

Beauty Trends: Date Night Makeup Looks to Match Your Style

By Alycia Williams

When [date night](#) finally comes along and you have your outfit picked out and your hair is done, it can be hard to find the right makeup look to match. Whether you want a full face of makeup or a fresh faced look, it all depends on your style. Our [beauty tips](#) will help you find the perfect makeup look for your perfect date.

Check out these seven amazing beauty trends for makeup looks to compliment your style:

1. The Fresh Face: Now the fresh face doesn't mean you aren't wearing any makeup at all. If you're looking for a natural and clean face for your date night, then this is your look. A groomed brow, a sharp line of liquid liner, defining mascara and a nude lip stick or lip gloss, can leave your face looking refreshed.

2. The sun-kissed look: Do you want to look like you just came from tanning on the beach? Then this is the look for you. This look is all about using warm tones. Anything from a peachy tone to a bronze tone for eyeshadow with heavy black eyeliner and mascara. Along with some bronze hue on your cheeks, a shimmery golden lipgloss, and a golden highlight on your cheekbones.

3. The bold lip: Whether it's a fearless red or a romantic berry, if you want to do a bold lip, it has to be the focal point of your look. Regardless of the color that you choose, you should prep your lips beforehand by outlining your lips with a matching pencil to really give it that "wow" factor. Then, match the look with neutral eyeshadow tones and a strong defined brow. A winged eyeliner always compliments the bold lip.

4. Classic smokey eye: The smokey eye is the go to for any candlelit dinner. Since this look is all about drama it's important to accentuate the outer part of the eye with a dark eyeshadow and the inner part with a lighter eyeshadow to create the ombre affect. Having a strong brow is important for this look as it outline the eye. Finishing it off with subtle

lashes and glossy lip gloss.

5. The glittery look: If you're looking to steal the night away with your ultra shiny makeup, then this is your look. Choosing the right eyeshadow is crucial as this will be the prime focus of the look. The color could be nude or it could be a vibrant purple, as long as it has glitter, gloss, or shine it works for the look. Matching that with a soft brow, and over the top lashes will seal the deal. You can also top it off with a strong highlight on your cheekbone to give your face some more glimmer.

6. The rosy monochrome: This look is light, airy, and flirty. A light pink works perfectly for the eyeshadow, keeping it subtle is key for this look. Along with rosy cheeks and a soft pink lipstick or lipgloss. Keep the eyebrows and lashes subtle and not overdone and you can even skip eyeliner for this look. To top it off use a delicate highlighter on your cheekbones and in the corner of your eyes.

7. Bold liner: Using bright colors for eyeliners is a great way to keep all eyes on you, so this is a great date night look. Since you want your liner to stand out almost everything should be nude. The eyeshadow could go a little off the nude palette but not too far keeping everything moderate. No matter what color you choose, it should be applied to either the top of the lid or as under liner, but it shouldn't be both. To complete this look you'll just need gentle brows and mascara.

Fashion Trends: Ugly Christmas Sweater Outfit Ideas

By [Ahjané Forbes](#)

Tis' this season to wear festive attire and dress up for Santa. One of the most notable holiday-inspired article of clothing is an ugly Christmas sweater. You can wear these sweaters to many different events, from ugly Christmas sweater

parties to family get-togethers. Plus, making your own is a lot of fun and can be done inexpensively. Why wait?

Here are some fashion trends for the perfect Ugly Christmas Sweater this year:

1. Gaudy Garland Sweater: You might be hanging up garlands this year, so why not dress up as one? These sweaters are already pre-made, but you can get creative and make one yourself. You can get a plain green garland sweater. Add fun things like ornaments, ribbons, glitter, candy canes, lights, and wrapping paper. If you have a solid colored sweater, like white, you can add fun colors like red, pink, gold, and silver to make your outfit pop.

2. Two parts of a whole: Make the costume contest an idea for bonding with your partner. For instance, have your partner dress up as the head of the reindeer and you be the bottom. This cute idea is great for family photos and a laugh. If you want to stand out at the Christmas party, do something different. You can be Santa's sleigh, and your partner can be Rudolph the Red Nose Reindeer. The more creative you are, the better!

