Tim McGraw Credits Faith Hill for Helping Him Quit Alcohol

By Sanetra Richards

Tim McGraw hasn't had a drop of alcohol in seven years. According to UsMagazine.com, the country star revealed his battle with alcoholism in Men's Health July/August issue, pointing to his wife of 17 years, Faith Hill, as the person to get him back on track. "When your wife tells you it's gone too far, that's a big wake-up call," said McGraw. "That, and realizing you're gonna lose everything you have. Not monetarily, not career-wise, but family-wise," he added. "It got to the point where my kids were getting older, and it was way past the point that they noticed it. And I noticed that they noticed." Fortunately, the 47-year-old has been able to turn it all around since, but also credits his mother, Elizabeth Ann D'Agostino, for speaking on it before he married Hill. "Early in my career – I think I was 19 – I was so shy that to even get up onstage in a club, I'd need a few drinks," McGraw shared. "I remember my mom tellin' me, 'Y'know, if you don't get up there a couple of times without doing that, it's gonna be a problem.'" "I drank too much," he continued. "I partied too much. And did other things too much. Chemically. No needles or that kind of stuff, but...use your imagination."

Although McGraw is sober, he still reminds himself of what his life could have resulted in. "Keith Whitley taught me how demons can overtake you if you let 'em. And I was headed down that path," he said, referring to the late country singer (who died of alcohol poisoning). "You feel like you're supposed to be 'on' all the time. Then you drink and get onstage, and all of a sudden you feel confident and powerful. It becomes a habit. Up until seven years ago, there were not a lot of shows that I didn't have something in my system."

How do you approach helping an alcohol or substance abusive partner?

Cupid's Advice:

The mood swings, breakdowns, depression episodes ... you deal with it all when you are involved with an alcohol abuser. At times you may even feel helpless. Every road you attempt to take is always a dead end. Cupid has some tips to (possibly) successfully help your partner along the way:

1. Realization: The sooner you realize you cannot change your partner, the better. Although it is beyond difficult watching them resort to substance(s) as a coping mechanism, you have to allow them to want to change on their own. A motivation and desire must come from within before this step is taken. Typically, when an individual is addicted to drugs or alcohol, they are quite hesitant and stubborn about giving it up. With that being said, it will take time. As long as you have patience and continue to encourage treatment, the time will come.

2. Pay attention to yourself: Do not ever put yourself in harm's way. If your partner is reacting violently to your advice or to anything you say/do, it is best to leave. Never jeopardize your safety just because you think guilt may come

along. Another way to ensure you are taking full care of yourself is to confirm you are stable enough to be attentive to an alcohol abuser. Can you mentally, physically, and emotionally handle it? These are a few questions to keep in mind.

3. Be informed: If you choose to remain by their side during this tough time, know exactly what all you could be facing. Take the time out to research on what the addiction entails. If your partner has agreed to sobering up, do not be opposed to attending AA meetings with him or her. Not only will you learn more about the disease, but you will also be their support system throughout the journey.

Tim McGraw and Faith Hill Deny Divorce Rumors

By April Littleton

Tim McGraw and Faith Hill insist that their marriage is still going strong despite the recent tabloid reports about an inevitable divorce. “[Rumors] seem to be running like crazy right now for some reason. It’s perplexing,” Hill told [People](#). “I don’t know why ‘happy’ can’t be a story.” The couple have been married for 17 years and have three children together.

How do you keep rumors from affecting your relationship?

Cupid’s Advice:

A stable, committed relationship is hard to maintain when rumors are involved in the equation. As a couple, you and your partner have to remain strong and keep an open line of communication between the two of you in order to get past this. You have to have an extreme amount of trust, among other things, to look beyond the hurtful rumors that are being said about your relationship. Cupid has your back:

1. Communicate: One small misunderstanding can ruin a long-term relationship. If you hear something you’re not sure

about, talk to your partner about it. Sometimes a piece of information can be taken the wrong way and can get back to you completely misconstrued. As long as you and your significant other remain open and honest with each other, any gossip you hear from family or friends should be able to go in one ear and out the other.

Related: [Doug Hutchinson and Teen Bride Courtney Stodden Separate](#)

2. Ignore it: More often than not, the people who spread the rumors involving your relationship are looking to get attention from you and your honey. Don't sweat it. The whole world doesn't need to know the details on what's going on with you and your boo. If you don't feel like sharing the truth or even acknowledging the rumor swirling around, then don't.

