Cupid's Advice:

Maintaining your privacy goes a long way for a happy relationship. Here is relationship advice for hiding away from peeping eyes:

1. Keep it off social media: There's plenty of reasons to keep your relationship away from social media and not all of them are as pessimistic as 'what if it doesn't work out'? The issue with posting about your love is that it opens the gate for questions and rumors about your situation. This doesn't mean you and your boo can never post. If you go somewhere special, show it off! But don't bombard your followers' feed with the deets on your intimacy.

2. Keep it positive: Backing each other up in public is a necessity in a relationship. You have the right to disagree of course, but keep the real fights and hurt feelings behind closed doors. If your fighting in public and making up in private, the world's only going to know the negative.

1. “*The Romantics* gets much of the female chitchat right, from catty asides to sisterly chase-fights in bare feet,” says *Time Out New York*’s Joshua Rothkopf.

2. “Replete with unconventional music choices, hand-held camerawork, and a rather simple, yet dramatic and funny plot, the film balances itself out with its share of hits and misses,” says [Limité Magazine’s](#) Daniel Quitério.

3. “So one enjoys *Romantics* for the genre trappings – the inebriated toasts, feverish gossiping, unexpected trysts, the de rigueur wedding dress snafu and bright lines that cut through the mood of sentimentality and nostalgia,” says the [Hollywood Reporter](#)’s Kirk Honeycutt.

Other notable actors and actresses in the film include Adam Brody, Malin Akerman, Elijah Wood, Diana Agron, Jeremy Strong, Rebecca Lawrence and Candice Bergen.
