By [Ahjané Forbes](#)

In [celebrity news](#), [celebrity baby](#) rumors sparked when Halsey's boyfriend, Evan Peters, was spotted rubbing her belly. According to *UsMagazine.com*, the singer took Twitter to joke about the situation saying, "Is it a boy? Is it a girl? It's pancakes." Halsey had encountered a similar situation with celebrity ex-boyfriend, Youngbud. She was holding her stomach and wearing an over-sized T-shirt.

In celebrity news, Halsey is not pregnant after all. What are some ways to squash pregnancy rumors?

Cupid's Advice:

Having people assume you're pregnant when you're not can be a pain. However, sometimes a picture can make people believe that you might be "showing" or "hiding" something. Cupid has some advice on how to handle those rumors:

1. Make a joke out of it: As soon as you post a picture to Instagram with an over-sized shirt or loose dress, your followers might think that you are pregnant. This can cause frustration and anxiety, but have some fun with their assumptions. Create a video to post online talking about the allegations, and then tell them you're pregnant with a food baby.

2. Answer the question head on: Nothing is better than the truth, right? Tell your friends, family members, and social media that you will not be having a baby. If you let them know the truth from the source, they will no longer question it.

3. Leave it to time: Gossip does pass and people do figure out the truth on their own. If you're not a person that likes confrontation or a million questions, then you don't have to answer. Your silence (and lack of a continuously growing belly) will speak volumes.

5 Celebrity Couples That Fight Dirty

By [Whitney Johnson](#)

It's no secret that mean words and angry actions can be detrimental to a relationship. Still, it's easy to get caught up in the moment and say or do something you don't mean. Even celebrities are guilty of this inappropriate behavior – and unfortunately, their arguments are often caught by paparazzi and splashed on tabloid covers for all the world to see. In order to learn from their mistakes, here are five celebrity couples that fight dirty:

1. Emma Roberts and Evan Peters: This past summer, the 22-year-old *American Horror Story* actress and her boyfriend were caught in a violent fight that led to Roberts being booked in a Montreal jail. When the cops arrived at the scene, Peters was found with a bloody nose and a bite mark. Fortunately, no charges were pressed, and the couple remains happily in love.

2. Mary Delgado and Byron Velvick: Season 6 *Bachelor* Velvick

was engaged to the show's winner for five years before they finally split in 2009. The couple first showed signs of trouble when Delgado was arrested for assaulting her fiancé in 2007. According to the police report, she was under the influence of alcohol when she punched Velvick in the mouth.

3. Rihanna and Chris Brown: It was hard to miss that infamous picture of Rihanna after an argument with Brown escalated and he repeatedly attacked her following a pre-Grammy party in 2009. Still, the couple reunited and has since been in an on-again, off-again relationship. The pop star most recently referred to the incident as “the biggest wake-up call.”

4. Kourtney Kardashian and Scott Disick: You can still fight dirty *without* being physically violent, and this reality star couple is proof of that. Thanks to E!'s popular show *Keeping Up With the Kardashians*, they have to relive their many arguments and sometimes work through the issue more than once – even months after the initial disagreement occurred. Even so, Disick recently told Ryan Seacrest that the couple is “decently happy.”

5. Sharon and Ozzy Osbourne: Early in their marriage, during Ozzy's drug- and alcohol-filled days, the rocker reportedly beat his wife, even trying to strangle her once. Somehow, though, they worked through their issues and have been married for over 30 years, briefly separating earlier this year.

Emma Roberts Arrested After Fight with Boyfriend Evan Peters

By April Littleton

Emma Roberts was arrested July 7 after getting into a fight with boyfriend and *American Horror Story* actor, Evan Peters that left him with a bloody nose. The couple got into a heated argument earlier that day, which resulted in them physically assaulting each other. A rep for both actors told UsMagazine.com, "It was an unfortunate incident and misunderstanding. Ms. Roberts was released after questioning and the couple are working together to move past it."

How do you address violence in your relationship?

Cupid's Advice:

Domestic violence should be an extreme red flag for anyone who's in a relationship. No one should have to worry about being physically or mentally abused. You want to feel safe with the person you're sharing your life with. If you're in a situation where you're getting hurt in any way, Cupid has some advice:

1. Tell someone: The first step to acknowledging that your relationship may be toxic is to tell a close friend or family member. Your loved ones may be able to give you a safe place to stay or give you some helpful advice. You might also want to call a professional who could help you and your partner figure out why the relationship has taken such a violent turn – that is if you're interested in working things out.

2. Talk to your partner: Tell your significant other that what they're doing is scary and harmful to you. You may want to remain in the relationship, but you can't if your life is in danger. If any potential arguments begin to surface, try to remain calm and keep your love from getting too angry. If you can't have a calm, adult conversation with your partner without them going over the edge, they may have some issues that you can't help them with.

3. Get help: It may be necessary to call in reinforcements if the situation doesn't get better. Seek out someone who specializes in domestic violence, call your family and friends and the law may even need to get involved if the violence continues to be a problem.

What are some ways that sharing a career can bring you closer as a couple?

Cupid's Advice:

It's always good to have some things in common with your partner. If you both share an occupation, there can be plenty of added benefits. Here are a few of the ways that sharing a similar career path as your beau can strengthen your relationship:

1. You can exchange advice: If you both work in the same field, you can easily support each other. Look at where your strengths and weaknesses lie: if you aren't great at something, but your partner is, ask them for advice. Helping each other out to better yourselves will bring you closer as a couple.

2. You understand the ups and downs of the profession: Being able to truly understand the difficulties of a certain line of work will enhance your communication and improve your relationship. If your beau comes home from a hard day at work, you'll be able to sympathize with their grumpy mood and can show them you care.

3. It provides more opportunities to spend time together: There is a reason why both of you chose this career path, so figure out what it is and embrace it. If you're both teachers because you love educating others, volunteer to tutor kids after school. Figuring out hobbies you both enjoy based off your career will enhance your time together.
