

Celebrity Exes: Demi Moore Posts Epic Throwback Emmys Pic with Ex-Husband Bruce Willis

By Nicole Maher

In the latest [celebrity news](#), Demi Moore shared a throwback image of herself attending the 1987 Emmys alongside now ex-husband Bruce Willis on Instagram. According to *UsMagazine.com*, Moore shared the image of the former [celebrity couple](#) to commemorate the 2020 Emmy ceremony, which took place without a red carpet or audience due to the pandemic. While the [celebrity exes](#) split back in 2000, Moore explained how their relationship grew stronger after their divorce, and how

the two are devoted to creating family memories with their three children. Moore and Willis were recently reported to be quarantining together, alongside their children, in Idaho earlier this year.

These celebrity exes have kept things civil and can even remember their relationship positively to this day. What are some ways to turn the corner from bitterness to happy memories after a break-up?

Cupid's Advice:

Sometimes we realize after getting into a relationship with someone that our bond was better suited for a friendship. Unfortunately, it can be difficult to back-track from this position without causing any bitterness or tension for both people involved. If you are looking for ways to limit the bitterness post break-up and turn the corner into a true friendship, Cupid has some advice for you.

1. Give it time: Even if you and your partner have gone through an amicable break-up, it can still be necessary to spend some time apart. During the time immediately following a break-up, bitterness and drama are likely to surface, which can be avoided if both parties limit their contact. Once the two of you have started on your own separate paths post-relationship, it can be easier to slowly build a friendship.

2. Respect each other's boundaries: It is important to

understand that while you are still in your ex-partner's life, your role has changed. Just like the two of us set boundaries in your romantic relationship, boundaries need to be established for your newly formed friendship. By understanding what both people want out of a friendship, you will prevent any bitterness or disagreements from forming.

3. Reminisce with each other: Just as Moore and Willis do, look back at all the great memories you made as a couple. Even if a relationship does not work out, it doesn't mean that all the memories you made together need to be tainted by the break-up. Remember things for how they were in the moment rather than how they are under the changed relationship status.

The actress admits that she relapsed after 20 years of sobriety. The interview comes a month after the release of her new book *Inside Out*. According to *UsMagazine.com*, Kutcher told her once, “I don’t know if alcoholism is a real thing – I think it’s all about moderation.” Moore tells Jada Pickett-Smith and her daughters that, “I wanted to be that girl. The girl who could have a glass of wine at dinner, or do a tequila shot at a party. In my mind, Ashton wanted that, too.” The actress also admits that losing her [celebrity baby](#) was her fault. Rumer, Moore’s daughter, said that she felt like she had lost her mom while she was in the [celebrity relationship](#) with Kutcher. She felt as though she “wasn’t good enough” for her mom.

In celebrity news, Demi Moore says she was addicted to Ashton, and it wasn't healthy. What are some ways addiction can affect your relationship?

Cupid's Advice:

Having an addiction can be very toxic in any form in your relationship. Whether it's a big or small addiction, it will have a negative affect. Drinking and smoking are the most common addictions, and they can tear your bond apart. However, there can be other addictions that have the same effects as a substance abuse. Cupid has some ways is to know if your addiction is affecting your relationship:

1. Communication starts to become strained: If you notice that your partner or your children do not want to communicate with you as often anymore, then you have to look into what you are doing differently than you used to. For example, if you are used to having family night and watching the football game together, and now no one has an interest in watching with you anymore, your addition could be the source of the problem. Ask your partner and your children why they're communicating with you less. If they respond with, "I don't like it when..." then your addiction is a serious problem.

2. Lots of interest in public events: You would rather stay at home and drink a glass of wine or skip a family event to go and play poker. If this is the case, your addiction might be affecting your life. You'll start to seclude yourself from people, including your family members, because you want to perform the action that everyone hates.

3. No effort in quitting: When your family members and friends tell you that your addiction is very harmful to yourself and others, will you try to stop? If you have the “tunnel vision” mindset when it comes to your addiction, you’ll never be able to see the affect it has on everyone around you. Quitting will not be easy, but it is the effort that counts. If you seriously want to quit, then find a support group nearby that will help you through the process.

Celebrity News: Demi Moore Suffered Miscarriage at 6 Months Pregnant While Dating Ashton Kutcher

By Ahjané Forbes

In [celebrity news](#), *Ghost* star and actress [Demi Moore](#) opened up about her miscarriage with [celebrity ex Ashton Kutcher](#). Her *Inside Out* memoir shares details of her battles with body image, career, childhood trauma, and infidelity. Moore admits in her memoir that she started to drink after she found out that her then-husband was being unfaithful. According to [UsMagazine.com](#), the [celebrity couple](#) was expecting a girl whose name would have been Chaplin Ray.

