Fashion Trend: Khaki & Beige, Plain No More!

By Katie Sotack

Say “goodbye” to the flashy, logo-driven wardrobes you’ve seen over the past few years. According to *harpersbazaar.com*, this Fall’s 2019 [fashion trend](#) will be beige on beige. While you might be tempted after the glitz of sequins, feathers, and neons (oh my!) to accuse beige of being boring, think again. Classically cut neutrals have historically stood the test of

time from Audrey Hepburn to Taylor Swift. This fall there's plenty of reason to dive into the beige trend that look timeless in photos for decades to come.

Beige will be making its way to the fashion runway this fall. To follow this fashion trend, what are some ways to incorporate neutrals into your wardrobe?

Beige's comeback reminds us that fashion is fluid. What's trendy must always be measured against what works for our personal style. Here are some fashion tips for incorporating neutrals with your own personal flare:

1. Work with what you've got: If you're a fan of color and cringe at the thought of giving up your hard earned colorful closet, incorporate what you own with the beige trend. Neutrals often make a great base for colorful accents and expressions throughout the rest of the outfit.

2. Remember the statement piece: Just because we're not demanding funky fashion from these silhouettes doesn't mean you can't be playful. Add charm to your classic cuts and beige on beige with statement earrings or a dazzling necklace.

Related Link: [Fashion Trend: 5 Trends Making a Comeback in 2019](#)

3. Go for classic cuts: Street wear has become popular in recent years, but we're circling back to timeless cuts. This isn't a call to end comfort. Instead of tight leggings try a straight legged slack which will give your legs breathing room.

4. Mixing and matching: The task of finding clothes that work together becomes much easier when you've opted for simple cuts and beige or khaki bases. The entirety of your wardrobe will match and you'll never be known as the person whose outfits clash.

Related Link: [Fashion Trend: Beige Is Making a Comeback](#)

5. Color block your beige tones: the beige look doesn't require the wearer to be completely mono toned. Pair different shades of beige together to create a dynamic and fluid look which will add to the dimensional quality of your look.

Fashion Trend: Bring the Groove Back With Tie-Dye

By [Bonnie Griffin](#)

You may never have guessed that tie-dye would be making a come back and setting a [fashion trend](#) in 2019, but it has made its way to runways and high-fashion shops. According to *Independent.co.uk*, tie-dye is “set to be one of the hottest trends for summer.” Move over free-spirited hippies from the 1960s, because tie-dye is making its way to the fashion runways and helping people bring their groove back.

Tie die went from a staple in the past, making us think of hippy style and good times, to a staple in today’s fashion trends. How can you use tie-dye to bring your fashion groove back?

If you like to dress in the newest fashion trends hot off the

runways, then look no further than some die and the white button-up hidden in the corner of your closet. Cupid has some [fashion advice](#) on how you can take your plain outfit to new fashion heights and get your groove back with a bright, tie-dye top:

1. Reimagine an old white shirt: If you're like me then you have one white top tucked away in your closet that you almost never wear. You bought it on a whim, deluding yourself about how you would keep it clean, and that turned out to not be true. Don't worry. Grab that old white shirt and hit up your local craft store so you can turn it into a beautiful tie-dyed fashion piece that will be sure to catch your friends' attention. Pair it with some cute cargo pants, your favorite sunglasses, and a brightly colored tote and you're ready to wow everyone this summer.

2. Button downs: Want to really take your tie-dye fashion trend to the next level? Throw on a tie-dyed button down with a pair of dark washed skinny jeans, and pair it with some bright heels, or sandals adorned with flowers like roses. Grab a small, brightly colored clutch, and you are ready for a night out where you'll be turning heads.

3. Tie-dye pants: There is no rule that says tie-dye has to only come in the form of a shirt. Turn your old comfy jeans into a beautiful pair of tie-dyed pants. Pair them with an elegant, neutral-tone flowing top and matching necklace, and throw on your favorite neutral tennis shoes or flats. If you want to really add that extra dash of fashion know-how, finish the ensemble with a matching hat.

