own thing:** Although it’s nice to do things as a couple, try doing some activities alone, such as working out or perhaps going out with your girls (or guys). This can be healthy for the both of you.

# Rob Pattinson and Kristen Stewart Double Date with Reese Witherspoon and Jim Toth

The whole *Water For Elephants* cast, including stars Reese Witherspoon and Robert Pattinson and their significant others Jim Toth and Kristen Stewart respectively, celebrated the film's premiere with a dinner at NYC hot spot Le Cirque, according to [HollywoodLife](#). Stewart and Pattinson headed to the circus-themed dinner soon after being spotted smooching in their SUV following the red carpet premiere. However, the pair wasn't the only cute couple in attendance. Newlyweds Witherspoon and Toth were spotted smiling, laughing and having a great time at the party

as well. Both couples have been making headlines lately with their hectic careers in the public eye, but it's great to see they still have time for romantic getaways, PDA and some fun!

### **What are the benefits of a double date?**

#### **Cupid's Advice:**

Sometimes a double date has more going for it than a one-on-one outing. Cupid has some ideas as to why that may be:

**1. They're less intimidating:** Double dates takes the pressure off. They reduce the pressure to be entertaining and interesting, because there's always another couple to pick up the slack. No awkward silences!

**2. They're fun:** Sometimes it's great to go out with a group of people and forget you're even on a date. Dates are a way to get to know one another, after all, and seeing how your potential significant other acts in a group is a big part of who he or she is as a person.

**3. They help form friendships:** Going on a double date helps lay down the foundation for future friendships. One-on-one dates are a good time in their own way, but it's important to have friends as a couple as well.

**What's your take on double dates? Comment below.**

## **'Bachelor' Couple Vienna**

# Girardi and Kasey Kahl Are Dating

It looks like *Bachelor* winner Vienna Girardi has found new love with *Bachelorette* contestant Kasey Kahl, reports [Hollywood Life](#).

"Kasey is genuinely a nice, caring, loving person, even when the cameras are off," said Girardi. That's what makes the difference. When we're at home eating dinner or watching a movie, he's still that sweet charming guy that he is when we're out in public. I want someone who is going to love me unconditionally, all day every day -- not just when other people are seeing it." Girardi's dramatic split from ex-fiancé Jake Pavelka on national television taught her to be careful while dating in the public eye. Kahl is also wary of public television-based romance. "I told myself I'd never date someone from the *Bachelor* franchise, but I met her, and everything went out the window," said Kahl. "She's amazing.

No matter what we've gone through, and no matter what she's gone through, I'm here now, and I will make sure she's the

happiest girl ever.”

**How do you trust in love again after a bad breakup?**

**Cupid's Advice:**

After a breakup, it's all too easy to become cynical. Here are a few tips to remaining optimistic:

**1. Special circumstances:** After a particularly nasty breakup, try to keep in mind that mistakes made during your past relationship will probably not be repeated in your future relationships. Allow each new partner a clean slate in order to get a true fresh start.

**2. Other fish in the sea:** Even if you believed your ex-partner was 'the one,' it's important to remember that there are plenty of other potential loves out there. Believe it or not, it *is* possible to fall in love more than once.

**3. You will need time:** It would be foolish to expect happiness immediately after a relationship ends. Recovery takes time, but eventually you'll be ready to get out there again.

# **Halle Berry Speaks Out About Custody Battle with Gabriel Aubry**

The rumored custody battle between Halle Berry and Gabriel Aubry might be coming to a close, reports [People](#). The duo, who split last April, have been recently engaging the court's help to solve their issues revolving around their daughter, Nahla, 3. "When there's a child involved, it's a relief when you can resolve things in a good way," says Berry, who also mentioned that the court proceedings have gone well. "Our issues were never about fighting for her. We both know a child needs both her parents. But what I want to say about it is sometimes, as a couple, you reach an impasse. We needed a court and a judge to help us work out some of the delicate issues, and I'm so happy we've arrived at that place – because for her sake, this is the best way. We both love her more than life."

**What things should you consider when deciding on custody issues after a divorce?**

#### **Cupid's Advice:**

Divorces are tough enough without the added turmoil revolving around kids from the relationship. Cupid has some things to

consider about custody after a split:

**1. What the child wants:** Perhaps the most important thing to think about in the midst of a separation is how the child is thinking and feeling. Before fighting over the best interests of the child, make sure to listen to what your children have to say about the situation. They might shed some much-needed light.

**2. The child's best interests:** Try to think about who is best equipped to have a child in his or her life post-split. If you're both completely willing and able, consider joint custody and split the time with your child down the middle. If one of you has a demanding career, perhaps full custody should go to the parent with a less time-consuming job ... with visiting rights for the other of course.

**3. What's best for you:** Although it's true that your child's interests should most likely come first, don't ignore what would be best for you in your situation. If raising a child will prove difficult for you, perhaps you should consider giving up custody. If you can't imagine your life without your child, voice that opinion, too.

