Celebrity Baby Adoptions

1. [Angelina Jolie](#) and **Brad Pitt**: It wouldn't be right if we didn't put these two at the top of our list. They met back in 2005 while filming *Mr. & Mrs. Smith*. Soon after, they began their celebrity relationship and now have six children together, three of whom are adopted. Jolie adopted her first child, Maddox Chivan Thornton Jolie, a Cambodian infant born on August 5, 2001, with her then-husband, Billy Bob Thornton. The actress adopted her second child, Zahara Marley Jolie, who was born in Africa on January 8, 2005, without Pitt. However, Pitt later adopted both kids. The famous couple adopted Pax Thien from Vietnam on March 15, 2007. Initially, Jolie filed alone because of the country's regulations, but Pitt adopted

Pax when they went back home. Pitt and Jolie's first biological child, Shiloh Nouvel Jolie-Pitt, was born in 2007, and twins Knox Léon Jolie-Pitt and Vivienne Marcheline Jolie-Pitt were born in 2008.

2. Tom Cruise and Nicole Kidman: Back when these two A-List actors were a famous couple, they adopted two children: daughter Isabella Jane, born in 1992, and son Connor Anthony, born in 1995. However, this Hollywood relationship came to an end when they announced their separation in February 2001 after Cruise filed for a celebrity divorce. Both Cruise and Kidman share custody of the two children.

Hugh Jackman's Wife Doesn't Like Her Man Too Buff

There's no denying that Hugh Jackman is in good shape, but this *X-Men* star's wife isn't all for her man being buff. According to UsMagazine.com, Deborah-Lee Furness thinks her

hubby's job is to do the opposite and stay out of shape for her. "My wife is always upset with me if I'm in really good shape," says Jackman, who has been married to Furness for 15 years. "'Overall, Deb would say to me my job is to be out of shape so that she can look as good as possible."

What do you do if your man becomes obsessed with working out?

Cupid's Advice:

Staying healthy and in shape is almost always a good thing, but when working out becomes an obsession and begins becoming a problem in your relationship, it may be time to search out ways to deal. Cupid has some ideas:

1. Make plans in advance: Purposely make plans at a time when you know your partner has planned to work out. Stress that it's very important to you that you keep the plans you have, and begin weening him out of his obsessive ways one interruption at a time.

2. Tell him how you feel: Sometimes men can get frustrated when women tell them how they feel in detail, so keep it short and to the point. Tell him that when he works out instead of spending quality time with you, it hurts your feelings.

3. Show him it doesn't matter: The best way to get your beau to quit working out non-stop is to show him that you're attracted to him even when he's not super buff. Make it known that you would actually *prefer* some less substantial physique.