Fashion Tip: Out With the Outdated & In With the New

By Katie Sotack

Spring is heading out just as quickly as it came in with summer just around the corner. As the heat rises, we are set to shed our cool temperature clothes and the [fashion trends](#) that inspired them. So, send your outdated wardrobe to the thrift store, and pick up that credit card. It's time to splurge on a new trendy summer wardrobe.

This summer calls for fashion swap outs. If you want to get your groove back with these funky trends, here are some fashion tips for stocking your closet.

Summer style this year is based off of recent decades and exciting colors. Think 90s cuts with 60s accessories and color palette. Here are some ways to incorporate the trends into your wardrobe:

1. Straight legged jeans: in recent years the style has been all about the skinny pant, but dig out your comfy boyfriend jeans because roomy jeans are all the rage. Not only will you look super trendy in the 90s boy band bottoms but you won't be afraid to treat yourself to an ice cream cone with that new wiggle room.

2. Oversized sunnies: Dig out those Audrey Hepburn sunglasses. Huge, geometric shapes are meant to sit on the bridge on your nose this summer with the added benefit of more sun protection.

Related Link: [Fashion Trend: The Modern Hippy](#)

3. One-shoulder tanks: Hide that weird tan line with a one shoulder top. The asymmetric style will give a flare of fashion to any bottoms or accessories. It's the one stop statement piece.

4. The stylin' suit: Switch out the string bikini for something spunky. Bathing suits with a sense of personality are hot for the summer heat. Go for ruffles to flourish your inner girly girl or if you're a rocker pick out a suit with studs.

5. When in doubt, full color out: Whatever you choose to wear this season, bold colors will keep the outfit on trend. Think Miami colors and patterns. Anything that makes you appear to have harvested the sunshine just for your 'fit.

Fashion Trend: Bamboo Handbags

By [Mara Miller](#)

We've got a fun [fashion trend](#) and [fashion advice](#)! If you're looking for a new handbag and are tired of carrying around a heavy purse that hurts your shoulders, bamboo handbags may just be what you've been looking for. And even better: they're eco-friendly and sustainable! Bamboo handbags make a cute and unique accessory, and it's time to switch things up this year!

Are you interested in this eco-friendly fashion trend? Here are a few benefits of bamboo bags.

It's fascinating how bamboo can be used for many different things, from an arnis stick used in a sport developed in the Philippines to a practice handbag you can carry everywhere with you. Here are some of the benefits of choosing a bamboo handbag:

1. It's lightweight: Are you tired of carrying around a purse

that is heavy and makes your shoulder hurt? Bamboo bags are lightweight, but sturdy. Younger bamboo trees remain flexible so it's easier to create the bag for the manufacturer. Depending on the way the bag is made, you won't have to worry about it being too stiff when you carry it.

2. It's sustainable: Bamboo can be grown just about anywhere. Plus, it can be continuously harvested without damaging the environment (so you don't need to worry about pandas going without!) every three years.

3. It's durable: The worse thing about a fabric handbag is when the stitching starts to come undone because you've packed too much into it one too many times. A bamboo handbag will last longer than your standard fabric bag.

4. They can be rolled up for storage: Nothing is worse than a closet full of purses that take up a lot of space. Bamboo bags can be rolled up for storage until you're ready to use them again, leaving more room in your closet for other important articles of clothing or accessories.

5. The material is easy to clean: It's awful when you break a perfume bottle and you get can't the overpowering smell out of your fabric purse. Or, when your toddler decides to touch your bag with sticky fingers from a toaster pastry they recently ate. Bamboo bags are easy to clean with a quick wipe down.

6. They can be personalized: Some bamboo bags are customizable, so you can get your monogram put on the front of anything from a clutch to a tote bag.

