Restaurant Review: SUR Restaurant & Lounge in LA Is a One-of-a-Kind Dining Experience

By Bre Gajewski

In West Hollywood, just a block off of Melrose Avenue lies SUR Restaurant & Lounge, a beautifully designed space with several unique rooms, a charming wait-staff and delicious food.

Restaurant **Review:** [**SUR**](#)
[**Restaurant**](#) is serving up delectable
Southern European cuisine, making
you feel like you have traveled
abroad without leaving LA.

An elegant dining area at SUR

SUR is owned by two couples: Guillermo Zapata (the original owner) and his wife Natalie alongside Lisa Vanderpump and Ken Todd, whom you may know from hit reality TV show *Real Housewives of Beverly Hills* and *Vanderpump Rules*. In fact, the latter show follows the employees at SUR as they build their futures.

The owners of SUR restaurant: Ken Todd, Lisa Vanderpump, Guillermo Zapata and Nathalie Zapata

Lori Bizzoco, Founder and Executive Editor of Cupid's Pulse, recently had the opportunity to not only meet Guillermo and the staff at SUR, but also to enjoy a meal when she was in Los Angeles last week. "What you see on the show does not depict the politeness and attentiveness of the staff," said Bizzoco. "We were definitely expecting to see some more drama but everyone we met were so sweet."

Lori Bizzoco, Guillermo Zapata and Tonia DeCosimo at SUR

It turns out that the ambiance at SUR truly stands up to its name: Sexy Unique Restaurant. Each smaller room in this large venue creates an intimate dining setting. Along with its indoor dining, SUR also has a romantic outdoor patio and a chic private-party room. "It was beautifully decorated with fresh flowers everywhere," Bizzoco mused. "It felt like I was in an old mansion or walking through a Victorian maze. There was room after room, each one more elegant than the last."

One of the many dining rooms at SUR

Outside of the ambiance, the food is what makes this restaurant stand out. Bizzoco had the opportunity to try out various items from the SUR menu. She started out with the Chicken Steamed Dumplings and Fried Goat Cheese appetizers, which were both delicious.

Bizzoco also tried the Shrimp Risotto, which she described as “incredible” in addition to the Jumbo Shrimp Fettuccine. “The shrimp melted in your mouth, and the fettuccine was so creamy and smooth,” she said.

Roasted Salmon Dish

That being said, Bizzoco's favorite dish was the Roasted Natural Salmon depicted above. "It was amazing," she said. "Beautifully seared on the outside and so moist on the inside that it melted right in my mouth."

With its beautiful ambiance, seasoned wait-staff, and delicious menu, SUR definitely stands up to its self-description as being on the "cutting-edge of style and cuisine." Dining at SUR (or even just stopping in for drinks) is an experience unlike any other.

Date Idea: Go To a Turkey Shoot

By [Carly Horowitz](#) and Kristin Mattern

If you can't wait for Thanksgiving and dreams of pumpkin pie and mashed potatoes are already filling your head, it's time to get into the holiday spirit! This weekend, take your significant other to a turkey shoot. Don't worry, no turkeys are harmed during this event! Take aim at love as you and your partner shoot at targets 30 feet away in this long-standing traditional competition. Whoever hits the center of the targets, or just gets the closest, wins a frozen turkey as a prize! It'll be the perfect addition to your Thanksgiving table.

Take part in this traditional [date idea](#) during this season of thanks!

Get in the mood for this date by wearing flannel shirts and horseback riding boots. If you're a skilled shooter, impress your babe with your marksmanship. And if you're a little gun shy (pun intended), a good tip to remember is to move with the recoil as the gun hits your shoulder to avoid bruising or discomfort. Always wear safety goggles and practice safe shooting. Don't point your rifle anywhere but the target and follow all the instructions provided by the event coordinators to ensure a fun and safe time.