Related: [Bruce Jenner Says 'Nobody is Filing for Divorce'](#)

3. Address the problem: Sometimes the best way to get rid of a problem is by confronting it head on. Let all of your loved ones know what's going on before the rumors get out of control. You don't have to tell everyone you know. Just tell the people who you consider to be in your close circle. As long as your close friends and family members know the real deal, the misinformation shouldn't bother you and your partner as much.

Zimbio's Top 10 Sizzling Celebrity Couples

When it comes to celebrity couples, everyone wants to know which ones are hot and which ones simply don't make the cut. Zimbio came up with a list of their 100 Hottest Celebrity Couples. Celebs were rated on their levels of success, attractiveness, popularity and staying power. The total of the scores in the four categories determined each couple's rank on the list. Although one of the couples has since split, the other nine are still happily together – as of now. Let's take a look at how hot Zimbio's top 10 list is:

1. Angelina Jolie and Brad Pitt: Who other than “Brangelina” should get the number one spot? Jolie and Pitt's names have graced headlines ever since word got out that they were an

item. On success, Zimbio said, "These two command the box office," and their attractiveness and popularity are self-explanatory. As far as staying power, Zimbio believes they have more reasons to stay together than the average celebrity couple.

2. Beyonce and Jay-Z: *Parade* magazine reported that this couple racked up a total of \$162 million this year, proving their obvious success. Also, this couple keeps their relationship strictly between them, giving their relationship longevity.

3. David and Victoria Beckham: Their attractiveness ranked a scorching 19 on the scale of one to 20. Posh Spice remains a feisty diva who has perfected her fashion tip, and the soccer player has always been noted for his good looks. Though rumors have circulated about the couple having affairs, they are still holding strong, 12 years later.

4. Gisele Bundchen and Tom Brady: There's no need to speak on success, as Brady is one of the hottest names in the NFL and the former Victoria's Secret angel continues to land many cosmetic endorsements. This is a first marriage for this seemingly ageless couple – one that will hopefully last!

5. Faith Hill and Tom McGraw: Though Zimbio doesn't think this couple is too hot, success sums them up in a nutshell. Hill had 1.2 million Google searches last month, and McGraw's 2.25 million was enough to put them in the top tier of most popular couples, according to the site. We predict that this couple will continue their happily ever after, as their staying power ranks 20 out of 20.

6. Will Smith and Jada Pinkett: You should have known this hot Hollywood couple was coming! Smith and Pinkett are the epitome of the sweet, down-to-earth duo everyone loves. They have both spoken out about divorce before, and simply put, it won't happen.

7. Jessica Biel and Justin Timberlake: Although this couple gained a spot in the top 10 list, the fire to their flame has been blown out. However, the former pair ranked 19 out of 20 for both popularity and attractiveness.

8. Gwen Stefani and Gavin Rossdale: While they aren't as successful as the others, this musical couple ranks high in attractiveness. Though Stefani used to date No Doubt band mate Tony Kanal, there's "no doubt" she and Rossdale are a match made in heaven.

9. Johnny Depp and Vanessa Paradis: According to Zimbio, "Johnny Depp became the highest-paid actor for a single role in the history of film" after shooting *Pirates of the Caribbean: Dead Man's Chest*. If that's not success, we don't know what is! These dark-haired lookers have an unpredictable staying power and didn't rank high in popularity, but made the top 10. Kudos!

10. Heidi Klum and Seal: Seal's album *Soul* ranked number one on the French album charts for 13 weeks straight last year, and Klum's 2010 income was said to be \$14 million, according to *Forbes* Celebrity 100. Though Seal has a rare condition called discoid lupus erythematosus that caused the scars on his face, Klum, the bombshell Victoria's Secret model, only noticed his flawless personality.

This Top 10 list is just a small portion of what's on Zimbio's Top 100 menu; if you can't take the heat, stay out of the kitchen. For the rest of the list, visit Zimbio.com.

Celebrity Couples Who Have Stayed Together

By Erin O'Riordan

Why do some celebrity couples end up as a train wreck, while others seem to withstand the test of time? Different strategies work for different power couples. For some, private time is the glue that cements them. For others, it's a conscious decision to put marriage and family before work or making time for grand romantic gestures.

