

# Love Conquers Anger for Barry Williams & Elizabeth Kennedy

Former *Brady Bunch* star, Barry Williams (Greg Brady) has chosen to let go of past drama with Elizabeth Kennedy and give love another chance, [RadarOnline](#) reported Tuesday. Previous reports of a restraining order against Kennedy for her alleged knife-wielding, death threats, and illegal ATM withdrawals totaling \$29K, don't seem to hinder the actor's resolve to reunite with his ex.

**What can you do to repair a damaged relationship?**

## **Cupid's Advice:**

After a relationship has been through physical violence, emotional trauma, and overwhelming feelings of insecurity, it can be a rough road back to happiness. If a couple truly

wants to recover from a rocky past, there are several methods to get started.

**1. Get counseling:** Find the source of anger, whether it's on your side, your partner's side, or both. Learn how to manage it. Talk with a professional if you can't resolve the problems on your own.

**2. Regain trust:** All successful partnerships have a common thread: belief in each other. If you've lost it, you'll need to build it up again. Remember to keep trust as an ideal to continually strive for in your relationship.

**3. Recommit to each other:** You must be ready to work through your troubles together in order to recreate your happy place. Find common ground for a new starting point, and see where it goes.