3. Make this a family affair: When you're making your ugly sweaters, let your children pick what they want to do. Start with the basic stuff. A little window looking inside a house with ornaments on it is easy approach, for instance. This will give your kids an interactive task that will make them more focused on the holiday.

4. Professional: Are you going out to Christmas party at work? If so, you can still pull off the ugly Christmas sweater by making it with business-like apparel. Add a bow tie, some suspenders, and a collar to your sweater. You can keep it “business casual” and still be festive for the holidays.

5. Furry Fun: Don’t forget your pet! You can make matching outfits for them as well. Make your sweater a Christmas tree and have your pet dressed up as an ornament. This way when you’re walking around with them, everyone can see that you guys go together. Don’t add lights or candy canes that might be harmful to your pet. Try to make their outfit simple and with things that they cannot ingest.

Holiday Fashion Trends 2019

By [Hope Ankney](#)

We've officially made it to the Holiday season! And, of course, with the Holiday season comes colder weather, hotter drinks, lots of tinsel, and a different level of [fashion](#). Besides the copious number of scarves that seem to never go out of style, [fashion trends](#) come and go during this time of year. With office work parties, family get-togethers, and seasonally themed events with friends dominating your social life, it's easy to get overwhelmed with what to wear as the holidays approach. 2019 fashion tips look to lean heavily on the traditional pantsuit and even more rambunctious dresses. So, if you're scrambling for new ideas to fit into your wardrobe, now's the time to make a statement.

2019 holiday fashion trends land between conservative and liberal. Spice up your seasonal wardrobe

with these stylish ideas.

From Pinterest to Instagram, to even *Vogue*, everyone has their own take on the new holiday fashion trends this year. It cycles through bold and wacky to more reserved and traditional, but the sweet spot is being able to fluctuate between the two. This season is all about embracing the two contrasting versions of yourself. Don't allow yourself to get trapped into one box regarding your wardrobe, because there's so much to choose from. If you're scrambling on where to start for holiday fashion, fortunately, Cupid has some [fashion advice](#) on some of the hottest trends that will be dominating the clothing racks this season:

1. Pantsuits: One of the options that have seemed to be more conservative in the past has flourished recently. With more and more people embracing the duality of pantsuits, it's no wonder they're on the top of the list for 2019 Holiday fashion trends. If you're wanting to show off your zany and eccentric side, especially at an office party, find a unique colored suit, or even one with a print, to stand out wherever you go. With the tailored fit and business casual style, there's nothing that can bring this wardrobe-must down.

2. Bucket hats: Believe it or not, bucket hats are still trending into the winter season this year. But it isn't for street-wear. Dress up the bucket hat by getting festive colors and wearing them with a little black dress, head-to-toe lace, or even a trench coat. It'll make the casual head-wear into something a little chicer.

3. Bold, flat colors: If there's one thing that stands out this year in fashion, it's the minimalistic designs of bold colors that are taking over. Best worn as a dress, this trend involves wearing only one color. Styling a strictly red or

yellow dress won't just make you stand out at a holiday party, but it will attract everybody's attention in the room.

4. Jumpsuits: There's nothing more comfortable or exciting than wearing a jumpsuit. You zip up one article of clothing and you're on your way! Watch out for holiday-colored and printed suits as you get ready for winter fashion. They're a rare piece to rock, but if you take the risk, you'll be the most fashionable and conveniently comfortable person wherever you go. Besides, they're excellent at keeping you warm!

**Fashion Tip: Incorporate
Trench Coats into your
Holiday Wardrobe**

By [Hope Ankney](#)

The holiday season typically brings with it a mix of all kinds of weather than can be hard to predict. Even in the South, the weather is much colder than it usually is the rest of the year, with rain and wind thrown in there as well. You must always be prepared for what winter has to offer, and what better way to be prepared than to know how to incorporate everyone's favorite [fashion](#) staple: the trench coat? A wardrobe essential that never goes out of style, there's an array of [fashion tips](#) all throughout history and pop culture for how to rock this famous coat style.

With the holidays approaching, what are some fashion tips on how to style a trench coat that'll have everyone at your holiday get-

togethers envious?