Check out what works for these four celebrity pairs:

Beyonce and Jay-Z: They are one of the world's great couples. Jay-Z has an undeniable charm, a laugh to die for and a fantastic smile. The key to their happiness may lie in their

equal success – both reportedly make around \$80 million yearly. Celebrity couples have survived even without equal success, though, so what works for Jay-Z and Beyonce might be their commitment privacy. The couple is notoriously private about their relationship, keeping the magic between them and not opening up their bedroom to the world.

Faith Hill and Tim McGraw: Married since 1996 and some of the hottest entertainers on the country music scene, these two owe their success to spending time together. Even with their busy touring schedules and McGraw's burgeoning movie career, they try never to spend more than three nights away from each other's sides.

Jada Pinkett Smith and Will Smith: He's the only actor ever to have scored eight consecutive films that grossed over \$100 million domestically. Okay, so Will Smith is the biggest movie star ever. Jada's also had some megahits, notably the Matrix series, and she's taken turns as a writer and director. Still, Jada insists she would let her career go before allowing it to interfere with her relationship with Will. Maybe that's why they've been together since 1997. Of course, it doesn't hurt that this super-cute couple only seems to get better looking with age.

Heidi Klum and Seal: The former Victoria's Secret model who stays involved with America's Next Top Model, is known for her fabulous figure and gorgeous face. He's known for his legendary singing voice and the uber-romantic ballad "Kiss From a Rose." The pair met in 2003 and married in 2005. The fact that he's English and she's German never seems to be an issue for this playful pair, often caught in public frolicking with their four children. The romantic duo renews their wedding vows every year on their anniversary.

Since the singer's recent divorce from her husband of five years, Jordan Bratman, she has been dating *Burlesque* set assistant, Matthew D. Rutler. Another serious couple sure to attend the Super Bowl is Fergie and her husband, Josh Duhamel. Her Grammy Award-winning group, the Black Eyed Peas, will take the stage during the Half-time show. According to USMagazine.com, the couple renewed their wedding vows earlier this month. But will Duhamel be in the stands or in the fields during his wife's performance?

Other performers include *Glee*'s Lea Michele, singing "America the Beautiful," while Keith Urban and Maroon 5 will perform during the pre-game show. Will Nicole Kidman make an appearance with daughter Faith Margaret? After all, Keith has been by her side during this year's awards season!

Other celebrity couples in the stands may include Demi Moore and Ashton Kutcher. Although Kutcher is a die-hard Chicago Bears fan, Moore has been seen rooting for the Packers at their games. Faith Hill and Tim McGraw, who is friends with former quarterback Brett Favre, are also fans of the team. And Justin Timberlake, the former 'N Sync band member who brought sexy back, loves the Packers. We're all curious to see who'll be by his side if he shows up – Jessica Biel or Olivia Munn?

Let's not forget about the Pittsburgh Steelers fans who we can count on to be there for their team: Bret Michaels, Rush Limbaugh, Jeff Goldblum, Snoop Dogg and Adam Sandler – who played a former quarterback for the Steelers in the 2005 movie, "The Longest Yard."

While the big game is obviously the main attraction,

celebrities will also indulge during the many Super Bowl parties happening over the weekend. In addition to performing, the Black Eyed Peas will team up with *Sports Illustrated* to host a Super Bowl Bash. "It will be the kick-off to an amazing weekend in Dallas and we can't wait to get it started," said Fergie. While guests are sure to include some *SI* models, like Genevieve Morton and Julie Henderson, Fergie's own supermodel bod will keep Josh Duhamel in check.

Pamela Anderson will also be in town, throwing a pre-Super Bowl Party on Feb. 4, called SuperBash 2011. Past guests included Kim Kardashian, John Travolta and Carmen Electra.

And Diddy, the master of being the master of ceremonies, will host multiple parties during game weekend. Event tickets range from \$500-\$25,000 (yes, that's correct; \$25,000!). Last year, rumors flew that Diddy was dating Nicki Minaj. Current reports say that the rapper is single, but it'd be nice to see someone at his side during his parties.

Too bad we have to wait to see who ends up at the game! Don't forget to tune into FOX on **Sunday, Feb. 6 at 6:30 PM ET** to watch Super Bowl XLV.