Can you think of any other benefits to using a bamboo handbag over a traditional purse? Let us know in the comments below!

Fashion Trend: Take Page from the Circus

By [Mara Miller](#)

Fashion designers love a good circus theme in their [fashion trends](#). Historically, aspects of this trend have appeared in the form of flowers, animals, and watercolor paintings. Let's not forget the '80's, either. We're not talking wacky size 18 shoes or wild red noses, so if you have coulrophobia (the fear of clowns), no need to steer clear of this fashion advice. Circus fashion is meant to be playful, bright, and colorful, with a balance between normal clothing and circus-themed pieces.

In this fashion trend, take a page from the circus!

1. Oversized blazer: Circus fashion has always had overstated pieces. Picking a brightly colored blazer and suit pants will bring a pop of color to your wardrobe on the days you need an extra pick me up.

Related Link: [Fashion Trend: 5 Trends Making a Comeback in 2019](#)

2. Ruffles everywhere: At the height of clown fashion, ruffles can be seen on most shirts. You don't have to go insane with the ruffles, but a more subtle ruffle around the neck of a nice top will give you a hint of clown fashion.

Related Link: [Fashion Trend: Gender-Neutral Clothes for Kids](#)

3. Polka dots: Who doesn't love a good top with polka dots? They are always fun, whether you choose to use classic white dots on black, or choose a more colorful option.

4. Embellishments: Find a clutch that has colorful beads, or an anklet with tiny stars. Remember, it doesn't have to be overstated if that isn't what you like.

5. Rainbow EVERYTHING: No, we aren't talking rainbow wigs. You can go with a muted romper that has thin rainbow stripes. Or rainbow shoes. Or a shirt with a rainbow and carousel on it. Just be sure to balance it with something normal, like a pair of jeans or a plain handbag so you don't look like you walked straight out of a circus.

What are some other ways you can incorporate pieces from the circus into your wardrobe? Share your ideas below.

Fashion Tips: How to Wear Layers Without Looking Chunky

By [Mara Miller](#)

Layering your clothes can be fun, but it can look awkward if you don't do it right. Why would anyone want to look like a huge marshmallow? We've got some [fashion tips](#) and [fashion advice](#) on how to layer to stay warm without looking chunky!

Fashion Tips: How to Wear Layers

Without Looking Chunky

1. Start with the thin layers first: Start with a cami or tank top first. The idea with this is to end with the thickest layer so that you can easily take it off later. Neutral colors that will look good under whatever you layer with are best.

Related Link: [Fashion Trend: 5 Ways Celebrity Style Influences Fashion Trends](#)

2. Turtlenecks: Turtlenecks give you the warmth of a sweater without the added bulk. The extra fabric around your neck will keep you from freezing before you put on your next layer.

Related Link: [Fashion Trend: “Ugly” Sneakers](#)

3. Coats: Think a contoured coat that goes more with your shape than, say, a puffer coat, if you’re worried about looking chunky. Or try a trench coat, which can be cinched at the waist and will elongate your figure.

Related Link: [Fashion Advice: How to Shop on a Budget for Winter](#)

4. Fleece leggings: Leggings are great since they conform to your shape without the extra bulk. They can double as long johns and you can put a pair of jeans over them, or style them with a sweater dress and boots for a trendier look.

5. Knitted scarf: This is a must, especially in colder weather. A scarf will help your turtleneck keep you warmer and you can use it to add in some fun pops of color. Scarves can also be the bulkiest part of the outfit without making you look bigger.

6. Boots and socks: If you really need to, double up with your socks. No one is going to see how many pairs you’re wearing. Use knee-high or thigh-high boots to trap in some warmth around your legs.

7. Accessorize: Use whatever you want to top off the look. A watch, some bracelets, a knitted hat that will fit under the hood of your coat. And these are only a few samples! Play around with the items in your closet to see which layered look is best for you.