In celebrity news, Demi Moore opened up about a miscarriage she suffered with Ashton Kutcher in her memoir. What are some ways to support your partner who has gone through a miscarriage?

Cupid's Advice:

Seeing the “positive” come up on a pregnancy test for many women can be very exciting. Welcoming a bundle of joy to the family can be the happiest time in a woman's life. However, some pregnancies result in a miscarriage and can leave a heavy impact behind. It's not easy to uplift a person who has just encountered something traumatic. Cupid has some advice that will help you and your partner get through this difficult time:

1. Don't expect them to tell you how they are feeling right away: Everyone has a different way of processing hurtful situations. It's important that you keep an open heart and be mindful of the situation. Avoid saying insensitive things like, “You can have another one”. Not everyone is able to conceive right away or it might be hard for them to do so. Be there for them and offer any help they will allow.

2. Offer to attend therapy sessions with them: Therapy can help bring ease to the situation if your partner is willing. The therapist will be able to discuss the “root” of the problem and give you ways to make appropriate approaches to help with conversations at home. This also may take several sessions for them to be comfortable about telling you how they really feel. Don't force or rush them to talk.

Celebrity News: Demi Moore to Reflect on Ashton Kutcher & Bruce Willis Marriages In Memoir

By [Mara Miller](#)

In [celebrity news](#), [Demi Moore](#) is set to release a “deeply candid and insightful” memoir titled *Inside Out* that reflects on her [celebrity marriages](#) to [celebrity exes](#) [Aston Kutcher](#) and Bruce Willis, according to Harper Collins. *UsMagazine.com* reports Moore was married to Willis from 1997 to 2000 and have three daughters, Rumer, Scout, and Tallulah. Kutcher and Moore were together from 2005-2011, with their celebrity divorce being finalized in 2013.

In celebrity news, Demi Moore will open up about her failed marriages in her memoir. What are some ways writing can help you cope with a break-up?

Cupid’s Advice:

Demi Moore wrote an entire memoir after two of her marriages ended in divorce. While writing might not be your coping mechanism for a break-up (and it’s a *really* good way to cope), here are some other ways to get through your relationship ending:

1. Talk about it: Get some coffee with a friend or go to a restaurant for lobster and steak to dish all about the break-up. It’s not good to hold in emotions after a break-up and your friend is sure to be willing to listen to you vent! Use it as a chance to catch up with them too if you haven’t seen each other in a while.

2. Practice self-care: It’s time to put yourself first for a while. It is not selfish. You are putting your own well-being

first for once. Get a mani-pedi, binge-watch your favorite show on Netflix, or eat an entire pizza by yourself. Or all do all three! You need to learn to care for yourself again.

3. Practice positivity: Try not to let yourself dwell on everything negative that happened in your relationship. If you don't want to think about it at all, that's okay. Start a gratitude journal and write about all of the good things happening in your life. Or, if you need to write about your relationship, write about the positives and the things you have learned that you can take with you when you are ready to start dating again.

Rumer Willis Opens Up About 'Dancing With The Stars' and Her Parent's Celebrity Divorce

By Meranda Yslas

Rumer Willis, actress and daughter of former famous couple Bruce Willis and Demi Moore, recently sat down and talked on [Larry King Now](#) about the current season of *Dancing with the Stars* and her parent's [celebrity divorce](#).

Rumer Willis on Val Chmerkovskiy and *Dancing with the Stars*

According to Willis, season 20 of *Dancing with the Stars* is the season to watch her partner Val Chmerkovskiy. "I think it's going to be his year," she explains. "He's so sweet and really cares about the dance." Still, winning isn't going to be an easy task, especially being partnered with such a determined dancer. The actress admits, "He's definitely a strict teacher!"

Related Link: [Demi Moore and Bruce Willis Barely Interact at Rumer Willis' Performance](#)

With such an intense practice schedule, it's obvious that the

dancing is important for the duo. “When you’re doing a show that’s a reality TV version of ballroom dancing, it can become more about the costumes or the performance, but what I really like about him is he really cares about the dancing and keeping the integrity of what you’re actually doing,” she reveals.

