Sometimes, socks get treated like the younger, less impressive sibling to lingerie in the undergarment family. We all have our share of boring, white or grey mismatched socks – perhaps with holes in the toes. It's far too rare that we treat ourselves to a new pair. Months go by, and we continue to neglect our feet's need to be accessorized, while our derriÃ"re gets all the attention. But socks can be just as fun and flirty as silky slippers! With Foot Cardigan's monthly subscription, you'll be receiving creative, exciting socks throughout the year. Your socks will never be overshadowed by another undergarment again.

Foot Cardigan is a monthly sock subscription service that guarantees a new pair of unpredictably funky and unique socks every thirty days. That's right: Each month, they deliver a pair of zany socks to your mailbox, and you won't know what the design is until you open up the package.

What if you don't like the socks you get, you ask? Well, the creators of Foot Cardigan say that this is simply impossible because "you will love them, wear them, and your life will be better because of them." To see some designs they've sent to their subscribers, check out the #sockstagram feed on Instagram.

The folks at Foot Cardigan say that their socks are made out of "a heartfelt desire to improve the world one foot at a time," along with 75 percent cotton, 20 percent polyester, and 5 percent spandex. Plus, they include the secret ingredients of "1.7 percent laughter, and the last twinkle of a distant dying star."

Put an end to wearing those colorless socks and embellish your arches in Foot Cardigan's outrageously fabulous accessories. It'll be a fun new adventure for your previously neglected feet. And the ongoing anticipation to see which interesting pair you'll get next will no doubt keep you on your toes. Your feet will be delightfully surprised all year round!