If there's one thing that the trench coat is, it's culturally iconic. With both women and men flaunting their style with this fashion statement since the 1930s, it is a timeless way to look and feel glamorous. Everyone from [Blake Lively](#) to Meghan Markle has shown how simple, yet chic, the coat can be. A clothing choice that will never go out of style, it's an easy way to elevate an outfit. If you're thinking about joining the trench coat club during the holidays, Cupid has some [fashion advice](#) on some of the best times to wear the staple this season:

1. To work: Some of the most memorable pop culture references of the trench coat are in 1970s films. If you're tired of wearing the same drab, black slacks with a white button-down to work, this coat can easily switch up that wardrobe. You'll look like a killer businesswoman showing up to the office just by trading in your slacks for a wide-legged trouser, a blush-colored blouse, and a black or camel-toned trench.

2. On the weekend: In the midst of the holiday season, there are several instances where holiday parties are going to be on your radar. If you're unsure of what to wear to the event, a good choice to dress up a simple black dress is to pop a trench coat over it before you head out the door. Make sure the coat has a vibrant color so that it stands out among your peers as you walk into that party; all eyes will be on you.

3. To brunch: Not every outing with a trench coat has to be one that involves being the center of attention. A trench coat can be casual, too. Next time you're hitting up brunch with your gals on a Sunday, try pairing a light-colored trench with a sweater and a pair of jeans. This can be a simple, yet

effective way of making your outfit look more fashionable than it is.

Related Link: [Fashion Trend: Tea Dresses](#)

4. When it's raining: Besides being a fashion statement, the trench coat is actually a very versatile option to the [rain jacket](#) when it comes to the changing weather. When it's raining, it can be a life-saver as you head out into the storm. If you don't want to look like a drowned rat on days it drizzles, try pairing a simple outfit like a nice blouse or over-sized sweater with some leather leggings and a black or beige trench coat. Wearing some riding boots can really draw the look together.

5. To family dinners: Coming home for the holidays is one of the best parts of the season. Thanksgiving and Christmas are times to catch up with everyone, and it's also the perfect time to pull out a trench coat. This coat doesn't always have to be the focal point of the outfit. It can be an outer layer that you can easily take off without ruining your outfit. For instance, find a burnt ember or olive green trench that can look classic while also being subtly festive.

Fashion Tips: 5 Fashion Staples Exclusively for Plus

Size Women

By [Hope Ankney](#)

Step aside, size zeroes; this guide is specifically for those beautiful plus size ladies out there looking to expand their wardrobes. These five fashion staples are must-haves for plus size ladies everywhere and will help you feel comfortable and beautiful in your own skin. Not to mention, we've included a few [fashion tips](#) for every occasion, so whether you're headed to the club for an after-work celebration or attending the biggest meeting of your career, you'll look great and feel just as good.

Fashion Tips: Feel beautiful in

your skin with these five fashion staples for plus size women!

Plus size ladies should have at least five essentials in their wardrobe to keep things versatile and fashionable at the same time. Whatever size or shape you are, something like a pencil skirt, tailored dress or good accessories (see [here](#) for some unique pieces) can make you feel as good as you look, and that's something that simply doesn't have a price on it:

1. Dark or medium-wash jeans: Dark or medium-wash jeans tend to accent the best parts of your curvature and should be a staple in every plus size wardrobe. Darker jeans are slimming, creating a more form-fitting look so you can show off the beauty of your size and shape with a fashionable and versatile bottom that you can pretty much wear with anything.

Denim is always a staple in any closet, but *good denim* is a must for plus size ladies. We've all had the misfortune of purchasing department store jeans that just don't fit right. Instead of venturing into the unknown at a department or clothing store, buy exactly what you need online. [Designer plus size women's clothing](#) is available online from dozens of retailers, offering a more customized and fashionable range of options than your department stores will carry.

2. Pencil skirts: What's the best way to show off those curvaceous hips? With a pencil skirt, of course. These sleek, stylish additions to your wardrobe hug your body in all the right places, and darker colors can be slimming to your figure. Pencil skirts are the perfect addition to a plus-size lady's wardrobe, providing a formal bottom for any occasion.