Actress Talks About Her Parents’ Celebrity Divorce

Although Willis has her own career, she’s perhaps best known as the daughter of two A-list stars. Experiencing your parents’ divorce is never easy, especially if you’re the child of a Hollywood couple. As a 10-year-old, it was difficult for her to understand the role of the press and the tabloids in her everyday life. “I think one of the hardest parts was growing up with having your whole life kind of be on display and have people have an opinion about it before you learn how to get a tough skin and really just have confidence in who you are without letting other people’s opinions affect that,” she explains.

Fortunately, her parents’ celebrity divorce was made a little bit easier to handle, thanks to the continual support from her mom and dad. “I am so thankful and grateful that my parents made such an effort at the time,” she shares. “I never had to split up vacations or split up birthdays. They always made an effort to do all of the family events still together. They made such an effort to still have our family be one unit as opposed to two separate things.”

Related Link: [Rumer Willis Moves On With New ‘Glee’ Beau](#)

Given her family’s status in Tinseltown, the *Dancing with the Stars* contestant is subject to celebrity gossip. She tries to maintain a positive attitude about the rumors and be open to criticism. “If you want to judge me, I’m totally fine with

that," she candidly says. "And if you don't like me but just take five minutes to get to know me and if after that your opinion stays the same and you *still* don't like me, then that's your prerogative."

Having a confident attitude while dealing with negativity from the press and general public isn't easy to pull off, but Willis has her mother to thank for her perspective: "She always says, 'Live in whatever your integrity is, and go out to the world and present yourself how you want to present yourself and how you want people to see you.'"

Demi Moore and Bruce Willis Barely Interact at Rumer Willis' Performance

By Sanetra Richards

Keep the peace! And that is exactly what Demi Moore and Bruce

Willis seemed to do. The ex-couple of 13 years remained cordial at their daughter's, Rumer Willis, musical performance at West Hollywood's DBA on Saturday, April 5th. According to UsMagazine.com, although the two both attended, they sat at different tables: "They stayed after to congratulate her and chat for a bit," the eyewitness also said, "Bruce and Demi did not interact with each other." One male and two female friends joined the 50-year-old actress for the event, whilst the 59-year-old actor was accompanied by his pregnant wife Emma Heming-Willis.

What are some ways to keep things civil with your ex?

Cupid's Advice:

Every breakup comes with a list of things to consider after the split. One of them is occasionally seeing each other (even if not intentionally) after the split. Nevertheless, there are a few ways to maintain your composure and be cordial with your ex. Cupid has some tips:

1. Inhale, exhale: The first time you may see your ex will possibly catch you completely off guard (although you probably had a heads up). Remain poised and content. You will make it through the awkward moment.

2. Realize: You have turned the page and are now on a new chapter. Do not let your past relationship feelings taunt you constantly. Think about the good things that came after your ex, not the ones you experienced while with them. Your happiness will thank you.

Beginning a new relationship is an exciting feeling, but the

one thing that can be a little stressful is when it's time for your new boo to meet all of your loved ones. Cupid is here to help:

1. Start small: Introduce your new partner to only a select few of your loved ones when you're first starting out. You and your significant other will already be nervous enough. There's no need to bombard your honey's personal space with all of your family and friends all at once.

How do you move on after your divorce?

Cupid's Advice:

People don't get married just to get divorced, but sometimes it's the only option for couples who find themselves in a deteriorating relationship. Getting over a divorce can be painful, stressful and challenging. Cupid has some tips:

1. Acceptance: In order to completely move on from your divorce, you first need to accept the situation. Continuing to harbor feelings for your ex won't help you or him/her get on with their life. Give yourself the chance to start fresh. Sometimes two people aren't meant to be together in the long run. Your marriage ended for a reason. You might not understand or see the positive in the situation just yet, but give yourself some time – don't make the same mistakes twice.

Dating Advice: 3 Ways to Use the Psychic Edge to Find Mr. Right

By Louise Helene

Celebrities face the same challenges in love as everyone else, only their mistakes and heartbreaks are made public. Many of them seem to be repeating the same mistakes. If they would just listen to their inner intuition, or their “psychic edge,” their love lives would be much happier. Here are a few exercises that can help them *and* you:

Related: [Is That You, Mr. Right?](#)

1. Visualize Your Dream Man

Visualization is a powerful tool not only to draw to us what we want, but to exercise our psychic muscles. When we focus on something, we help the universe send it to us. I psychically feel Kim Kardashian longs for her soulmate. Because of her numerous failed relationships, many people wonder if it will last with Kanye West. Kim should lie down in a quiet place and get comfortable, closing her eyes and taking a few deep breaths. When she is totally relaxed, she should visualize the man of her dreams, being as detailed as possible. Once she has a clear image, she needs to say out loud, "Darling, I will know you when I meet you," repeating this five times. Kim's main problem is not recognizing her dream man when he comes along; this exercise will help her – and you – to do just that.

