How friendly should you be with your partner's ex?

Cupid's Advice:

While it might seem difficult to befriend the person who let your partner go, there might be some benefits to being friendly with your boo's ex. Cupid has some tips on exactly how friendly you should be:

1. Watch and learn: Use your sweetie's relationship with his or her ex as a guide to show you how friendly to be. It won't

do any good to become best friends with the person your partner swore to never talk to again.

2. Don't get discouraged: Befriending your mate's former flame provides a great opportunity to commiserate about your partner's bad habits and stupid jokes. But don't let the ex poison your mind when they talk about your partner's role in the failure of their relationship. Every relationship is different, and history doesn't always have to repeat itself.

3. Keep a safe distance: An ex may befriend you or your partner because they still have some leftover feelings for your beau. Make sure to keep them at arm's length, and learn their true intentions before being too welcoming.
