Celebrity Couple Predictions: Kris Jenner, Neil Patrick Harris and Rachel Bilson

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at three very different but seemingly happy couples. One pair of new lovers is all wrapped up in each other despite receiving their fair share of speculation from the public; another duo is thriving in their marriage and family; and the last couple is celebrating the recent birth of their first child.

Kris Jenner and Corey Gamble: Raise your hand if you believe that this is a real relationship. From the moment I saw these two together, the word "staged" came into my psychic radar. In fact, the best way to summarize this relationship is "staging with benefits." Don't get me wrong: Jenner is an attractive woman and still has it going on. Of course, she could cougar it up better than anyone – I even expect that from her at this point! There just seems to be calculation around this so-called relationship. All we really know about Gamble so far is that he works with Justin Bieber's manager, Scooter Braun.

Do not be surprised if you find out that Gamble is about to drop an album or he wants to start his own management firm. Better yet, he could partner with Jenner's empire. Either way, he wins because he is not only getting the attention he wants

but has a sugar mama to play with until this hot mess is done.

Neil Patrick Harris and David Burtka: I might be biased because I love the former *How I Met Your Mother* star and adore his relationship with Burtka. They seem to really love and respect each other, though I always wondered how Burtka felt about giving up his career – or shall I say *changing* his career – to accommodate Harris, who was more successful.

In case you didn't know, the couple got married in September and then moved to New York City with their two adorable twins. They are being open about the fact that Burtka was rather miserable in Los Angeles. Now in NYC, he's feeling like his happy self again.

These two are stronger than ever. Both will be able to have an identity, something Burtka struggled with in LA. Burtka will do a lot of theater, while Harris, of course, will host the Oscars. I also see that Harris will be on a television show that's based in NYC. Money is not an issue for them anymore, so they will be able to work or not work when they choose. Their family will remain a priority. The twins will flourish in NYC as well. All is moving in the right direction for the Harris-Burtka family!

Rachel Bilson and Hayden Christensen: These two actors just welcomed their daughter Briar Rose into the world. This little bundle of joy should turn out to be quite a cutie considering that both of her parents are lookers! But what is really going on with this couple? They're not married but have been together longer than many celebrity couples. They started dating in 2007, got engaged in 2008, broke up in 2010, and got back together only three months later. Now, they have a baby,

which is a game changer.

I predict that Bilson and Christensen will get married and that we will be the last to know about it. They'll invite some family and close friends to brunch or a party, and then a minister will drop in to officiate their wedding. I can see Bilson casually mentioning on a talk show that she's married. Parenthood will change this couple for the better, making them stronger. The *Hart of Dixie* actress is always going to be the breadwinner between the two of them, thanks to her successful TV career and being a spokesperson for numerous products.