When your turkey shoot is over, it's time to head back for a romantic home-cooked meal. Cooking is a fun activity that you can enjoy together. Grow closer with your sweetheart while swapping recipes or researching some new ones. For something simple, make a dish like pasta with red sauce and turkey meatballs. During your [date night](#) time in the kitchen, discover each other's favorite foods and types of cuisine. If you don't feel like cooking, order in! Opt for cheesy pizza or spicy Thai food, whatever the two of you are craving after your big day. Look into some [famous restaurants](#) near you and see if they offer take-out as well.

Related Link: [Date Idea: Take In Some Cartoons](#)

After dinner, make Thanksgiving-themed drinks like hot apple cider or cranberry and vodka and watch a Thanksgiving movie. You and your honey will laugh until it hurts watching a classic like *Trains, Planes and Automobiles*. Then, get a little sentimental and relive your childhood with *A Charlie Brown Thanksgiving*. Build a fire in the fireplace and really get cozy with the one you love as you prep for the upcoming

holiday.

This date idea could be you and your sweetheart's new November tradition!

How to Campaign for a Better Relationship

By Tanni Deb and Kayla Garritano

With Election Day in recent history, the best time to campaign for a better relationship is now. Whether that means leaning

to the left with a liberal approach or moving toward the right with a more conservative one, you deserve the best relationship. For future [date nights](#) with your partner, let's make sure you can get their vote towards a better relationship.

This [relationship advice](#) may win a vote from that special someone:

1. Figure out what you want in a partner: Knowing exactly what you want in a partner will help you narrow down your choices, just as you would with a candidate in an election. Otherwise, you'll settle for anyone. You can make a list of pros and cons, or just make a mental note, anything to help you make the right moves.

2. Figure out what issues/things you can compromise: Figure out what things you're willing to let go, such as finding a mate who doesn't have certain features or doesn't meet your height requirement. Although compromising is important for a healthy relationship, and this will help you prepare for compromises with your partner in the future, never do it for major issues. For instance, if you want a family in the future, don't make a life with someone who doesn't like children.

3. Search: You'll probably need to search in a variety of places before you find your perfect partner. Dating sites, clubs or even attending a party at your friend's house can lead you to your ideal mate. You usually end up finding your perfect partner where you least expect it!

4. Communicate: Communication is the key to every successful relationship. It helps avoid misunderstandings, fixes problems, and aids in understanding each other in order to

improve your relationship. Ask your partner how their day was, if they have any new interests, and other common questions like that. You should also show that you appreciate your partner by complimenting him or her once in a while.

5. Listen: Just like communication, listening is another major factor in a successful relationship. Your interest and focus is important to your partner, and when you show that they have your full attention, it means the world to them. It will also build a sense of respect and trust between both of you.

6. Think positively: When you concentrate on the negative aspects, it'll cause tension in your relationship. The next time you have a negative thought about your significant other's actions, come up with a more reasonable explanation for his or her act and then discuss it. If an argument arises, control your tone and figure out what the major issue is or the message your partner is trying to communicate. Lastly, remind yourself frequently of the good times you've spent together.

Related Link: [How to Communicate to Get What You Need](#)

7. Common goals: Having similar ambitions in life makes your relationship stronger. Figure out what both of you want and where you both want to be in the future. Find common goals and talk about how to achieve them together.

8. Find time for each other: Work is important, but for relationships to flourish, it's essential to have time for your significant other. Instead of taking things too seriously, spend time with your sweetheart, have fun and just relax. Whether it's a movie night in, an impromptu [romantic getaway](#), or a date at a [famous restaurant](#), make sure you get your time together.

9. Get to know him/her: After you've found the person you think is "The One," date seriously for a while. If you find that the person has way too many red flags or your feelings

for him or her aren't strong enough, it's best to end the relationship so you don't drag it out for four more years, or even the rest of your life.

10. Marriage: Talk about settling down and moving onto the next step in your relationship if you can see yourself married for the rest of your life. Unfortunately with relationships, it's not quite as easy as electing a new candidate whenever you hit a rough patch.