Layering can be a lot of fun but no one wants to look chunky. What layering fashion tips do you have? Let us know in the comments below!

Fashion Tips: How Many Baby Clothes to Buy

Are you addicted to buying clothes for your baby? Can't save money because of your toddler's wardrobe? You are not alone. Statistics show that most first-time parents get lost and obsessed when it comes to buying new clothes, accessories and all the necessities they need for their newborns.

Find Out How to Keep Your Baby Clothes Buying Under Control

Can you define exactly what pieces of wardrobe and how many of each you actually need if you are new to all of those cute rompers, bodysuits, and jumpsuits? It's not difficult to put a baby's wardrobe together; you just have to know what to look for and where to look for it. For example, you can easily find the right [baby and toddler clothing](#) in one of the best online boutiques without even leaving your house. The nice part is that with online stores, you don't run the risk of getting lost in piles of cute baby clothes right in front of your nose. In the end, it saves time and money.

So, the first and most important recommendation is to try to shop online first. The next question is around how many of each clothing item you actually need.

Baby Clothes Essentials

One of the most important things to decide is where to buy your baby clothes.

First, think about your child's age and the season you're going to cover with this shopping spree. Babies grow fast. Thus, you shouldn't invest too much in the clothes your baby is going to wear during the first three months of life. Be wise with it. Define your baby's wardrobe on the current season and temperatures. It is unnecessary to buy cute dresses for a newborn if it is winter now, the same way it is unnecessary to invest in winter jackets if you're in the

middle of summer.

Secondly, keep in mind that the items you buy have to be comfortable enough for a baby to wear and easy enough for you to take on and off. Search for bodysuits with snaps instead of buttons on the bottom for easy changing.

Overall, for a newborn you need:

- 6-7 bodysuits;
- 7-8 onesies;
- 5-6 pairs of pants;
- 2 cute outing tops;
- 2 cozy tops to wear around the home;
- 2-3 for colder weather;
- 10 pairs of socks;
- One pair of quality shoes for different temperatures and weather conditions.

The bottom line is that you have to be sure your baby is warm and comfortable no matter what season or temperature level it is. If you don't want to waste your time and money, start with making a list and shopping online only for the essentials.

Fashion Advice: How to Shop on a Budget for Winter

By [Jessica Gomez](#)

After saying bye to fall and bringing out our winter wardrobe, we may see that we're a tad tired of our old wardrobe and have some shopping to do. If you're like many of us that shop a tad too much in the summer and fall, you may need to shop on a budget. Have no fear though, we're here for you! We have [fashion tips](#) on how to get your buck's worth when it comes to updating your closet for the winter.

Here is our fashion advice for shopping on a budget this season:

1. Take a good, hard look at your winter clothes: First, you must review your clothing carefully. There may be some gems in your closet that you either looked over or can accessorize or combine to make a great outfit. Also, don't pack away your summer and fall clothes just yet, because you can always layer up. You want to make sure not to do more shopping than needed if on a budget. So, go on and look, and then make a list of your needs and wants.

2. Know your budget: Before anything, it is absolutely essential that you know how much you can spend. You need to know your budget overall and how much you can spend on what. For example, you can spend X amount on boots, X amount on tops and sweaters, and X amount on bottoms. If you carefully make your calculations, you are more likely to not over shop and get what you need.

Related Link: [Beauty Advice: Beauty Tricks That Will Save You Money](#)

3. Shop with a calculator: It would look silly to walk around with an actual calculator, but luckily our smart phones have one, so use it! As you add each item to your shopping cart or bag, add the prices up. It will help you keep track of how much you'd potentially be spending.

4. Go out and shop: Shopping online is extremely easy, however, if you have to pay for shipping or later on realize what you bought doesn't fit right, you'll be spending extra bucks. The beauty of shopping in person is that you can try on whatever you'd like and see how it looks on you. Sometimes we think something is cute, but once it's on, it's just a big no-no.