2. Command Him into Your Life

Never underestimate the power of sound, especially your own voice. Sound vibrations are very powerful in the universe and help us focus intuitively, helping us make the right decisions. Taylor Swift is one celebrity who's famous for singing about her Mr. Wrongs. She could use a psychic nudge to attract Mr. Right.

Every morning when Taylor wakes up, she should look in the mirror, close her eyes and take three deep, relaxing breaths before saying out loud, "Love of my life, come to me." She should say this three times, with confidence and belief, and repeat this mantra before she goes to bed. Done regularly, she might be planning a wedding in the coming year.

3. Write Down the Possibilities

There are many potential conclusions to any romance. Writing down these possibilities gives us a powerful psychic edge. What does your gut say? Just imagine the heartbreak that could have been avoided if Katy Perry, Selena Gomez, or Demi Moore had tried this simple exercise.

Whenever you have a question about a man in your life, write several statements about him down on slips of paper and fold them in half. For example: "he is a cheater," "he loves his ex," or "he is my soulmate." Put all the slips of paper in a bowl. Close your eyes and meditate for a moment before randomly choosing one of the slips of paper. What is your immediate reaction to the statement? Many times our conscious mind suppresses our natural insight. This is a wonderful way to feel the subtle sensations of your own intuition.

Romance is very challenging for all women, famous or not; that's one thing we all have in common. We need to start using our psychic edge to find the happiness we deserve.

Celebrity Couples Who Are Unlucky in Love

By Andrea Surujnauth

Celebrities' love lives are made public for the whole world to see and to judge. But even though some celebrities are all over the place with their love interests, that doesn't mean that there is no hope for them. A big celebrity that we all had our doubts about was Jennifer Aniston. From a broken engagement with Tate Donovan to a relationship with Paul Rudd to a failed marriage with Brad Pitt to a brief fling with Paul Sculfor to short relationships with both Vince Vaughn and John Mayer, Aniston has a long list of past unions that simply didn't work out. Now Aniston has finally found her leading man, Justin Theroux. The two started dating in 2011 and got engaged a year later. So although we thought Jennifer Aniston couldn't find love, after all these years she has finally found "the one."

The question is, are celebrities really that much different than us? Or do their love lives just look dysfunctional because they are always in the public eye? Let's take a look at a few more celebrities who have had trouble finding love and you can decide for yourselves:

Britney Spears:

Britney Spears became a pop idol sensation during the early 1990's. She began a relationship with Reg Jones from 1995 but ended it in 1997. She had a brief fling with Jason Geddart in 1997. By 1998 Spears moved on to begin her infamous relationship with Justin Timberlake. Their relationship lasted four years, and then Spears then moved on to her producer and dance choreographer, Wade Robson. They were together from 2001-2002. By 2003, Spears was rumored to be dating Tom Brady, Fred Durst, Nick Carter, Jared Leto, and Columbus Short. 2004 was Spears' wildest year yet. She got married...twice! First up at the alter was Jason Alexander, who was Spears' childhood friend. They were hitched during a drunken night in Vegas and annulled the marriage a few days later. Husband number two was Kevin Federline, one of Spears' background dancers. The two were together for three years and had two kids together. Spears then dated J.R Rotem, Issac Cohen, Howie Day, Criss Angel, and Adnan Ghalib. Spears then found love with Jason Trawik. The two were engaged for three years, but decided to call the wedding off. Lately, Spears has been seen with a new boyfriend named David Lucado, an employee at a law firm.

Taylor Swift:

Taylor Swift may be young, but she already has quite a reputation with the fellas. Swift first began a romantic relationship with Joe Jonas of the Jonas Brothers in 2008. This relationship didn't last very long because Swift moved onto her "You Belong With Me" co-star, Lucas Till. By the summer of 2009, Swift switched over to new boy toy, Taylor Lautner. The relationship was over by December of 2009. In 2010, Swift fired up a relationship with John Mayer, which only lasted a few months. Jake Gyllenhaal was Swift's next victim. They broke up in 2011. Conor Kennedy was the next heartthrob to date Swift. This relationship lasted a few

months as well. She went on to One Direction's Harry Styles and the two broke up after a while.