Don't be afraid to accent your wider hips or thighs, ladies! A pencil skirt will curve around your body in all the right ways, helping you to feel more confident about yourself and turning heads all around you. Pencil skirts are probably the

simplest solution we can offer to help accentuate your best curves and iron out your wardrobe options. Best of all, you can even wear them to work (most of the time).

3. A simple two-piece suit: If you work in an office or other professional environments, sometimes you need to dress up. Whether you're meeting a new client, or just running the day's budget meeting, you want to dress for success; and nothing says success better than a two-piece suit. You can also choose to match separates to give the illusion of a tailored suit.

Mix and match different formal pieces, or simply purchase a pre-made two-piece suit so you have what you need for the formal occasions in your life. The best way to wear a suit is to have it *tailored* first; no matter what size you are. A tailored suit will fit your body better, feel more comfortable, and look ten times better than an un-tailored one.

4. A tailored dress: Speaking of tailored, dresses also look best on plus-size ladies when they're tailored to your specific measurements. Often, you'll find dresses at the mall or department stores that are simply labeled "XL" or "XXL". This leaves little room for interpretation, and the dress will often be too large and not form-fitting at *all*. You want your dress to conform to your body and show off your lovely curves, not fall around you like a blanket.

Getting your dress tailored ensures it will fit correctly and that you'll feel comfortable wearing it. After all, no one likes to feel like their clothes don't fit right, and plus size ladies especially always seem to get the short end of the stick when it comes to fashion. This is when it's a good idea to visit an online retailer that specializes in plus size clothing. Department stores simply won't have the range of options that an online retailer has available. Not to mention, online plus size clothing brands cater to specific shapes and body sizes rather than taking the "one size fits all" approach

many department stores follow.

5. Patterned tops: Patterns like plaid or polka dots can bring just the right amount of attention to your upper body and provide a definitive separation of your top and bottom. Choose designs that are simple and not overly-colorful, such as a white blouse with black polka dots. This look can be combined with either a good pair of denim jeans (or a denim skirt) or even a pencil dress to help really accentuate your curvature.

If you're a beautiful, plus-sized woman, what are your favorite fashion essentials? Let us know down below!

Our [fashion tips](#) for what to wear this Fall are something you might want to consider trying out to if you want a vibrant and unique look that'll dazzle your friends.

The fashion trends and colors of Fall 2019 are vibrant and full of life. Check out some of our

favorites for this Autumn!

Every year, New York Fashion Week kicks off the newest fall colors and styles that are going to be the hottest trends as the season comes into full swing. Many looks catch the eye of designers as they implement them into their own designs for Autumn. 2019 is all about the fun, flare, and daring. Are you looking for some of the best colors to mix and match as the cooler weather approaches? Don't worry, Cupid has got you covered for all the [fashion advice](#) on what colors to mix and match this fall:

1. Two tone color-blocking: Color-blocking has always been a sure-fire way of grabbing people's attention. It's fun and creative, allowing you to be as unique in your style as you want. This season, though, it seems like color-blocking has been elevated. Instead of merely mixing and matching colors, the trend is to get two completely contrasting hues of color on at least one piece of clothing before you go out. If you're tired of the common prints of floral or plaid, spice up your outfit with some two-toned garments! An easy way to feel fresh this Fall, grab some bi-colored boots, pants, and two-toned button-ups. You'll be the talk of the town.

2. Dark cheddar: Being a bold and daring color trend this season, Dark Cheddar is a sharp blend of yellow and orange. This color is easily found in Hermes bags and even in the paper used for purchases from highbrow boutiques. This shade is meant to feel nurturing and warm, but it does have that spicy kick that could have you looking and feeling fresh this Fall. If you're looking for something a bit on the wicked side, this color is definitely one to consider!

3. Shades of purple: Purple has always been a controversial

color among fashion for how poignant and polarizing it can be, but its comeback for 2019's fall collection is one that should be celebrated. From pastels, to lilacs, to vibrant hues of royal purple and violet, purple is all the rage for a statement piece this Autumn. Worn best on dresses, coats, sweaters, and even hats. Bring a pop of color to your wardrobe if you want a fun and eye-catching look.