10 Holiday Gift Ideas Your Special Someone Will Love Just in Time for Date Night

By Linda Guma and Kayla Garritano

The start of the holiday season means the inevitability of shopping for the perfect gifts for all of your loved ones. And with the holidays comes the romance. If you get to spend the holidays with that special someone, make sure it's one to remember. The more consideration you put into your present, the more meaningful it'll be. So, when you're on [date night](#) with your partner for a special holiday treat, make sure they open a present they'll be sure to love.

If you're looking for gift ideas that don't involve the usual or traditional ugly Christmas sweater for your partner this year, Cupid is here with some relationship advice and ideas:

1. Personalized compilation: Make a personalized CD or playlist for your partner by putting together his or her favorite tracks. Don't forget to include any romantic tunes that remind you of special moments you experienced together, such as your first slow dance. And, of course, mix it up with some holiday numbers, to celebrate with the joyous spirit.

2. Customized calendar: Nothing says "I care about you" more than something home made. With a new year fast approaching, a calendar can come in handy. Select 12 photos of you and your partner and paste them on the pages for each month. Circle important dates, and write headers for your anniversary, among other special occasions.

3. Matching wrist watches: This is a great way to punch up your style, as well as a guilt-free way of pampering yourself with a present. Buy matching watches and ask your jeweler to engrave a message on the back, such as your names and the words "forever" and "always."

4. Tickets to your favorite show: If you're really not into personalized gifts, you can always find a thoughtful way to experience something together. Buy two tickets to a show that you and your partner both love, whether it's a movie, a concert or a ballet performance of *The Nutcracker*. Surprise your partner to a dinner at a [famous restaurant](#), followed by their favorite show.

5. Photo frame collection: It's a simple idea, but a classic way to keep the loved ones close at hand. Buy your significant other a silver-plated frame, and insert a photo of the two of you. To make it extra mushy, inscribe "I love you," or a love sonnet by your partner's favorite poet.

6. Massage coupons: A thoughtful way to express your love this holiday season is to create some free massage coupons. Your partner will surely appreciate them after a stressful day and finally get the chance to relax a little with you.

7. Breakfast-in-bed tray: You don't have to rise and shine for this celebration. Treat yourselves to a bed tray and the luxury of having breakfast in bed together. Maybe pop in a movie and just cuddle under the covers!

8. Vacation getaway: Be spontaneous! Organize a weekend trip for two. Choose a tropical place to escape the winter chill or simply tour a neighboring town you've never visited. Your partner will appreciate your effort to plan the holiday trip. It's a great way to get away from your daily routines and reconnect with your honey.

9. Get-out-of-chores passes: Get your arts-and-crafts on by making some paper passes to let your partner skip out on their chores. You'll have to take over the cooking or cleaning probably, but it's a great way to show your love, and it can be a fun, goofy way to get out of something, all in good fun!

10. Lovers pillowcases: Get some personalized pillowcases to touch up your bed. For instance, you can get some signs embroidered that say "His" and "Her," or "Mr. Right" and "Mrs. Right." If you want to keep with the holiday theme, decorate it with some snowflakes and mistletoe. It's a different take on putting your face on a mug or a t-shirt. Make it your own!

Oiji should be on your list for future date nights, a cultural experience with unique, but yummy food!

Oiji was originally a collective thought in the minds of Brian Kim and Tae Kyung Ku, the co-chefs and co-owners of this popular restaurant. Their goal was to bring the food of Korea, where they both grew up, in a modernized fashion to new tasters. They both attended the Culinary Institute of America,

and were roommates. Oiji was their dream, and now you can enjoy that with your dream partner!

The plates look immaculate when served, and we can't imagine a dish that wouldn't taste good. The “Extras” section also offers some tasty vegetables to go along with your meals or appetizers.

If you are looking for more to eat, the “Medium” and “Large” sections of the menu may be the place to top things off for you and your partner. From the Heaven Spot Mini Burger to the many varieties of Street Pizza the restaurant serves, Vandal offers so many options that your mouth will be watering just looking at the menu.