# The Real Housewives of New York City's Simon van Kempen

# to Release Debut Single

As if *The Real Housewives of New York City* doesn't provide enough entertainment already, now one of the reality show's main men, Simon van Kempen, is busting onto the music scene with a pop and dance track called "I Am Real." The single, to be released today at 11 p.m. EST on Bravo TV's *Watch What Happens: Live*, takes an ironic look at the reality star and others from *The Real Housewives of New York*.

"Not many people know this, but I spent my childhood and early 20's studying and performing as a musician. Music has been a huge part of my life, and although I never thought of myself as a singer, I was thrilled and a little nervous when Joel Simon and JSM approached me with idea of creating a song," said the star. "More than anything, I wanted the track

to be fun, irreverent and to talk about my real experience on the 'Real Housewives of New York City.'”

Van Kempen, who was born in Brisbane, Australia and also grew up in New South Wales, moved to London at the age of 22. He lived in London for 13 years before eventually moving back to Australia. On a business trip to New York, however, he met his future wife, Alex McCord. The duo fell in love almost immediately.

## Katie Price: She Keeps On Kissing Frogs

By The Hopeful

Romantic

Katie Price, previously known under the pseudonym Jordan, cuts a lonely figure even when she's not alone.

The British television personality, occasional singer and former model has been in love and then she's been out of it ... Then she's been in love again and fallen out of it ... again. It's kind of sad.

When Price got together with singer Peter Andre, I was quietly pleased for her. It wasn't because I'm the biggest Jordan fan on earth, but because I felt that she needed someone stabilising in her life. She needed someone who genuinely cared about her. Of course, a few years and a couple of years later, that marriage crashed and burned, and she was left single again. She didn't let it get her down, however, and struck up a relationship with professional fighter Alex Reid and tied the knot with him in 2010. Not long after, that marriage dissolved as well.

There's something that feeling so sadly familiar about that situation, isn't there? We've all got those friends or relatives who are pretty, intelligent and every other adjectives that you could throw at them that would describe 'a

good catch'; yet they go bouncing from one horrible relationship to another. They're so wedded to a particular ideal that they can't even see when they have someone genuine standing right in front of them. They can't see the person who isn't like all the others – someone who will remain faithful and just wants to unpick every little bit of hurt that has been ever caused to them. The problem is, they never seem to see it until they're left trying to make do with the next loser that they choose to let in.

And it's just so incredibly sad.

I don't know what the psychology behind that is, do you? It must be really hard living out your life under the spotlight – having people like me and you watch celebrities' every moves and commenting on how they might have done things better. The reality is, people like Katie Price could do better. Let's face it: she needs to do better for not only herself, but also for the sake of her three children.

Everyone wants the fairy tale, the castle and the prince. They want the oh-so-elusive dream. But at some point we need to wake up and focus on what's really important, which is quality love. When we find it, we need to hold on tight.

Wishing you all the best of luck, Katie!

Keep Going!

**LeAnn Rimes and Eddie Cibrian**

# Party With Cibrian's Ex Brandi Glanville

Apparently kids really do bring people together! LeAnn Rimes and fiancé Eddie Cibrian were seen socializing with Brandi Glanville, Cibrian's ex-wife, for Cibrian and Glanville's son Jake's 4th birthday party at Chuck E. Cheese's over the weekend. According to [UsMagazine.com](http://UsMagazine.com), the three have been rivals ever since Eddie Cibrian cheated on wife, Glanville with Rimes in 2009. That said, last month they decided to call a Twitter truce with Rimes tweeting, "As a collective unit, Brandi and I would like all negativity to cease toward one another. Please for our families' sake stop the hate now and let us live our lives."

**What changes do you have to make to put jealousy in the past?**

**Cupid's Advice:**

There comes a time in all of our lives where we have to move

on and put certain things behind us. Cupid has some advice on changes to make in your life to put the green-eyed monster in the past:

**1. Live in the moment:** As hard as it is to forgive and forget, the only way for you to move along with your life is to live for today, and let go of things in the past.

**2. Focus on the good:** Jealousy comes from our constant need to look at what others in our lives have that we don't. Start focusing on what you do have, and you'll begin to see that there's more to be thankful for than you originally thought.

**3. Avoid questions:** If you know that you have a tendency to be an envious person, try not to ask about past relationships or things that other people have that may trigger your jealousy.

## Rob Pattinson and Kristen Stewart Smooch In New York

PDA alert! Robert Pattinson and Kristen Stewart were caught smooching in NYC Sunday after the premiere of Pattinson's new movie, *Water For Elephants*. The couple isn't usually a big fan of public displays of affection, but [People](#) reports that Sunday, Stewart was all smiles while getting cozy in a car with Pattinson before eventually speeding off. Although Stewart didn't hit the red carpet with her beau for the premiere, she certainly showed her support with some PDA afterward.

**What are ways to show PDA without making other people uncomfortable?**

### **Cupid's Advice:**

Sometimes couples engaging in PDA can make the general public uncomfortable. Here are some guidelines:

**1. Be subtle:** When in a public place, you never know who may be watching. Your safest bet is to be subtle by not having an all out "romp" in the middle of a restaurant. A little "footsy" under the table will do.