4. Electrifying pink: Now, this is a color trend on the wilder side. We're not talking about baby pinks or pastel pinks. We're talking about the brightest and hottest shades of pink for this fall. If you are desperate for a unique spin on your Autumn wardrobe, bring this shocking hue into your closet. Easy to mix and match, take your normal fall colors of browns, blacks, and greys, and throw something on with that hue of electrifying pink. This is perfect for those dreary, blustery days this season where you need a color to really wake you up. Try it on a coat first and see how you feel.

Fashion Advice: Top 5 Reasons to Wear a Vegan Leather Jacket

By [Katie Sotack](#)

Vegan leather, better known as pleather, is an emerging industry and cleaning Godsend (it's waterproof!). The [fashion trend](#) is made of plastic, cork, and kelp which are available in moto, cropped, black, and color so there's no need to hold back your fashion dreams when you're wearing one of these baddies. Of course, quality and longevity depend on how much you want to spend, but unlike leather, there's no need to pay a pretty penny in this [fashion advice](#).

Check out this fashion advice on the upside to leather alternatives.

If you love the look of a leather jacket but can't bring yourself to ethically buy real leather, consider purchasing vegan leather instead when you're on a search for a new moto

jacket with these fashion tips. Check out our [fashion tips](#)!

1. The perfect fall piece: Every fall season you will find plenty of celebrities sporting one of these jackets with a scarf tucked around their necks. The reason? [Celebrity stylists](#) know that the leather look is timeless and instantly elevates a casual outfit to *woah* status. For examples on how to wear vegan furs and leathers check out celebrities like [Miley Cyrus](#) and [Beyonce](#).

2. Cruelty-Free: If you want to avoid leather for ethical reasons but still like the look of leather, purchasing vegan leather is an option you can explore when looking for the perfect statement piece to add to your wardrobe.

3. Endless shapes: The variety of vegan leather styles means there's a perfect fit for every body type. For men, the jackets extenuate border shoulders while women's jackets are styled to show off a narrow waist, curves, or long legs. From flared to fit, there are endless options of shapes and thus endless ways to project an image with a single coat.

4. Low maintenance: Vegan leather is waterproof, especially compared to its counterpart. If your climate runs wet, you should have absolutely no problem maintaining your jacket. However, if the sun is hot and the air arid, then products are made to protect the faux leather against sun rays. These products also have the added effect of softening your new jacket.

5. It's more affordable: Vegan leather is more affordable than traditional leather, even the higher-end options. You may pay \$45 dollars as opposed to \$328 for a classic biker style jacket with vegan leather, leaving you more cash to find the

perfect boots or jeans to pair with your new statement piece!

Fashion Trend: Bring the Groove Back With Tie-Dye

By [Bonnie Griffin](#)

You may never have guessed that tie-dye would be making a come back and setting a [fashion trend](#) in 2019, but it has made its way to runways and high-fashion shops. According

to *Independent.co.uk*, tie-dye is “set to be one of the hottest trends for summer.” Move over free-spirited hippies from the 1960s, because tie-dye is making its way to the fashion runways and helping people bring their groove back.

Tie die went from a staple in the past, making us think of hippy style and good times, to a staple in today's fashion trends. How can you use tie-dye to bring your fashion groove back?

If you like to dress in the newest fashion trends hot off the runways, then look no further than some die and the white button-up hidden in the corner of your closet. Cupid has some [fashion advice](#) on how you can take your plain outfit to new fashion heights and get your groove back with a bright, tie-dye top:

1. Reimagine an old white shirt: If you're like me then you have one white top tucked away in your closet that you almost never wear. You bought it on a whim, deluding yourself about how you would keep it clean, and that turned out to not be true. Don't worry. Grab that old white shirt and hit up your local craft store so you can turn it into a beautiful tie-dyed fashion piece that will be sure to catch your friends' attention. Pair it with some cute cargo pants, your favorite sunglasses, and a brightly colored tote and you're ready to wow everyone this summer.

2. Button downs: Want to really take your tie-dye fashion trend to the next level? Throw on a tie-dyed button down with

a pair of dark washed skinny jeans, and pair it with some bright heels, or sandals adorned with flowers like roses. Grab a small, brightly colored clutch, and you are ready for a night out where you'll be turning heads.

