Celebrity Couples That Have Bounced Back After Cheating

By Jennifer Harrington and Laura Seaman

For those who follow celebrity news, cheating in Hollywood is hardly a surprise. What is often more interesting are the couples that, despite the spotlight and scrutiny, manage to stick together through a cheating scandal. So Cupid took a look at a few high-profile lovebirds who have weathered the storm of infidelity to see what lessons about moving on can be learned from the A-listers.

1. Josh Duhamel and Fergie: This couple met back in 2004, became engaged in 2007, and were married in 2009. Soon after they became man and wife, though, a stripper accused the actor of cheating. This didn't seem to upset the Black Eyed Peas singer, as she stayed with him through it all. In 2012, Duhamel addressed the rumors and said, "When you go through difficult times, it really makes you stronger as a unit, as a partnership. It does for us, anyways. Our love today is a deeper love, definitely." In 2013, they welcomed their baby boy Axl Jack Duhamel. What didn't kill this relationship made it stronger, and these two are as happy as ever.

2. Kobe and Vanessa Bryant: Hotel worker Katelyn Faber accused the basketball star of sexual assault back in 2003. While Bryant did admit that he slept with the Faber and cheated on his wife, he denied that it was assault. Through the trial and all of the press, Bryant's wife stayed by his side. The two are still together and are now raising their two daughters, Natalia and Gianna. In fact, they were recently spotted on a family vacation in Greece.

3. David Borneaz and Jaime Bergman: The *Bones* actor and his former Playboy Playmate wife have been married since 2001, but in 2010, he admitted to the public that he cheated on a then-pregnant Bergman. The other woman in the picture is no stranger to scandal: Rachel Uchitel was also a mistress of Tiger Woods. Later, to make matters worse, explicit texts between the two were leaked to the media. Soon after, the actor commented, saying of him and his wife: "We're working on repairing what has been damaged so badly." He now says that the entire affair was a type of bonding experience for the couple and that they are closer because of it.

4. David and Victoria Beckham: The soccer star was hit with a cheating accusation back in 2010 by *In Touch Weekly*, who published a piece stating that he had cheated on his wife with a call girl named Irma Nici. Beckham sued the magazine, and the suit was dropped. Beckham's rep released a statement saying the allegations were "completely untrue and totally ridiculous, as the magazine was told before publication." This past July, the couple, who has four children, celebrated 15 years of marriage.

5. Scott Disick and Kourtney Kardashian: This reality couple has faced allegations of unfaithfulness throughout the course

of their seven-year relationship. In 2011, rumors swirled that Disick and fellow reality star Kristin Cavallari were having an affair. Cavallari denied the rumors and speculated that they were initiated to spark interest before the premiere of a new season of *Keeping Up With the Kardashians*. With Kardashian pregnant with their third child, it sounds like all has been forgiven!

Ultimately, cheating should be avoided, and it's never a desired ingredient in any romance. But, unfortunately, it does happen. The examples from these high-profile couples proved that with time, forgiveness, and family support, it's sometimes possible to mend a relationship broken by unfaithfulness.

Celebrities Who Have Gotten Back Together After a Cheating Scandal

By April Littleton

Celebrities are known for being in the spotlight – especially if they are involved in a relationship with someone. Sometimes, this can get them into a bit of trouble if they aren't being true to the one they love. Whether the rumors are true or not, many celebrity couples have had their fair share of cheating scandals:

1. Kristen Stewart and Robert Pattinson: In July 2012, *Us Weekly* published pictures of Stewart having an affair with “Snow White and the Huntsman” director Rupert Sanders. The day after the scandal went public, the “Breaking Dawn” co-star issued out a public apology to Pattinson through *People*. “I’m deeply sorry for the hurt and embarrassment. I’ve caused to those close to me and everyone this has affected. This momentary indiscretion has jeopardized the most important thing in my life, the person I love and respect the most, Rob. I love him, I love him, I’m so sorry,” she said. After a brief breakup, the two ended up back together. However, the reconciliation didn’t last. The couple broke up for the final time sometime last year.

2. Fergie and Josh Duhamel: In 2009, an exotic dancer named Nicole Forrester claimed she had an affair with then 39-year-old Josh Duhamel. In an interview with Oprah, Fergie addressed the claims. "It was difficult. When you go through difficult times it really makes you stronger as a unit. As a partnership. It does for us anyways. Our love is a deeper love now," she said. The couple went on to renew their wedding vows shortly after the allegations. The duo are also parents to son, Axl Jack Duhamel, born Aug. 29, 2013.

Scolaro told *Life & Style Magazine* that Thicke said, "I want to get you into bed!" upon meeting her. Patton's reps denied all of her claims and stated that Scolaro was "just a girl looking for attention." Thicke and Patton were high school sweethearts and married in 2005. They have a son, Julian Fuego Thicke.

4. Keith Urban and Nicole Kidman: Part-time model, Amanda Wyatt revealed to *Daily Mail* that Urban cheated on Kidman throughout their relationship. "I feel sorry for Nicole. Keith cheated on her repeatedly with me, right up to just before they got married," she said. However, the accusations didn't seem to tear the couple's marriage apart. Urban and Kidman had their first child together in 2008, and had a second daughter in 2010.

David Boreanaz Says His 2010 Affair Strengthened His Marriage

Now that his 2010 affair is behind him, *Bones* star David Boreanaz is speaking out about the power of positive thinking,

according to UsMagazine.com. The actor says that after he cheated on his wife Rachel Uchitel, it ended up being a “bonding experience.” He explains, saying, “In a sacred ground like marriage, you find yourself out of it at certain times for reasons unknown that can be destructive. There could be a demon that kind of comes out and overtakes you.”

Although his infidelity was no doubt a rocky point in his marriage, he also says, “Do I believe in giving up? No, I don’t. I’m a fighter. I’m a lover.”

How do you overcome cheating in your relationship?

Cupid’s Advice:

It can be difficult to surpass unfaithfulness in a relationship, but it’s not impossible. Cupid has some suggestions:

1. Couples counseling: The most important thing you can do is hire a third party to listen to you air your grievances. A counselor will keep you “in check” so to speak, and you’ll have a safe place to share all of your feelings with your partner in order to potentially work them out.

2. Open communication: Instead of cowering away from each other, keep the lines of communication completely clear and in the open. Be brutally honest about everything in order to avoid any further suspicion.

3. Time: If you’re truly dedicated to your relationship, it’s going to take time to overcome the break in trust that cheating creates. The best thing you can do is to stick with it, and work at it.
