What are some ways to get out and meet potential partners?

Cupid's Advice:

Not all of us can land a career as an actor, so us "normal" folk have to use other methods. Cupid has some advice:

- 1. Join a class:** Enroll in a class that appeals mainly to the opposite sex. For instance, take a cooking class if you're a guy or boxing lessons if you're a woman.
- 2. Online dating:** They might not be for everyone, but you'll never know unless you try it. You might even end up finding The One on a dating site.

3. Socialize: Attend parties or join an organization. Going out in the world and communicating is the best way to find a partner.

Is it important that your partner understand you all the time?

Cupid's Advice:

Though no one can ever understand another person 100% of the time, if you listen to and love your partner, you should be able to come close:

- 1. Listen:** The more you listen to your partner the more you will understand them.
- 2. Know their likes and dislikes:** Once you know what your partner likes and dislikes, you should be able to predict how they will react in certain situations.
- 3. Be understanding:** In the event that you don't understand each other, don't make a big deal about it. Just decide if it's something you're willing to live with, and go from there.