3. Tie-dye pants: There is no rule that says tie-dye has to only come in the form of a shirt. Turn your old comfy jeans into a beautiful pair of tie-dyed pants. Pair them with an elegant, neutral-tone flowing top and matching necklace, and throw on your favorite neutral tennis shoes or flats. If you want to really add that extra dash of fashion know-how, finish the ensemble with a matching hat.

Wearing this fashion trend is all about balance and making sure to show cultural appreciation at the same time. Rock these African prints and you can channel your inner [Beyoncé](#).

1. Try rocking a bold blouse: If you're nervous about wearing an entire outfit with the colorful patterns of African print, try picking out a bold blouse. Keep everything else neutral. Wear black or tan shoes with a black or tan skirt. That way there's not too much happening in your outfit that can make it hard to balance out your outfit.

Fashion Advice: 5 Work Outfits that are Perfect for Summer

By Courtney Shapiro

Summer fashion is always so much fun. Everything is lighter, including the colors, the patterns, and the fabrics used. Even though summer wardrobes are exciting, it can be hard to find the perfect summer outfit that is also work appropriate. Read some [fashion advice](#) below on how to beat the heat, with the best outfits for the workplace.

Heat up the office with style. What are some work outfit ideas for summer?

Summer is the perfect time to up the fashion game. Stores have released their lighter clothes, and it is the time of year to experiment with new styles, and patterns. However, keeping the outfits workplace appropriate in the ridiculous heat can be a challenge. Here are some [fashion trends](#) to keep you cool and stylish:

1. Jumpsuits: These are such a fun option. Jumpsuits come in all different styles and can work for any season. In the summer, they are more flowy, and usually have light or no sleeves. The look is effortless, and can easily be dressed up with the right accessories. Depending on the dress code of the work space, a sleeveless jumpsuit is ideal for the sticky weather.

2. Maxi dresses: Like jumpsuits maxi dresses are easy to dress up for the workplace. Find the right pair of sandals, a couple of statement jewelry pieces, and your outfit is good to go. Since there are so many options, it can be hard to determine what is best for work. Try steering clear of cotton and strapless styles, as it looks too casual for the office vibe. Save those choices for the beach instead.

3. Flow pants: These could be an option if the workplace has a more casual dress code. You could do flow pants Friday and end the work week on a breezy and cool note. Most of the time flow pants are patterned, so choose a solid top, and some cute shoes, then you are all set.

4. Shirt dresses: Don't confuse these with T-Shirt dresses. Those are more casual and would be better for going out with friends. A shirt dress is usually made of light non-clingy material, and will be a statement piece for sure. You will look professional, yet still look cute. Workplace clothes don't have to be boring pantsuits, so have fun with the summer styles.

5. White button down/white pants: White is a staple color in the summer. It is important to have these options in your closet, as you can easily pair them with other patterns or colors. Don't brush these styles aside, since the light

material will definitely help you conquer the heat.

Product Review: The Flip Flop Bitch Is The Bag That Every On-The-Go Woman Needs

By Bre Gajewski

How many times have you been walking in heels and wished that you could take them off, store them in your purse and wear flip flops instead? Our answer: Too many times!

Product Review: [The Flip Flop Bitch](#) is the [date night](#) accessory you need that is worthy of [celebrity style](#)!

When looking for a new purse, we often think to ourselves, “Pretty is more important than practical.” And, if we want both, it is probably out of our price range. Luckily, the Flip Flop Bitch meets all of our needs.

This bag is lightweight, large enough to fit all of your essentials, and even comes with a cute matching wristlet in which you can store the bag. The best part of all? It’s reversible! If you are already wearing a bold print, you can just turn your Flip Flop Bitch bag inside out and wear it on the solid-colored side.

The totes from the Fashion Line come in many different styles ranging from \$65-85. One of our favorites is the [Retro Vegan Leather](#)!

Retro Vegan Leather, \$85

Additionally, they have a Bridal & Sparkly Line which offers eight different styles at \$45 each, as well as a Pet-Themed Line, which offers four styles that hold all of your pet supplies for \$85 each.