John Mayer:

John Mayer has quite a long list of love interests. Here is only a handful of the women on Mayer's list...just to name a few. In 2002 John Mayer was reportedly dating actress Jennifer Love Hewitt. The relationship was short-lived. He then moved on to dating Jessica Simpson in 2006. However, by the next year, Mayer began dating Minka Kelly. That only lasted a few months as well because by the year after that, 2008, Mayer began an on-again off-again relationship with Jennifer Aniston. He was apparently serious about her since he reportedly told Rolling Stones that the breakup "was one of the worst times of my life." He bounced back pretty quickly since by a little while after the breakup, he began dating Taylor Swift which lasted from 2009-2010. He then moved on to Katy Perry. The two seem to have an on-again off-again relationship going on. Lets see how long this one lasts!

Demi Moore:

In 1980, Moore was married to Freddy Moore. Their marriage lasted 5 years. In 1985, she became engaged to Emilio Estevez. The two had plans to wed in 1986 but called it off. By 1987, Moore was married to husband number two, Bruce Willis. The two were married for 13 years and had 3 daughters together. They were divorced in 2000. She then began a relationship with Asthon Kutcher who is 16 years younger than her. After dating for two years, Kutcher and Moore were married in September 2005. The marriage lasted a while but the two announced their divorce in 2011. Infidelity was rumored to be the cause of the divorce.

Expert Dating Advice: The Benefits and Pitfalls of Dating a Younger Man

By Marni Battista

Demi Moore, Mayor of Cougarville – Population: 1?

Demi Moore has done it again. Earlier this year, she scooped up a hunk of a fellow, and this time he is even younger than

Ashton Kutcher. In January, Moore, who is currently in the middle of her divorce with Kutcher, was seen out doing nothing but drinking and partying with the younger set. She was photographed with art dealer, Vito Schnabel, who is 26 years old – which, in case anyone is counting, is half of her age. So should our collective response be along the lines of “you go, girl!”, or should we feel sorry for her? She shares her admiration for younger guys with the likes of Jennifer Lopez, Mariah Carey and Madonna, so it seems to be a common trend in Hollywood. Is there really a difference if a woman dates a man fewer than 10 years younger than her versus 20-plus years younger? Does it matter?

We can learn a few things from these famous ladies about the benefits and pitfalls of dating a younger man.

Related Link: [Cougar Dating Love Lessons Even Demi Moore Can Use](#)

BENEFITS

Lack of baggage: Hooray! No psycho ex-wife? Check. No kids who hate you? Check. When dating a younger man, you can be confident that he won't have a nightmare ex to drive you crazy. Plus, he won't come loaded with a horrendous view of women based on his traumatic past relationships.

Having grown up in a slightly more modern society than you will most likely enable him to have a fresher perspective on women as well as a different opinion of “the working woman,” as his mom may very well have been that very girl. In addition, because there is less baggage, there is less compromise for the older woman. There is less “stuff” to have to incorporate from his life into yours. And as a result, he's more likely to slip into your everyday world effortlessly.

Health: A younger guy has a much higher probability of being healthy and fit. This means that, when you go on that beach stroll or hike in the hills, he's not going to be complaining

about his knees. For a woman who feels “young at heart” and also has a healthy lifestyle, a younger man will feel like more of a match.

An added bonus? When it comes to the care and feeding of her partner, the extent of a younger man’s daily intake will be more along the lines of a B vitamin rather than Preparation H or Tiger Balm. We like the former option better.

PITFALLS

He may not know what he wants to be when he grows up: When you date a man who’s your age (or perhaps five or ten years your senior), he’ll most likely be established in his career and set on his life intentions. But a younger man might be just starting out or still struggling with what he wants to do. Not only can this cause an issue regarding his financial security, but it can also lead to an identity crisis – for both of you. Being with a man who is launching a professional career or perhaps is between jobs can be a daunting task. You just have to be up to the challenge.

Fear of leaving you for a younger lady: Jennifer Lopez supposedly has asked boyfriend Casper Smart, “Why don’t you go find a young girlfriend and get out of here? What do you want with me?” Well, we can think of a few things... But he doesn’t appear to be going anywhere, so perhaps she has nothing to worry about anyway.

Related Link: [J. Lo and Casper Smart: What Their Body Language Says About Their Love](#)

That said, it’s a common for an older woman dating a younger man to fear that he’ll leave her for someone younger. Unfortunately, you can’t make yourself younger or make him older, so it’s critical to get comfortable and trust that his feelings for you extend beyond the physical.

Whether your type of guy is older or younger than you, just

remember that if it feels right and he meets all your needs (emotional, physical, intellectual and spiritual), you can go for it while still holding on firmly to your dignity!
