Cupid’s Advice:

If you’re looking to follow Washington’s lead and have a simple and sweet wedding, then you’re in luck because Cupid

has some advice for you:

1. Guest list: If you want the ceremony to be more intimate then don't go crazy with your guest list. Only invite immediate family members and friends that you're super close with.

2. Simple attire: A low-key wedding means low-key attire. Opt for a simplistic chic wedding dress that you'll be able to wear again. Your hubby can rent a tuxedo rather than go through the hassle and expense of purchasing his own.

3. Don't try to impress people: Once you get into trying to show off to your friends and family is when your wedding becomes more of a show than a ceremony. Your guests are there to celebrate your union as a couple, not for you to show off to.