We also love [The Illusionist: Vegan Leather Wristlet](#) for nights when you want a smaller bag, but still want something lightweight and fashionable.

The Illusionist: Vegan Leather Wristlet, \$25

The Flip Flop Bitch was created by mother/daughter duo Cindy and Laura Massari. We had the opportunity to speak with these entrepreneurial ladies and learn a little bit more about their totes and their company. Read our interview below:

Cindy and Laura Massari, Founders
of The Flip Flop Bitch

Can you tell us more about your inspiration behind the Flip Flop Bitch?

Cindy had this idea for many years before it came to fruition. She always believed in looking good, but also FEELING good too! This is why she had to create a CHIC tote bag to carry her change of shoes when her heels need to come off. Most totes are unattractive and not washable, ours are

both beautiful and are washable. No other tote can go to a wedding or an elegant affair & our vegan leather line is so versatile that they can be used for any occasion. Our many appointments in NYC show just how necessary these totes have become. We love to wear beautiful high heels with our outfits and a change of shoes is always a must!

We think the name is hilarious, how did you decide on that?

We are so glad that you love the name! There's actually a funny story behind this. One night Cindy & I were out in the city with girlfriends and after being in heels all night our feet were killing us. As we were walking toward the garage, Cindy decided to pull her flip flops out of a tote that she had designed for herself and switched shoes. Our friends were already barefoot & complaining, walking the dirty streets of Manhattan. How disgusting is that?? They were so jealous... They called her "The Flip Flop Bitch"! She said "that's exactly what I am! And the name was born. It was at that point that she realized there was a need for all women to save their feet & look good doing it.

What is it like being partners in this company as a mother and daughter? Has it brought you closer together?

It's been the best adventure! We have so much fun together & our talents truly complement each other so well. Cindy is the sassy out of the box creator, model & spokeswoman, and Laura is the finance & operations end of the business. We have both learned a lot about each other's strengths and we balance each other well & laugh a LOT. So it has brought us closer for sure.

What does the future hold? Any additional products in the works?

There is always room for more products! Cindy has so many ideas & wants to create a "bitch" empire, LOL. There may be footwear, organic cosmetics, bathing suits. We will see, stay

tuned! XOXO

2. Pair it with a bright color: Another way to wear white is by pairing your favorite white item with another that's a fun, bright color. Wear your new white jeans with a cheerful yellow or pink top to form a look that has an instant impact.

Fashion Tips: How To Rock Heels Without The Pain

By [Haley Lerner](#)

If you've ever worn high-heeled shoes, then you're aware of the extreme discomfort the pretty things can bring. Despite the fact that heels are often extremely expensive, they typically tend to be pretty painful. But pain from high heels isn't always temporary, and sometimes wearing them too often can result in foot damage or chronic pain. While it can help to cut back on wearing heels, we also have some [fashion tips](#) on how to make wearing gorgeous high heels painless on your [date night](#).

Follow these fashion tips to rock heels without the pain!

1. The size is right: If you really want to avoid pain from wearing heels, then you must make sure you are actually wearing the right shoe size. Make sure to have your feet sized correctly and make sure the heels you buy aren't too big or too small. Also, make sure you know if you have a flat foot or high-arch foot, as you may need to adjust your shoe type based

on this.

2. Thicker heels: A great way to avoid pain via heels is to avoid stilettos and opt for a thicker heel. A chunkier heel will give you more stability and put less pressure on the bottom of your feet. You can also avoid thin heels by wearing platform shoes, which can be extremely comfortable.

Related Link: [Fashion Advice: 3 Secrets to Finding the Perfect Dress for a Formal Event](#)

3. Take breaks and stretch: Sometimes, your feet really just need some relief from your heels. Throughout the day, kick off your heels and stretch out your feet. Focus on stretching your ankles and toes.

4. Shoe inserts: If you know your heels are going to cause you some pain , purchase some shoe insert pads that go under the balls of your feet to help prevent future ache. Go for ones made from silicone gel to help prevent your feet from sliding in your shoes.

5. Carry provisions: Despite how hard you try to avoid pain from heels, it's possible you still might end up with soreness and some blisters. Always be prepared for the discomfort by carrying band aids and ibuprofen to treat your pain.