Related Link: [Fashion Trend: Scrunchies And How To Rock Them](#)

5. If you do want to shop online, then...: Shop where there's free shipping and be sure of your sizes. There are some great sales online many times. Just add what you like to your shopping cart and then once done, don't head to checkout just yet. First, review what you have and ask yourself if you really want/need it. Many times we get click-happy and add more items to our shopping carts than we intend to. So, go through every single item and think twice.

6. Look for sales and promotions: This one is obvious, but this is where you go online. Check out what stores have major sales before you step out the door. Some stores, like H&M, will give you an additional percentage off if you donate clothing! So anything in your closet that's torn or you just don't want anymore, you can donate. Even one article of clothing gets you a discount – nice! Also, shop for the out-of-season stuff, like said before, you can always layer up.

Now let's go out and have some fun shopping! We're all excited. Which tip haven't you considered before? Comment below!

Product Review: The Flip Flop Bitch Is The Bag That Every On-The-Go Woman Needs

By Bre Gajewski

How many times have you been walking in heels and wished that you could take them off, store them in your purse and wear flip flops instead? Our answer: Too many times!

Product Review: [The Flip Flop Bitch](#) is the [date night](#) accessory you need that is worthy of [celebrity style](#)!

When looking for a new purse, we often think to ourselves, "Pretty is more important than practical." And, if we want both, it is probably out of our price range. Luckily, the Flip Flop Bitch meets all of our needs.

This bag is lightweight, large enough to fit all of your essentials, and even comes with a cute matching wristlet in which you can store the bag. The best part of all? It's reversible! If you are already wearing a bold print, you can

just turn your Flip Flop Bitch bag inside out and wear it on the solid-colored side.

The totes from the Fashion Line come in many different styles ranging from \$65-85. One of our favorites is the [Retro Vegan Leather!](#)

Retro Vegan Leather, \$85

Additionally, they have a Bridal & Sparkly Line which offers eight different styles at \$45 each, as well as a Pet-Themed Line, which offers four styles that hold all of your pet supplies for \$85 each.

We also love [The Illusionist: Vegan Leather Wristlet](#) for nights when you want a smaller bag, but still want something lightweight and fashionable.

The Illusionist: Vegan Leather
Wristlet, \$25

The Flip Flop Bitch was created by mother/daughter duo Cindy and Laura Massari. We had the opportunity to speak with these entrepreneurial ladies and learn a little bit more about their totes and their company. Read our interview below:

Cindy and Laura Massari, Founders
of The Flip Flop Bitch

Can you tell us more about your inspiration behind the Flip Flop Bitch?

Cindy had this idea for many years before it came to fruition. She always believed in looking good, but also FEELING good too! This is why she had to create a CHIC tote bag to carry her change of shoes when her heels need to come off. Most totes are unattractive and not washable, ours are

both beautiful and are washable. No other tote can go to a wedding or an elegant affair & our vegan leather line is so versatile that they can be used for any occasion. Our many appointments in NYC show just how necessary these totes have become. We love to wear beautiful high heels with our outfits and a change of shoes is always a must!

We think the name is hilarious, how did you decide on that?

We are so glad that you love the name! There's actually a funny story behind this. One night Cindy & I were out in the city with girlfriends and after being in heels all night our feet were killing us. As we were walking toward the garage, Cindy decided to pull her flip flops out of a tote that she had designed for herself and switched shoes. Our friends were already barefoot & complaining, walking the dirty streets of Manhattan. How disgusting is that?? They were so jealous... They called her "The Flip Flop Bitch"! She said "that's exactly what I am! And the name was born. It was at that point that she realized there was a need for all women to save their feet & look good doing it.

What is it like being partners in this company as a mother and daughter? Has it brought you closer together?

It's been the best adventure! We have so much fun together & our talents truly complement each other so well. Cindy is the sassy out of the box creator, model & spokeswoman, and Laura is the finance & operations end of the business. We have both learned a lot about each other's strengths and we balance each other well & laugh a LOT. So it has brought us closer for sure.