**2. Draw the line:** When it comes to PDA, you and your significant other should discuss what you feel is appropriate and what's not. Some couples don't mind kissing in public (like Kristen Stewart and Robert Pattinson), while other may

be totally fine with it.

**3. Hold it in:** If you and your partner have the urge for some serious affection while in public, your best wait until you're somewhere a little more private. This way, no one will stare at you like you're an exhibit at a museum or zoo.

## Charlie Sheen Seeks Temporary Custody While Brooke Mueller Goes to Rehab

Charlie Sheen may just be “winning” temporary custody of his two boys while

Brooke Mueller enters rehab. [RadarOnline](#) reports that Sheen's soon-to-be ex-wife checked in to a facility over the weekend following a crack-cocaine bender, where she sought out drug-free urine as well as refusing to take a court-ordered drug test. "Charlie Sheen has had enough with her excuses, period," said a source in Sheen's posse. "Brooke refused to take a random drug test. Charlie's attorney will use that as evidence that the boys are better off with him than with Brooke." Mueller's attorney is expected to argue that the boys should be with their grandmother, a socialite in Palm Beach. Her lawyer added the boys haven't seen the former star of *Two and a Half Men*, since he left for his Tornado of Truth tour.

**How do you decide if you should give up custody of your kids?**

### **Cupid's Advice:**

It's tough to know when to let go of your children to settle personal matters. Cupid has a few checkpoints to peruse when deciding who gets custody after a separation or divorce:

**1. Say "no" to drugs:** It's safe to say that kids should be avoiding illicit things while they're young, so make sure there isn't anything morally unfit in your house before welcoming your offspring into it.

**2. A foot on the career path:** Perhaps after your split you'd like to focus your life on your career, and having children around would only make things more stressful. Consider giving up custody to a more committed parent.

**3. A necessary and proper home:** The biggest part of your self-test is whether you can provide a proper home and lifestyle for your children to grow. Your child's welfare needs to be the top priority.

**What do you think are other factors necessary to consider when**

opportunity to really connect with the fans. It's a nice opportunity for me to connect with the people who actually go and see the movies."

## **How does married life feel different than the single life?**

### **Cupid's Advice:**

It may seem to you like you're already married before you actually tie the knot, but there are a few key differences in the life of someone who's married and someone who's single.

Cupid has some thoughts:

**1. You're never lonely:** Once your married, you have your best friend and partner in life. You no longer have to fear being single or alone forever.

**2. You have someone to share everything with:** When you're married, you have someone to confide in about your secrets, insecurities or even life's excitements. You no longer have to keep a wall up because someone is there to listen to and care about you.

**3. You have someone to always have fun with:** An important part of any marriage is to keep the spark alive, and the best way to do that is to simply have fun. When you're married you have someone to go to a concert with or with whom to plan the future.

# Prince William and Kate Middleton Practice Balcony Kiss

With less than two weeks left until the big royal day, everyone at the Westminster Abbey is buzzing with excitement. [UsMagazine.com](http://UsMagazine.com) reports that Prince William and Kate Middleton have rehearsed the entire ceremony, including the 1:25 p.m. balcony kiss. "It's not the actual kiss that needs rehearsing..." an aide told the magazine. "However, the angle that they come in at needs to be correct, otherwise they could block the shot and the world will miss out on that momentous moment."

**What kind of kiss should you use at your wedding?**

**Cupid's Advice:**

So your wedding day is almost here, and you're still undecided

about which wedding kiss to have. No problem! Cupid offers suggestions on how to decide:

**1. Mutual decision:** Speak with your significant other about what kind of wedding kiss you both want. If one of you wants a long intense kiss, but the other wants a short and sweet peck, perhaps you can compromise with something in between.

**2. Practice:** Once you figure out what kiss you both want, practice it. As they say, practice makes perfect.

**3. Keep it short:** We all understand that it's your wedding day, but try not to make out in front of a crowd. Keep your kiss short, sweet and sincere.

## 'Teen Mom 2' Star Leah Messer Files for Divorce After 6 Months

Just six months after the wedding of *Teen Mom* stars Leah Messer and Corey Simms, the two are filing for divorce. According to [UsMagazine.com](http://UsMagazine.com), the couple had just decided that everything was moving way too fast, especially considering their ages (16). Pre-marriage, Messer said, "I didn't want to jump into something else and be like, 'Oh, s\*\*t! What did we do?'. Three years ago, back before I was pregnant, I never thought I'd be married now. **How do you know when your relationship is over for good?**

### **Cupid's Advice:**

The more in love we are, the more we try not to see the flaws in our relationships. But how do you know when it's really time to call it quits? Cupid has some guidelines:

**1. Nothing to talk about:** If you find yourself scrounging for good conversation with your boyfriend/girlfriend, there may just be nothing left there for the two of you to discuss.

**2. Butterflies:** Of course every couple has their good and bad days, but if you don't feel in love at least every once in a

while, that's a bad sign. If that happy/excited feeling is no longer there, it may be time to reevaluate your relationship.

**3. Fighting:** It's human nature to disagree with people at times, but if the two of you not getting along is happening more often than not, it may be time to let it go.
