By [Shoshi](#)

The latest celebrity news has been brimming with romance gossip. Recently, these famous couples have made headlines for their relationships and love, whether it be Jennifer Aniston's secret [celebrity wedding](#), Caitlyn Jenner's budding romance, or Elizabeth Olsen's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Couple Predictions and the Latest Celebrity News

Jennifer Aniston and Justin Theroux: Fans of [Jennifer Aniston](#) let out sighs of relief when it was announced that she *finally* married Justin Theroux. We were all wondering if this marriage was ever going to happen! Now that the two have walked down the aisle, the media can finally stop making the actress look pathetic when it comes to love. I never believed that she was as miserable as people wanted her to be. She dated quite a few cuties along the way – why should

she have to settle down?

As a relationship expert, I see good energy for this celebrity couple. Everything should work out if they are committed to making their marriage work when they hit bumpy times. Soon, there will be celebrity break-up rumors, but pay no attention to them.

Theroux has seen a dramatic upgrade in his living situation since he started dating Aniston. That is not to say his bank account is anything to side eye. When it comes to money, the *Friends* alum is clearly the one with more. I see a big prenuptial agreement in place if this marriage ever takes a turn for the worse. It looks like there is a cheating clause, which is ironic since it is speculated that Aniston may have swooped in on Theroux when he was in a relationship. All the best to these two! May that prenup gather dust and never be used.

Caitlyn Jenner and Candis Cayne: [Caitlyn Jenner](#) has faced her share of relationships rumors. Now, everyone wants to know who she will date: men or women, maybe even both. All eyes are currently on the relationship that she has with Candis Cayne. Are they dating or not? As I take a look at these two, what I see is really close friendship. At least for now. You know how things in the Kardashian world can change! Jenner can learn from Cayne as well as talk to her about things that her family cannot understand. That being said, like most people who are brought into the Kardashian mix, Cayne is benefiting from being Jenner's best girlfriend. It is a win-win situation for both of them. Just don't look for them to step out as a famous couple. It's unfortunate – they would be so hot together!

Elizabeth Olsen and Tom Hiddleston: It looks like Mary Kate and Ashley Olsen's little sister Elizabeth is dating British actor Tom Hiddleston. The two haven't confirmed that they're dating, but photos are showing that they seem pretty darn close. The alleged famous couple met while playing husband and wife on the set of *I Saw The Light*, a movie about Hank and Audrey Williams. While they make a good-looking pair, it looks like it will only be a casual romance. Olsen broke up with her fiancé at the beginning of this year, and a serious relationship is not on her mind right now. She wants to have a bit fun instead. As for Hiddleston? He is becoming hot in the business, so he will add a few gorgeous starlets to his little black book to fit right in with the other eligible bachelors in Hollywood.

Elizabeth Olsen Is Dating 'Very Good Girls' Costar Boyd Holbrook

By Jennifer Ross

One of the Olsen sisters is in love! Little sister to celebrity twins Mary Kate and Ashley, Elizabeth Olsen has recently been seen out in New Orleans, holding hands with a new beau. Confirmed by UsMagazine.com, the lucky man is none other than her *Very Good Girls* costar, Boyd Holbrook. A source close to Olsen, 23, spoke of the costars budding relationship details, stating that they have “been dating for awhile now...trying to keep it hush-hush, of course. They met from the first read of their movie together, and there was great chemistry there.” Whether this relationship will last, only time will tell. However, one thing is certain, the source said Olsen “really likes him!”

What are some characteristics to look for when you're first dating someone?

Cupid's Advice:

During the first few dates, it can be a difficult to tell if your potential partner could be the one. After all, everyone

has their best foot forward. However, there are moments when he/she will give little clues to his/her true characteristics. Being able to see and understand them quickly will help in deciding whether you want another date. Below are a few positive characteristics that you should keep in mind:

1. Generosity: A person can be generous with their spirit, their time and/or the wallet. The real important thing here is that a generous person freely gives to matters they care about, often forgives and seeks the best in others. When with such a person, your needs may be met before even asking. Generosity in a relationship is a winning deal.

2. Openness: The ability to be naturally open is when your potential mate is able to share genuine thoughts and feelings. Also, he/she is not afraid of whom they are or do not feel the need to hide when emotionally exposed. Being with an open person will allow you to exchange deeper, personal feelings early on with much ease; thus, creating a strong bond.

3. Humor: Potential partners that have a great sense of humor can see the fun in situations and laugh at themselves. In these moments, you two will find yourselves laughing often, relaxing and letting tension go. As a result, this can carry any relationship through the hard times and on to better days.