What does the future hold? Any additional products in the works?

There is always room for more products! Cindy has so many ideas & wants to create a "bitch" empire, LOL. There may be footwear, organic cosmetics, bathing suits. We will see, stay

tuned! XOXO

White in the Summer

By [Haley Lerner](#)

Everyone knows one of the biggest fashion rules: don't wear white before Memorial Day or after Labor Day. In the summer, white clothing helps your skin look tanner and helps you combat the heat. But, have you ever wondered how to truly wear your summer whites in the right way? Luckily, we have some [fashion tips](#) for you to help you style your white items of clothing to perfection.

Check out this [fashion advice](#) on how to wear white in the summer!

1. All white everything: Go big or go home, right? If you're

2. Pair it with a bright color: Another way to wear white is by pairing your favorite white item with another that's a fun, bright color. Wear your new white jeans with a cheerful yellow or pink top to form a look that has an instant impact.

Fashion Tips: How To Rock Heels Without The Pain

By [Haley Lerner](#)

If you've ever worn high-heeled shoes, then you're aware of the extreme discomfort the pretty things can bring. Despite the fact that heels are often extremely expensive, they typically tend to be pretty painful. But pain from high heels isn't always temporary, and sometimes wearing them too often can result in foot damage or chronic pain. While it can help to cut back on wearing heels, we also have some [fashion tips](#) on how to make wearing gorgeous high heels painless on your [date night](#).

Follow these fashion tips to rock heels without the pain!

1. The size is right: If you really want to avoid pain from wearing heels, then you must make sure you are actually wearing the right shoe size. Make sure to have your feet sized correctly and make sure the heels you buy aren't too big or too small. Also, make sure you know if you have a flat foot or high-arch foot, as you may need to adjust your shoe type based on this.

2. Thicker heels: A great way to avoid pain via heels is to avoid stilettos and opt for a thicker heel. A chunkier heel will give you more stability and put less pressure on the bottom of your feet. You can also avoid thin heels by wearing platform shoes, which can be extremely comfortable.

3. Take breaks and stretch: Sometimes, your feet really just need some relief from your heels. Throughout the day, kick off your heels and stretch out your feet. Focus on stretching your ankles and toes.

4. Shoe inserts: If you know your heels are going to cause you some pain, purchase some shoe insert pads that go under the balls of your feet to help prevent future ache. Go for ones made from silicone gel to help prevent your feet from sliding in your shoes.

Fashion Tips: Best Summer Bags For The Beach

By [Carly Horowitz](#)

The time is approaching where you'll be able to feel warm grains of sand between your toes and relish in the sound of waves crashing down on the shore in a forceful yet relaxing manner. To get the most enjoyable experience, you need to remember to bring the essentials like sunscreen, water, snacks, sunglasses, and a beach towel. But, how are you going

to transport all of these items onto the sandy shore? You need a beach bag that is large enough to store your items and that also won't get ruined in the setting at hand. It is a struggle to find a bag that is suitable for the beach yet stylish at the same time. Cupid is here to help you with the process and give you ideas on what type of beach bags to look for this summer!

Take into consideration these [fashion tips](#) on which beach bags are best for summer 2018.

1. Sand-proof bag: Did you know there are specially designed bags that resist the stick of sand? That is just perfect for the beach! No one likes to come back from the beach with sand dripping off of them and their bag. This bag helps to minimize the mess. Search on Amazon.com for a sand-proof bag made out of silicone to sport to your favorite beach this summer.

2. Straw bag: This type of bag is probably the most stylish to don. There are an array of different straw bags on the market with fun patterns. Straw bags give off a traditional beachy look while still serving to contain all your items succinctly. The only problem with straw bags is that they usually don't provide different compartments for you to store your stuff. But it's up to you if you want to choose fashion over practicality!
